National Committee Holding a  
Conference in St. Louis.

The Coinage of Silver Will Be Ad-  
vocated Next Campaign.

New York Legislature Passes a Bill  
Taxing Corporation Franchises.

## GEN. FUNSTON MAKES REPORT.

St. Louis, Mo., May 25.—C. M. Walsh,  
Democratic central committee, who was sup-  
posed to be editing a paper in Alaska,  
walked into the Planters hotel this morn-  
ing and announced himself prepared to  
take part in the conference. "I have been  
in Ottawa, Canada, for the last four months,"  
said Walsh, "looking after mining matters."

The McGiffert committee brought in  
two reports. The majority report refers  
the matter to the Presbytery of New York;  
the minority recommends the New York  
Presbytery to appoint a committee to  
confer with McGiffert, and if he re-  
fuses to modify his views to proceed  
against him.

Bryan arrived this morning from Pitts-  
field, Illinois.

John F. Altgeld, Illinois, arrived this  
morning and set to work to repair the  
damage done to his fence yesterday by  
the Harrison forces of Illinois.

"I guess they will not impair my use-  
fulness to any great extent," he said.

It is asserted by all that free coinage of  
silver will be a factor in the next cam-  
paign.

## COMMITTEE IN SESSION.

St. Louis, May 25.—With twenty-two  
members present in person, the demo-  
cratic national committee went into se-  
cret session at 10 o'clock this morning at  
the Planters hotel. The committee mem-  
bers were: Henry Clayton, Alabama;

Thomas C. McRae, Arkansas; Adair Wil-  
son, Colorado; Alexander R. Truitt, Con-  
necticut; Clark Howell, Georgia; Thomas  
Hatch, Illinois; John G. Shanklin, In-  
diana; C. A. Walsh, Iowa; J. G. John-  
son, Kansas; Urey Woodson, Kentucky;

T. D. O'Brien, Minnesota; W. B. Sullivan,  
Mississippi; W. J. Stone, Missouri; W. B.  
Thompson, Nebraska; Joseph Daniels,  
North Carolina; J. M. Griffin, Pennsylvania;

James M. Woods, South Dakota; James  
M. Read, Tennessee; James G. Bailey,  
Texas; Peter Oley, Virginia; John  
T. McQuinn, West Virginia; W. N. Holli-  
day, Wyoming; Thomas Marcus, Indian  
Territory.

Governor Stone stated the object of the  
meeting as set out in the call. He was  
then elected chairman. Mr. Walsh was  
in his place as secretary.

J. M. Griffin, of Pennsylvania, proxy  
for Committeeman Hartley, made a total  
representation of twenty-three states.  
Representatives of the different states  
outlined the conditions existing.

Bryan made a short address, urging  
the members to look closely after the or-  
ganizations of their states, and suggest-  
ing that strong efforts be made to pro-  
vide campaign funds for the coming  
campaign.

The fight in the Illinois democracy  
against Editor Devlin, of the national  
committee press bureau, was brought up  
by Committeeman Gahen, of Illinois.

He made a vigorous speech, claiming  
that Devlin acted against the regular  
democratic organization in Illinois and  
should be removed. A motion was car-  
ried appointing a committee of three to  
investigate the Devlin matter. At 1:30  
the conference took recess.

Telegram From Admiral Kautz.  
Washington, May 25.—The following  
cablegram has been received at the war  
department, dated April, May 16:

"The Badger arrived May 13. The  
Philadelphia will leave on June 25. The  
commission may desire to return on the  
Badger."

(Signed) "Kautz."

Passed the BILL.  
Albany, N. Y., May 25.—The franchise  
tax bill passed the senate today by a  
vote of 30 to 18. Three democratic sena-  
tors voted with the solid republican  
majority.

The bill subsequently passed the as-  
sembly, two republicans voting with the  
majority and two democrats with the  
minority.

Big Reward.  
New York, May 25.—The kidnapped  
child, Marion Clark, is still missing. Re-  
wards offered for the discovery of the  
child and apprehension of her abductors  
now amount to \$4,000.

Not a Candidate.  
Washington, May 25.—Secretary Wil-  
son today denied the report that he  
would be a candidate to succeed J. R.  
Gibson as United States senator from Iowa.

Gen. Funston Makes Report.  
Washington, May 25.—Adjutant gen-  
eral Corbin today gave out a report of  
Col. Frederick Funston of the Twentieth  
Kansas regiment, which was an ap-  
pendix to the report of Major General  
McArthur. Col. Funston continues  
himself generally to rather dry state-  
ment. Touching the fight at Calocan,  
he says: "I ordered a charge up the  
road through gardens and bamboo

thickets that flanked it. This charge,  
which I led in person, was most gallant-  
ly made, the men firing as they ad-  
vanced. The insurgents stood until we  
were within sixty yards, when they  
gave way."

Next Place of Meeting.  
Minneapolis, May 25.—St. Louis has  
been selected for the next meeting place  
of the Presbyterian assembly.

Dr. John H. Boyd, chairman of the  
standing committee on temperance, made  
a speech complaining of the revocation  
of the Alaska prohibition law and the at-  
torney general's "outrageous interpreta-  
tion" of the law abolishing the canteen.

One of the recommendations of the  
temperance committee was that the as-  
sembly should appeal to President Mc-  
Kinley to enforce the anti-canteen law  
regardless of the attorney general's opi-  
nion, or at least until the supreme court  
passes on the matter. An attempt to  
strike out this clause was voted down.

Another resolution suggested by Alexan-  
der Dixon, of Saratoga, Pa., calling upon  
congress for additional legislation for an  
abolishment of the canteen evil, was car-  
ried.

The McGiffert committee brought in  
two reports. The majority report refers  
the matter to the Presbytery of New York;  
the minority recommends the New York  
Presbytery to appoint a committee to  
confer with McGiffert, and if he re-  
fuses to modify his views to proceed  
against him.

Restraining Order Issued.  
Denver, May 25.—Judge Hallett, of the  
United States court, today issued an or-  
der restraining the mayor and city coun-  
cil from completing the enactment of an  
ordinance repealing the Tramway com-  
pany's original blanket franchise. The  
order is issued on the complaint of the  
Mercantile Trust company, of New York,  
trustees for the bondholders.

Funds for the Celebration.  
Albany, N. Y., May 25.—The senate  
today passed unanimously a bill appro-  
priating \$75,000 for expenses of the cele-  
bration of the return of Admiral Dewey.

Trying to Float the Paris.  
Covington, Conn., May 25.—Further  
efforts have been made to refloat the  
Paris, but the tide failed.

SANTA FE SENSATIONS.  
Proceedings in the Two Noted Criminal  
Cases on Trial.

Santa Fe, May 25.—Col. Bergmann,  
his son Henry, and O. L. Merrill, de-  
fendants in the conspiracy case, were  
dismissed on their own cognizance to  
appear before next grand jury.

Habeas corpus proceedings will be  
heard by Judge McFie in the Merrill  
murder case at 7 o'clock this evening.  
The time of defense as well as evidence  
for the prosecution is expected to be  
brought out. It is said that three  
physicians out of six examining the  
wounds of Merrill will testify that a  
pistol shot might have caused the  
wounds, thus strengthening the evidence  
of the defense.

Admiral Kautz Coming Home.  
Washington, May 25.—Admiral Kautz  
will return to the United States with the  
Philadelphia. The flagship will be re-  
placed at Apia by the cruiser Newark,  
which is due at Valparaiso about the end  
of this week, and should make the pas-  
sage across the Pacific by the middle of  
June.

Moderator of the Presbytery.

inson, D. D., of Allegheny, Penna., was  
unanimously elected moderator of the  
general assembly of the United Presby-  
terian church today.

city is well filled with delegates to the  
international conference of the Young  
Men's Christian Association, which

Washington, May 25.—President Mc-  
Kinley has positively decided to go as  
far west this summer as St. Paul. But  
whether he will go on to the Yellow-  
stone Park and the coast depends upon  
circumstances.

## FILIPINO ENVOYS.

They Are Pleased With Courte-  
sies Shown Them at Manila.

Battle at San Fernando and Fifty  
Insurgents Killed.

Destructive Fire at Necades, California,  
Last Night.

## ADMIRAL SCHLEY IN DENVER.

Manila, May 25.—The Filipino com-  
missioners left here by special train to-  
day. They will be escorted to their lines  
under flag of truce. It is expected that  
they will return soon.

President Gonzaga, of the Philippines  
commission, said: "We greatly appre-  
ciate the courtesy shown us. We spent  
some time with your commission-  
er incidentally considering the Ameri-  
can constitution, and its principles im-  
press us profoundly. The plan of govern-  
ment offered the Philippines seems in  
theory to be a good colonial system, but  
why should a nation with your constitu-  
tion seek to make a colony of a distant  
people who have been so long fighting  
against Spain to secure the same rights  
you fought against England?"

In the fighting at San Fernando yester-  
day fifty Filipinos were killed and many  
wounded. The Americans had two killed  
and twelve wounded.

SHARP ENGAGEMENTS.  
Washington, May 25.—General Otis  
has sent the following dispatch to the  
war department: "Manila, May 25.—  
On the 23rd inst., the Third Infantry, re-  
turned to Batangas, were attacked morn-  
ing, noon and evening by a large force  
of the enemy, suffering casualties of two  
men killed and thirteen wounded. The  
enemy was repulsed, leaving on the field  
sixteen men and a large number of  
wounded and prisoners."

Yesterday the enemy appeared in the  
vicinity of San Fernando, and were at-  
tacked by the Kansas and Montana  
regiments, which suffered slight loss.  
The enemy were driven through the rice  
fields, leaving fifty dead and thirty-eight  
wounded and twenty-eight prisoners;  
fifty rifles and other property was cap-  
tured. Their retreat through the swamp  
land saved them from destruction.

Lawton is returning, leaving with  
MacArthur on the front, regular troops  
to replace the volunteers.

FIRE AT NECADES.  
Drug Store and Lodge Room Burned, and  
Loss is Heavy.

Needles, Cal., May 25.—A fire was  
started in Francis J. Kelley's drug store  
at 11 o'clock last evening. Kelley tipped  
over an oil lamp and was badly burned  
while trying to extinguish the flames.  
The two-story brick building is a total  
loss. Kelley's loss is \$10,000; insurance,  
\$3,500. The building was owned by  
George S. Briggs, and the cellar was  
stocked with liquors. The second story  
was the lodge room of the Masons,  
Knights of Pythias, Foresters, Moderns  
and the railroad orders. The records and  
furniture are a total loss. Briggs' loss is  
\$12,000; insurance, \$5,000. On account  
of repairs to the city water works very  
little water was at hand, and the ad-  
jacent stocks of goods were carried into  
the street. A favorable wind prevailed,  
or the entire block would have burned.

Admiral Schley in Denver.  
Denver, May 25.—Admiral Schley, ac-  
companied by his wife and ex-Senator  
and Mrs. Manderson, Nebraska, was en-  
thusiastically received by a crowd at the  
union depot on his arrival this morning  
from Omaha. The party breakfasted at  
the residence of Mayor Johnson and were  
driven about the city during the forenoon.  
They were the guests of Joel F. Valle  
at the luncheon at the Denver club.  
From 4 to 6 p. m. a public reception  
will be held in honor of the naval  
hero at the capital. The mayor has pro-  
claimed a half holiday, and flags are fly-  
ing on many buildings.

Fishmeyer's Historic Home.  
W. W. Fishmeyer, the chief of detectives  
in Lafayette, Ind., arrived in the city  
last night and will accompany Louis  
Fishmeyer, the insane volunteer soldier

who was brought to this city a few days  
ago from Laguna, where he had become  
separated from his comrades on their  
way to the Philippines, back to his old  
home this evening.

Mr. Weinhardt states that while Fish-  
meyer was not actually what could be  
called insane at home, he was never con-  
sidered a bright boy. His people are  
highly respectable residents of La-  
fayette.

The Moonlight Social.  
The young ladies of the Church of the  
Immaculate Conception had a very suc-  
cessful evening at the opening of their  
parochial residence last night. A great  
number of people attended the social  
and large quantities of the different ar-  
ticles offered for sale were disposed of.

The grounds were brilliantly illumi-  
nated with Chinese lanterns and hand-  
somer decorated with American flags  
and red, white and blue bunting. The  
night was delightfully warm and every-  
one enjoyed himself to the utmost.

Nearly \$125 was realized on the first  
night and if the weather is favorable this  
evening should be more than doubled to-  
night.

How Stillman Company.  
The Rose Stillman company presented  
"Mourning" to a small audience at the  
Orchestra hall last night. Those who  
attended were rewarded by an even-  
ing of unadulterated enjoyment. George  
Kunkel sang some of his latest songs  
greatly to the delight of his hearers.

This evening the company will pre-  
sent "Her Guardian, or the Rajah" at the  
Orchestra hall.

F. GIANNINI LOST.  
The Clerk at Tott & Grady's Store Mys-  
teriously Disappears.

At about 12:30 o'clock yesterday after-  
noon, Fred Giannini, a clerk at Tott &  
Grady's store on North Third street,  
mounted a bicycle belonging to L. J. Tott  
and rode away. He said nothing to the  
people of the store as to where he was  
going, and they, thinking that he was  
only going out to dinner, asked no ques-  
tions. He did not return but no fears  
for his safety were entertained until  
parties out hunting for Mr. Barbry's  
lost wheel, found Mr. Giannini's bicycle  
near the aqueduct back of the Third ward  
school building, with the seat torn off.

They reported their find and Mr.  
Grady was notified. A search for the  
lost man was instituted, but no trace of  
him has yet been discovered. Officer  
Martinez followed the aqueduct the entire  
way to the river, but he found the water  
so low that it would have been impos-  
sible for a man to drown in it.

This is the second time that Giannini  
has mysteriously disappeared. The time  
before this he went to Corrales and was  
gone some time before returning.

COLLIER & MARRON DISSOLVE.  
Judge Collier and Family to Make Their  
Future Home in St. Louis.

The law firm of Collier & Marron has  
been dissolved, Judge Collier having de-  
cided to remove from the city and make  
his future home in St. Louis, for which  
place he expects to leave some day next  
week accompanied by his family.

The principal reason that induced  
Judge Collier to decide on this change,  
is the poor health of his children, with  
whom the high altitude does not seem to  
agree; and it being necessary to remove  
to a lower altitude, he considered that  
from many points of view St. Louis is  
the best place to go. It is a large city  
with excellent educational institutions  
in which the children can be reared in  
Dr. Collier's faith, and in addition it  
furnishes a splendid field in which to  
work up a lucrative law practice.

A telegram was received in this city  
this morning from Farmington, Me.,  
stating that Mrs. J. C. Stewart had died  
last night. She was the mother of  
Mrs. E. H. Dunbar, Mrs. N. E. Stevens  
and Mrs. W. S. Burke, of this city, and  
was about 88 years old at the time of her  
death. Her aged husband is also re-  
ported to be quite ill. Mrs. Dunbar will  
leave on the flyer this evening for her old  
home.

Mrs. Simon Neustadt, wife of the gen-  
eral merchant at Los Lunas, is here on a  
visit to her sisters, Mrs. L. F. Levy and  
Mrs. Louis Trauer. Mrs. Neustadt,  
mother of the three ladies is also in the  
city from Los Lunas.

Thos. Doup and wife, from Columbus,  
Ind., are in the city and have their  
names on the Grand Central register.

ST. LOUIS KEG AND BOTTLED BEER.

Correspondence Solicited.

The above is a copy of a law introduced into the last Congress to protect the  
American people against counterfeit, imitation and misleading labels and to  
punish those guilty of the miserable and ignoble use of them on such goods.  
The Southwestern Brewery and Ice Co., of this city, are and have been for  
some time past putting on the market a beer labeled, "The Consolidated Brewery  
Co., Milwaukee, Wis." It is made and bottled here in Albuquerque. Of course there  
is no such company, of which fact they are well aware, because if they should  
use its name or any other reputable firm they would be made to walk Spanish  
in short order.

The object in so disguising their beer is to deceive the public by making  
them think they are buying a reputable article. The reason the dealer handles it  
is because he can get it cheaper than a good beer. The only one that gets  
the word of the whole business is the consumer, the man who drinks the stuff.  
He pays the price of good beer to the dealer; is liable to be made sick by it and  
is humiliated.

Such laws have been found necessary since the miserable frauds, deceptions  
and risks some people will resort to make a few dollars.

## SAMOAN COMMISSION HOLDING SESSIONS.

Manila, May 25.—General Lawton is at  
Manila with practically his entire com-  
mand. He is withdrawing to the rail-  
road as the region is difficult to hold  
during the rainy season. The roads will  
be impassable in a few days. As supply  
bases, small garrisons will control na-  
vigation at points on Rio Grande, Bagbag  
and San Fernando.

Dissensions May Disrupt a Trust.  
New York, May 25.—The Herald says:  
More dissensions have arisen in the bi-  
cycle trust that threaten to disrupt that  
giant combination. The manufacturers  
were asked to extend their options from  
June 1 to August 1. Several made de-  
termined protests against the delay and  
at least one of the biggest makers in  
the combination flatly refused to renew  
the option. Opposition to the trust, led  
originally by R. T. Coleman, was revived  
and now threatens to develop more  
strength than it first possessed.

Establishing Ten Farms.  
Washington, May 25.—It is only a  
question of time, says Secretary Wilson,  
who has just returned from a trip in the  
southern states, when the south will pro-  
duce all the tea the people of the United  
States want. We intend to establish a  
tea farm in every southern state. We  
propose to get the finest variety of tea to  
be found in the orient, and have the  
planting done where the growth can be  
forced through irrigation, so get plenty  
of tender shoots."
