THE PANAMA STRIKE.

Locked-Out White Miners Are Reinforced Daily.

Col. Hard Denies Reports of the Eighth Ohio Infantry.

The Republicans of Iowa Will Meet at Dubuque To-Morrow.

STARVING AMERICANS STORIES UPTURN.

Pana, Ill., Aug. 31.—More outside reinforcements for the locked-out white miners have been arriving to-day. By to-night, fully 3,000 extra miners are expected to be on the scene. On the other hand the operators say they will have 500 more negroes here before the close of the week.

Sheriff Coburn has been hourly increasing his forces in anticipation of trouble, bringing deputies from Taylorville, the county seat, sixteen miles distant.

Serious encounter was narrowly averted between the locked-out miners and 100 deputy sheriffs guarding the Alabama negroes, at Spring Side mine. The trouble could not have been prevented had not the state and national officers of United Mine Workers of America interfered, wiring district president, Wm. Topham, to postpone action until after this morning, pending investigation of the Spring Side mine which is alleged to be dangerous, being operated without bond as a registered engineer.

At the time the message was received the miners were in a secret session in a large gulch between the Illinois Central railroad and the Pana Coal company's reservoir near the north end of the city, laying plans to march on the deputies and negroes at Spring Side and forcibly compelling the negroes to leave.

The meeting was presided over by a negro miner, named Ivan, of Danville. Only by the most persistent pleading and reasoning by President Topham and other leaders that the miners were prevented from marching to the shaft.

The meeting was attended by fully 1,000 miners, the only light being the moon, and with guards and pickets doing duty to keep out all save union mine workers. It was pointed out that the deputies at the Spring Side mine were armed with Springfield and Winchester rifles, and there were only two Winchester and a few shot guns in the miners' crowd. All men, however, are armed with revolvers.

ACCUSATION OF STARVING
Of the Eighth Ohio Infantry Vehemently Denied.
WHEELER, Ohio, Aug. 31.—Col. C. V. Hard, of the Eighth Ohio volunteer infantry, wires from Mountaintop a denial of the accusation of starving the Eighth while on its way home from Cuba. He says the published stories of starvation on the transport Mohawk are false, and call attention to the fact that three days' unused rations were left on board the ship, and the percentage of sickness and death was less than that of any regiment in Cuba. The Eighth Ohio had 294 sick on arrival at Mountaintop.

REPORT EXAGGERATED.
The Starving Americans Well Supplied With Provisions.
Ottawa, Ont., Aug. 31.—A report has been published in many United States newspapers recently that some 3,000 Americans were starving on the Teelin trail, between Telegraph creek and Teelin lake. The United States government asked the Canadian government to investigate the matter, and a report has been received, saying that only 1,500 people altogether are on the trail and they are well supplied with provisions.

IOWA REPUBLICANS.
They Will Meet in Convention at Dubuque To-Morrow.
Dubuque, Iowa, Aug. 31.—The republican state convention meets at 11 o'clock to-morrow morning. Congress man Lacey is to be temporary chairman, and his speech is expected to sound the key note. The general opinion is that Senator Gear is to be chairman of the platform committee, and he and Senator Allison is to frame that portion of the resolutions referring to national affairs, stating the administration's ideas with considerable degree of authority, especially in matters concerning the conduct of the war and disposition of conquered territory.

STORM ON THE COAST.

The Coast of Georgia Swept by a Terrific Gale.

Gen. Garcia No Longer in Command of Cubans.

The Hospital Ship Olivette Mysteriously Goes to the Bottom.

PRESIDENT WILL VISIT CAMP WIKOFF.

Atlanta, Ga., Aug. 31.—The Journal has the following dispatch from Savannah, Ga., sent from that city at 5:30 o'clock this morning and put on the wires at Milton: Since 11 o'clock last night until 8 o'clock this morning, Savannah has been in the teeth of a swirling gale. The wind has blown from forty to seventy-five miles per hour and there had been gusts when the maximum speed was exceeded. As far as learned no lives were lost in the city.

Adjoining islands are to be heard from. Communication with Tybee, Georgia's seaside resort, cannot be had at this hour. There are about 250 people at Tybee, many of whom are United States troops, volunteers and regulars.

Savannah presents a terrible appearance. Roofs of houses are scattered through the streets, and wires of telegraph, telephone, electric light and street cars make the streets impassable for vehicles. Loss of property, \$100,000. The rice crop will suffer especially.

GEN. GARCIA.
Has Been Relieved of His Command by the Provisional Government.
New York, Aug. 31.—A dispatch to the Herald from Santiago says: Gen. Garcia has been relieved of his command by Gen. Gomez, acting under instructions from the provisional government. This is owing to the disapproval of his action during the Shafter incident and in view of Garcia's personal non-gratitude to the American government. At the commencement of the war the Cuban officers were ordered to put themselves under orders of the American commander and the letter of Garcia to Shafter is looked upon as a breach of discipline. Gen. Rodriguez will succeed him.

HOSPITAL SHIP OLIVETTE.
It Mysteriously Sank to the Bottom of the Ocean This Morning.
Fernandina, Fla., Aug. 31.—The hospital ship, Olivette, which has been lying near the quarantine station, through some mysterious agency, sank this morning about 7:30 o'clock. Aboard the ship was the hospital corps of thirty-five and a crew of forty-five persons, and all escaped without injury, but scanty attire. No one apparently knows how the calamity occurred.

New York, Aug. 31.—A special to the Tribune from Washington says: The naval board of experts on ship specifications, headed by Secretary Long, have unanimously affirmed their action in recommending the comprehensive program for building up the navy. The program outlined two weeks ago and included the various bureaus of the navy is intended to proceed forthwith with the preparation of actual plans for the construction and project of a new fleet. We need room, room for our new stock of woolen Dress Goods, which will soon be arriving. We have now an immense stock of Dress Goods on hand and must reduce same. In order to attain this end we will sell these goods at almost unbelievable prices.

WHEN we say, Dress Good's Bargains, everybody knows that we mean Dress Good's Bargains in the full sense of the word. We have made these sales the talk of the town before, we are determined to cap the climax with this one.

THIS SALE is to be one of mutual benefit and interest to the public and ourselves. A benefit to the public in receiving their Dress Goods at just about one half their actual value. A benefit to us in disposing of same, for reasons above mentioned, although at or below cost. We know we can interest you. Avail yourself of this opportunity!

ROSENWALD BROS.

THE CITY IN BRIEF.

Personal and General Paragraphs Picked Up Here and There.

Miss May Buckley, of Gallup, is visiting her sister, Mrs. Harry Lee, of this city.

Hurion Mossman, of the Aztec Cattle and Land company, is at Sturges' European from Holbrook.

Harry Mossman, clerk in A. J. Mayo's grocery store, will leave to-morrow night for his home in Lincoln, Neb., where he will remain.

Miss Gertrude Maxwell is expected home to-morrow evening. She has spent the past two months visiting relatives and friends in Gallup.

Attorney J. G. Fitch, of Socorro, who was spending a few days' rest at the Fitches, came in from the north last night and continued to Socorro this morning.

C. B. Dixon will re-open the Montezuma saloon at 6 a. m. to-morrow. In the future the place will be closed at 2 o'clock every morning and opened again at 6 o'clock.

Rev. F. H. Allen, wife and son, Harold, will return home this evening. They have spent their vacation visiting relatives and friends in Massachusetts and other eastern states.

A set of harness was stolen from Dr. Bishop Monday night. The thief disposed of it to Mr. Futrell, who returned it to the rightful owner upon learning the facts. The thief has not yet been captured.

Hon. R. E. Morrison and wife, who have been out and who have visited the "Rough Riders" at Camp Wikoff, passed through the city last night for Prescott, Arizona. Mr. Morrison is the United States attorney for Arizona, and is the son of Hon. A. L. Morrison, internal revenue collector at Santa Fe.

W. H. Hahn, the coal baron and all-around good fellow of this city, returned home last night after seeing the effects of all its glory during war days the past few months. Mrs. Hahn and daughter, Miss Grace, the latter being about several years, and the latter's guest, Miss Hahn, accompanied the coal merchant back to Albuquerque.

Contractor J. W. McQuade is the proudest man in town this week, owing to the arrival of a bright little son at his house last Saturday night. All doing well, the only trouble being that the boy is so tiny that he is over, as he is a genuine fire-eater and wants to fight Spaniards and represent his family, the main members of which have been too busy building stores and houses to enlist.

T. J. Curran, vice president of the New Mexico Horticultural society, returned to the city from Santa Fe last evening. In an interview had with him this morning he predicted that the fair to be held by that society in Santa Fe next week will be a great success. He is anxious that

Bernalillo county be well represented, and as he will be in Santa Fe all next week he promises to give his personal attention to any exhibit sent from this county to see that it is properly entered and attractively displayed. The people of this county will miss a splendid opportunity to advertise its horticultural possibilities unless they prepare and send a large exhibit.

The general meeting of the fire department last night failed to take any action on the matter of purchasing fire alarm indicators from money in the department fund. After a lengthy discussion a motion to refer the matter to a committee was lost.

J. J. Alop, the well-known sheep dip representative, who is at Las Vegas, has received the happy information that his estimable wife has presented him with a fine baby girl. The event took place on the Alop ranch down in Texas.
