## COME MARCHING HOME.

Volunteers are Leaving New  
York in Large Numbers.

Everywhere They Receive Cordial  
and Rousing Receptions.

General Miles Expected Back at Army  
Headquarters Soon.

STRIKING MINERS ARRESTED.

Montank Point, Sept. 16.—A severe  
rainstorm set in here last night and  
continued this morning. The storm  
did no damage to the camp. There were  
60 men in the general hospital to day.  
On account of the storm, sick patients  
were transferred to the city. Two hun-  
dred and fifty men of the Twenty-second  
infantry, under command of Col. Van  
Horn, departed for Fort Crockett, Tex.  
Omaha, Neb. Five hundred of the  
Twenty-second, under Col. H. H. Humphreys,  
hope to get away this afternoon for  
Huntsville, Ala. There were two deaths  
to day. General Shafter said to day that  
he would remain here until the troops all  
depart and personally see to their get-  
ting away. General Grosvenor of the signal  
service, left on the morning train, his  
work here being finished.  
General Wheeler has announced that  
the cavalrymen will not ride through  
Long Island into New York as at first  
proposed. There are several thousand  
horses to be moved and General Wheeler  
says they can best be taken away on  
transporters.

TROOPS FROM PORTO RICO.

New York, Sept. 16.—The United  
States transport ship, the "Albatross,"  
from Porto Rico, arrived here from  
Ponce, Porto Rico, yesterday. The  
troops from the Pennsylvania railroad pier  
in Jersey City to day, where trains were  
waiting to convey the returned volun-  
teers to their homes in the District of  
Columbia, Pennsylvania and Illinois.  
Company A, a provisional battalion of  
the First Illinois volunteers, was among  
the troops embarked. The company was  
the first to land at Porto Rico, going  
ashore at San Juan on July 25, and was  
the only Illinois unit that saw ser-  
vice both in Cuba and Porto Rico. The  
District of Columbia soldiers are in the  
prime of physical condition.

ONE HONORS THE DEAD.

Columbus, O. Sept. 16.—Columbus  
suspended business to day to observe the  
Seventeenth anniversary. Ambulances  
were provided for ten men who were un-  
able to sit up, while 60 were removed di-  
rect to the barracks in carriages. A pro-  
cession was formed, the regiment being  
headed by the police and fire department  
and escorted by the volunteer fire com-  
panies. The march was made to the  
Columbus hills, the mayor, city officials  
and the board of trade. At the state  
cemetery, the bodies of the fallen volun-  
teers were laid out in rows. Public schools  
were dismissed, the children gathered in  
groups and waved flags as the heroes of  
Ki Cany marched past.

Major Roberts did a graceful act in re-  
linquishing command to Major O'Brien  
during the demonstration. Although  
ranked Major Roberts was under the  
Major O'Brien having been in command  
after the wounding of Lieut. Col. Har-  
rell.

THE SOLDIERS WELL PROVIDED FOR.

Chicago, Sept. 16.—The Fourth United  
States infantry, Major Stephen Baker  
commanding, arrived in Chicago to day.  
The regiment was housed in a fine, well-  
furnished hotel. The soldiers were well  
cared for. The regiment was housed in a

TAKE CARE OF THE SICK.

Chicago, Sept. 16.—The Fifth Iowa  
volunteers arrived in Chicago from  
tango to day. There are 603 officers and  
men. Each train was met by physi-  
cians from the city health department,  
prepared to attend to any case of illness,  
and offer to have any of the unfortunate  
unable to continue the journey removed  
to hospital care.

CONFERENCE WITH THE PRESIDENT.

Washington, Sept. 16.—General Scho-  
field to day had nearly an hour's confer-  
ence with the president regarding the  
matter of his acceptance of a place on the  
committee to investigate the conduct of  
the war. On leaving, the general said  
the matter was still in abeyance.  
Assistant Secretary Moore, of the state  
department, also tendered his resignation.

THE DRYFUS AFFAIR.

French Cabinet Will Adopt the Proposal  
for a Revision.

Paris, Sept. 16.—The newspapers say  
that Minister of the Interior has com-  
pleted his documents in the Dryfus case  
and will communicate to the ministers  
at the cabinet council to-morrow his  
intention to refer the case to a com-  
mission competent to undertake a  
revision of the proceedings. The  
general opinion is that the cabinet will  
adopt the proposal for a revision  
unanimously with the exception of  
the minister of war, General Serbelloni,  
who yesterday informed the minister of  
justice that he intends to resign if it  
develops that he does not agree with his  
colleagues. The Figaro, Matin and Rap-  
port say they believe that in case Ser-  
belloni resigns, the president is pre-  
solved to take the portfolio of minister  
of the interior to M. Vallee. The Gaulois  
predicts a ministerial crisis.

General Miles Much Improved.

Washington, Sept. 16.—General Miles  
is much improved, having no fever to-  
day. He is expected back to army head-  
quarters to-morrow.

Murdered Woman Identified.

Bridgeport, Conn., Sept. 16.—There  
seems to be almost no doubt that the  
woman whose dismembered body was  
found in Yellow Mill pond was Grace

## INSURGENTS FRIENDLY.

No Further Force Required at  
Manila, Says Otis.

Assembling of Filipinos at Malolos  
Causes No Apprehension.

Former Rebel Leader Marching Against  
Aguinaldo with 15,000 Men.

SITUATION GENERALLY SATISFACTORY.

Washington, Sept. 16.—The following  
dispatches were received to-day from  
Manila, Sept. 16.—Adjutant General  
Otis, Manila, Sept. 16.—Adjutant  
General, Washington.—In my  
opinion, based upon present indications,  
no further force is required. The insur-  
gent leaders are in positive and the army  
is in an excellent frame of mind, but the  
better portion is amenable to reason  
and desire to make an approved rep-  
utation before the civilized world.

THE LEADVILLE GAMES.

The Leadville Bites, who are consid-  
ered the best non-professional players of  
baseball, will reach this city to-morrow  
(Saturday) night. Three games will be  
played, namely: Sunday morning at  
10:30 o'clock; Sunday afternoon at 3  
o'clock; Monday afternoon at 3. Single ad-  
mission, 25 cents; season ticket, to all  
three games, \$1.

After these games, if satisfactory ar-  
rangements can be made, the Bites will  
go to El Paso, and then playing a series  
of games there they will return to take  
part in the base ball tournament of the  
territorial fair.

Capt. Young, of the Browns, expects  
Raymer to arrive from the east this evening.

Requiem Mass Re-Captured.

Sheriff Harry Kinsey returned to  
Santa Fe last night with Esquivel Cano,  
the convict who is now charged with the  
murder in Santa Fe county and who  
escaped from jail there. Cano was ar-  
rested by the police authorities of El  
Paso, who received the \$25 reward of-  
fered for the capture of Cano. Sheriff  
Kinsey thinks there is no doubt that  
this city over two years ago for which  
Trent is now serving a forty-year sen-  
tence in the penitentiary, he having been  
convicted of the crime.

THEIR VALOR APPRECIATED.

Well, Fargo & Co. remember the  
service of their messengers and guards.  
President John J. Valentine, of  
Well, Fargo & Co., has shown his ap-  
preciation of the faithful service of the  
messengers and guards of the company  
during the hold-ups which have occurred  
during the past few months, in a very  
gracious manner as will be seen from  
the following letter:

"Herewith we send you a package of no  
less than half a dozen gold watches,  
valued at \$100 each, as a token of our  
appreciation of the faithful service of  
your messengers and guards who have  
been exposed to so much danger and  
trouble in the performance of their  
duties. We are sure that these watches  
will be a valuable possession to you and  
your family. We are, Sir, very truly  
yours, J. J. Valentine, President."

Charles L. Fowler, the guard, and  
Robert H. Comfort, the messenger, are  
the recipients of the watches. They are  
of solid gold and on the inside of the  
back cover, the following lines are en-  
graved:

To Robert H. Comfort, for Intrepid  
action, March 20th and August 14th, 1898.  
Well, Fargo & Co.

Mr. Fowler is the same with the ex-  
ception that the words "for fearless con-  
duct" are substituted in place of "for  
intrepid action."

The boys highly appreciate the gift of  
the company and will take commendable  
pride in wearing the watches and show-  
ing them to their friends.

Death of Mrs. Hagg.

A telegram was received last night an-  
nouncing the death of Mrs. J. M. Hagg,  
sister of Prof. L. C. Fennar and sister  
of J. H. Fennar, at Port Jervis, N. Y.  
Mrs. Hagg resided in this city for  
five years. Mr. Hagg being employed  
at the Oak Park barber shop. They  
made many friends in this city at that  
time, who will join with the brothers  
here in mourning her death. Mrs. Hagg  
had been an invalid for a long time and  
was very low last spring, when her  
brothers from this city and her sister,  
Mrs. Zink, were called to Port Jervis.  
The funeral will take place on Sunday.

## PARIS COMMISSION.

Sagasta Appoints and Instructs  
Spain's Representatives.

American Commissioners Will Sail  
To-Morrow for Paris.

Formal Withdrawal of Troops From Porto  
Rico to Begin in Two Days.

THE GOLF TOURNAMENT.

New York, Sept. 16.—A dispatch to the  
Herald from Madrid says: Sagasta, hav-  
ing routed his enemies, and, as Sagasta  
Ribeiro said, dispersed them, at once pro-  
ceeds to nominate his Paris commission,  
whose instructions will be clear and de-  
cisive. The commissioners will be in-  
structed that their mission shall be com-  
pleted with the utmost speed. The com-  
missioners are up to date are Mon-  
tejo, Senor Villaurrutia, who is con-  
sidered as one of the rising diplomatic  
talents of Spain, General Garcia, the most in-  
fluential of the scientific military men  
in this country; Senor Garcia, a magis-  
trate well versed in matters of inter-  
national law, and probably Senor Abad-  
sola, an old friend of Castelar.

EVACUATION OF PORTO RICO.

Spanish Troops to Withdraw From North  
West of Island in Two Days.

San Juan, Porto Rico, Sept. 16.—At a  
meeting to day of the Spanish evacua-  
tion commission, it was agreed to be-  
gin the formal withdrawal of troops  
within two days. They will evacuate  
Lares, San Sebastian and Aguadilla, in  
the northwest of the island, withdraw-  
ing towards the capital. Under the terms  
of the evacuation, the Spanish troops  
will not be permitted to leave the island  
until the evacuation of the island must be in  
accordance with the terms of the peace  
protocol as soon as transports can be ac-  
quired.

Transporta from the fever infected  
ports of Cuba cannot, they say, be used  
to convey non-infected troops from Porto  
Rico. Troops from Cuba and Porto  
Rico will be landed in different ports  
of Spain. The Spanish authorities here  
cannot control the transports in re-  
spect. They must await the pleasure  
of Madrid. The commissioners realize  
the force of this argument and are will-  
ing to make reasonable concessions.

GOLF TOURNAMENT.

Only Four Golfers Survive in Struggle  
For Championship Honors.

Morrisstown, N. J., Sept. 16.—The four  
golfers who survived the struggle of the  
past four days, in which ninety-eight  
aspirants contended for the championship  
honors, were C. B. McDonald, Walter R.  
Smith, Walter J. Travis, and Walter  
Douglas. The championship was won by  
C. B. McDonald, who played the final  
round with a score of 76, while Walter  
R. Smith, Walter J. Travis, and Walter  
Douglas, who played the final round with  
scores of 77, 78, and 79, respectively.

Travis is an Australian but learned  
golf in this country. McDonald and  
Smith, both of Chicago, are strong play-  
ers, but the former is more matured in  
the game. McDonald won the first an-  
nual championship of the United States  
golf association, which was played at  
Newport, R. I. Walter is the youngest  
of four, but has an excellent record.

Louisa and Travis finished the first  
hole at 1 o'clock, with Douglas in  
lead by 1 up. Smith led McDonald by 3  
up at the end of 16 holes.

The forger goes by the name of L. W.  
Edwards and told that he came from  
Albuquerque to seek for Crowley's "steak  
gang."

He appeared before Justices of the Peace  
W. F. Kuehler and J. H. O'Reilly, and  
was examined and was found guilty of  
over to wait the action of the grand jury  
under \$500 bonds, in default of which he  
was committed to the county jail.

The deputy sheriff, owing to some trivial  
affair, did not take him in yesterday and  
last night L. W. Edwards made his es-

His work at forging was decidedly  
coarse and it is surprising that he met  
with so many victims here.

**Good Blood!**  
Your heart beats over one hundred thousand times each day. One hundred thousand supplies of good or bad blood to your brain. Which is it?  
If bad, impure blood, then your brain aches. You are troubled with drowsiness yet cannot sleep. You are as tired in the morning as at night. You have no nerve power. Your food does you but little good.  
Stimulants, tonics, headache powders, cannot cure you; but  
**Dr. Williams' Pink Pills**  
will. It makes the liver, kidneys, skin and bowels perform their proper work. It removes all impurities from the blood. And it makes the blood rich in its life-giving properties.

Marshal McMillin learned that Mc-Gahan had left for the north this forenoon and a few minutes afterward he and Sheriff Hubbell started in pursuit. They discovered him walking up the track about a mile north of town.
