CONGRESSIONAL.

WASHINGTON, Jan. 3.—In the senate no business whatever was transacted and the senate on motion of Mr. Spooner adjourned until Monday.
The speaker laid before the house the resignation of H. H. Markham, as member of the board of managers of the national home for disabled volunteer soldiers in California. Referred to the committee on military affairs. On motion of Mr. McKinley, of Ohio, the house then adjourned until Monday next.

Great storms.

OMAHA, Jan. 3.—A special to the Bee from Ruville, Dak., says a binding snow storm, which is fast assuming the proportions of a blizzard, has been raging here and at the agency since yesterday morning.

Massing the Troops.

OMAHA, Jan. 3.—Gen. Brooke and staff together with eight companies of the 2d infantry and all the 9th cavalry that have been here have taken the field against the Sioux. The latter's warriors now number about 3,000. Gen. Carr's command has arrived at Wounded Knee creek and will assist in forming a hollow square about the hostiles.

ROUND ABOUT TOWN.

Supreme court opens on Monday.
The hotels are crowded with visitors.
Mr. A. C. Haden's new residence on the Engler property is nearing completion.
Additional local, "the water situation," "to meet in Santa Fe," and other news on the third page to-day.

The man who remarked that it gets late very early now-a-days was something of a philosopher himself.

A large new stove has been placed to-day in the Episcopal church, which with the stove already there is guaranteed to make the church warm even if the mercury freezes in a thermometer hereafter.

As the days begin to lengthen the cold begins to strengthen. However, Santa Fe's sunshine refuses to subside even at the bidding of old winter.

The brick famine continues to retard building arrangements. If the weather is at all favorable all the brick makers will begin operation unusually early this spring. Santa Fe needs 2,000,000 of brick right now.

At the church of the Holy Faith (Episcopal) there will be full morning service with a sermon to-morrow morning at 10 o'clock. All residents and visitors in town are welcome.

Mr. Del Curto, of Rawlins, Wyo., a wealthy sheep raiser and a friend of the Messrs. Webster, is to-day closing up a deal for several acres of suburban land on the south side. It will go into fruit in the spring.

J. W. Nichols, district superintendent of Wells-Fargo & Co's express is about the capitol circulating among the legislators. He evidently thinks it best to get acquainted with the members.

The members of the hose team had a splendid time at their anniversary ball on New Year's eve. There were fully 250 people present. Ned Gold won the handsome gold medal offered by the foreman, he having disposed of the largest number of tickets.

At the Presbyterian church on January 4: Sunday school at 9:45 a. m.; morning and evening service at 11 and 7:30 respectively. All are cordially invited to this church. The seats are not rented, but are open to any one who may please to occupy them. The ushers will take pleasure in conducting strangers to their places.

The splendid work now being performed by the well and wind-mill erected at the government Indian school ought to encourage gardeners to adopt the wind mill system very generally this spring. A practical man calls attention to the fact that a light geared mill is the kind to prove most successful here, as there isn't wind enough to keep the heavy geared patterns in motion.

Peter Kelly died recently near Independence, Mo. He was well known here thirty years ago as express messenger from Kansas City to Santa Fe via the Santa Fe trail, at a time when the Indians were bad and buffalo covered the plain. He continued as messenger until the locomotive whistled him off the trail.

The New Mexican has the best equipped publishing and printing establishment in the southwest. Territorial visitors who question this are invited to call and see the NEW MEXICAN's force of thirty employees at their work. Their earnings, too, are spent in patronizing home institutions.

The Republicans of the 4th precinct held a largely attended precinct meeting

to-day at the school house and nominated the following for precinct officers: For justice of the peace, Juan B. Lueero; for constable, Patricio Valencia; for school directors, Juan Montoya y Romero, S. T. Reed and Aniceto Abeytia.

Republicans of precinct 3 will meet at the house of Prudencio Garcia, Monday, at 2 p. m., to nominate precinct officers.

There is a big snow storm on in Kansas, and all eastern trains are late twelve to fifteen hours to-day.

Miguel Talava, unmarried, aged 52, dropped dead at his lonely home, a room at the corner of Frisco and Rosario streets, at 5:30 last evening. After the body had been examined by Dr. Symington the coroner's jury returned its verdict.

The word from Taos direct is that all officers honestly elected were sworn in and took up their duties on the first. The Republicans captured everything save sheriff, whose official majority was 51.

SATURDAY SMALL TALK.

An elegant and greatly enjoyed affair was the German, given by the ladies and officers at Fort Mary at the Post hall on New Year's eve. The hall was very artistically and appropriately decorated, flags, stacks of arms, crossed stories, garlands, evergreens and different kind of bunting, fine paintings and pictures and mirrors had been so arranged as to give a very pretty and pleasing effect. Two Christmas trees with the favors for the dancers, occupied the lower part of the room. The favors were very unique and pretty and were contributed by Mrs. F. W. Clancy, the Messrs. Stahl, Miss Sellers, Lieut. Seyburn, Van Vleet and Johnson.

The work of decorating the hall was performed by Lieut. Van Vleet and Johnson, was tastefully done and showing that the two gentlemen have artistic and cultivated tastes. The supper was plentiful and toothsome and served in fine style. The following ladies and gentlemen participated in the dance: Mrs. K. C. Van Vleet, Mrs. Plummer, Miss Stahl, Mrs. F. W. Clancy, Miss Sellers, Mrs. Fiske, Miss Bertha Stahl, Miss Malleon, Mrs. Preston, Mrs. Twitchell, Miss Waring, Mrs. Muse, Mrs. H. S. Clancy, Miss Laulin, Mrs. Chapman, Miss Johnson, Miss Marsh, Gov. Prince, Mr. F. W. Clancy, Lieut. Van Vleet, Plummer, Peterson, Crawford, J. H. Seyburn, Messrs. Twitchell, P. Harroun, D. Harroun, H. S. Clancy, Geo. Johnson, F. Hughes, G. C. Preston, J. D. Prondit, A. Seligman, H. O. Morrison, Lieut. Evan M. Johnson, 10 infantry, led alone and did it very correctly and happily. There were twelve figures in the dance, six of them being favor figures. The favors were distributed by Mrs. L. Bradford Prince and Mrs. Duggan.

Among those present to witness the dance were Hon. and Mrs. A. Stark, Col. and Mrs. Bartlett, Capt. and Mrs. Engman, Mrs. Prince, Lieut. Col. Snyder, Col. Max Frost, Mr. J. D. Hughes and Miss Hughes, Miss L'Engle, Mr. and Mrs. B. Seligman, Lieut. Greene, signal corps; Mr. John H. Knaebel, Lieut. S. Y. Seyburn, Dr. Erick and others.

The costumes of the ladies were rich and elegant and all looked handsome and happy; the gentlemen present were gay and courteous. Thanks to the efficient management and great care taken by the ladies and officers at the post everything contributed greatly to the enjoyment of the many guests present. It was a most successful occasion and a surely the social event of the season thus far.

The holiday week has been a delightful one for Santa Feans generally. The most pleasant features was a Christmas tree at the Loretto academy. The large hall was beautifully decorated and regular little Santa Claus came down an improvised chimney, crawled out through the fire place to distribute the gifts. Most of the presents, among them about forty pairs of shoes, shawls, hoodies, mittens, etc., were for the little poor children of the city who attend the Sisters' day school. The chief contributors to the fund that provided these useful articles were Hon. Pedro Perea and Hon. T. B. Catron.

Among those who kept open house and formally received callers on New Year's day were Mrs. Prince, Mrs. Thomas, Mrs. Bartlett and Mrs. Clancy, at the governor's residence. Mrs. Perea was assisted by Miss Malleon and Miss Stahl, at the Perea residence. Mrs. Duggan received assisted by the ladies of the post. There were some 120 callers.

Lieut. John R. Seyburn, 24th infantry, a younger brother of Lieut. S. Y. Seyburn, 10th infantry, is in the city on a visit to Lieut. and Mrs. Seyburn; he has just been promoted and is en route to join his regiment, now stationed at Fort Bayard.

Mrs. T. B. Mills, wife of Las Vegas' representative in the council, has invited the members and employees of the legislature to a reception to be given to-night at the Palace.

Lieut. M. R. Peterson and C. Crawford, 10th infantry, Fort Union, are in the city on court martial duty and will remain till the middle of next week.

Judge A. A. Freeman, of the 5th district, is in the city and will remain during the present month, attending the sessions of the territorial supreme court.

Chief Justice James O'Brien came over from Las Vegas last night; he will preside at the coming sessions of the territorial supreme court.

Miss Malleon, niece of Major and Mrs. Perea, now here on a visit, will visit Mrs. McLean, of Albuquerque, during the month of January.

District attorney V. A. Greenleaf, of Albuquerque, came up from the Duke city this morning; he has legal business here.

Mr. Joseph Nimmo, jr., special agent of the government to investigate irrigation matters, is a guest at the Palace.

Mrs. Stahl and daughters expect to leave for New York city and the east about the middle of this month.

Hon. and Mrs. J. B. Mayo will remain here during the coming week and then return to their home at Golden.

Hon. H. L. Pickett, a prominent Silver City attorney, is the city to attend the session of the supreme court.

Rev. C. R. Bliss, of the New West Educational society, is visiting Prof. Gaines, of the university.

Hon. R. M. Force got in from Ojo Caliente last night. He's always welcome.

Mrs. Bond and Mrs. Hensel, of Esplanada, were visiting the city yesterday.

Mr. Willis J. Carrier is still in the city from his Rio Arriba county ranch.

Mr. P. Rumsey has returned from a visit to Omaha.

Big social event on the tapis for next week.

WHAT IS SCROFULA

It is that impurity in the blood, which, accumulating in the glands of the neck, produces unsightly lumps or swellings; which causes painful running sores on the arms, legs, or feet; which develops ulcers in the eyes, ears, or nose, often causing blindness or deafness; which is the origin of pimples, cancerous growths, or the many other manifestations usually ascribed to "humors;" which, fastening upon the lungs, causes consumption and death. Being the most ancient, it is the most general of all diseases or affections, for very few persons are entirely free from it.

How Can IT BE CURED

By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, often when other medicines have failed, has proven itself to be a potent and peculiar medicine for this disease. Some of these cures are really wonderful. If you suffer from scrofula, be sure to try Hood's Sarsaparilla. My daughter Mary was afflicted with scrofula, a sore neck from the time she was 22 months old till she became six years of age. Lumps formed in her neck, and one of them after growing to the size of a pigeon's egg, became a running sore for over three years. We gave her Hood's Sarsaparilla, when the lump and all indications of scrofula entirely disappeared, and now she seems to be a healthy child." J. S. CARLILE, Naught, N. J.

The New Mexican understands that it is the intention of the Democratic bosses to unseat Mr. Pedro Sanchez also; let them if they dare.

Mr. SPEAKER BURNS introduced only seventeen bills so far, and one of them is a bill regulating and fixing the fares and rates for passengers on railroads within the territory of New Mexico. Gentlemen, we shall see what we shall see.

The injunction of the district court in the matter of enjoining the county canvassers of election of this county from issuing certificates of election to Thomas P. Gable and Charles F. Easley, has been disobeyed and that with malice aforethought and against the authority of the court; the men, who disobeyed this injunction, and their legal advisers ought to be promptly dealt with; the dignity of the court and the supremacy of the law must be fully maintained. The best interests of the entire people of New Mexico demand this.

A HYPOCRITICAL PRETENSE.

Some who voted to reverse the result of the election in the house said they were not deciding on the merits, but on the certificates. This is nonsense. A canvassing board looks at certificates, but a legislative house decides entirely by the facts. Its sole duty is to ascertain who received the most votes and was elected. The organic act makes it the judge of the election of its members. It is not bound by any certificates, but by the votes cast. Take the ordinary case of a contest. One man has a certificate and is in the seat, and then contests on the ground of fraud or a mistake in the count. Of course he has no certificate at all. If certificates were to control, there would be no possible contest in such a case. But they have nothing to do with it. The legislative house takes testimony and ascertains who has the most votes.

In our cases, there has never been a pretense that Mayo was not elected by the people in Santa Fe and Young in Taos.

The only duty of a legislature or a legislative committee is to count the votes. Any pretence about certificates is an excuse and a subterfuge.

WHAT HAVE THE DEMOCRATS DONE?

From a partisan standpoint we might rejoice at the Democratic outrages in unseating Republican members elected by the people to the legislature. The house is Democratic at any rate, and unseating every Republican would not make it more so, while such wanton acts are sure to disgust reasonable people and react against that party.

But as New Mexicans and good citizens we deplore these actions intensely. They are ruining the bright future of the territory; they create a feeling which will prevent good legislation this year.

Beyond that they make elections in the future a farce. What would this Democratic precedent establish? Two things. First, that no matter whom the people elect, a county board can throw out precincts and give certificates to others and thus nullify the election. That is the exact effect. Mr. Mayo has a majority, absolutely undisputed, of over sixty. Yet he is unseated. No one ever pretended that the people elected Gable; yet he is forced into a seat.

Second, it establishes that by stealing ballot boxes you can control an election. By this system hereafter it will be easier to get a seat by stealing or destroying a few boxes after election than by obtaining votes beforehand.

In short the action of the house has demoralized our whole election methods in the future.

THE DEMOCRATIC CHANGE OF BASE.

On the 13th day of November, 1890, the Albuquerque Democrat, the mouth-piece of Chairman Childers, published the following editorial concerning the steal of the ballot box and election returns by hired men of the Democratic party here:

"It is sincerely hoped that all the facts connected with the stealing of the ballot box in Santa Fe will be brought to light, and the perpetrators of the theft properly punished. The Democrats can not afford to base their claims to office on theft. They must not put themselves in the position of seeking to take the benefits of theft, whoever may have been the thief. The Democratic candidates should waive all questions of technical legal right and consent to have whatever vote was shown by the return of the judges and clerks of the precinct of Galisteo to have been cast, to be counted. The Democrat is also informed that Romulo Martinez will set up no claim to his election, unless the official count including the reported vote from Galisteo, shows him to have been elected. He will decline to claim anything but his plain legal rights. It is of no importance to allege what the Republicans have done. Those things furnish no precedents to guide the action of Democrats."

How this editorial, advising a just, fair and honorable course, came to be published, the good Lord only knows! We presume, but what is the use of presuming. Later on, the Democratic executive committee became used to the fact of the ballot box steal, and resolved to take advantage of it. The Albuquerque Democrat then of course commenced to slander Sec. Thomas, Judge Seeds and other prominent officials because they were acting in accordance with law, justice and right and for the best interests of the people.

The Democratic executive committee and the gang here then concluded to take advantage of the steal of a ballot box and election returns in Santa Fe county, and the program has been carried out so far as they were able to after the organization of the legislative assembly, but not at its organization as they first intended to.

Meers, Read and Mayo, honestly and legally elected representatives from the county of Santa Fe, have been unseated by a simple majority vote; the majesty of the law has been insulted; the good name of the people of New Mexico has been foully besmeared; justice, honesty and right have been trampled under foot; and what has been gained? Nothing but dishonor and disgrace!

"What shall it profit a man, that he gains the whole world, so he loses his soul?"

What shall it profit a man, that he gain a temporary political advantage, so he loses the respect and good will of his fellow citizens?
