## THUG ATTACKS PRESIDENT OF FRANCE

ASSAILANT QUICKLY SEIZED BY POLICE

Authorities Profess to Believe Him Harmless Crank Though Royalist Plot Is Suspected in Some Quarters.

(By Morning Journal Special Teased Wire)

Paris, Dec. 25.—While Armand Fallières, the president of France, accompanied by M. Ramondou, his secretary, and Colonel Lasserre, military attaché at the Elysee palace, was taking a morning stroll near Rue de l'Étoile today, a poorly-dressed individual, who evidently had been lying in wait, suddenly jumped on the president from behind and threw his arms about M. Fallières' neck in an effort to seize his beard.

Colonel Lasserre and Secretary Ramondou sprang to the assistance of the president, dragged off his assailant and turned him over to special detectives who had been following the party on bicycles.

The president's cane was broken in the struggle, but beyond a scratch on the ear he was not injured and insisted on continuing his walk.

As the detectives slipped the handcuffs on the man he cried, "I am unarmed. I simply wanted to pull the president's beard." When launched at the station house the president's assailant professed to be Jean Mattis, a café waiter, 24 years old. Mattis, of General Alphonse, the former minister of war, stamped bearing the head of the Duke of Orleans, a card of membership in the Patrie Française, and other royalist documents were found on his person.

Massé, during the examination, boasted of being a royalist and talked confidently of having done his duty and obeyed the dictates of his "conscience." Heaps of royalist reactionary literature were found by the police who manacled his resistance.

The investigation reveals the fact that Mattis was in close relation with the royalist organization and this gives color to rumors that he was the instrument of a royalist plot. Strident evidence in this direction, however, is lacking up to the present time, and it is more likely that he is only a crack-brained individual seeking notoriety whose head has been turned by the campaign of scandal and vilification which reactionary newspapers like the Libre Parole and L'Action have recently been conducting.

The scandal in connection with the slain child in the case of the late President Fauri was killed because he sided against Major Dreyfus.

Early this week the height of audacity was reached when the reactionary papers, in connection with the scandal, made it appear that President Fallières' son, when found in the company of the wife of Philippe Armand, an advocate of the court of appeals, a year ago, shot and killed the attorney, and that the police had hushed up the scandal.

Mr. White, the American ambassador, and other members of the diplomatic corps, and of the cabinet, were a number of high officials called at the Elysee palace today to express their indignation at the insult offered President Fallières.

Mattis has been formally charged with assaulting a magistrate, in the exercise of his functions. This crime is punishable by from two to five years imprisonment. The leaders of the reactionary opposition to the government and the newspapers planning their cause, disavow the assault and claim that it was instigated by the police to throw discredit upon their cause and distract public attention from graver questions.

Half Million Enter Protest.

Springfield, Dec. 24.—The 500,000 trades unionists of Illinois, through their officers, tonight sent a protest to President Taft against the sentencing of President Morrison and John Mitchell, of the American Federation of Labor.

"These men may be guilty of a breach of law," said the letter, "but a law that denies the use of free press and free speech is a breach of the fundamental principles of our country. Such decisions only tend to create anarchy and class hatred. We respectfully solicit your influence to prevent the incarceration of these men."

DORANDO DEFEATS TWO MEN IN RELAY RACE

Fall River, Mass., Dec. 25.—In a twelve-mile exhibition relay at the athletic grounds here today Dorando Pietri, the Italian Marathon runner, defeated Floyd Doughty of Providence, and Samuel Miers of Cambridge, by half a lap. Dorando's time was 1:02:29; that of the Doughty-Miers team was 1:04:18. A large crowd watched the race. Doughty ran the first mile, Pietri the next two miles, and finished the last lap a few yards in the lead. Dorando took the lead in the second lap, and was never again headed. At the end of the sixth

mile the Italian's lead was three-quarters of a lap. Miers then came on the track, and by fast work cut Dorando's lead to a quarter of a lap. By the end of the seventh mile Dorando was half a lap ahead, and maintained this lead to the finish.

Welchman Makes Good Showing.

Philadelphia, Dec. 25.—Percy Smallwood, the Welsh runner, who is matched to race Dorando at St. Louis, defeated Robert Hallen, of New York, and Michael Spring, of Brooklyn, in a ten-mile relay race here today. Hallen ran the first five miles, in which Smallwood gained two laps. Smallwood got a good lead over Spring in the second half and finished over three laps ahead.

New Docks in San Francisco.

San Francisco, Dec. 24.—Combination proceedings whereby the federal government enters into possession of land in the vicinity of Fort Mason, on the northern bay shore of this city, the tract equalling in area about five city blocks, on which permanent docks for the accommodation of the army transport service, planned out of this port will be built, were concluded before the United States circuit court today, the owners of the land agreeing to the terms offered by the federal representatives. About two years ago congress appropriated \$750,000 for this work, and according to the plans already prepared for the docks, they are to be of the most modern construction and to excel any similar work on the Pacific.

PAN-AMERICAN SCIENTIFIC CONGRESS IN SESSION

## TRAGEDY ATTENDS CHRISTMAS FESTIVAL

Missouri Farmer Stabbed by Fox Falls Dead at Feet of Santa Claus in Crowded Church.

(By Morning Journal Special Teased Wire)

Louisville, Mo., Dec. 25.—George Rider, a prominent farmer, was stabbed to death by Edgar Parrish, in the midst of a Christmas celebration in the Christian church here last night. The trouble started at a box supper at a country church near Louisville a few nights ago, when Parrish claimed he defended several young women who refused to permit him to treat them. The Christian church was crowded last night when Rider entered. Rider saw Parrish near the door and started toward him. Men and women intervened, but he attacked Parrish, who then stabbed him. Rider fell dead at Santa Claus' feet, just beneath the giant Christmas tree.

## CALIFORNIA BANK LOSES \$29,000

Mysterious Robbery of First National of Monrovia Puzzles Authorities; Institution Insured in Casualty Company

(By Morning Journal Special Teased Wire)

Los Angeles, Dec. 25.—The fact has just been made public that the First National bank of Monrovia, Cal., was robbed and a sum said to amount to \$29,000 taken some time Monday night. Detectives have been at work on the case, but it is said no clue to the robbers have been found, and no arrests made. The loss of the money was discovered when the bank opened for business on Tuesday morning. Whether it was taken by an expert thief after the close of the bank on Saturday or was removed after the vault had been locked for the night has not been determined. The officers of the bank refuse to discuss the robbery. Pres. John Barthel admitted that the robbery had occurred, but said in view of the fact that the bank was secured for \$25,000 with a casualty company the loss to the stockholders would be less than \$2,000. The bank is capitalized at \$100,000, with a surplus of \$50,000 and has undivided profits of \$20,000.

## HUNGRY ARMY UNCLE SAM TO MINERS FIGHT PARADES IN LONDON INTERVENE IN PITTSBURG BATTLE WITH MARSHALS

ACUTE SUFFERING AMONG UNEMPLOYED IN ENGLAND

Starving Men Invade the Aristocratic Shopping District Casting Grim Shadow Over Christmas Festivities in the British Capital.

(By Morning Journal Special Teased Wire)

London, Dec. 25.—The dark side of the English Christmas is the great number of unemployed and distressed people who are suffering. This is seen principally in London and at Glasgow and along the Tyne and other ship building centers, where many establishments have been closed and thousands of men are out of work.

A small band of shabbily dressed, miserable looking unemployed persons have paraded the fashionable shopping streets during the past week, trading their way among the lines of motor cars and crowds of aristocratic Christmas shoppers. The police accompanied the band as it marched in order to prevent disturbances. Its members shouted in unison as they marched: "We want work."

More than a thousand homeless men assembled on the Thames embankment at midnight to get tickets to Salvation army shelter. The army, however, is able to accommodate but half the crowd and the others dispersed, many of them being obliged to spend the nights out of doors. The newspapers daily record cases of men being sentenced to imprisonment for stealing food, who plead that they are starving or have families suffering from want.

The appeals to charitable organizations for help were never so numerous or urgent.

The Salvation army and other charitable organizations today gave dinners to many thousands of destitute persons, but these Christmas dinners were not a drop in the bucket when compared with the needs of the unemployed.

MUNICIPAL GIFTS TO NEEDY POOR IN NEW YORK

New York, Dec. 25.—This city celebrated Christmas of 1908 in a way that not only lived up to the best of its traditions, but set a new standard.

Favored by the abundance which the year brought forth, the rich, well-to-do, and the moderately circumstanced had placed at the disposal of the active workers in philanthropic ample funds with which to go about the work of making the day one long to be remembered. The unfortunate in the falls, the ill in the hospitals, the poor in their homes, and the destitute and helpless in institutions all were remembered. That not far from 10,000 persons were assisted by means of donations of dinners and the like is conservatively estimated.

There was no institution in the city that did not have its Christmas celebration. Special dinners, entertainments, religious exercises—all figured in the program.

In many of the hospitals Christmas trees were decorated and gifts provided for all the patients. Choirs from the churches visited some of these institutions and cheered the sick with melodies.

In the churches, appropriate to the day, were held an unprecedented event at St. Patrick's church, being a celebration of a pontifical high mass at 6:30 o'clock, in the morning, followed by a similar celebration in the usual forenoon hour.

Most notable of the Christmas beneficiaries were those of the Salvation army and Volunteers of America. The army had the vast floor of the Grand Central Palace as a gymnasium for its Christmas storehouse, and drew upon its supply of toys and food. Each box, each containing a Christmas dinner for some poor family.

FEDERAL HELP PROMISED IN GRAFT PROSECUTIONS

Government to Investigate Alleged Corrupt Use of National Bank Funds in Securing Municipal Deposits.

(By Morning Journal Special Teased Wire)

Pittsburg, Dec. 25.—Representatives of the Voters' league, the civic reform organization that precipitated the municipal scandal by causing the arrest of seven members of the council and two former bankers, tonight announced that they have received assurance of federal government help in the forthcoming prosecution.

The department of justice, it is announced, has taken steps to thoroughly investigate all national banks serving as depositories for city funds.

Testimony at the preliminary hearing by the department of justice to learn if any other national bank contributed to the \$176,000 had been corrupted by used in influencing the selection of depositories but up to this time only \$17,500 of this sum had been accounted for, and only one bank publicly mentioned. It is the intention of the department of justice to learn if any other national bank contributed to the \$176,000.

It is also the intention of the department, according to the league representatives, to begin prosecutions against former President Ramsey and former Cashier Vilsack, of the German national bank, on charges of illegally using the funds of the bank. A conference of this accused men and their lawyers was held at which it was decided to act in unison in making a defense, although a number of the cases are to be tried separately.

## JOHNSON GETS DECISION IN FOURTEENTH

POLICE SAVE TOMMY BURNS FROM KNOCKOUT

Heavyweight Title Goes to the Burly Texas Negro After Battle in Which White Champion Is Beaten Badly.

(By Morning Journal Special Teased Wire)

Sydney, N. S. W., Dec. 26.—Jack Johnson, the big negro from Galveston, Texas, is the world's heavyweight champion pugilist. He won the title today at the big arena at Rushcutters Bay from Tommy Burns, the French-Canadian, who beat him, it since James J. Jeffries relinquished it and after a chase of Burns that led half way around the world.

The end came in the fourteenth round, when the police, seeing Burns tottering and unable to defend himself from the savage blows of his opponent, immediately stopped the fight. Previously it had been arranged that if the police interfered a decision should be rendered on points, and Referee McIntosh declared the black man a winner, for all through the fight he had shown himself Burns' master in every style of fighting.

Burns, in an interview after he had gone to his dressing room, said: "I did the best I could and fought hard. Johnson was too big and his reach was too great."

Johnson appeared fresh after the fight, while Burns' eyes were badly puffed and his mouth swollen to twice its normal size. He fought a game battle and showed indomitable pluck but he was no match for the big Texas black.

Twice only in the annals of pugilism had a colored man been permitted to fight for the title emblematic of world's heavyweight pugilist. Peter Jackson tried it with John L. Sullivan, but Sullivan would not consent to a fight. After James J. Jeffries took the scalp of Bob Fitzsimmons he took on Black Victor at Los Angeles. The colored man was easy for him, and never had a chance to win the honor. He was knocked out in four rounds. Jeffries then drew the color line, and several years later retired.

Johnson had tried to get on a fight with him, but without avail.

Then Tommy Burns, or Noah Brusso, as his name really is, took up the mantle of Jeffries. Since then, and until today Johnson has endeavored to get him into the ring, declaring that he was Burns' master.

The fight was for a purse of \$25,000, of which Burns received \$20,000, Johnson, \$5,000. The ring was a 24-foot one, and was pitched in the center of a big arena built especially for the purpose at Rushcutters Bay. The bout was to have been for twenty rounds.

The day dawned overcast and cool. Thousands of persons from all parts of the country were attracted to the scene of the fight and many reached there Christmas night and slept in the open. They came by area cars, automobiles, carriages and on horseback, and at 10 o'clock this morning, one hour before the fight was scheduled to start, every seat was occupied. The prices of seats ranged from \$2.50 to \$25.

The crowd was estimated at between 10,000 and 20,000 persons, and it kept perfect order throughout the day. A brass band enlivened the holiday throng.

Before the contestants entered the ring Bill Squires, who thrice has been defeated by Burns, challenged the winner.

Burns weighed in at 165 pounds and Johnson at 182.

The betting was 7 to 3 on Burns at the start, but it veered after a few rounds to 2 to 1 on Johnson.

The spectators conceded that Johnson's victory was due to his physical advantages over Burns, his superior knowledge of the fighting game, and his unflinching demeanor, while being flouted by the champion.

The stakes were paid with the men were to the ring.

At 10:12 o'clock Johnson entered the arena accompanied by his seconds, Sam Fitzpatrick, Mullens, Unholz, Lang and Bryant. Wild cheers greeted him and the big black man turned and bowed to all four sides of the ring.

Just as Johnson took his seat, Burns appeared. He was smiling, and the plaudits of the spectators were even more enthusiastically than those accorded Johnson. Burns took up his post in the western corner of the ring, surrounded by his seconds, Keating, O'Donnell, Burke and Rust.

When the cheering had died down, Johnson crossed the ring and shook Burns' hand. The Canadian smiled at the big man's eyes of the Texan and noticed that both were covered with bandages. Fearful that they might not be of the soft, surgical kind, he scrutinized them closely, but finding them to his satisfaction he made no objection.

The referee, however, took a hand in the controversy, and said the wearing of bandages was not in the articles. Johnson still demurred, however, and Burns, with a show of impatience, had his seconds unwind the tape. His action brought forth from the spectators a large round of applause.

The announcement was made that if during the fight the police should interfere and stop it, the referee would immediately give a decision based on points scored.

At 11 o'clock Johnson and Burns

tle interests. Mr. Jastro spent Christ-  
mas day with his daughter, Mrs. M.  
O. Chubb, who is president of the  
National Livestock associa-  
tion, which will hold its annual  
meeting in Los Angeles in January. A  
large number of New Mexico cattle-  
men are expected to attend the con-  
vention.

The remains of Mrs. Stella Ferrell,  
who died in this city Thursday eve-  
ning, will be shipped Monday morn-  
ing to the old family home in Galat-  
o, Minn. Mr. Ferrell, husband of the  
deceased, and Mrs. G. W. Patterson,  
her mother, will accompany the re-  
mains. Short services will be held  
here at 2 o'clock Sunday afternoon  
at the residence, 2201 1/2 street and  
Mountain road. Rev. J. C. Bolling,  
pastor of the Methodist Episcopal  
church, will officiate at the services.

Mr. Ralph Waldo Gilchrist and  
Miss Nora Edith Werner, well known  
and popular young people of this city  
were united in marriage by Rev. H.  
A. Cooper, pastor of the Presbyterian  
church, at the home of the bride's  
mother, Mrs. L. E. Werner, at 1415  
convent heights, Thursday evening.  
The wedding was a quiet affair with  
a few intimate friends and relatives  
being present. Miss Werner, now Mrs.  
Gilchrist, is the daughter of Mrs. Wer-  
ner, the assistant postmistress at the  
local postoffice. Mr. Gilchrist holds a  
responsible position with the American  
lumber company. The newly married  
couple will make their residence in Al-  
buquerque.

birthday yesterday. A beautiful  
Christmas tree, appropriately trimmed  
with candles and all other accessories,  
was erected in one of the great rooms  
on the second floor. The presents  
were dispensed by Mrs. Smithers, who  
officiated in the absence of Santa  
Claus. Mr. Smithers was the recipient  
of a large number of gifts, and  
many congratulations on the occasion  
of his birthday.

Mrs. Minnie Mitchell, wife of J. H.  
Mitchell, chief of the American Lumber  
company fire department, died at  
7:30 yesterday afternoon, at the fam-  
ily residence, 1014 Forester avenue.  
Mrs. Mitchell came to Albuquerque  
four years ago for her health. For a  
time she improved and partially re-  
gained her usual health. Several  
months ago, however, she suffered a  
relapse and her death yesterday was  
not entirely unexpected. Besides the  
husband, three children are left to  
mourn the loss of wife and mother.  
Mrs. Mitchell had a large number of  
friends here who will regret to learn of  
her death. Funeral services will be  
held this afternoon at 2:30 from  
French and Lowber's chapel, Rev. J.  
A. Shaw, of the Baptist church, will  
officiate at the services. Interment  
will be made in Fairview cemetery.

Twenty-five messenger boys, news-  
paper carriers and newsmen were the  
guests of Frank Anderson, proprietor  
of Anderson's restaurant, in the rear  
of Graham brothers at Christmas din-  
ner yesterday. The boys tackled a  
large proposition when they attempted  
to dispose of the varied menu which  
was placed before them. Having been  
warned of the coming event several  
hours in advance, they succeeded  
however, in doing ample justice to the  
spread. Turkey, cranberry, sweet  
potatoes, pumpkin and apple pie, and a  
long list of stable disappeared with a  
vengeance shortly after the late set-  
ting in. Pie and more of it seemed  
to be the favorite foodstuff and it was  
necessary to make extra pies in order  
to accommodate the boys. The cus-  
tom of treating the boys to a dinner  
on Christmas day is an annual event  
at Anderson's place.

## MASHER IS THROWN BEHIND BARS

Young Man from Baretas In-  
sisted on Forcing Attention  
Upon Unwilling Ladies; Ar-  
rested After Hot Chase.

Incense he incensed on lifting with  
two ladies who did not respond to his  
advances, Manuel Campos, who lives  
on East street, and is employed at the  
Santa Fe shops, was arrested by po-  
lice officer Tony Guayana about 2  
o'clock yesterday afternoon and was  
lodged in the city jail. According to  
the two women, who complained to  
the police about Campos' peculiar ac-  
tions, the man followed them for sev-  
eral blocks, walking beside them and  
endeavoring to force his attention  
upon them. They repulsed his ad-  
vances, but Campos persisted in his  
rude actions, until the women reached  
the downtown section, where the mat-  
ter was reported to the police. Cam-  
pos saw the women talking to officer  
Guayana and evidently had a hunch  
that there was something doing. As  
soon as Guayana moved towards Cam-  
pos, he turned right and the policeman  
for the southern part of the city.  
To place as much distance as possible  
between himself and the policeman,  
Campos took a short cut through the  
alley between Central and Gold ave-  
nues. Guayana, who is somewhat of a  
sprinter, pursued his man relentlessly.  
He called upon the fleeing runner to  
halt, and the defendant being unheed-  
ing, Guayana was forced to fire three  
shots at Campos before he came to a  
full stop. When Guayana attempted  
to place the man under arrest Cam-  
pos showed a knife and the policeman  
had to knock him down a couple of  
times before he would submit. A  
large crowd of spectators took to the  
pavement for a run, which was  
about the only real diversion of the  
day. Campos was later released on  
bonds and will be given a trial this  
morning. It is believed the ladies will  
appear and testify against him. The  
man was not intoxicated when ar-  
rested, but had evidently taken a couple  
of drinks shortly before.

## SOME ONE PLAYED A MEAN TRICK

Moving Picture Machine at  
Crystal Tampered With While  
Employees Were Absent; Per-  
formance Delayed Half Hour.

While the employees of the crystal  
theater were at supper last evening,  
some one entered the playhouse and  
unlocked the door to the booth which  
contains the moving picture appar-  
atus and tampered with the machinery  
to such an extent that it was put out  
of commission for some time. The  
work was done by some one familiar  
with picture machines, as the "bug"  
was not discovered until a perform-  
ance was started. The break was ap-  
parently enough to cause a suspension  
of the pictures. The house was packed  
at the time the machine refused to  
work, and the management was prac-  
tically up against it. Manager Rob-  
ertson, however, rose to the occasion  
and offered to refund the price of ad-  
mission to all those who did not care  
to wait until the machine could be re-  
paired. Nearly the whole audience re-  
mained seated, however, and were  
well repaid for their patience, as an  
excellent line of vaudeville acts was  
put on during the wait. Manager  
Robertson ruled up his shaver and  
happily put the machine in working  
order within a half hour after the  
break was discovered. Manager Rob-  
ertson expects a certain person at  
attempting to ruin the appearance and  
in the event that he secures enough  
evidence to warrant it will place the  
matter in the hands of the police to-  
day and have the guilty party arrested.

## REVOLVERS AND KNIVES FLASH IN CHURCH ROW

Police Clear Greek House of Worship  
in Chicago.

Chicago, Dec. 25.—Opening fac-  
time in the Holy Trinity Greek ortho-  
dox church became so brilliant be-  
fore services today that it required  
the presence of a squad of police to  
clear the house of worship. Revolvers  
and knives were carried by mem-  
bers of the congregation who stood  
themselves "right" and after they  
had placed possession of the church  
they denied admission to the "gre-  
gars," who arrived under the lead-  
ership of Rev. S. Mandelaris, the  
pastor. Seven arrests were made after  
the "rebels" forced had resisted the po-  
lice.
