On July 24, Aeronica commercial director Rosaura Jerez announced that flights to Miami, Florida, will be resumed beginning July 29. The company's services to the US were suspended in March 1985, result of an economic blockade imposed by the Reagan administration. Aeronica flights and revenues dropped by 40% after the blockade went into effect, said Jerez. (Basic data from Xinhua, 07/25/90)
