According to a report released on Nov. 4 by the American Chamber of Commerce in Mexico City, the value of US exports to Mexico in 1992 will total a record US\$44 billion. The previous record was set in 1991 when exports totaled US\$33.1 billion. The report said the 1992 figure would represent an increase of 225% from 1986. (Source: Notimex, 11/04/92)
