## GLORIOUS VICTORY.

## Whole Republican Ticket Elected in San Miguel County.

Spanish Cabinet Hold a Meeting to Discuss Peace Proposition.

Fatal Wreck on the Lehigh Valley Railroad in Pennsylvania.

WRECK OF THE MARIA TERESA.

Special to the Citizen.

Santa Fe, Nov. 11.—San Miguel county given at least 250 majority for Perce. The entire legislative ticket, and the San Miguel and Guadalupe republican county tickets are safely republican by majorities from 100 up. This is semi-official and reliable.

Spanish Cabinet Meeting.

Madrid, N. M., Nov. 11.—The queen regent presided at the cabinet council today. Premier Sagasta read a letter from Senor Rios, president of the Spanish peace commission, announcing that the American peace commissioners refused to recognize the Cuban debt and exacted the Philippine islands. The council will meet again this evening and decide upon a reply.

FATAL COLLISION.

Trains Collide and Several Men Killed and Injured.

Wilkesbarre, Pa., Nov. 11.—The Buffalo express, on the Lehigh Valley railroad, which left New York last night, ran into the New York & Pennsylvania express, going east on Wilkesbarre mountain, at 3 o'clock this morning.

Killed: William Toxheimer, fireman; Fred Glasser, fireman; J. C. McGregor, express messenger; Jacob Engelman, brakeman; John McNally, engineer.

Injured: D. G. Prentiss, engineer; Chas. Morgan, express messenger; John Shanfield, brakeman.

A heavy wind storm prevailed on the mountain last night, which caused the leaves from the forest to accumulate on the track. The engine plowed into the leaves which blocked the apparatus.

The Buffalo express, in charge of Engineer Reblin, had orders to stop on siding on the mountain to let the New York express pass. As Reblin approached the siding he discovered that the air brakes would not work. The train was moving at the rate of about thirty miles an hour, down grade. The engineer whistled frantically for the hand brakes, and reversed engine and stuck to his post, but could not avoid the collision. In less than a minute the express train from the west, drawn by two heavy engines here in sight. A terrible crash followed on a curve in a deep cut. Nearly all the passengers of both trains were asleep. Many were thrown out of their berths, but none were seriously injured. The engines and baggage and express cars were piled up in a heap in the cut.

Wreck of the Maria Teresa.

Nassau, N. P., Nov. 11.—The wreckers have brought stores from the stranded vessel off Cat Island, which establishes beyond a doubt that she is the Infanta Maria Teresa. As the vessel is looked upon as a derelict, the wreckers claim the right to seize the stores which can be saved. The vessel lies between two reefs on a smooth bottom, and has an anchor cut.

The British admiralty authorities here are going to take possession of the Maria Teresa as a derelict. The American consul has protested against this course, claiming everything less salvage.

NO INDEMNITY.

This Country Will Not Pay the Philippines at Spain.

New York, Nov. 11.—A dispatch to the Herald from Washington says: Instead of paying Spain \$40,000,000 as an indemnity for the cession of the Philippine Islands, President McKinley intends to reimburse her only for the debt, about \$1,000,000, contracted for public improvements. President McKinley and the cabinet have carefully noted that the sentiment expressed throughout the country by the elections has been in opposition to the suggestion to indemnify Spain to the extent first proposed.

Being Mustered Out.

Wooster, Ohio, Nov. 11.—The Eighth Ohio volunteers, "President's Own," are assembled here for muster out. In less than five hours after the men arrived thirty sick soldiers were taken to the hospital.

Silver and Lead.

New York, Nov. 11.—Silver, 60 1/2 cts. Lead, \$3.30.

Killed by an Explosion.

Hanover, Mass., Nov. 11.—Fire in the general store of Sterns & Co., to-day, was followed by a terrific explosion which

blew out the sides of the building, killing Michael Robert Sylvester, Edgar Adams, C. A. Peterson and C. A. Tolman. Over a dozen were injured.

Spain Wants to Arbitrate.

Madrid, Nov. 11.—El Herald asserts that the government has resolved to maintain Spain's sovereignty over the Philippines. It has suggested that Emperor William will be asked to arbitrate in the event of the peace commission failing to agree.

National Temperance Convention.

St. Paul, Minn., Nov. 11.—The national W. C. T. U. convention began today. The opening session was devoted to the appointment of committees and annual memorial services for deceased members. Miss Willard being the one to whom all thoughts and words tended.

Republican Victory.

St. Paul, Minn., Nov. 11.—The seems no doubt that Page Morris has defeated C. A. Towne for congress in the Sixth district by a safe, small majority. A Duluth dispatch announces that the congressional committee has conceded Morris' election.

Amendments Carried.

Siox Falls, S. D., Nov. 11.—From present indications it looks as if the constitutional amendments on equal suffrage, initiative and referendum and the state dispensary carried in North Dakota.

Destructive Fire.

New Orleans, Nov. 11.—The fire which started in the town hall at Covington, La., destroyed three blocks of buildings. The loss is estimated at \$100,000.

Dead.

Havana, Nov. 11.—W. A. Williams, chief quartermaster, and P. T. Stewart, clerk in the quartermaster's department, died of fever today.

Chicago Stock Market.

Chicago, Nov. 11.—Cattle—Receipts, 2,000 head, including 1,000 westerns. Market steady.

THE BALDONADO MURDER.

Sedillo Brothers Have Preliminary Hearing Before Justice Duran.

Miguel and Celes Sedillo are having their preliminary hearing before Justice Duran in old town today, on the charge of having murdered Vicente Baldonado in old town on July 30. George Martinez and Martin McGuinness were indicted for this crime by the grand jury, but when the case came up for trial in the district court, the evidence was so conflicting that Judge Crumpacker instructed the jury to bring in a verdict of not guilty. As soon as this was done, the Sedillo brothers, who had been the principal witnesses in the case, were arrested on the charge of having committed the murder themselves.

At the hearing this forenoon the testimony against the Sedillo brothers was quite strong. Pablo Duran testified that at about 3 or 4 o'clock on the morning of July 30 he saw a crowd of carmen singing in front of Martinez's saloon in old town. Miguel Sedillo broke through the crowd with two stones in his hands, which he threw at Baldonado, knocking him down. When he was down the two Sedillos continued to kick him until he was nearly dead. Antonio Chavez testified to practically the same state of facts, and Martin McGuinness and George Martinez corroborated the witness except in a few particulars. Joe Rauba testified that he saw Miguel Sedillo strike Baldonado with something and knock him down.

This afternoon witnesses for the defendants are being examined.

Train Robbery Near Fergus Falls, and Express Safe Blown Open.

NEVADA SOLIDLY REPUBLICAN.

Washington, Nov. 11.—"We have received confirmatory information from every district in the United States," said Chairman Hancock of the republican congressional committee today. "This shows that the republicans will have thirteen majority and perhaps more than that over the combined opposition in the next house of representatives. Any changes which subsequent returns may make will be in the direction of increasing our majority. The straight out republican strength shown will be 185."

The Kio-Loon Count.

The local committee of county commissioners will meet at the court house, at 10 o'clock to-morrow morning, to count the vote cast in this county last Tuesday, November 8, and the CITIZEN expects to be able to officially announce the big republican majorities in this paper to-morrow afternoon.

On the second page of to-day's CITIZEN the partial vote of this county is published in the tabulated form. The figures presented, with those from the absent precincts, will give handsome majorities for all the republican candidates.

Socorro's Republican Majority.

Socorro, Nov. 11.—Socorro county gives Perce 300 majority. Every man on the republican ticket gets from 200 to 500 majority, except school superintendent. Everybody happy and good natured over the result.

SERIOUS CUTTING SCRAPE.

Jacobo Gonzalez and Mrs. Gutierrez, at Alamogordo, Under Arrest.

Another cutting affair occurred at Alamogordo yesterday forenoon at about 8 o'clock. Jacobo Gonzalez and Josefa Apodaca y Gutierrez were brought to this city to day and lodged in the county jail on the charge of assaulting Mrs. Flora Alfaro de Chavez with intent to kill.

District Attorney Finley, Nestor Montoya and Deputy Sheriff Martinez went up to Alamogordo this afternoon to learn all the facts in the case.

Reports which have so far reached the city state that a brother of the injured woman discovered her about 2 o'clock yesterday afternoon at her home and mutilated with fifteen different cuts in different parts of the body, the most serious of which was a cut in the throat, which severed the wind pipe. A surgeon from this city was sent for, who sewed up the cuts and did everything he could for the injured woman, but it is not thought that she will recover.

It is said that she has made a statement charging Gonzalez with doing the cutting but not implicating the Gutierrez woman.

The cause of the cutting is said to have been a jealousy existing between Mrs. Chavez and Mrs. Gutierrez though the particulars have not been learned at the time of going to press. Gonzalez positively refuses to discuss the affair.

The Limited.

There was a rumor in circulation last night, owing to the limited from the west being delayed, that the train was in the ditch at Seligman. "I wish to deny the report emphatically," remarked Conductor Frost this morning. "I brought the train in from the west, arriving here about 9:30 p. m., a little over three hours behind time, and the delay was caused by the engine of another train being off the

track at Needles, which blocked the flyer for three hours and we could not make up the lost time between Needles and this city."

The limited from the east arrived today at 11:21 a. m., being eleven minutes behind time. Conductor Gatebell brought the train in, and made up twenty-four minutes between Las Vegas and this city, the limited being behind half an hour when it reached Las Vegas. He turned over to the Santa Fe Pacific city through passengers for California points and the following handsome coaches: Buffet smoking car 150, dining car 155, Pullman coaches agents, Zee, Europe and observation coach Bybirds.

From Sacramento.

E. A. Miera, the county commissioner-elect from the First district, came in from the Sacramento precincts this morning, and made a pleasant call at this office at noon. He states that out of several hundred votes cast in the three Sacramento precincts Ferguson only received "and," continued Mr. Miera. "Billy Hye, whom the independents sent up there to work for them, had a mighty hard job to get out the six votes for the ticket he supported."

Mr. Miera will remain in the city for several days, and will attend the count of the votes at the court house to-morrow morning.

## RACE TROUBLES.

## President and Cabinet Discuss the Grave Question.

Having Killed the Negroes, Peace Prevails at Wilmington, N. C.

Spanish Troops Are Evacuating the Military Posts in Island of Cuba.

RACE WAR IMMINENT IN ILLINOIS.

Washington, Nov. 11.—At a cabinet meeting to-day attention was devoted to the race troubles in the Carolinas. The president expressed much concern over the situation, but it was decided that the developments did not warrant federal interference. The conditions in those two states will, however, be kept under close surveillance, with a view to action, should it be necessary.

The following cablegram from General Wade, chairman of the Cuban evacuation committee, was read: "Havana, Nov. 11.—To General Corbin: For the information of president. From our arrival the Spanish authorities here have, I believe, carried out the terms of the evacuation to the best of their ability. Ships arriving here have been promptly loaded and dispatched, about 20,000 men having gone. Lack of transportation and money to pay the troops giving serious trouble. The governor general seems unable to deal with conditions as they arise. Accounts from here are so sensational I desire to inform you of the true state of affairs. Signed: WADSWORTH, Major-General."

DEMOCRATIC OUTRAGE.

Driving Out White and Black Republicans from Wilmington, North Carolina.

Wilmington, N. C., Nov. 11.—The democrats are in control of the city. No further serious trouble is likely. The republican city officers all resigned last night and democrats were put in their places.

The first act of the new government was to swear in 250 special policemen, instructed to prevent any attempt to terrorize the negroes as well as to frustrate acts of lawlessness by the latter.

Mayor Waddell and associates have put a veto upon the proposed lynching of the negro prisoners. The mayor kept guard at jail all night. This morning six negroes were taken out and escorted to the north bound train by the militia to be banished from the city. The citizens cheered as they saw them going. The men were started for Richmond. Squads are out to-day searching for the most notorious characters who will be deported. Several white men obnoxious from association with negro politics are also to be deported.

Race War Imminent.

Pana, Ill., Nov. 11.—Imported non-union negro miners here are becoming reckless while the union white miners are growing restless. Almost nightly in the flat hall district the negro residents practice shooting at any white man that passes. Negroes have been heavily armed by the mine operators. Last night the residences of several white miners were shot at. Walter Butler, of troop B, when asked to disarm the negroes, said it was useless for the sheriff would arm them again. Rifles were received here to-day for citizens who intend protecting their property and families.

ACTIVE INSURGENTS.

Philippine Insurgents Capture Important Island from Spaniards.

London, Nov. 11.—Advices have been received at the office in this city of the Philippine Commercial company, saying that the insurgents have taken the island of Negros, one of the Philippine group, separated by narrow channels from Panay and Zebu, and they are besieging Biolo, capital of the island of Panay and one of the largest ports in the Philippines.
