Ericsson & Telcel Finalize Contract To Expand Cellular Phone Service

by Steven Ranieri

Category/Department: General

Published: Wednesday, August 26, 1992

On Aug. 20, Teleindustries Ericsson and TELCEL finalized a US\$35 million contract to expand the cellular phone network in Mexico. The contract calls for equipment installation, distribution of accessories, and creating new applications systems to serve the needs of small population centers. The two companies hope to complete all work specified in the agreement by mid-1993. (Source: El Financiero, 08/21/92)
