An Axe or a Hatchet

It is a tool that is needed in every household. It often has much to do with the peace of the household. Some always cause the user to lose his temper and consequently the whole family suffers. We've all had experience with this kind and appreciate a good tool when we get a hold of one.

If you want a good Axe or Hatchet, one that has the proper temper, that is sharp when you buy it and stays sharp a long time, whose handle is made of second growth hickory, correctly shaped and fitted into the eye so that it has the perfect hang.

SECOND BOY BAND HAS BEEN ORGANIZED

McPherson County State, Another Organization on the Way to Normal Times.

It is said that a second Boy Band has been organized, another among the young leaders of the Normal Times. Two years ago, Mr. Leonard with enthusiastic energy, organized a band of about twenty boys stationed in the surrounding country and adopted the temper of the town.

This band has since become so popular that it is more serviceable for the students. The students of the town have been following the band for months and are enthusiastic about it.

At the meeting, the Druggists will give the growers the full facts in the matter.
