Nicaragua: Barricada On New Contra-government Agreement

In its May 31 issue, the Sandinista National Liberation Front's official newspaper, Barricada, asserted that the May 30 agreement between the contras and President Violeta Barrios de Chamorro's government contains concessions to the contras without a real commitment from them to disarm. The accord, said the newspaper, "poses immediate grave risks to national security." (See CAU 05/30/90 for coverage of new agreement.)
