A BLOODY LABOR RIOT AT VICTOR

Close Upon the Dynamite Outrage in Which Thirteen Men Were Killed Followed an Outbreak Between the Warring Factions in Colorado's Gold Camp.

Victor, Colorado, June 7.—Excitement ran at a high pitch last night, although no sensational incidents occurred after the riot of the afternoon. From dark to dawn the principal streets were almost as crowded as they were during the day, by thousands of men and women who assembled from all parts of the camp in the belief that the darkness would invite further bloodshed. Their expectations, however, proved groundless. Aside from an occasional arrest of a union agitator and occasional shot from some dark, secluded spot in the foothills, the night passed quietly. All night, however, the streets and footpaths, leading from the mines were closely watched, and every few minutes some man was brought in and placed in the bull pen. More than 150 union men, said to have been the leaders in yesterday afternoon's riot, were placed under guard in the armory. Comparative peace prevailed throughout the district today but conditions are still of a volcanic nature and nobody believes that the trouble is ended. Thirteen deaths have resulted from the dynamite outrage at Independence and several of the injured are in a critical condition, and two men were killed and eight wounded in the subsequent rioting in Victor.

The following are the casualties of the rioting:

Killed, Roxie McCoe, John Davis; wounded, J. A. Reed, Joe Findley, Fire Chief Murphy, Peter Cheesman, Fred Christman, Peter Calderwood, Arthur Parker, James M. Kelvey.

A thoroughly organized vigilance committee, composed of mine owners and their employees and sympathizers, has taken charge of the government of Teller County and large squads of armed men are patrolling the district. These men are acting under orders of Edward Bell, the new sheriff, who is a large property owner and an outspoken opponent of the miners' union. Sheriff Henry M. Robertson, resigned yesterday afternoon under the compulsion of the Mine Owners' Association. The first act of Sheriff Bell, who was appointed by the county commissioners, was to remove Under Sheriff Burton. Then he appointed 25 deputies to which force he has since made large additions, and later he disarmed the union officers, who had been appointed by City Marshal O'Connell of Victor. Meanwhile, O'Connell had visited the Mine Owners' headquarters in which about 30 armed men were assembled and demanded that they surrender their arms to him. He was forcibly ejected and after being deposited from office by Mayor French was arrested. Many other chosen peace officers of the various towns in the district also have been deposited and some have been locked up.

The sentiment of the mine owners, as voiced by C. C. Hamlin, secretary of the association, is that all union miners must be driven from the camp. His declaration that the time has come to "purge the district" started the rioting yesterday afternoon at a mass meeting here called to discuss the dynamite outrage. "It's up to you to drive these scoundrels out," Hamlin declared, whereupon Alfred Miller, a union man who had been sworn in as deputy sheriff, raised a rifle and inquired: "Whom are you referring to?" Miller's rifle was seized and shooting began which resulted in the killing of two and the wounding of five others. It is said that some of the shots were fired from the union hall. Sheriff Bell called on the local company of militia to assist in preserving order and to arrest the men in union hall. A scattering fire was kept up by the soldiers and the union men for 20 minutes, when the miners surrendered. Only three wounded men were found in the hall, and no casualties occurred in the attacking party. The uninjured men in the hall, forty in all, were placed under arrest, and all books and documents of the union were seized. During the night a number of other arrests were made. The union stores at Victor and Goldfield were wrecked and stocks scattered in the streets by the mob. Among those taken prisoners was Editor George Kyner of the Victor Record, but he was subsequently released. A bloodhound brought from Trinidad took up the trail of the fiend who exploded the dynamite at Independence and followed it from Bull Hill to the Colorado Springs wagon road. Detective Robert Sterling of the Mine Owners' Association then declared that he was convinced that he knew who caused the deadly explosion.

Mayor French said today that in his opinion no more troops would be needed here. "Company C, now on duty, consists of 60 men," he said, "and the number can be increased to 100 if necessary. Besides these soldiers we have 100 armed deputies. The civil authorities have perfect mastery of the situation. Should the military turn over their prisoners to the civil authorities there will be no lynching."

However, the feeling is bitter against Alf Miller, who it is said, started the riot, former City Marshal O'Connell, for whom it is asserted the union men who fired upon the people from union hall had been deputies, and Harvey Starbuck, former marshal of Independence. Every person in the district has taken sides. The mine owners declare that the Western Federation will be banished from the district while the union men assert that it is not proved that they had anything to do with the dynamiting and that they have a right to organize. Business is practically suspended in Victor and conditions are little better at Cripple Creek. All saloons are closed by order of the authorities and many merchants have also closed up. All who can, are taking out additional insurance.

Union Men Will Be Deported.

Victor, June 7.—Noon.—The situation grows worse and more intense although the recurrence of yesterday's experience is not expected because nearly all the union miners have been disarmed. The feeling against the union miners is very bitter. There are now 200 union miners in the bull pen and others are being rounded up. The sheriff, military authorities and mine owners now openly state that the wholesale deportation of union miners will occur although they will not state when. It is believed that all but the leaders, who will probably be held, will be sent out tonight with a warning not to return. No firing has been done today and no outward disturbance of any kind occurred.

Will Rush Troops to Victor.

Denver, June 7.—It is reported at the state house that troops will be sent to Victor before night. Fears are entertained that an attempt will be made to burn the town. Troops to the number of 500 or more could be rushed in to Victor from Colorado Springs and other neighboring towns within two hours.

Two More Victims.

Cripple Creek, June 7.—Two more names were added today to the list of those who were killed at the Independence dynamiting. They are George S. Henderson and Fred Buckley, and it is believed several others were blown to atoms. George Hall has been appointed coroner in the place of James Doran who was forced to follow the example of Sheriff Robertson, in resigning, and will hold an inquest over the murdered miners.

Excitement Grows Intense.

Cripple Creek, June 7.—The streets are filling up with people and the excitement is becoming intense. Two thousand people are congregated at Second and Bennett Avenues, the Citizens' Alliance headquarters for a mass meeting, to be addressed by the mine owners and business men, and armed squads are searching for several men. Lynching is again freely talked of and every man is a walking arsenal. All mines are closed except the Portland, and will be until after the inquest.

Rounding Up Union Men.

Colorado Springs, Colo., June 7.—A special from Cripple Creek says: A posse of 300 deputy sheriffs armed with rifles and revolvers is now scouring the hills of the Cripple Creek district with the object of rounding up every union man and every loafer in camp. When found they will be escorted to the county line and warned never to return. The union men are also well armed and will resist any attempt at deportation. Many of them are desperate and serious trouble is liable to occur at any moment.

Martial Law Declared.

Denver, June 7.—Acting Governor Haggitt declared martial law in Teller County at 3 o'clock this afternoon. Enough troops will be sent there to restore and maintain order.

NEW METHODIST CHURCH AT ALBUQUERQUE.

Bishop Joseph F. Berry of Buffalo, New York, yesterday officiated at the laying of the corner stone of the First Methodist Episcopal Church at Albuquerque. The new structure will cost \$15,000.

MEN OF THE HOUR IN NEW MEXICO

ROBERT M. HARDINGE.

For Six Years Section Director of the Climate and Crop Service of New Mexico.

Robert M. Hardinge, who has just been relieved from duty as section director of the New Mexico Climate and Crop Service in this city and as official in charge of the local office of the Weather Bureau, was born in Saline County, Missouri, May 5, 1863. He received his primary education in the public schools of his native state and thereafter attended a full term at Pennsylvania College, Gettysburg, Pennsylvania, graduating in the class of 1885. In the same year he entered the signal service of the United States army and continued in that service as a weather observer until it was transferred to the Department of Agriculture, under the name of the Weather Bureau in 1891. During his term of service from 1885 to 1898 he was on duty at various weather observation stations giving satisfaction and performing his duties so well as to receive promotion from time to time to more important and better paying offices. Before coming to Santa Fe he was section director of the Climate and Crop Service of the state of New

York with headquarters at Cornell University at Ithaca. In May, 1898, he was transferred to this city and assumed charge of the station here. During his tour of duty in this city Mr. Hardinge has performed the important duties devolving upon him to the satisfaction of his superiors and with great benefit to the agricultural and stock interests of the Territory. He is thoroughly educated, an expert in meteorological and climatic science, conscientious in the performance of duty and a competent, attentive, and efficient public official. He has been transferred to assume charge of the station of the Weather Bureau at Syracuse, New York, and will be at his new post within ten days.

Mr. Hardinge during his six years service in the capital of New Mexico, has made many warm friends and has become a social favorite. His departure for his new station is regretted by all those having had official or personal relations with him during these years. He is succeeded by Charles E. Linney, formerly assistant observer at Denver.

IMPORTANT RESOLUTIONS

Adopted By County Commissioners—Bondsmen to Pay \$5,000 on or Before July 1.

REPORTS OF FUNDS COLLECTED

To Be Furnished Every Month By Officials—Extra Claims of \$1,700 by Ex-Treasurer Taken Under Consideration.

The board of county commissioners at its session yesterday afternoon transacted quite important business for the county. The board met at 2 o'clock and there were present Chairman A. L. Kendall, Commissioners Arthur Seligman, Commissioner Nicolas Quintana being absent; Clerk Celso Lopez and Deputy Clerk Federico Lopez were also in attendance.

A very important resolution was adopted. It calls upon the district attorney, the special attorney for the county, the sheriff, treasurer and clerk of the District Court to report to the board on the 10th of each month any and all sums collected by any of these officials for and on behalf of the county for any fines or for any purpose whatever, whether regular taxes, delinquent taxes, settlements of judgments, fines, or liquor licenses and to make report of any and all delinquent taxes and fines heretofore collected during their incumbency of office. This resolution was made necessary because it has come to the knowledge of the board that considerable money for delinquent taxes and fines has been collected, of which no record to the board has been made. In order to keep the county records properly, the board

concluded that these requirements were absolutely necessary and therefore adopted the above resolutions.

Among the matters taken up was that of the shortage of ex-Treasurer G. W. Knaebel. Captain Frederick Muller, one of the bondsmen, was before the board and stated that the bondsmen desired that certain allowances and credits claimed by the ex-treasurer be approved and allowed and credited on the accounts by the county commissioners. These amounted to a little over \$1,700 and were partly for commissions of four per cent on a sum amounting to a little over \$3,300 received from delinquent taxes, but collected on suits by the district attorney; there were also included claims for office rent for fourteen months at \$20 per month and charges for telephone service, stamps, stationery, etc. The board took this request under consideration and will act upon it later. Captain Muller also stated that the bondsmen were ready and prepared to pay such amounts of the shortages as the county required for current business and that the remainder of the shortages would be paid whenever the county called for it. Upon this statement the board passed a resolution requiring the bondsmen to pay into the county treasury on or before July 1, the sum of \$5,000, \$3,500 to the county and \$1,500 for the school fund. Captain Muller stated that this sum would be promptly paid.

Among the credits claimed by ex-Treasurer Knaebel appears the sum of something over \$1,400, commissions paid to Assessor M. A. Ortiz. It appears that the sum of \$138 was overpaid the assessor by the ex-treasurer. The assessor demurred to this account and first declared that it would not be accepted by him and that it was not correct, but finally acknowledged its correctness. The board will not give credit for it on ex-Treasurer Knaebel's account until the matter is satisfactorily straightened out and until there will be no question concerning it.

The mayor domos of three acequias, Petrolino Armijo, Simon Segura and Francisco Gonzales y Chaves appeared before the board and complained that they could not get water from the river for irrigation purposes. The matter

MORE STORIES OF RUSSIAN ATROCITIES

Water Sources Poisoned by Them—Cossacks Commit Outrages Upon Helpless Koreans—The Czar's Soldiers in Retreat—Land and Sea Attack Upon Port Arthur by the Japanese.

Che Foo, June 7.—Preceding the sea attack on Port Arthur last night the Japanese apparently made a determined effort to advance on that stronghold by land. A Chinese junk which left a point three miles south of Port Dalny early on Monday morning has arrived here. She reports having heard firing north of Port Arthur from seven on Monday morning till two that afternoon at which time she passed out of hearing distance. It would appear that the Japanese planned a land and sea attack on Port Arthur yesterday. The Russians on seeing this, sent their fleet out to give battle the result of which is not known.

Newspaper Correspondent Killed By Chinese.

New Chwang, June 7.—A private telegram from Shan Hai Kwan says that Lewis Etzel, correspondent of the London Daily Telegraph, and Ernest Brindle of the London Mail, were fired upon by Chinese soldiers while in a junk between Shwantaitse and Erdiko. Etzel was killed but Brindle is believed to be safe. Etzel was a native of Pennsylvania.

The Russian Retreat.

Seoul, June 7.—A telegram was received from the Japanese consul at Gensan, Korea, saying that the Russians who were at Han Heung, have retired in the direction of Ping Yang. It is reported that the Cossacks in retreating speared and killed the prefect of Kowon who refused to furnish the troops with the provisions demanded by them.

Russians Poison Water Sources.
Tokio, June 7.—The supplementary reports from the blockading force indicate that the Russian gunboat which was sunk by a torpedo off Port Arthur on Saturday was of the Gremiaschi type instead of the Giliak class. It was reported that when the Russians abandoned Taku Kiao they poisoned the water sources. Admiral Kuroki is investigating the charge.

Russian Atrocities.
Seoul, June 7.—Reliable information has been received here from Ping Yang to the effect that the Cossacks between Anju and Kaichou are reported to be killing the Korean natives and looting their homes.

The Killing of Etzel.

Denver, Colorado, June 7.—Anna B. Etzel, stenographer, living in this city with her mother and sister, received a cablegram today announcing the death of her brother, Lewis Etzel, a newspaper correspondent, who was fired upon in junk and killed by Chinese soldiers. The cablegram contains no details. Lewis Etzel was the son of Gabriel Etzel, who died several years ago in this city. The dead correspondent was 36 years old. He left home about ten years ago.

Will Investigate Etzel's Death.

New Chwang, June 7.—U. S. Consul General Miller has left here on a special train for the scene of the killing of Lewis Etzel of Butler, Pennsylvania, a correspondent of the London Telegraph, who was shot by Chinese soldiers. The consul will make a personal investigation of the death of Etzel.

DEMOCRATIC CONVENTION AT PUEBLO, COLORADO

Considerable Hearst Sympathy—A Slate for eDelegates to St. Louis Determined on in Caucus.

Pueblo, June 7.—The state Democratic convention, to select ten delegates to the national convention at St. Louis met here at 10 o'clock this morning. In all probability the delegation will be uninstructed but considerable Hearst sympathy is manifested and a fight may occur over the endorsement of Hearst. Charles J. Hughes, Jr., of Denver, is temporary chairman, and Milton Smith of Denver, will be permanent chairman. The delegates agreed upon at last night's caucus are former Governor Charles S. Thomas, Charles J. Hughes, Jr., Senator H. M. Teller, H. E. Insley, State Senator Charles B. Ward, former Governor Alva Adams, Judge J. H. Voorhees, Judge W. P. Seeds, George E. West, and J. H. Robinson or Judge Theron Stevens. A resolution was adopted by the caucus strongly denouncing the outrage at Cripple Creek yesterday.

WESTERN FEDERATION OF MINERS

Debs Telegraphs That "The Enemy is Desperate" and That the Union Men Should Stand Pat.

Denver, June 7.—The convention of the Western Federation of Miners today delegated to an executive committee the full charge of the Colorado situation, both politically and otherwise, with instructions to use their best judgment in the fall campaign. A telegram was received from Eugene V. Debs saying: "The enemy is desperate. You are on top. Stand pat!" The convention will probably elect officers and wind up its business tomorrow.

was discussed at some length and finally referred to District Attorney E. C. Abbott for legal opinion.

The board was in session until fifteen minutes to 7 o'clock last evening, as there was much discussion, pro and con, in matters that came before it. County Treasurer H. B. Cartwright was also before the board and the question of delinquent taxes and of the publishing of delinquent tax lists were fully discussed, but no conclusion was reached.

Adjournment was then had until 9 o'clock this morning for the purpose of acting as a board of taxation and equalization.

GEOLOGICAL FIELD WORK.

Will Be Carried on During the Summer in the Mountains of Southwestern Colorado Under Harvard Institution.

Boston, June 7.—A summer course in geological field work will be conducted by C. H. White, instructor in mining and metallurgy of Harvard University in the San Juan and Needle Mountains of southwestern Colorado. The course will begin about August 15 and end September 21. The members of the party will meet in St. Louis and make a tour through New Mexico, Arizona and southern California to the Pacific coast returning to Colorado through Nevada and Utah. The work done during the summer by the members of this party will be counted as half a course toward the A. B. degree.

KELLAHAN INDORSED.

For Postmaster at Roswell By Republican Central Committee of Chaves County.

Special to the New Mexican.
Roswell, N. M., June 7.—The Republican central committee of Chaves County has unanimously endorsed Robert Kellahan of this city for appointment as postmaster here to succeed J. B. Matthews, recently deceased. Kellahan is a prominent and respected citizen of this town, competent in every respect, of excellent reputation, and a hard working, energetic and straight Republican.

DIED FROM HIS INJURIES.

Manuel Sanchez is Kicked From the Train By a Brakeman and Fatally Injured.

A fatal accident occurred on the north bound freight train just as it was pulling out of Springer Saturday morning, in which Manuel Sanchez of Penasco, Taos County, lost his life as the result of being kicked from a moving train by the brakeman. Manuel Sanchez with four companions boarded the train at Springer and a brakeman came along and kicked Sanchez off at the Fourth Street crossing. Sanchez fell under a train on the parallel track and both his arms were broken and badly lacerated and he received severe internal injuries. He was picked up and taken at once to the Southern Hotel where medical aid was summoned but the injured man died at 6 o'clock the same evening. Before he died, the injured man stated that he had given the brakeman a dollar as the fare for himself and companions from Springer to Maxwell City.

SANTA FE NEW MEXICAN

THE NEW MEXICAN PRINTING COMPANY, PUBLISHERS.

MAX. FROST, Editor.
PAUL A. F. WALTER, Manager and Associate Editor.

THE PEOPLE OF THE FIFTH JUDICIAL DISTRICT OUGHT TO BE SATISFIED.

"The president determined the judgeship controversy waging for New Mexico, Wednesday, by naming Edward A. Mann, of Las Cruces, for the place.

"Thus endeth the first lesson.

"The appointment is a disappointment to the southeastern part of the Territory, of course. Mann was not the choice of the counties which will in all probability constitute the new sixth district, and that fact was made very clear to the appointing powers in Washington, but the Las Cruces man had the endorsement of the politicians up in the northern fastnesses of the Territory where the political timbers grow tall, and that was enough. He landed a winner.

"Despite the fact, however, that Judge Mann is not the choice of the Pecos Valley, the fight is now over, and the people will give him loyal support in the discharge of his official duties, assuming, of course, that his administration merits it.

"Just what district Judge Mann will preside over is not yet known. It is not at all certain that he will come to the sixth.

"The people down here also have a choice in this matter of the assignment of judges, and if they are not so completely under the ban and so far removed from consideration that they can not be recognized even to indicate a preference, the Argus desires to say as their spokesman that they would be very glad to see Judge Pope assigned to this district. His appointment was likewise objected to by the citizens here, but his clean, competent and fearless administration on the bench has won their regard and respect, and they will be very glad and content to have him continue as their judge."—Carlsbad Argus.

There are some points in the above from the Argus which the New Mexican believes ought to be corrected. Judge Mann was appointed because Delegate Rodey, Governor Otero, National Committeeman Solomon Luna, the Republican territorial organization and many leading attorneys and citizens urged his selection. From Nebraska and Kansas endorsements were forwarded from judges and lawyers who had known him from childhood and which testified to his ability and fitness for the position and excellent character as a man and as a citizen. There was absolutely nothing against the appointment, except that citizens of the Pecos Valley desired another man. Mr. Mann's endorsement was as unanimous and as strong as any citizen of New Mexico could possibly get, and the President finding it so strong and unanimous, naturally turned towards him. The other name considered in connection with the appointment was that of Anthony C. Campbell of Roswell, now an assistant attorney in the department of the interior in Washington. It is believed that had Mr. Campbell secured the territorial endorsement he would have been appointed. As it is, in the New Mexican's opinion, the preference shown Mr. Mann will prove to have been rightly placed and satisfactory from every standpoint.

The New Mexican believes that the Argus presents the views of the people of its section correctly when it says that they want Judge Pope as the presiding judge of their district, this has been accorded them and the judge was selected last Saturday to be the presiding judge of the Fifth Judicial District, composed of the counties of Chaves, Eddy and Roosevelt. In this result, the people of the Pecos Valley, and the Argus have their wish fulfilled.

Judge Mann has been assigned to the Sixth Judicial District and there, this paper believes, he will make a first class record. The people of the Fifth Judicial District may be somewhat displeased because Lincoln County was not added thereto but upon the whole they ought to be pretty well satisfied. "All's well that ends well."

It is reported that Mr. Hearst has closed his "barrel." This will make no difference to the Democratic delegations from the west and from the territories of New Mexico and Arizona. Most of these are secure for him.

BRYAN, HEARST, ET. AL., WILL GET THE DISH WATER.

Mr. Bryan is hedging on the political questions of the day. The Nebraska Democratic convention which he controlled and for which he wrote the platform did not declare in any strong terms for anything and in fact avoided the paramount issues of the day. As in the New York Democratic platform, there are platitudes considerable slushing around and charges against the Republican party and against President Roosevelt. The latter is attacked because, according to Mr. Bryan, he is subservient to the trusts, does their bidding and did not prosecute them for unlawful acts as he should have done. People who had expected to see something strong and virile in that platform are disappointed. Admirers of Mr. Bryan who thought he would stand straight and announce the principles for which he and the Nebraska Democrats would fight in the St. Louis convention are greatly disappointed at the insipidness and emptiness of the platform. There are some high sounding phrases in it, but as to meaning there is absolutely none. It may be that Mr. Bryan thought it were best at this time to be non-committal and go into the St. Louis convention unrestricted; this may be the case, but what can he and the Nebraska Democrats gain by it? If they and the Hearst men are in the minority in the St. Louis convention, the Cleveland-Parker reorganizers will not give them a seat; they will take all the dishes that are savory and good for themselves and Mr. Bryan, Mr. Hearst and their contingents may put up with the dish water if they so like.

THE DEMOCRATIC VOTE IN CHAVES COUNTY.

In the Democratic primaries recently held in Chaves County for the nomination of candidates on the county ticket, nearly 1,200 votes were cast. This means that the Democratic vote of that county in this coming election will foot up in the neighborhood of 1,500 and that there will be an estimated Republican vote of about 500. It will be good figuring for the Republican managers to put down the Democratic majority in November next at a minimum of 800 and at a maximum of about 1,000. This is the condition which the Republican campaign managers will have to heed in this present campaign. County majorities of that kind in New Mexico have a strong bearing upon the outcome. If the Republicans have a candidate who can reduce the expected Democratic majority in Chaves County and in other sub-divisions in eastern New Mexico, they will do well to bring him out. There are several Republicans who, if nominated for delegate, would poll a strong vote in that section, and their names and chances will be discussed by this paper in due course of time.

THE HEARST "BARRIL" CLOSED.

It seems that Mr. Hearst has shut off the barrel and if so, he has certainly done a wise thing. Commenting upon this report, the Pueblo Chieftain says that it is reported from St. Louis that the Hearst barrel is no longer open to serve the needs of thirsty Democrats. Mr. Hearst is reported as saying that if the people want him as a presidential candidate he is ready to serve them, but that he does not propose to spend any more money in the attempt to force his nomination.

Whether this decision is the result of a conviction of the uselessness of further effort, or whether it is the revolt of the candidate from the bad advice and persistent bleeding of his political managers is not apparent.

Mr. Hearst never had any chance of getting the St. Louis nomination, but it was supposed that he was intentionally paying for political advertising, and getting his money's worth.

The report of the closing of the Hearst barrel will be a deep disappointment to Democratic workers in states where the delegation to St. Louis has not been already selected.

It looks as if the result of the Illinois Republican convention which last Friday nominated Charles S. Deneen as the Republican candidate for Governor on the seventy-ninth ballot is more acceptable and will prove more satisfactory to the Republicans of the state than was at first thought. It was brought about by a combination between the forces of Mr. Deneen and those of Governor Yates aided by the delegations pledged to some of the candidates of smaller importance. Upon the whole the state ticket, according to Chicago Republican papers consists of strong men and is sure of election by a very large majority. Indeed, it is expected to beat the 91,000 majority which the Illinois Republicans gave Mr. McKinley in 1900. This will be good news to the Republicans throughout the country and especially in the southwest, which section is vitally interested in Republican success this year. Democratic victory would, as it did in 1884 and in 1892, with its accompanying presidential administrations, bring hard times, panics and sore financial distress to the Rocky Mountain states and territories.

Many Democratic leaders and newspapers throughout the country have worked very hard within the last three months to defeat the presidential aspirations of Congressman Hearst. They may succeed in this but this is not quite sure. What the result of this will be on the Democratic party is a question which will be answered by many Democrats on election day in November next.

Mr. Bryan asserts that he is looking for harmony, at the St. Louis convention, but it is becoming apparent that he also hopes that he will not find it.

It will pay you to advertise. Try it.

12 Minutes for Lunch.

That is the average time spent in a large city restaurant by three thousand lunchers. It takes three hours to digest a fresh egg soft boiled; three hours to digest an apple dumpling; three hours to digest fresh roast beef. In fact three hours is about the time required to digest the average twelve minute lunch. The object of the hasty lunch is to let the busy man get back to his office work. But when the brain is active, the stomach is inactive for lack of necessary blood. The natural consequence is indigestion, and indigestion opens the door to many diseases.

Indigestion is cured by the use of Dr. Pierce's Golden Medical Discovery, which cures diseases of the stomach and other organs of digestion and nutrition, and enables the perfect digestion and assimilation of food.

"It is with heartfelt gratitude that I send this testimonial which I wish you to publish with my name and address," writes Mr. Willis Seaman, of Washingtonville, Orange Co., N. Y. "I had stomach trouble from childhood and suffered with it more or less as I grew up. At the age of 26 I was broken down with dyspepsia and suffering was terrible. Could not eat without distress. Could only eat a few certain things and was not able to work half the time. Everything I tried only gave me temporary relief. My wife finally persuaded me to try Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets.' I took six bottles of the 'Golden Medical Discovery' and two vials of Dr. Pierce's Pleasant Pellets. I then felt so well that I stopped taking medicine. Several months have passed and I can do the hardest kind of work, can eat anything that is set before me and enjoy it. I am 27 years old and this is the first time I have ever been well."

Free. Dr. Pierce's Common Sense Medical Adviser in paper covers is sent free on receipt of 21 one-cent stamps to pay expense of mailing only; or 31 stamps for cloth-bound volume. Address Dr. E. V. Pierce, Buffalo, N. Y.

The esteemed Albuquerque Journal makes the following good suggestion to the city council of the Duke City: "A large number of the most progressive cities of the country have passed ordinances forbidding the use of toy pistols, giant crackers, and various other dangerous fireworks, within the city limits. Let Albuquerque do likewise. Let us lend a hand in the praiseworthy effort to civilize the Fourth of July."

The New Mexican takes pleasure in joining with its Albuquerque contemporary in this matter and therefore urges upon the Santa Fe city council to "go and do likewise." The good of the city would be served by such action.

Publicity of proceedings would be found beneficial for the best interests of the people in the business of trusts as well as in divorce proceedings. Generally, the business of trusts and divorce proceedings shun daylight and desire to be left alone. That is the very reason why they should not be.

Who would have thought it? It has been discovered that quite a similarity exists between the once famous Amelio Aguinaldo and Judge Alton B. Parker. Neither one will talk upon the questions of the day.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, or when it is entirely closed. Deafness is the result, and unless the inflammation can be taken out of this tube and restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars.

Married Women

Every woman covets a shapely, pretty figure, and many of them deplore the loss of their girlish forms after marriage. The bearing of children is often destructive to the mother's shapeliness. All of this can be avoided, however, by the use of Mother's Friend before baby comes, as this great liniment always prepares the body for the strain upon it, and preserves the symmetry of her form. Mother's Friend overcomes all the danger of child-birth, and carries the expectant mother safely through this critical period without pain. It is woman's greatest blessing. Thousands gratefully tell of the benefit and relief derived from the use of this wonderful remedy. Sold by all druggists at \$1.00 per bottle. Our little book, telling all about this liniment, will be sent free.

MINES AND MILLS.

TAOS COUNTY.

E. A. Eckles has cut the lead in the Brown Palace on Bitter Creek. The ore carries both gold and silver.

E. P. Westoby and Al. Hedges are enlarging the Willard ditch at Red River in order to obtain more power for running their arrastra.

B. F. Hatch is pushing work on the Iron Mask. Although he is over 75 years old he has just completed 250 feet of tunnel work on the mine.

COLFAX COUNTY.

George Seberg and E. M. Phillips of Racine, Wisconsin, were at Elizabethtown last week for the purpose of leasing or buying placer ground. Seberg is the inventor of a gold separator, a portable machine, which may be operated with very little water. If suitable placer ground can be secured at Elizabethtown, the machine will be tested there.

GRANT COUNTY.

The headquarters of the American Consolidated Copper Company will be removed from New York to Cincinnati, Ohio. The company does not intend to do any extensive work on its properties in Grant County until August.

S. W. Winn of the National Company is at Steins Park drilling for water. If water is struck it will be piped to the National mill.

NEW MEXICO MINING STATISTICS.

The census bureau has issued a detailed summary by states and territories of the mineral production for the year 1902. Considering that New Mexico lays claim to being a mineral producer, the showing made by the Territory is not very gratifying. Even Florida and Louisiana, both without mountains and laying no special claim to mineral production pass New Mexico in the aggregate of value of mineral products. According to this census bulletin, New Mexico in 1902 only produced \$2,686,473 worth of minerals, of which over half or \$1,500,230 is credited to coal. To gold and silver \$677,168 is credited; to copper \$271,270; to precious stones \$51,600; to sandstones and quartzites \$12,291; to all other minerals \$173,914. The number of producing mines and quarries is given as 161, of these 30 are coal mines, 91 gold and silver mines, and placers, 17 copper mines, 8 mines of precious stones, 7 quarries and 8 mines of other minerals. The number of mine operators is given at 207, number of salaried officials at 175, receiving no salaries \$209,569; total number of wage earners 2,275 earning \$1,646,833; of these 1,439 are employed in the coal mines earning \$1,027,460 per year; 519 in gold and silver mines earning \$409,779; 164 in copper mines earning \$128,483; 36 in mines of precious stones earning \$22,087; 8 in quarries earning \$6,515; 109 in other mines earning \$52,509.

CONCENTRATES.

Turquoise has for several years been considered highly as a gem stone, and the price paid per carat cut stones, four to six dollars, makes an attractive proposition. Considerable exploitation of New Mexican turquoise mines for the past several years has proven some fine stones, and search for turquoise is going on in other localities. Two hundred to five hundred dollars a pound is willingly paid for high-grade turquoise, and this offers considerable incentive to the prospector.

The notched poles used considerably in Mexican mines are called "Chicken Ladders," they being used as a means of entering and leaving the mine. They are very crude in their make-up, and the miners must be accomplished in the art of climbing to use them. Mexican miners become so expert that they climb hundreds of feet, carrying leather sacks filled with ore on their backs.

Pure white clay is used by manufacturers of paper hangings to give a smooth satin surface to the finished paper. It is applied to the surface of the paper and then polished with brushes driven by machinery. Only the finest of white clays are suitable for this purpose.

To secure patent to a mining claim necessitates the locator proving that he has done \$500 worth of work on the claim. The deputy mineral surveyor of each district requires that all applications should be made specific, and exact facts given.

Chamberlain's Stomach and Liver Tablets Better Than a Doctor's Prescription.

Mr. J. W. Turner, of Truhart, Va., says that Chamberlain's Stomach and Liver Tablets have done him more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. For sale by all druggists.

Via D. & R. G. to St. Louis Exposition and return, 15 day tickets \$40.70; 60 day tickets \$48.15; season tickets \$57.80. S. K. Hooper G. P. A., F. H. McBride, Agt., Santa Fe.

STARTLING EVIDENCE.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Bentonsville, Va., serves as example. He writes: "I had bronchitis for 3 years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all lung and throat troubles, consumption, pneumonia and grip. Guaranteed by Fischer Drug Co. Trial bottles free, regular sizes 50c and \$1.00.

IMPORTANT CHANGE.

In Passenger Schedule on the Santa Fe Central Railway—Daylight Passenger Service Between Santa Fe and El Paso.

The Santa Fe Central Railway Company will inaugurate effective June 5, 1904, new passenger service between Santa Fe and El Paso, in connection with the El Paso-Northeastern System. This new service will be daily and close connection will be made at Torrance, New Mexico, with the El Paso-Northeastern System trains to and from El Paso and all points south, east and west of El Paso.

Santa Fe Central train No. 1 will leave Santa Fe daily at 6 o'clock a. m. and arrive at Torrance, 10:25 a. m., leave Torrance 10:30 a. m. and arrive El Paso 6 p. m. El Paso-Northeastern System train No. 4 will depart from El Paso 7:25 a. m. arrive Torrance 3:25 p. m. Santa Fe Central train No. 2 will leave Torrance 3:30 p. m. arrive Santa Fe 8 p. m. Connection will also be made at Torrance with all trains to and from the east via the El Paso-Northeastern and Rock Island Systems, all El Paso-Northeastern System trains will carry Pullman standard, wide vestibule equipment, also chair car. These trains will also carry Rock Island System dining cars in which all meals will be served.

Attention is also called to the fact that the El Paso-Northeastern and Rock Island systems are paying special attention to World's Fair travel.

It has been arranged for their trains to arrive in St. Louis in the morning and theirs is the only line from the southwest which has its own station at the World's Fair grounds, and passengers traveling via this line may leave the train at the World's Fair gates and avoid the crowds and delay at the Union Station.

For passenger rates and other information address or call on B. W. Robbins, general passenger agent, Santa Fe Central Railway, Santa Fe, New Mexico.

Cloudcroft! For handsome descriptive literature and detailed information as to rates, etc., address A. N. Brown, G. F. & P. A., El Paso, Northeastern System, El Paso, Texas.

WORST OF ALL EXPERIENCES.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For 3 years" she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For liver, kidney, stomach and bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by Fischer Drug Co.

The New Mexican prints the news.

PENITENTIARY BIDS.

Santa Fe, New Mexico, June 1 1904. Sealed proposals will be received by the board of New Mexico penitentiary commissioners at the office of the superintendent, until 10 o'clock a. m., on Monday, June 13, 1904, for furnishing and delivering at the New Mexico penitentiary the supplies hereinafter mentioned, or so much thereof as the board may deem sufficient. Payment for said supplies will be made in cash. Delivery of all supplies except perishable articles must be as directed by the superintendent.

Samples will be required of all articles marked with an asterisk, and these should be labeled, showing name of bidder, price, etc., and must be delivered to the superintendent not later than 9 o'clock on said day.

All bids must be strictly in accordance with the conditions on blank proposals, which will be furnished by the superintendent on application; no bid otherwise made will be entertained. A bond will be required from all successful bidders for the faithful fulfillment of contracts within ten days after date of award.

75,000 lbs. fresh beef, prime quality, necks and shanks excluded.

*25,000 lbs. flour.
*3,000 lbs. beans.
*1,000 lbs. catfishes.
*500 lbs. evaporated peaches.
*500 lbs. evaporated apples.
*500 lbs. prunes 60-70.
*2,000 lbs. hominy.
*250 lbs. raisins.
*50 sacks granulated sugar.
*1,000 lbs. rice.
*25 cases laundry soap.
*25 lbs. black pepper, whole.
*1 case baking soda.
*100 lbs. baking powder.
*3 doz. vanilla, half pints.
*3 doz. lemon, half pints.
*2,000 lbs. corn meal.
*1 case corn starch.
*10 cases Cal. fruits, asst'd.
*10 cases tomatoes, canned.
*5 cases canned corn.
*100 lbs. laundry starch.
*200 lbs. sal soda.
*6 barrels syrup.

The board of New Mexico penitentiary commissioners reserves the right to reject any and all bids.

In submitting bids for above supplies, bidders should write plainly on envelope the following: "Bids for supplies for New Mexico penitentiary," with name or names of bidder or bidders, to avoid the opening of same by mistake.

By order of the board of New Mexico penitentiary commissioners.

H. O. BURSUM,
Superintendent.

Samples may be sent separately, duly marked and numbered, to the superintendent.

STORY & CLARK Pianos!

Read What Accomplished Musicians Say of the Story and Clark Piano.

"Equal if not superior to any instrument I have had occasion to use."—Barron Berthold.

"Shows such superiority of workmanship and finish as must make them welcome to any household."—Leonora Jackson.

"Grand resonant in tone and delightfully sweet and tender."—Mathilde Bauermeister.

"I cannot speak too highly of your pianos, they seem to be unsurpassable."—R. Watkin Mills.

"Your pianos embody sweetness and richness of tone, splendid carrying power and excellent action."—Rosa Olitzka.

"They are models for tone and touch."—Marie Engle.

"I find your pianos wonderfully sympathetic for accompanying the voice."—Lillian Blauvelt Pendleton.

"Gave the liveliest satisfaction to me. I consider them second to none."—David Frangon Davies.

"I think it capable of the fullest expression of musical thought."—Ellen Beach Yaw.

"In my opinion they rank among the very best pianos of the day."—Emile Sauret.

"Possessed of a beautiful quality of tone and a most sympathetic touch."—Fernando de Lucia.

"I was perfectly charmed with its beauty of tone and delightful touch."—Francis Allitsen.

"Their tone is sweet as well as resonant. Are remarkably adapted for accompanying the voice."—Clementine de Vere Sapiro.

THE STORY & CLARK PIANO CO.
Employ only expert workmen and no piece work or contract work is done in their factories.

They have won renown on two continents for excellence and beauty of their instruments.

Prices and terms most liberal.

Butchers, Bakers, Grocers

No. 250 San Francisco Street.

Grocery Telephone No. 4. Meat Market Telephone No. 49.

CEREAL FOODS.
At this season a diet consisting largely of cereals and fruits with fresh vegetables conduces to health. We are fortunate enough to be able to quote a number of foods under the price usually asked:

15c. Malta Ceres, ready cooked	12 1-2
15c. Cero Fruto, flaked wheat	10
20c. Ralston Breakfast Food	15
15c. Ready Bits	12 1-2
15c. Pan Cake Flour	12 1-2

VEGETABLE FOUNTAIN
Our vegetable fountain is now in running order. There is a vast difference between articles kept fresh by cool running water and the dried up stuff where no water is used. We receive fresh vegetables daily. Hot house lettuce Monday, Wednesday and Saturday. Asparagus, young onions and radishes nearly every day. Tomatoes, cauliflower, wax beans, cucumbers and summer squash at frequent intervals.

FRESH FRUIT.
We are making a specialty at present of naval oranges:
Per Dozen..... 25 to 60 cents
Fresh strawberries received under ice, from the California patches near

ly every day. Get your orders in early and we will save them for you. Getting too hot to ship strawberries except under ice.

MEAT MARKET.
You will appreciate a change from the heavier roasts, boils etc. We always have something different in the way of sweet breads, brains, kidneys, calf's liver, eastern lamb and mutton, young veal, sliced boiled ham, sliced smoked beef, summer sausage, pigs' feet, tripe, etc. If you want the finest cuts of eastern corn fed meats call up Telephone 49 or better still, come in person and make your own selections.

NO. 4 BAKERY.
Too hot to bake. Let us do the hard work. It is cheaper to buy your bread and cakes than to pay for fuel, yeast and other materials, to say nothing of the labor and inconvenience. Our products are better than ever, since we have gotten settled in our new sanitary shop.

IMPERIAL FLOUR.
It makes more bread and better bread than any flour we have ever had the pleasure of testing, and we have tested a good many different brands. 50 pounds..... \$1.50

The Santa Fe Central Railway today placed on sale round trip tickets to Clondroft and return, good until September 1, at \$15.20.

Bischoff is having a special sale on pure kettle rendered leaf lard, 3 pound cans 30 cents, 5 pound cans 50 cents, 10 pound cans 95 cents.

Engineer J. A. Langston has taken the place of Engineer Schultz on the branch running from Los Alamos to Santa Fe. Engineer Schultz is taking a month's vacation.

Local showers and cooler weather are predicted by the Weather Bureau. The maximum temperature yesterday was 73 degrees and the minimum 45 degrees. The relative humidity was 46 per cent.

The ordinance against discharging fire crackers or fireworks of any kind on the Fourth of July this year will be strictly enforced by the mayor of the city if the present drought continues. This measure is taken as a precaution against fire.

Many men spend \$5,000 educating a son, and never even try to teach him economy, the vital element of success in business. Give your boy a chance, teach him to save by opening an account for him with the Plaza Trust and Savings Bank of Las Vegas.

The meeting of the city council which was held last night at the court house adjourned until tonight at 8 o'clock, on account of lack of a quorum, only four members of the council being present. No business was transacted. All members of the council are requested to be present this evening.

There is an open cut about fifteen feet wide on the south side near the site of the old slaughter house. The hole was at one time used as a well, but is now dry. As there is no fence around it, it is a dangerous place, as persons and animals passing there at night are likely to fall into it. The city authorities should have this dangerous hole filled up.

The Ladies of the Ladies' Aid Society of the St. John's Methodist Episcopal Church, will give an early summer bonnet and apron sale, Thursday afternoon, June 9, in the parlors of the church. The sale will be open from 3 o'clock until 8 o'clock, and during those hours Canon City strawberries, cake, coffee and lemonade will be served by the ladies. A very cordial invitation is extended to all.

Several citizens have called at the New Mexican office and have requested that the attention of the board of county commissioners now in session, be called to the fact that a stone wall should be constructed in front of the court house, flush with the line of the street. The picket fence which now stands back several feet from the street is an eye sore and should be removed. It is understood that there is sufficient money in the court house repair fund for this work. The improvement is much needed and should be made by the county commissioners.

Manager Frank Owen of the Santa Fe Water and Light Company has a force of six men employed cleaning out small springs near the bed of the Santa Fe River from the reservoir to Monument Rock and digging ditches to convey the water thus developed to the river bed, there to join with the present flow. He has succeeded in opening up several of these springs and expects to find more. He is doing everything possible to increase the water supply. As yet a sufficient flow in the well he is digging has not been struck, but the indications are good and are becoming better as depth is reached.

Professor Perez, leader of the band of the First Regiment of Cavalry, and Manager Antonio Alarid of the same band, will call upon the merchants, business men and citizens of Santa Fe on Thursday for an increase of subscriptions to the band fund. The subscriptions are so small now and it is found so hard to collect them, that the amounts realized are insufficient to permit the band to give weekly concerts hereafter. Unless more liberal help and generous aid is given, Professor Perez and Manager Alarid fear that they will have to order the weekly concerts discontinued.

Antonita Ortiz the eight-year old daughter of Mr. and Mrs. Gavino Ortiz, sustained a severe injury to her right limb on Corpus Christi day while marching in the procession. She was one of the little girls who scattered roses in front of the altars and while crossing a defective bridge between the Delgado altar and Palace Avenue, she stepped into a hole in the boards. Her limb was cut clear to the bone but she assured those who rushed to her assistance that she was uninjured and continued to march with the procession. Upon reaching the Cathedral the child fell in a faint. When she

revived she was taken at once to her home on San Francisco Street. A physician was called and dressed the wound. The girl is doing nicely today, although she is unable to walk.

The Atchison, Topeka & Santa Fe Railway Company advertises coach excursions to St. Louis from Santa Fe. The rate for the trip will be \$25.75, tickets to be sold on June 14 and 28.

David S. Lowitzki deals in all kinds of furniture. The latest designs in rugs and carpets can also be had at his store on San Francisco Street. See advertisement in another column of this issue.

The following mining deed was filed for record in the office of the probate clerk, Celso Lopez today: Fanny C. Howland, et al., to William Cristy et al., a piece of property known as the Montezuma Placer Claim in the Cerillos mining district, Consideration, \$1.00.

The semi-annual election of officers of the Santa Fe lodge No. 259, Fraternal Union of America, was held last night. The following officers were elected: Fraternal master, J. S. Candelario; justice, Rev. Gabino Rendon; protector, Mauricio Duran; truth, Mrs. G. B. Knight; mercy, Mrs. Margarita Montoya; guide, Ricardo Warriek; guard, Frank G. Hall; sentry, Eusebio Escudero; stewards, Canuto Alarid, P. E. Martin and David Gonzales.

A correspondent of the New Mexican at Santa Rosa writes that E. H. Salazar, editor of the bright Spanish paper, "El Independiente," published at Las Vegas, and a former resident of this city, where he is well known, has made quite a strike on a ranch he owns near Santa Rosa, the seat of Leonard Wood County. Mr. Salazar has been digging a well on this place and recently struck a very strong flow of pure water. This means a good deal in that section where pure water is rather a scarcity. The well will be deepened by Mr. Salazar until he has secured as large a body of water as possible and then it will be pumped for the irrigation of the valuable tract of land which he owns. Mr. Salazar considers this a piece of peculiarly good luck and is highly elated over it. His place near Santa Rosa is worth a good many more thousand dollars than it was before this water flow was encountered.

WOOL SALES IN TAOS.

Gherson Gusdorf Has so Far Secured 300,000 Pounds of the Fleece—Conditions Fair in His Section.

Gherson Gusdorf, who spent a few days here on business and who is one of the most experienced and successful wool buyers and sheep dealers in New Mexico, in a conversation with a reporter of the New Mexican, stated that he had purchased this spring about 300,000 pounds of Taos County wools, which brought to the producer on an average thirteen and a half cents per pound. It is still very dry in Taos County but nevertheless sheepmen of that section have done better than those in many other parts of the Territory this season. According to the best of his information the lambing in Taos County this spring has been more successful than it has been elsewhere in the Territory, as the sheepmen there saved about 50 per cent of the lambs. In round numbers, he thinks there are between 250,000 and 300,000 sheep in the county, at this time and that if rains set in speedily there will be but few losses hereafter. Up to date there has been a satisfactory amount of water in streams and acequias for irrigation and the prospects for crops of cereals and fruits for this season, especially should rain come soon, are fair. Mr. Gusdorf is of the opinion that the people of Taos, while suffering from the effects of the drought, are prospering and as yet there is not much complaint of hard times there. Mr. Gusdorf will return to his Taos home tomorrow, driving overland as he finds an overland trip very pleasant and exhilarating. With a good team of horses the trip from Taos overland can be made about as quickly as it can via Servilleta or Embudo and the Denver & Rio Grande Railroad.

LARGE SHIPMENT OF TWO YEAR OLD STEERS.

Report comes from Roswell that between 5,000 and 6,000 "Long S" ranch 2-year-old steers were shipped on Saturday from Bovina, Texas, to Rapid City, South Dakota. George M. Slaughter of Roswell, and Robert L. Slaughter of Midland, Texas, were the shippers. The steers were in good condition and brought excellent prices.

WEDDING BELLS.

Miss Caryl Webb Palen and Robert M. Hardinge Joined for Life This Noon in the Church of the Holy Faith.

The wedding of Robert M. Hardinge and Miss Caryl Webb Palen the accomplished and attractive daughter of Major and Mrs. R. J. Palen, which occurred at high noon in the Church of the Holy Faith on Palace Avenue was most beautiful and impressive.

The church was decorated in green and white. At one side of the chancel was a bank of green palms, ferns and pot plants and on the other side and on the altar were masses of white daisies, snowballs, roses and peonies.

To the strains of Mendelssohn's Wedding March the bridal party came down the aisle in the following order: Miss Staab and Levi Hughes, Miss McKenzie and R. C. Gortner, Miss Adeline Weiss and C. C. Catron, the maid of honor, Miss Blanche Rothgeb of Las Vegas, and Mrs. Palen, the mother of the bride. Then followed the bride on the arm of her father, Major R. J. Palen. They were met at the chancel by the groom and his best man, J. H. Vaughn and the Rev. W. R. Dye, the officiating clergyman. While the organ breathed forth soft, low music, the impressive marriage service of the Episcopal Church was performed and the benediction pronounced over the newly wedded pair.

The bride was dressed in an elegant gown of white chiffon and wore a large picture hat. She carried a bouquet of pink bride's roses and looked remarkably charming. The bridesmaids wore light, fluffy dresses and the whole party formed a very handsome picture as they stood grouped around the steps of the altar.

After the ceremony in the church, a wedding breakfast was served to the bridal party and a few intimate friends at the home of the bride.

Mrs. Hardinge is a native of this city, where she has grown from a child to be a girl and now into perfect womanhood. She is a universal favorite in her native city and is a remarkably bright, vivacious and prepossessing young woman, endowed with many graces of mind, heart and person. She is deservedly popular and greatly liked by her many friends and acquaintances, as well as by those of the Palen family. The groom is a young man who holds an important official position in the Weather Bureau of the Department of Agriculture, who has a fine record as such official, possesses the good will and esteem of his superiors and associates in official life as well as the respect and friendship of those who know him. The future home of Mr. and Mrs. Hardinge will be at Syracuse, New York, for which place they will depart tomorrow morning. The New Mexican joins with their many friends in this city and in other towns of the Territory in wishing them prosperity and happiness through their journey of life. May this be long!

OFFICIAL MATTERS.

Postoffice Discontinued.

The postoffice at Torreon, Valencia County, has been discontinued. Mail addressed to Torreon will in the future be sent to Taos.

Board of Capitol Custodians.

The board of capitol custodians was in regular monthly session this forenoon at the office of Judge N. B. Langhlin. Monthly accounts were audited and ordered paid. Routine business was transacted. The board does not yet see its way clear to putting down a new brick pavement in front of the Old Palace, as its revenues are small and as the expense in fitting up the post office has been considerable.

Territorial Land Board.

At the regular monthly session of the territorial land board yesterday, no business of importance was transacted. A number of leases were approved and ordered forwarded to the department of the interior for action by the secretary of the interior. Changes in several leases were also made.

Board of Dental Examiners.

The eleventh annual meeting of the Territorial Board of Dental Examiners met Friday and Saturday, the 3d and 4th of this month at Las Vegas. The executive board of officers, consisting of Drs. L. H. Chamberlain, E. L. Hammond, F. E. Olney and C. N. Lord was called to order Friday morning by Chairman F. E. Olney and the business of the day began. Dr. A. E. Bearup, another member of the executive board, was absent, owing to the fact that he missed the northbound train at El Paso. There were two applicants for examination besides eleven permanent graduates from reorganized dental colleges who applied for certificates from the dental board. Of these, twelve were granted permanent certificates, allowing them to practice dentistry in this Territory. One was given a temporary certificate. The board adjourned Saturday afternoon, subject to the call of the president for next year's meeting. Two applicants for certificates were examined, H. C. Connell of Roswell, and D. E. Wilson of Albuquerque. The rest were given certificates upon presenting the diplomas of reputable dental colleges. The follow-

ing presented diplomas: C. P. Calloway, J. W. Barnett, Jr., C. H. Tinner, O. M. Bisan, Edward Cureton, J. O. Hamilton, H. W. Hack, William W. Hoagland, Lee McIntosh and F. R. Lord. The latter is a brother of Dr. C. N. Lord of this city. Almost all of the applicants live out of the Territory.

New Mexico Board of Health.

The board of health of the Territory of New Mexico during its session yesterday granted licenses to the following physicians to practice their profession in the Territory: Charles C. Wagner, Albuquerque; W. W. Robinson, Albuquerque; Albert H. Schurmann, Silver City; C. W. Hotchkiss, Alamogordo; Hugh J. Goodwin, Albuquerque; H. Walker Hutchins, Dawson; W. R. Lindley, Roswell; L. B. Willocken, Arapahoe; A. E. Bessette, Albuquerque; R. B. Seawell of Cliff; A. E. Lauson, Anthony; J. W. Frank, Fort Stanton; W. J. Rhymes, Albuquerque; J. G. Russell, Tucumcari; William MacLack, Silver City; August Herman Ringen, Folsom; T. B. Evans, Roy; R. E. McBride, Las Cruces; D. H. Galloway, Roswell; M. B. Hook, Mora; Franklin E. Sylvester, Las Vegas; E. W. Batters, Albuquerque. The following doctors were examined by the board: Reuben L. Hunt, of Albuquerque; M. C. Hinds, of Roswell; T. P. Bugler of Roswell; Eugene M. Fischer, of Roswell; Clarence R. Bass, Elizabethtown; M. D. Gibbs, Van Houten; P. L. Baillargern, Albuquerque; Edgar Allen Jones, Raton.

MORMON BISHOP KILLED.

He Was Blasting Rock on a Ditch Near Fruitland, San Juan County, When Death Overtook Him.

J. B. Ashcroft of Fruitland, San Juan County, was killed accidentally while blasting some rock which was obstructing the construction of an irrigation ditch for the Navaho Indians near Fruitland. He was swept from a cliff by falling rock, death ensuing instantly. Ashcroft was a bishop of the Mormon Church and manager of the co-operative store at Fruitland.

ROUGH RIDERS AT ST. LOUIS.

A Re-Union is to Be Held at the Exposition on August 18, New Mexico Day.

A reunion of the Rough Rider regiment will be a feature of New Mexico day on August 18, at the Louisiana Purchase Exposition at St. Louis, says the Denver Republican. An effort will be made to have President Roosevelt present. The guilden of Troop F, the first of the Rough Riders to reach the top of San Juan Hill, is exhibited in a collection of relics in the Massachusetts building at the World's Fair. These precious mementoes were presented to John Quincy Adams by Nellie Custis, stepdaughter of Washington.

IMPORTANT.

The Santa Fe Central now has on sale round trip tickets for \$15, good for return until September 30, to Clondroft, New Mexico, the most famous summer resort in the southwest. For further information apply to B. W. Robbins, G. P. A., Santa Fe Central Railway, Santa Fe, N. M.

THE WORLD'S FAIR LINE?

THE

OF COURSE.

Why? Because it is the only line which takes you to the World's Fair. Passengers via the EPNE are carried to our World's Fair Station (within 300 feet of the main entrance) if desired, thereby avoiding the crowds at the Union station and a transfer of about three miles across the city. Yes, you may go to the Union station if you wish.

The EPNE is the shortest line from El Paso and the great southwest to St. Louis, Chicago and all points north. 158 miles the shortest to St. Louis, and only 48 hours on the road.

Equipment? Yes, the best the Pullman Company provides, and all meals served in dining cars. Via this line you are not put to the inconvenience of eating at dining stations (20 minutes only). Just step back to the dining car and eat at leisure the best the markets afford.

T. H. HEALY,

Passenger Agent, El Paso, Texas.

A. N. BROWN, G. P. A.

To the World's Fair

I would advise you to go to the World's Fair this summer.

It will be a liberal education—almost as good as a trip around the world.

It promises to be the biggest and best exposition of the century.

I would like to sell your family their tickets over the Santa Fe. I really believe it is the best line to take. You will think so, too, after a trial.

H. S. Lutz Agt., A. T. & S. F. Ry
Santa Fe, N. M.

NEW MEXICO MILITARY INSTITUTE

ROSWELL, NEW MEXICO.

THE MILITARY SCHOOL OF NEW MEXICO

Established and Supported by the Territory.

TERRITORIAL TOPICS.

GRANT COUNTY.

The daughter of Rev. O. O. Otis of Lordsburg, died last week. Her death was caused by scarlet fever. Mr. Otis' young son is also ill with the same disease and Dr. McClellan of Deming was summoned to consult with Dr. Moir of Lordsburg. The boy is now improving although he is not out of danger.

A big forest fire is reported in the Mogollon Forest Reserve, 50 or 60 miles from Lordsburg. From that point the smoke can be seen in the day time and the red glow of the fire is plainly visible at night, which indicates that it is a very extensive one, and is doing a great deal of damage to the pine forests of that section. The rangers in charge of the forest reserve are fighting the fire, and have many men at work as they can hire, but the long drouth has made the forest very dry and unless it rains soon, the fire will do immense damage to the timber before it burns out.

SAN MIGUEL COUNTY.

A party of prominent Phoenix people in a special car attached to No. 2, of the Santa Fe Railway, passed through Las Vegas a few days ago on their way to Chicago to escape the hot weather in Phoenix. In the party were J. C. Wasson and family. Mr. Wasson is a business man of Phoenix who has recently bought a \$20,000 business in Alamogordo. The others were Mrs. E. F. Young, Miss Alotha Hamilton, and Mr. and Mrs. Cravens. Mrs. Young is the wife of an insurance man in Phoenix. Miss Hamilton is the daughter of ex-Governor Hamilton of Illinois. Mr. and Mrs. Cravens were returning from a visit to Phoenix and were en route for Ottawa, Kansas. About 20 others made up the party.

The sixth annual commencement of the New Mexico Normal University at Las Vegas took place last Thursday evening in the large assembly hall which was crowded to the doors. The graduation class had seven members. The graduates from the normal course were I. Loyola Dillon, Clara Gerhardt, Anna J. Gohrman, Cora Hume Pettit, John and Louise Spolerder; from the academic course, Miss Olive Lila Barnes, Myron Clayton Benedict and Miss Anna J. Gohrman. Beside a number of musical selections, the chief feature of the program was an address to the class by United States District Attorney Earl M. Cranston of Denver.

The exercises of the evening opened with an excellent rendition of "The Miller's Wooing," sung by the school chorus. "The Crusaders" was sung as an encore, and was followed by an eloquent prayer by the Rev. Norman Skinner. Miss Esther Geyer next played a piano solo. President E. J. Vert of the Normal then introduced the speaker of the evening, Earl M. Cranston. Mr. Cranston's address was eloquent, forceful and to the point and the appreciation of the audience was shown at the close of the address by hearty applause. Mr. Cranston began his address with a tribute to the educational facilities of New Mexico, and then he told what to teach and how to teach it and he discussed each theme thoroughly. Mr. Cranston concluded by pointing to the possibilities of achievement in educational matters which held out sufficient promise even for the most ambitious. The address was followed by a very pleasing duet rendered by Misses Furro and Ross, entitled "I Waited for the Lord." Hon. Charles A. Spess then addressed the class and presented the diplomas. The closing number of the program was "Wieniedel," sung by the school chorus. The audience was dismissed with a benediction by Dr. Lefkowitz.

COLFAX COUNTY.

As the result of a runaway, a picnic party from Elizabethtown a few days ago was thrown violently from the wagon and severe injuries were sustained by members of the party. The party consisted of Manes Gallagher and family and Mrs. O. F. Matkin. One of Mrs. Gallagher's limbs was badly bruised and almost broken and one of the children received a painful cut across the face. Mrs. Matkin's head and body were badly bruised.

News of a marriage of great interest to Raton folks, was received in that town this week from Douglas, Arizona, where Miss Helen Gray and Edmund R. Thornton were married last Thursday. The bride lived at Raton for a number of years with her parents and has hosts of friends. The ceremony was performed in the Episcopal Church at Douglas, Rev. O'Connell officiating. The wedding was a quiet affair. The best man was Charles Scott and Mrs. O. O. Hammill was matron of honor. After the ceremony, a wedding breakfast was served at the home of the bride's parents, Mr. and Mrs. W. L. Grey. The couple left at once for a trip to various towns in southern New Mexico. Mr. Thornton is a young business man of Douglas and a member of the firm of Scott and Thornton.

THAT TIRED FEELING.

If you are languid, depressed and incapable for work, it indicates that your liver is out of order. Herbine will assist nature to throw off headaches, rheumatism and ailments akin to nervousness and restore the energies and vitality of sound and perfect health. J. J. Hubbard, Temple, Texas, writes, March 22, 1902: "I have used Herbine for the past two years. It has done me more good than all the doctors. When I feel bad and have that tired feeling, I take a dose of Herbine. It is the best medicine ever made for chills and fever." 50 cents a bottle at Fischer Drug Co.

Short orders a specialty at Bon Ton.

DON'T CHASE SHADOWS.

Not Necessary to Do So in Santa Fe. The substance is what you want. Let the shadow alone. Stranger's testimony is a shadow. You want other endorsement to convince.

Positive endorsement of friends and neighbors.

Removes the shadow of doubt.

Florentino Sena of Agua Fria says:

"I had attacks of pain in my back for several years, not continually, but one seized me when quarrying stone for the Santa Fe railroad. A friend of mine, Ruperto Martinez, advised me to use Doan's Kidney Pills. I had to try something for I had stopped work and gone home and was unable to return. I could not walk and resorted to the use of plasters, but they rendered little if any service. I did as my friend advised, tried Doan's Kidney Pills, and in three days after I commenced to use them, I was in the quarry again as if nothing had ever happened."

Just such emphatic endorsement is plentiful in Santa Fe. Call at Ireland's Pharmacy and ask what all his customers, and they are innumerable, who have used Doan's Kidney Pills report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.

Remember the name—Doan's—and take no other.

R. C. FREELOVE, Manager.

For sick headache take Chamberlain's Stomach and Liver Tablets and a quick cure is certain. For sale by all druggists.

A dinner like your mother used to cook, at the Bon Ton.

THAT THROBBING HEADACHE.

Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for sick and nervous headaches. They make pure blood and build up your health. Only 25 cents, money back if not cured. Sold by the Fischer Drug Company.

Notice for Publication.

(Homestead Entry No. 4718.)

DEPARTMENT OF THE INTERIOR.

Land Office at Santa Fe, N. M., May 3, 1904.

Notice is hereby given that the following named settler has filed notice of his intention to make final proof in support of his claim, and that said proof will be made before the Register or Receiver at Santa Fe, N. M., on June 15, 1904, viz: Harry Wiley for the n. w. 1/4, sec. 34, ne. 1/4, sec. 11, township 11 north, range 12 east. He names the following witnesses to prove his continuous residence upon and cultivation of said land, viz: Wm. Sparks, of Willis, N. M.; Bonifacio Sandoval, H. S. Arnold, Frank Emmerson all of Pecos, N. M.

Mmanuel R. Otero, Register.

Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in, which causes them to heal without waturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain a soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by all druggists.

Our Motto—Genuine goods—Counterfeit prices. Telephone 94. "The Wine Store."

ACUTE RHEUMATISM.

Deep tearing or wrenching pains, occasioned by getting wet through; worse when at rest, or on first moving the limbs and in cold or damp weather is cured quickly by Ballard's Snow Liniment. Oscar Oleson Gibson City, Illinois, writes Feb. 16, 1902: "A year ago I was troubled with a pain in my back. It soon got so bad I could not bend over. One bottle of Ballard's Snow Liniment cured me." 25c, 50c, \$1.00 at Fischer's Drug Co.

HAVE YOU A COUGH?

A dose of Ballard's Horehound Syrup will relieve it. Have you a cold? A dose of Herbine at bed time and frequent small doses of Horehound Syrup during the day will remove it. Try it for whooping cough, for asthma, for consumption, for bronchitis. Mrs. Joe McGrath, 327 E. 1st street, Hutchinson, Kas. writes: "I have used Ballard's Horehound Syrup in my family for 5 years, and find it the best and most palatable medicine I ever used." 25c, 50c, and \$1.00 at Fischer Drug Co.

Sued By His Doctor.

"A doctor here has sued me for \$12.50 which I claimed was excessive for a case of cholera morbus," says R. White, of Coachella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by all druggists.

CURES OLD SORES.

Westmoreland, Kansas, May 5, 1902. Ballard Snow Liniment Co.: Your Snow Liniment cured an old sore on the side of my chin that was supposed to be a cancer. The sore was stubborn and would not yield to treatment until I tried Snow Liniment, which did the work in short order. My sister, Mrs. Sophia J. Carson, Allensville, Mifflin County Pa., has a sore and mis-trusts that it is a cancer. Please send her a 50c bottle. For sale by Fischer Drug Co.

DEPARTMENT OF THE INTERIOR.

United States Land Office, Santa Fe, N. M., May 28, 1904.

Notice is hereby given that the following named claimant has filed notice of his intention to make final proof in support of his claim under sections 16 and 17 of the act of March 3, 1891 (26 Stats., 354), as amended by the act of February 2, 1891 (25 Stats., 470), and that said proof will be made before Probate Clerk at Santa Fe, N. M., on July 20, 1904, viz: Jose Gonzalez for the tract in Sec. 4, T. 1 N., R. 9 E., N. M. P. M. He names the following witnesses to prove his actual continuous adverse possession of said tract for twenty years next preceding the survey of the township, viz: Andres C. de Baca of Santa Fe, N. M.; George Trujillo of Kennedy, N. M.; Asapito sea, Ambrosio Pino of Galisteo, N. M.

Any person who desires to protest against the allowance of said proof, or who knows of any substantial reason, under the laws and regulations of the Interior Department, why such proof should not be allowed, will be given an opportunity at the above mentioned time and place to cross-examine the witnesses of said claimant, and to offer evidence in rebuttal of that submitted by claimant.

IN AN AUTOMOBILE.

J. C. Carlson Makes the Trip From Durango Down Animas River and Back in a Day.

The first "Red Devil" of the automobile variety ever seen in San Juan County was hailed last Saturday by the assembled population of the county which had collected in Farmington and Aztec where, it was rumored, the whiz wagon would pass. For 20 miles about those two towns the farmers came with their families to see the wonderful automobile which went without visible traction power. The machine was the property of J. C. Carlson of Denver, who had a bet with local parties that his gasoline gig could beat anything that ran on rubber tires. He made the trip just to show that he was not afraid to make good the bet that he could leave Durango at 7:30 in the morning, in his touring car, go down the Animas River, return by the way of La Plata and be back at 8 p. m., a distance of 112 miles over sandy roads. He was accompanied by ex-Mayor C. E. McConnell of Durango.

Bulletins were sent by telephone whenever the machine made a stop and Mr. Carlson would have won the bet had not his tire been punctured when he was about 25 miles out of Durango. As so much delay was caused by the puncture, it was 9 o'clock instead of 8 o'clock, when the machine dashed up Main Street of Durango, but Mr. Carlson stated that had it not been for the puncture he would have made the trip in less than the schedule time and he still maintains that he has the only record breaking Red Devil in the west.

Since the trip has been proven feasible by automobile, it is probable that Durango parties will establish an automobile line between that town and Farmington.

FIESTA OF SAN FELIPE DENERI

The Patron Saint of Old Albuquerque Honor in That Town on Saturday Last.

The annual fiesta of San Felipe de Neri, the patron saint of Old Albuquerque, was celebrated on Saturday night in that town, which was built up around the old Cathedral in the seventeenth century. Crowds of people from all over the Rio Grande Valley were present at the celebration which opened with solemn high mass at the Cathedral followed by patriotic speeches and band playing in the plaza. Following the speeches came the field sports. The festival ended with a parade of the children of the parish and various religious societies. The festival is peculiar to the old town and draws crowds of spectators from all over the Territory.

RUBBER PLANT GROWS PROFUSELY

In the Vicinity of Las Vegas—Will Be Used in Factory at Salida—Will Be Manufacture of Crude Rubber.

An investigation as to the quantity and quality of the rubber plant or "rabit plant" as it is more commonly known, which grows about Las Vegas, is being made this week by John Beck, a wealthy citizen of Denver. It is said that the plant grows profusely about Las Vegas and can be furnished in any quantity desired to the factory which has been established at Salida, Colorado for the manufacture of crude rubber from this weed.

Maxwell Grant.

FARMING LANDS UNDER IRRIGATION SYSTEM.

These farming lands with perpetual water rights are now being offered for sale in tracts of forty acres and upwards. Price of land with perpetual water rights from \$17 to \$25 per acre, according to location. Payments may be made in ten year installments. Alfalfa, grains, fruits of all kinds, and sugar beets grow to perfection.

GOLD MINES.

On this Grant, about forty miles west of Springer, N. M., are the gold mining districts of Elizabethtown and Baldy, where important mineral discoveries have lately been made. Claims on unlocated ground may be made under the mining regulations of the company, which are as favorable to the prospector as the U. S. government laws.

Near Raton, N. M., on this grant, are located the Coal Mines of the Raton Coal and Coke Company, where employment may be found at good wages for any wishing to work during the seasons that farming or prospecting can not be successfully done.

OJO CALIENTE HOT SPRINGS.

These Celebrated Hot Springs are located in the midst of the Ancient Cliff dwellers, twenty-five miles west of Taos, and fifty miles north of Santa Fe, and about twelve miles from Baranca Station, on the Denver and Rio Grande Railway, from which point a daily line of stages run to the Springs. The temperature of these waters is from 90 to 122 degrees. The gases are carbonic. Altitude, 6,000 feet. Climate very dry and delightful the year round. There is now a commodious hotel for the convenience of invalids and tourists. These waters contain 1,635.24 grains of alkaline salts to the gallon, being the richest alkaline Hot Springs in the world. The efficacy of these waters has been thoroughly tested by the miraculous cures attested to in the following diseases: Paralysis, Rheumatism, Neuralgia, Consumption, Malaria, Bright's Disease of the Kidneys, Syphilitic and Mercurial Affections, Scrofula, Catarrh, La Grippe, Female Complaints, etc., etc. Board, lodging and bathing, \$2.50 per day; \$14 per week; \$50 per month. Stage meets Denver trains and waits for Santa Fe train upon request. This resort is attractive at all seasons, and is open all winter. Passengers for Ojo Caliente can leave Santa Fe at 9 a. m., and reach Ojo Caliente at 4 p. m. the same day. Fare for round trip from Santa Fe to Ojo Caliente, \$7.40. For further particulars, address

ANTONIO JOSEPH, Proprietor
Ojo Caliente, Taos County, N. M.

WHY DO SO MANY PEOPLE RIDE CRESCENTS

Twice as many Crescent bicycles as any other have been bought annually for the last six years.

WHY DOES THE NUMBER OF CRESCENT RIDERS INCREASE EACH YEAR

Crescent sales have increased steadily year after year.

You can answer these questions yourself if you will come to our store and see a Crescent. Probably then we will not need to ask

THE CHANGE OF A LIFETIME

For Prospective Purchasers of Building Lots in Estancia

Estancia has GOOD WATER, SOFT WATER, PURE WATER, RAILROAD WATER, CLEAR WATER and PLENTY of WATER

RUSSEL SAGE'S ADVICE,

"Young man, Buy Real Estate,"

Will soon rank with Horace Greeley's aphorism,

"YOUNG MAN GO WEST!"

"If you are going to do a good thing, do it in the best way." is another maxim of which you will appreciate the force if you will either call on or communicate with N. F. CLARKE BEFORE BUYING TOWN LOTS ELSEWHERE.

BE WISE.

Put your money into land—Own a Town Lot and Home. Do like your fathers did—buy good property in a live town, and your children will rise up and call you blessed.

It is entirely safe to presume that within a very short time the town of ESTANCIA will be one of the liveliest, largest and most substantial towns in this section of the southwest.

Be sure and write for all information desired at once. THE PRICE OF THESE LOTS WILL INTEREST YOU.

TERMS TO SUIT.

Address all communications to

W. P. CLARKE,

SANTA FE, NEW MEXICO.

Over a million acres of land open for Homesteaders in the ESTANCIA VALLEY—good soil and plenty of water, which can be had from eight to thirty feet.

Easy Street.

There are very comfortable quarters on Easy Street, and most of us are willing to occupy them but as to getting there...there's some hard work ahead whichever direction is taken--but the surest way is to get a good stand and keep doing business on Good Will Avenue. There is a large establishment of Public Confidence located near one end of this well traveled highway. The desirable locations are beyond this establishment, and you will find the older merchants with whom the Good Will people spend their money, are located well up the Avenue and not far from the corner of Easy Street. If you are located on Good Will Avenue and expect one of these days to move up on Easy Street, you know that good goods are the only kind worth using. Well, when it comes to stoves, GOEBEL'S are the kind and you can depend on them to help build a fortune.

W. H. GOEBEL, The Hardware Dealer,
Catron Block, No. 311 * Santa Fe, N. M.

THE BOARD OF EDUCATION.

Moved Slowly and Carefully at Its Meeting Last Evening, But Moved. Superintendent's Report.

The regular monthly meeting of the Board of Education was held last evening in the office of Judge N. B. Laughlin. Six members of the board answered to roll call, Judge N. B. Laughlin, C. F. Easley, Jose Segura, Pedro Roybal, Sixto Garcia, and James L. Seligman; the absent members being T. B. Catron and A. C. Ireland. In the absence of the president, Judge Laughlin presided. The minutes of the last meeting were read and approved. Certain bills left over from the previous meeting were allowed and ordered paid. Superintendent J. A. Wood read his annual report which was adopted and ordered spread on the minutes. The treasurer's report was also read, approved and ordered spread on the minutes. This report shows that all teachers and janitors have been paid, all outstanding bills settled and that a little money still remains in the treasury. Charles F. Easley, chairman of the committee on buildings and grounds, reported that according to action taken at the last meeting of the board, he had employed Norman L. King to make a plat of the Fort Marcy addition, giving the correct measurements and showing the changes made in the streets and alleys. The plat will also give the important surroundings of the reservation, such as the federal building, Catron block, and postoffice. This map is about completed and a copy of it was before the board last evening.

The corrected proclamation donating the Fort Marcy tract to the city was ordered filed for record.

Among the bills was the premium on the Security Company's bond of the treasurer, which was ordered paid. The matter of the insurance of the first and second ward buildings was referred to the committee on building and grounds.

The secretary reported that he had deposited the treasurer's bond for \$10,000 in the First National Bank of this city for safe keeping according to instructions. The clerk's bond of \$1,000 was presented, examined, approved and ordered to be deposited in the First National Bank.

The superintendent in his report stated among other things that the schools opened on the first Monday in September, 1903, and continued in session nine months, including one week of the Christmas holidays. Twelve teachers were employed including the superintendent, the monthly pay roll having been \$645. As to the duties of the superintendent, principals and teachers, the members of the board were referred to the general rules and regulations, a copy of which was placed in the hands of each member of the board. Teachers' meetings were held monthly under the appointment and direction of the superintendent. At these meetings, the best interests of the schools were discussed relative to discipline, school management, the best manner of conducting recitations, how to make the school room and the school work attractive, and how to arouse interest and enthusiasm in the daily work on the part of the pupils. In addition to the above, papers were prepared and read, treating of live and important educational topics. At these meetings monthly reports were handed in by the teachers, showing many interesting items concerning the progress of the schools. All these reports were carefully recorded by the superintendent, thus keeping a record of all the teachers of all the schools in the various wards. These reports have been summed up and averages made out. These averages showed that as to punctuality and attendance, Mrs. Hall's room stood first, Professor Playter's and Miss Schneppe's second. With the exception of a few cases of contagious disease, tonsillitis and colds, there were few cases of illness. Those pupils who entered at the opening of school and were regular in attendance made marked progress; but those pupils who entered late in the term and were frequently tardy or absent, made but little advancement in their studies.

The record shows that there were 130 pupils who were neither absent nor tardy during the entire year. The number of cases of tardiness were less than one-half what they were the previous year and less than one-fourth what they were four years ago. When the present superintendent took charge of the schools five years ago, the rooms contained nothing but desks and stoves. Now the schools have a library of 175 volumes of well selected books, including a set of the Encyclopedia Britannica of 30 volumes and a cyclopedia of English and American literature of ten volumes. The first and the third ward schools, each have a good organ, and the third ward school has an eight day clock. The walls of all of the school rooms are adorned with engravings and other pictures. These and many other things have been paid for without drawing upon the school fund. The superintendent said that at a future meeting he hoped to set forth to the board the great need of a manual training department and the benefits which would be derived therefrom. In conclusion he thanked the members of the board for the earnest and businesslike manner with which it is taking hold of the work necessary in order to materialize the hope of the erection of modern school buildings.

The board then adjourned to meet on Monday evening next, June 13, for the purpose of electing teachers, fixing the tax levy for the support of the schools, to arrange for the sale of the

ANSWERS THE LAST ROLL CALL

W. S. Fletcher, a Veteran of the Civil War and a Prominent Member of Carleton Post, Passed Away Last Evening.

Winfield Scott Fletcher, a familiar figure on the streets of Santa Fe, and well known throughout the Territory, died last evening at St. Vincent's Hospital in this city after days of unconsciousness. He was born in South Hero, Vermont, 61 years ago. After reaching manhood he taught school for several years in New York State but at the breaking out of the Civil War, he was fired with the desire to fight for his country and enlisted in Company C, Second Vermont Infantry, on April 7, 1861. He served throughout the first two years of the strife, being honorably discharged at Washington, D. C., on May 7, 1863, on account of disability caused by wounds. After he had in some measure recovered from these wounds he was employed as a clerk in the interior department. Being appointed timber inspector to New Mexico he came to the Territory more than 20 years ago.

Under Governor Prince's administration Mr. Fletcher served as adjutant general of the Territory. He was prominent in Grand Army circles and was adjutant of Carleton Post, No. 1, G. A. R. for many years and at the time of his death. Two brothers survive him, one living in Chicago and the other, B. L. Fletcher, living at King, New Hampshire.

The funeral will take place tomorrow afternoon at 4 o'clock at Post Hall, under the auspices of the Grand Army. Rev. W. A. Cooper officiating. Interment will be made in the National Cemetery.

Thick and juicy steaks at Bon Ton.

SANTA FE AGENT ARRESTED.

W. H. Smith is Charged With the Theft of Merchandise From Freight Cars at French.

A few days ago, W. H. Smith, station agent of the Santa Fe Railway at French, Colfax County, was arrested on the charge of stealing merchandise from freight cars. It is reported that he sold several cases of eggs, several sacks of sugar and a quantity of brass, all of which, it is alleged, was purloined from the railroad company.

Eat dinner tomorrow and play even at the Bon Ton.
