EXTRA! Clock Is Ordered Out of City Hall to Save \$3.75; --Ice Water May Follow

Commission Worries an Hour Trying to Slash Big Items in Budget and Winds Up by Directing Removal of the Time-Piece

Clock is rather expensive. At least to think three members of the city commission who met yesterday afternoon in special session in the office of the city manager to review the proposed budget. As a result, the city hall is to be without an official timepiece.

After worrying over the figures of the budget for an hour in an attempt to cut expenses, the commissioners decided to save the city \$3.75 a month for the remainder of the year by removing the clock at the cost of \$1.00 for fixing the city hall since removed.

The clock is now that the city has been renting from the Western Union and is located in the hallway of the city hall. It has been used to the general public and also to the employees of the city, in order to save the city money at what is known as the proper time. In the future the commissioners decided the employees of the city could depend on their watches and that a city hall clock was unnecessary.

Although the commission set aside the removal of the clock, Mayor James T. Tingley said after the meeting that the clock would be taken out of the hall on June 1.

The three commissioners, Chairman W. H. Walton, Clyde Tingley and Ed Swope had smooth sailing in their plans as the other commissioners were not present. Commissioner Thomas Hughes was kept from the meeting by business duties and Commissioner Sidney Well was out of the city.

Following the decision to remove the clock, the three commissioners considered seriously the saving of the city of about \$1.00 in the summer by not allowing the meeting adjourned.

There were a number of large items passed without action and the meeting adjourned.

They were fired upon by snipers in the streets, and a fierce battle ensued, with small directed fire being maintained against the castle from several angles.

The Imperial hotel, which is dominated by the castle and which has been occupied since its capture by the Free State, is under fire from the castle garrison.

The leaders of the party are said to be well equipped with provisions. The morning train from Dublin arrived while the fighting was in progress and passengers alighting here were forced to take shelter in the railway tunnel.

KIWANIS-ROTARY TEAM MAY PLAY UNIVERSITY NINE

Judge Hickey Is Chief Speaker At Noon Luncheon

Provided it is agreeable with the Rotarians, a picked baseball team of the Kiwanians and Rotarians will challenge the University of New Mexico baseball team to a game on the University field.

The members of the Kiwanians at luncheon today decided to put the matter before the Rotary club tomorrow. The decision came after Gen. Landerbaugh advised that the game be used for the purpose of raising a \$500 deficit in the athletic fund of the University. Mr. Landerbaugh believed a game with the University would be a better plan than a game between the Rotarians and Kiwanians at luncheon.

The chief speaker of the day was Judge M. E. Hickey who took his office as Juvenile Court judge in the County. The judge told of several interesting cases and how various individuals were acting as "big brothers" to some of the wayward juveniles. He asked that any others who would be willing to serve as "big brothers" in an effort to correct wayward boys to leave their names with the court.

The attendance prize, a pitcher and six glasses, given by Frank Strong, was won by J. E. Mason. A \$50.00 gift of the New Mexican Club stars gave checks to all the members. J. J. Mize of the Highland and Lowland Meat Markets gave a package of toothpicks to be a silent auction.

3 HOME RUNS IN ROW BY ATHLETICS

Help to Whip Senators — Yankees Tie St. Louis for Lead

NEW YORK, May 3.—The Philadelphia Athletics today claim the best night performance in baseball—three consecutive home runs in a single inning, a feat never twice made in big league annals.

Walker, Perkins, and Miller of the Mackays yesterday equalled the clutching history made in 1894 in the National League by Shugart, Miller, and Peitz of St. Louis, and in 1902 by Taylor, Hickman, and Bradley of Cleveland.

The Yankees and St. Louis were tied for the American League honors again today as a result of a tie-up overhauled by the New Yorkers, who trounced Boston, 12 to 8, while the Bronx behind Ruppert's twirling dropped the Indians, 3 to 1.

The Giants have a lead of two and a half over their nearest rival, Chicago, as the result of making a clean sweep of the series with Boston.

Concetti, a recruit, pitched Cincinnati to another victory, this time by minnows to the tune of 8 to 2, while Cleveland emerged from its stamp to trim Chicago, 13 to 8, in the only other major league game played.

Max Oser Worried When Miss McCormick Ignores His Cables

KILBANE TO MEET MARTIN, WHO KNOCKS OUT BABE HERMAN

NEW YORK, May 3.—Johnny Kilbane, featherweight champion, got away the win in Madison Square Garden last night when Seamus Martin, 100, marched Brooklyn's Harry Herman, the Pacific Coast featherweight, in one minute and 46 seconds in the first round.

The feather king had admitted to most the winner in the contest.

When the round opened and Herman dashed at a slow pace, Kilbane, too, was slow, but Herman seemed a worthy opponent.

He hit the Brooklyn fighter once and won his now out of Herman's reach, and soon, when Herman dashed off balance, was a long left reach out, rising and catching Herman full on the point of the jaw. Herman really was out after that first blow and when he regained his feet after a count of five it was so dazed he couldn't protect himself. Martin snatched a timely attack, brought his right to the jaw and Herman was counted out.

Kilbane said he would keep his promise. Once lost himself in the crowd.

Bank Robber Identified Through

Postal Service Error

SPOKANE, Wash., May 2.—St. Louis M. M. Donnelly, said by the police to be wanted at Fort Worden, Wash., for bank robbery, has a number of the United States postage stamps in his possession, following his arrest in Colorado Springs, Colo.

A letter from the chief of police at Colorado Springs, containing the former name of a man giving his name of Joseph Donnelly, and addressed to the chief of police at Colorado Springs, was sent through the mail, and delivered to the police, who opened it without noticing the error. The timer prints were found in conformity to those of the alleged bank robber. He was given a \$100 reward had been offered.

The chief of police at Colorado Springs, who gave a name as member in a gang of bank robbers in western Washington, identified the group. Frank Givens was killed in a battle with officers near Mount Rainier, a second, James Hart, was taken to safety, and a third, George Hartman, fled.
