On March 10, John Hull, who holds US and Costa Rican citizenship, was released from prison after he posted \$37,500 bail, said his attorney. Hull was arrested on Jan. 13 on charges of drug trafficking and violating Costa Rican security laws. According to Costa Rican authorities, he is accused of permitting his ranch to be used by the Nicaraguan contras, and of narcotics trafficking between 1982 and 1985. (Basic data from AP, 03/10/89)
