U.S.-mexico Forestry Management Cooperation Agreement

by Steven Ranieri

Category/Department: General

Published: Wednesday, August 26, 1992

On Aug. 23, Agriculture Ministry (SARH) sources reported that the US and Mexican governments have finalized a forestry management agreement. The accord calls for joint research, and the design and operation of regional infrastructure units for coordinating management of forest ecosystems. (Source: La Jornada, 08/24/92)
