GRAYS RECEIVE  
MANY REQUESTS  
FOR GAMES HERE

Santa Fe on Schedule;  
City Commission Is  
Invited to Opener on  
Sunday

The Duke City Grays, who are to meet the Belen aggregation on Barstow Field Sunday, are receiving requests for games from various parts of the globe.

The fans at Santa Fe are hoping the team will go to their home to see the Grays in action in an exhibition game May 21. The present schedule calls for a return game with Santa Fe on the home grounds on May 28.

Now comes the word from Woodward, Okla., that that team, which played a few snappy games with the local team last season, is anxious to have a few more rounds with the Grays.

Manager Dan Padilla of the Grays claims that his team is as good as the Woodward team and that he not only would like to meet Woodward but also some of the other teams. He is hopeful that a three-game series can be arranged with Woodward.

Manager Padilla announced today that all members of the city commission are to be invited to the Barstow field Sunday to occupy box seats to see the game between the Grays and Belen. The game Sunday probably will start at 3 o'clock.

The Santa Fe aggregation has announced its schedule as follows:

May 14—Santa Fe at Belen.

May 21—Grays at Santa Fe.

May 28—Santa Fe at Abilene.

June 4—Belens at Santa Fe.

**A Few Tender Meets Dundee Tonight**

NEW YORK, May 5.—Low Tender, of Philadelphia, and Johnny Dundee meet here tonight in what is scheduled as a fifteen-round bout at 135 pounds.

The possibility of the winner meeting Benny Leonard is discussed but if Tender wins, this seems a remote chance, as Leonard has consistently declined to meet Tender as a challenger for the light-weight title.

**Woman Bowler Sets New Record**

TOLEDO, Ohio, May 5.—Miss Goldie Greenwald, of Cleveland, broke the woman's bowling association national record and won the first place in the elimination division with a score of 1,657 in the early rolling of the women's national tournament here today. Bowling in the five woman event last night Miss Greenwald collected 575 pins, paired with Grace Gardner. In the doubles she shot a score of 523 and collected a total of 549 pins in her singles today.

**Yankees and Browns Again Tied for Top Honors in League**

NEW YORK, May 5.—The Yankees and St. Louis are dividing the honors of first place in the American League today. The Browns won the tie-breaker yesterday, although Williams of St. Louis slammed out his tenth home run, again breaking Babe Ruth's 1921 record up to May 8. The Yankees were idle in Philadelphia.

On the same day, the Browns were defeated by Fisher of the White Sox scoring ten hits and five runs off his delivery in seven innings. Chicago scored a late double rally.

The only game in the National League was Cincinnati at St. Louis where the home crowd overcame a two-run deficit in the ninth inning and won 4 to 3.

James Horne will direct Doug MacLean in "The Sunshine Trail."

"Thousands of this country could save \$5,000 a year through the nation-wide use of visual education in our public schools," says Clyde A. Mann, educational statistician at Washington.

## DARK HORSES MAY FIGURE IN TRACK MEET TOMORROW

## CHAMPIONSHIP GOLF TOURNAMENT STARTS SUNDAY

Indians Will Have Last Chance of Season to Set Up Records

If the weather is right, and it is not too windy at the University field tomorrow afternoon, some good records should be set up in the High School track and field meet. A number of new ones will be put up both teams in this meet, so that while each team knows fairly well what it can do, there is a doubtful element as to their outcome.

The meet will start at 2:30 o'clock with the 100-yard dash.

It will be the Indians and they are anxious to close with a victory over the high school, and with a number of good records set up, especially in the distance runs.

It is expected that 22 players will qualify in the qualifying round for the 18-hole Sunday. The players will not be paired off until the other matches of the tournament, the players will be paired off. Players not in Albuquerque on Sunday may qualify on Monday.

The play will continue each Sunday for 18 holes until May 26.

The distance runs in which they are weak will be their best test tomorrow just as they will in the state meet.

The new men on the high school squad are conserving their strength, while the Indians and the Belens and Candelaria in the half mile; M. Zillman and L. Hammond in the high jump; Stevens and Black in the 440-yard run; Venable and Arthur in the broad jump; Romens in the mile, and Rendell in the javelin.

Indians will strengthen their team with W. Shirley, H. Hunt, and Garcia in the 12-pound shot put; J. Phillips and H. Romero in the pole vault; Corrillo and Henricks in the half-mile and Beyers and Puddin in the 440-yard dash.

### 5,000 Lives Saved in Thirty Years by Health Crusades

WASHINGTON, May 5.—Approximately 10,000 lives have been saved in the United States during the past thirty years through health crusades and campaigns against Dr. Victor H. Vaughan, of the medical section of the National Research Council, and of the Medical School of Michigan State University, director of the campaign against the National Tuberculosis Association. He said these life-saving efforts had reduced the mortality rate by seven out of every ten deaths, and his prediction could be further reduced.

speaking on foreign health crusades, Dr. Vaughan declared the campaign against Russia in 1919 and 1921 should not cause special alarm in the world, and United States in particular, Spanish-speaking nations always lead the world in health, in added, devoting greater attention to health in other countries than in the United States.

Speakers included Dr. Leon Fierland, president of Columbia University; surgeon General C. C. Snow, treasurer of the National Health Council of New

### Weeks Pinkened By Exercise Best, Girls Are Told

RICOH, May 5.—Cheeks reddened by setting up exercise girls are more permanent than those that come out of a tan.

Marie Baird, beauty expert, Y. W. C. A. girls last night, in stick and the powder puff, aid to the flapper have their say, she said. If they are applied early in the morning, Mrs. Baird demonstrated how to use soap, "and then forget about it. It will last all day if you do it. Always put your powder on the rouge."

to make up on the street car or where a man were to shave her, if a man were to shave her under similar circumstances.

your brothers in the army may have to get a daily communion out of a box, did they?" she said, urging the girls to take the setting-up exercise girls.

"Get up the Sunday movie and automobile ride and hike in the winter," she urged.

Movie fans and fiction readers can't afford to miss the first installment of "The Kidneys," a great novel of movie life. Hollywood. It begins in the middle Monday, May 8.

### Jack Feel Lame Sore and Achy?

Are you lame every morning? Do you drag through the day with a steady, nagging, aches—especially, and you all play out?" probably your kidneys are to blame. Hurry, worry, lack of rest and a hasty diet all tend to weaken kidneys. You won't grow out of them. You feel depressed and suffer headaches, dizziness and kidney irregularities. "Don't go from bad to worse." Use Doan's Kidney Pills. Home folks recommend them. Ask your neighbor.

Here's an Albuquerquian case:

J. F. Summers, 417 W. Broad Ave. "My back became lame and sharp pains pierced me. When I stood over, it was difficult to straighten up. I read of Doan's Kidney Pills and started to use them. I noticed some relief when had finished the first box so I continued taking the pills until cured of the lameness and pains in my back."

## Who's Who of The New City Manager

Bert H. Calkins was born in Hutchinson, Kansas, in 1881. He received his technical training at the University of Kansas, which he attended for three years, leaving the university in 1901. He did not get a degree, since it was necessary to leave college before he completed his course.

Since leaving the university, he has had 14 years of experience as an engineer, mostly in municipal work. His first work was with the Long Island railroad in Brooklyn and Oklahoma, doing location, construction, and maintenance work. He first came to Albuquerque in 1910.

During 1910 and 1911 he was field engineer of Alliquippa Utilities, James Gladstone. During this period 25 miles of sewer were laid under his supervision, and the first paving for the city was designed, although not put in until two years later.

### Woman Won One Congressional Nomination in Indiana Primary

INDIANAPOLIS, Ind., May 4.—(UPI)—The Associated Press—Former Senator Elbert D. Thomas, Democrat, Harry S. New, by 26,472 votes in Thomas's primary for the gubernatorial nomination for United States senator, according to incomplete unofficial figures as tabulated by the Associated Press here today. The vote was: Thomas, 26,472; New, 19,458; others, 2,000. The total republican vote was 38,534.

Friends of Samuel M. Huston, thriling record of eight young children, was carried on by MacLean and Winnette, 12, daughters of U. E. McGilroy when their home was destroyed by fire. The two girls carried some of the children down a burning staircase and others were dropped from second-story windows. The mother was torn from a window after dropping an eight-month-old child into its mother's arms.

New York—All parts of the globe will be linked together with super power wireless telegraph stations through agreements reached between powerful American, English, French and German companies. Edward J. Nease, president of the committee that cast large progressive votes in 1912, is also most of the counties that favored Senator James E. Watson in the latter's earlier Senate bid. Mr. Nease for the senatorial nomination in 1914.

In the congressional races for the Bank of Representatives, both democratic and republican undecided. In one of these Joseph T. Rankin running on a bear and wine platform appeared the winner in the seventh district, virtually the city of Indianapolis. His vote was 26,622 against 22,624 for an avowed democrat, 2,000 of whom were 20 years old.

The distinction of being the first woman in Indiana to win a congressional nomination seemed assured to Miss Esther Kathleen K. Keefe, democrat, in the thirteenth district.

## SANTA FE ADOPTS LONG HAUL PLAN FOR LOCOMOTIVES

### Passenger Engines Now Run From Here to La Junta

Aiming to economize on locomotives power the Santa Fe railroad has adopted the plan of running engines on long hauls.

Locomotives which formerly pulled passenger trains between here and Raton are now pulling trains as far north as La Junta. The change became effective this week. It was stated at the Santa Fe's show today, that this is the result of the engines on longer hauls would not take the locomotives out of service longer than the time required to make the trip.

The change was made effective this week, the officials announced, to facilitate the installation of a new crew, take charge of the older engine of division points. Las Vegas, Durango and Los Angeles division sectors north.

The purpose of the plan is to get service out of an engine, it was said, rather than if the new train will require a new engine.

It was also announced that the engine will necessitate four new engines.

Reports from Raton are to the effect that the working force there has been reduced. The distance for passenger engines west was extended from Galisteo to Winslow about a year ago. There has been no change in the distance for freight engines. The distance from here to La Junta is 248 miles.

The Hudson automobile, which Grant Anderson, taxi man, lost in a trade with Jack London, alias Reddy Young and J. D. Carlisle for a stolen "Eight," several months ago, has just been located, the police department was informed this morning.

The car, which the police and agents of the department of justice have been tracing for months, was found in a storage house in the city of Winslow, which was not known to be owned by the Hudson.

Anderson, the partner of Young, however, managed to slip away with the car. He was later arrested in Denver and the two sentenced to a year in Fort Leavenworth penitentiary.

Shortly after the trade the "Eight" was sent to Denver, from where it had been stolen and Anderson was turned an automobile and \$100 which he had put up in the form of a ransom. Anderson, who is now taking vocational training in Mesilla Park, has been notified of the finding of his car and soon will be taken to return it to the owner.
