On Nov. 18, the Guatemalan National Revolutionary Unity (URNG) announced that rebels killed 12 soldiers in an attack on a Guatemalan army barracks to show their support for the Salvadoran rebels. In a statement published by the Cerigua news agency, the URNG said rebels assaulted an army detachment Nov. 14 in Suchitepequez department. The rebels also said their units occupied eight farms and part of a community in other departments of central Guatemala. (Basic data from AFP, 11/18/89)
