LEAGUE MAGNATES TO HOLD MEETING IN NEW YORK

Owners of Clubs in National and International Organizations Have Much Important Business Before Them.

(By Morning Journal Special Leased Wire.) New York, Dec. 8.—Sly conferences in obscure corners of hotel lobbies tonight gave evidence of the gathering of baseball magnates and their cohorts to attend the meeting of the International league tomorrow and that of the National league on Tuesday. The subdued conversations, it was taken for granted, concerned prospective trades of players, always an interesting side line of baseball meetings. For this purpose owners and managers from far and wide come, whether directly interested in the meetings. The National league will choose a successor to President Lynch, probably himself according to gossip. August Herrmann, president of the Cincinnati club and chairman of the national commission, may start something about Joe Tinker, the Chicago shortstop, whom he wants as manager of the Reds. Mr. Herrmann arrived today but Charles W. Murphy, president of the Chicago club, who stands between his star infielder and the new job, is not expected until tomorrow.

The league is also expected to adjust differences between the owners of the St. Louis club and Roger Bresnahan, its manager, until recently, Bresnahan is claiming salary on his unexpired contract. The International league has little to do except fix a salary limit.

NEWMAN ANXIOUS TO ACCOMMODATE FRANKIE WHITE IN A BOUT HERE

Frankie White, the Chicago lightweight, who is now at Raton, has written Director Mark Levy of the New Mexico A. C., challenging Louis Newman, the local lightweight, for a bout here at an early date. White boxed at Raton December 17th, meeting Walter Walters in a ten round go. Immediately thereafter he expects to come to Albuquerque to see if he can get a bout with Newman, the event to be staged either in Albuquerque or at Clovis.

In his letter to Director Levy, White declares he will fight Newman at any weight, but supremely confident he can make the local boy take the count inside of ten rounds once he gets him in the ring.

JOHNSON BEAT HIM BECAUSE HE BROKE HAND, SAYS YOAKUM

Stanley Yoakum, for some weeks a prime favorite with the local fight fans, passed through the city Saturday night bound for California. Yoakum declared that he had beaten Eddie Johnson at Alamosa, a month ago, because he broke a hand in the second round and had to finish the twenty round mill with one wrist.

Yoakum declared that had he had the use of both batteries he would have defeated Johnson as easily as he did in their first mix at Pueblo.

With the erstwhile favorite of the Albuquerque battle connoisseurs, was Jack Hanley, who took the blame for the affair in Pueblo when Yoakum's hands were found encased in plaster of paris, in the good old style said to have been originated by Kid McCoy.

Yoakum, who was here for the fifty minutes that No. 9 stops in Albuquerque, came up town and visited with old acquaintances but Hanley stayed on the train.

Yoakum hopes to break into the fight game in California with such a smash that he will be able to get some fights with boys near the top of the lightweight ladder.

Fleider Jones Furnishes Surprise. Chicago, Dec. 8.—Fleider Jones, former leader of the Chicago American league baseball club, arrived in Chicago tonight, where he will remain after the meeting of the American league called for Wednesday. For several weeks Jones has been mentioned as a possible head for the New York American league team, and it is expected that he will confer with the American league owners during the meeting. Baseball men in touch with the situation say that Jones is likely to be the central figure of a surprise in the baseball world in the near future.

Mrs. A. Grove, 1145 Dayton Ave., Wichita, Kas., states: "I suffered with kidney trouble, with a severe pain across my back and felt miserable and all tired out, but after taking Foley Kidney Pills for a few days, the pain left my back and I felt full of life and activity. Gladly do I recommend Foley Kidney Pills to all who have kidney trouble." J. H. O'Reilly Drug Co.

PITCHER HENDRIX LEADING HURLER OF NATIONALS

Pittsburgh Box Artist and Former Denver Player Leads with Twenty-Four Games Won and Nine Lost.

(By Morning Journal Special Leased Wire.) New York, Dec. 8.—Pitcher Hendrix, of Pittsburgh, with twenty-four games won and nine lost, leads the National league pitchers for the season of 1912, as shown by the official pitching records made public today. His percentage of victories is .727, and only five points behind comes Chepy, of Chicago, who won twenty-six and lost ten games. Five of the first nine men are members of the pennant-winning Giants.

Tessera, Marquard and Ames, a New York trio, stand third, fourth and fifth respectively. After Ritchie and Leifield, Chicagoans, next in order, come another Giant pair, Mathewson and Crandall. "Mattie's" regular standing is eighth, with twelve games lost to twenty-three won and a percentage of .457.

Rucker, Brooklyn's left-handed star, pitched the greatest number of shut-outs, six, with Stages, of Cincinnati, and O'Toole, of Pittsburgh, next, each having five whitewashes to his credit.

Rucker figures high in the standing in another table which Secretary Heddler has prepared, showing the average of runs earned off their pitching. The Brooklyn left-hander is third on this list with an average of 1.20 runs per game, only Teagarden, with 1.26, and Mathewson, with 2.12, runs per game, topping him.

Alexander, of Philadelphia, struck out 195 men, the record number for the season.

SIX-DAY BICYCLE RACE OPENS WITH FIFTEEN TEAMS

Madison Square Garden Scene of What Promises to be the Greatest International Contest of Its Kind Ever Held.

(By Morning Journal Special Leased Wire.) New York, Dec. 8.—Fifteen teams started at 12:01 o'clock this morning in the twentieth annual six-day bicycle race at Madison Square Garden. The riders set out at an even and fairly speedy gait and at the end of the first ten laps were bunched with the front of the French-Italian team, Berthel and Brocco, making the pace. The time for the one mile was 2:31. With an entry list of fifteen teams and a track considerably improved in its construction, this year's international six-day bicycle race gives promise of being productive of faster and more interesting riding than any of its predecessors. The new track measures ten laps to the mile.

To avoid unnecessary delays and "loafing" under the pretext of unavoidable accidents, the rules governing the race were changed so that any team not represented through accident or design after the others have covered ten laps, shall be penalized the distance which it may have lost.

Last year the riders demanded that the prizes be arranged in a percentage of the state receipts and the winners were disappointed with the result. This year, the nine leading teams will receive cash prizes as follows:

First \$1,500; second, \$1,000; third, \$800; fourth, \$700; fifth, \$600; sixth, \$400; seventh, \$300; eighth, \$250; ninth, \$100.

In addition about \$3,000 in bonuses will be divided among the riders.

Many of the entrants are veterans at the game but new blood will be infused into this contest and the foreign element is strongly represented. The starters were:

ALLEGED SLAYER OF BUSINESS PARTNER FOUND GUILTY

Jury Convicts O. M. Arebach, Baldwin, Mich., Man, of Killing Harry Fisher; Evidence Circumstantial.

(By Morning Journal Special Leased Wire.) Baldwin, Mich., Dec. 8.—A jury in the circuit court today declared O. M. Arebach guilty of first degree murder for the shooting of his business partner, Harry Fisher, a Chicago business man and promoter. Fisher was killed in the woods near here last September while the two men were on a hunting trip.

Arebach, standing beside the sheriff, heard the verdict in silence. His face was clouded by a deep frown, but he uttered no word. Sentence will be pronounced Monday. Spencer L. Adams, Arebach's counsel, gave notice of appeal to the supreme court. All the evidence introduced by the state was circumstantial, there being no witnesses of the shooting. Fisher, his wife and children and Arebach, came here last summer, taking up their residence on a fruit farm, which Fisher recently had purchased near Big Star lake.

On the morning of September 19, taking with them only a few powder-rifles, the two men went into the woods to hunt partridge. A short time afterwards Arebach rushed into a nearby farm house and reported that Fisher had been accidentally shot. The dead man's body was carried to an undertaker's establishment in this place, and, according to evidence given at the trial, both Mrs. Fisher and Arebach endeavored to have it shipped to Chicago without the formality of a coroner's inquest.

The inquest was held, however, and Arebach was held responsible for the shooting. According to Arebach's story, while passing through the woods, he stopped to get a cigarette, standing with the rifle against a stump. The weapon accidentally fell and was discharged, the bullet passing through Fisher's body.

Evidence at the trial tended to disprove this contention, it being shown the bullet passed through the body in a direction different from that which would be taken by a missile fired by a rifle lying on the ground. It also was demonstrated that the weapon could not be discharged in the manner claimed by Arebach.

Fisher's life was insured for about \$200,000, the policy being made payable to his widow. It was the theory of the prosecution that friendship between Arebach and Mrs. Fisher was the motive for the murder.

SUPPOSED DEAD MAN PROVES MUCH ALIVE

Denver, Dec. 8.—The best of Denver's sleuths this morning identified the body of the 70-year-old suicide who shot himself in a rooming house yesterday as that of Thomas Holland, an old member of the police force. This afternoon Thomas Holland walked in police headquarters and denied that his body was the one which lay in the morgue, much to the astonishment of the detective force. The man who committed suicide, since he is not Thomas Holland, is still unidentified. Friday night he went to the Eberle rooming house and gave the landlady all the money he had, \$5, saying that he was tired and wanted to rest. A few hours later she found him dying, having been attracted to his room by sounds of groaning. He died at the county hospital a few hours later.

LABORER, STRUCK BY ENGINE, DIES AT LOCAL HOSPITAL

Manuel Garcia, Brought Here from Belen, Unable to Survive Injury; On Way to Show When Accident Occurs.

Manuel Garcia, who was struck Friday by a Santa Fe switch engine at Belen, died at 9 o'clock yesterday morning at St. Joseph's hospital. Garcia was brought here Friday night on Santa Fe passenger train No. 316. His left hip was crushed. He received no other injuries and his condition was not thought to be dangerous until Saturday night. The bones were fractured so badly that they would not mend.

Jose Garcia, brother of the dead man, who came here yesterday, said Manuel was on his way to a motion picture show in Belen, the director of the funeral of the late Solomon Luna when the accident occurred. Manuel had just left a barber shop and was crossing the tracks when he heard the engine. Whether he was on the track on which the engine was approaching or jumped from a clear track in front of the engine in confusion, the brother does not know. The engine struck him just as he was clearing the last rail and threw him to one side. This accounts for the fact that only his hip was injured.

The body was last night sent by Strong Brothers, undertakers, to Belen for burial. The brother accompanied the body. Both Manuel Garcia and his brother were section laborers in the employ of the Santa Fe.

Company Under Leon D. Kent Will Stage Films Near City for Next Five Weeks; New Mexico Atmosphere Best.

Once again Albuquerque is headquarters for a modern picture troupe, this time for a stay of five weeks. The company is under the direction of Leon D. Kent, and is one of the troupes sent out by the St. Louis Motion Picture company.

This concern spent five weeks here late in the summer and early in the fall and secured some films that attracted much attention in the east. So well did the Universal Film company, the great handling corporation for the independent picture people, like the films staged in and near Albuquerque, that the requested the St. Louis people to send another company to this city to make ten or twelve more.

The company of ten, which is here with Mr. Kent, is the result. With this company are two members of the former company, Charles Miller and "Buck" Connors, whose riding at the state fair last fall was a feature. Buck will be the principal attraction in several films to be put on here. The film taken by the former company in Bear canyon, entitled, "The Goat Girl of Bear Canyon," will be released on December 11, and will be seen here shortly after. The first picture to be taken here by the present company will be "The Disputed Goat Ranch." Scenes of this play, like the former one, will be filmed at the ranch in Bear canyon, where snow has covered the rocks and will make a splendid contrast to the background of bare rock and scrubby undergrowth in the former film.

The company began work tomorrow morning.

BLAZE DAMAGES A WEST IRON AVENUE BOARDING HOUSE

A boarding house, owned by A. M. Ransom, at 115 West Iron avenue, yesterday afternoon was partly destroyed by fire. The alarm was received at the fire department at 4 o'clock. The fire is supposed to have originated from a defective flue in the kitchen. The kitchen was completely gutted and three other rooms were damaged before the firemen were able to get the flames under control. Several boarders were at home at the time. They carried part of the furniture into the yard.

FELIX BACA RETURNS FROM EXTENDED TRIP

Attorney Felix Baca returned Saturday night from a four weeks' trip to the east, most of which time he spent in Chicago.

While in Chicago, Mr. Baca attended the land show, which he reports a grand success. He thinks New Mexico passed up a golden opportunity by its failure to be properly represented, since every other western state had extensive exhibits on display. Mr. Baca also took in the International Live Stock show, which, with its 7,000 entries, was one of the greatest attractions he ever witnessed. Improving every opportunity offered for entertainment the local lawyer attended the farwell Chicago appearance of Sarah Bernhardt and also the Chicago grand opera.

Mr. Baca made a trip to South Bend, Ind., where he visited Notre Dame university. He saw the Hubbell and Otis boys at the university and reports them doing well.

The only other New Mexican he met while east was Judge E. R. Wright of Santa Fe, who was in Chicago between trains on his way to New York state with the body of his father.

WAYS AND MEANS TO BE CONSIDERED BY N. S. B. LADIES

Anxious to Continue Charitable Work of Past, Non-Sectarian Benevolent Society to Discuss Financial Questions.

Anxious to continue the charitable and philanthropic work of the past few years, during which time they have rendered much efficient service, the ladies of the Non-Sectarian Benevolent society will meet this afternoon at the Guild hall, on Fourth street, just south of the Episcopal church, to consider means by which they can raise funds for the work. The aid formerly extended by the city has been cut off, owing to the stringent condition of the municipal treasury, and the ladies are thus left dependent on their own resources.

The meeting will be called to order promptly at 2:30 o'clock, and every member is urged to attend and lend her ideas to the association that its excellent work in the past may be continued in the future. The association will attempt to devise some scheme by which its operations may be financed until state, county or city is enabled to come to its assistance.

Until the city council cut off their appropriation, the ladies of the society had practically complete charge of the poor of the city and rendered such service that many a poor person was fed and warmed and enabled to go to work who otherwise would have given up the fight. The burden is especially heavy here because of the great number of indigent health-seekers who come to Albuquerque in hope that they may recover from the great white plague.

COMMITTEES FOR 'DAVID GARRICK' SELECTED

Mrs. Margaret Medler Placed in Charge of Stage Decorations; Mrs. Isaac Barth Will Direct Ticket Sales.

Announcement was made yesterday by officers of the Albuquerque Woman's club of the committees selected to take charge of the various features of the play, David Garrick, soon to be staged by that organization. Mrs. Isaac Barth will direct the sale of tickets, the campaign for which opens today. She will have as assistants Mrs. Baca and Mrs. H. O. Strout. The three will set to work this morning to make the sale such as will guarantee a crowded house when the play is presented on December 19th.

Mrs. Margaret Medler has been placed in charge of the stage decorations, and this assures that the various scenes will be handled in appropriate style and with proper consideration for the artistic amenities.

The costumes for the production are to come from a Chicago house and will be very beautiful. Many of them will be of handsome velvets and brocades. The entire production is to be costumed with that lavishness which

characterized the period of 1740, in which the play is supposed to be enacted. Full court costume will be featured in several scenes. Mrs. R. V. Winchester, the leading woman character of the play, will be a surprise to many of her friends here who have only seen her in lighter and less serious roles than that of Ada Ingot, but those who have seen the rehearsal know what a treat is in store for them when they see the play itself. Her acting is such that it compares favorably with anything ever seen here and will undoubtedly win her much applause.

Rehearsals for the play continue regularly. If there is anything in work for putting a polish on a theatrical production this one will surely be well finished.
