Dominican Republic: Health Professionals On Strike

by John Neagle

Category/Department: General

Published: Thursday, June 15, 1989

On June 14, an estimated 11,000 medical doctors and nurses throughout the country went on strike for 24 hours to pressure the government for higher salaries, and larger budgets for hospitals and service delivery systems. Public school teachers are reportedly continuing a walk-out commenced two months ago. (Basic data from Xinhua, 06/14/89)
