Shrimp Catch Fleet In Pacific To Be Cut By Half

by Steven Ranieri

Category/Department: General

Published: Wednesday, August 19, 1992

On Aug. 6, Fisheries Minister Guillermo Jimenez Morales told reporters that Mexico's shrimp catch fleet in the Pacific will be cut by half. According to SEPESCA, 700 of 1,400 vessels are obsolete. Jimenez said that while the 700 cannot operate profitably in the shrimp business, they could be useful in alternate fishing activities. (Source: El Financiero, 08/7/92]
