BRIEF WIRINGS.

WASHINGTON NEWS

Sheppard Dead.
New York, March 25.—Col. Elliott Fitch Sheppard, editor of the Mail and Express, died suddenly yesterday afternoon at his home, No. 2 West 52d street.

Will Represent Rome.
London, March 25.—M. Donatus Spiretti and Rev. Francis H. Kubi, former auditor and the latter secretary to the Papal Delegate Satali, leave for America today.

Massachusetts Socialists.
Fitchburg, Mass., March 25.—The socialist labor party of Massachusetts will hold a state nominating convention here to-morrow. It will make a long campaign.

California's League Begins.
San Francisco, March 25.—The California base ball league opens its season to-morrow. San Jose has been dropped from the circuit and Stockton substituted.

Dr. Metcalf's Home Coming.
New York, March 25.—Dr. Edward McGlynn who has been visiting Bishop Moore in Florida, is expected to reach his Brooklyn home to-day and will probably resume his anti-poverty sermons in Cooper Union to-morrow evening. He is not expected to leave for Rome until late in the spring.

Amson's Players Start Out.
Chicago, March 25.—President Hart, of the Chicago base ball club, has given out the following dates: The club will probably leave Chicago to-day and will proceed to Chattanooga to play two games there on March 30 and 31. From April 1 to 16, it will play the Pittsburgh and other clubs at Atlanta. It opens the regular season in the west, April 27.

Honoring Daniel Burnham.
New York, March 25.—A banquet will be given Daniel H. Burnham in the Madison Square Garden Concert hall to-day, in recognition of his work as director of art works in the World's fair. Among those expected are Edwin Booth, Joseph H. Choate, Richard Watson Gilder, William D. Howells, Richard M. Hunt, Joseph Jefferson, Augustus St. Gaudens, Charles Dudley Warner and Francis D. Millet.

Denmark's Man-of-war Coming.
New York, March 25.—The Danish government is expected to dispatch one of its armored men-of-war to-day to take part in the grand naval parade, which will take place in New York harbor in April. Prince Waldemar will be in command of the ship. He is the third son of Christian IX, the present king of Denmark. One of his sisters is the wife of the emperor of Russia, another is the wife of the prince of Wales and one of his brothers is king of Greece.

SILVER CONFERENCE.
The President May Yet Send a Delegation to Revive the Commission's Work.

WASHINGTON, March 25.—All the delegates to the recent international monetary conference have resigned. Among members of congress it is believed that the president will send a commission to Brussels to represent this country, when the conference re-assembles. It was the United States, they say, who first suggested the conference, and as long as any nation signifies intention to participate in its second session, it will be necessary for this country to have representation. For this reason alone, it is thought by them that a new commission will shortly be appointed by Mr. Cleveland.

The secretary of state is now endeavoring to ascertain how many countries will be represented at the re-assembling of the conference. Some officials hold to the opinion that President Cleveland will not send another delegation to Brussels, but will designate our minister to Belgium to attend the conference as the representative of the United States.

An Indiana Twister.
INDIANAPOLIS, March 24.—Fifty houses were wrecked in one neighborhood in this city by a cyclone which swept over the state last night. Fifty families are rendered temporarily homeless. At Tipton, a suburb, many houses were blown down and many smaller ones carried away. Many of the residents passed the night in their cellars. The Corcoran mills in the northern part of the city were badly wrecked. One story of the Capitol City cotton mills was blown down. At Vincennes, Brazil and Alexandria considerable damage was done.

ROBINSON QUILTS.
The General Manager of the A. T. & S. F. Drops Out—May Go to the Union Pacific.

CHICAGO, March 25.—Second vice-President and General Manager A. A. Robinson, of the Santa Fe road, has resigned. It is believed that he will be the successor of S. H. Clark as president of the Union Pacific road.

Rumors of his resignation from the service of the Santa Fe have been going the rounds since the late president of the road, Allen Manvel, died. Doubt was removed by the promulgation yesterday of a general order by President Reinhardt, announcing Mr. Robinson's resignation and appointing J. J. Frey, as his successor as general manager, to take effect

April 3. The office of second vice president will not, at present, be filled.

WASHINGTON, March 25.—A rumor apparently well founded, is current in the treasury department that the president had decided to appoint E. O. Graves, now of Seattle, Wash., and formerly of New York, United States treasurer.

CARLEIGH ON THE TARIFF.
WASHINGTON, March 25.—Secretary Carlisle, it is stated on good authority, intends to give most of his time this summer to the consideration of the tariff, with a view to so thoroughly familiarizing himself with the subject as to indicate in a general way the outlines for the formation of a tariff bill by the next Congress. He in no sense intends a bill in detail to be submitted to the ways and means committee of the next house, but rather to be in a position to give them all the information that they may need in the preparation of a tariff bill that will carry out the spirit of the tariff plank in the Democratic platform.

THE BOND ISSUE.
Despite various denials, a strong impression prevails among well informed bankers in Wall street that J. P. Morgan, of the banking house of Drexel, Morgan & Co., who sailed for Europe yesterday on the Mauretania, is in commission from the government to arrange for the sale of the bonds abroad, if an issue becomes necessary to replenish the treasury stock of gold. The bonds would be issued under the refunding act and would bear interest at the rate of 4 per cent. The bonds would probably command a premium of 12 or 13 per cent.

To Race Around the United States.
PORTLAND, Ore., March 25.—Miss Edith Day, left this city last night over the Northern Pacific to race against Miss Doolittle who left Chicago last night, to make her circuit of the United States by way of Mexico. Miss Day goes by way of New York and Washington and expects to be back in Portland April 10. She will meet Miss Doolittle in the city of Mexico.

OFFICIAL Gossip.
Star mail service has been established on the route from Hillsboro to Las Polomas, this territory, twice a week from May 1 and service on the route from Eagle to Las Polomas, is discontinued from April 1.

R. L. Smith, clerk in the surveyor general's office, resigned yesterday and left this morning to accept a government clerkship in Washington. He is a son-in-law of Col. Harlan, inspector of U. S. surveyor general and land offices.

The regents of the Las Vegas normal school organized by electing Edward Henry, chairman; Traquillino Labadie, secretary and treasurer. The board is now ready to receive offers of sites, according to the act authorizing the school.

Special Agent Boliver, of the general land office, who has been on special duty here for some months, received a wire from Washington to-day stating that his services would not be required after the 31st. He is a good man and has a clean official record.

The civil service examination for railway mail clerks, was held in the communal room of the Las Vegas academy. The examination was conducted by B. A. P. Pool, assisted by W. G. Koogler, A. R. Robbins and Mrs. W. G. Koogler, the local board of examiners. The following named persons took the examination: Chas. Trumbley, Antonio C. de Bana, Antonio H. Montoya, J. T. Ellisworth and John J. Olland.

Rob Roy and David Owanda, Indian boys, former pupils at the U. S. Indian school, who were sentenced to the penitentiary June 14, 1892, for three years each, had their time reduced to one year each by the governor yesterday. These are the lads who placed spikes on the railroad and came very near wrecking an A. T. & S. F. passenger train last summer. The action was taken by the governor on a strong petition signed by many, also including the recommendation of the district judge. The boys are young and have an excellent record for good behavior at the prison. It is thought their punishment will have been ample at the end of one year.

In accordance with the provisions of the appropriation bill of the last legislative assembly, Governor Prince, Treasurer Palen and Auditor Perea met yesterday as a board to examine into deficiency claims against the territory, that have accumulated during the past four fiscal years by reason of insufficient appropriations and insufficient tax levies and collections. The board organized by the election of Governor Prince as chairman and Treasurer Palen as secretary and auditor. The auditor was requested to furnish the board with a complete list of deficiency claims outstanding. The secretary was authorized to prepare a form bond to be issued in liquidation of the deficiency claims. There will be two issues of bonds; one will be dated May 1, 1893 and one July 1, 1893. The board then adjourned to meet at the call of the chairman.

The San Pedro Shooting.
James Cheaves, the San Pedro miner, in jail for shooting H. Goodman, the merchant, because of talk coupling the latter's name with that of Mrs. Cheaves, was released on \$2,500 bail late last evening. His sureties are Messrs. T. B. Catron, John Patterson, A. M. Hendry and John Conway. Cheaves leaves for home to-night. Richard Gibbons came in from San Pedro this morning and says Goodman is doing well and will soon recover. Cheaves says he hears Goodman is making threats against him, but he will try and avoid a second encounter with him.

TERRITORIAL TIPS.

LAS VEGAS LOCALS.

A lively city campaign is on. There is a split in the Democratic ranks.

Prof. A. F. Smith will place his great World's fair painting on exhibition in Albuquerque next week.

G. A. Bansemer, of Baltimore, Md., a young man about 25 years old, died of consumption at the Montezuma hotel.

The city Republican ticket is as follows: for mayor, Dr. F. E. Olney; for marshal, T. F. Clay; for recorder, W. H. Kelly; for trustees, G. W. Bell and A. D. Higgins.

The Democrats nominated for mayor A. A. Jones; for recorder, P. J. Murphy; for trustee, Dr. F. H. Atkins. These were by acclamation. C. Wiegand was nominated for trustee by ballot. But the fight was for marshal, and A. F. Johnson receiving fifty-two, and D. J. MacDonald seventy-one, of the votes cast.

ALBUQUERQUE ATOMS.
B. S. Rody and C. C. Hall are in the race for the mayorality.

The Albuquerque foundry is rushed with work for Prescott, Phoenix, Socorro and A. P. road, mining camps and elsewhere.

The cast of the "Chimes of Normandy" have about made up their minds to go to Las Vegas after the production of the opera here. They will no doubt be royally entertained.

L. P. Krawinkle, whose death was chronicled Thursday, left an estate estimated at \$40,000. Deceased built quite a number of houses in the city for lease and sale, the latter mainly on the installment plan. Having failed to make a will, by the laws of the territory, the wife and children of Mr. Krawinkle become sole possessors of the estate.

Of an Albuquerque young lady the San Francisco Post says: "The debut of Stella Dolores Alexander, which is announced to take place at the Metropolitan temple on Thursday, March 30, promises to be a great society and musical event, and is awaited with considerable interest by the ladies and gentlemen who have heard her. The young lady possesses a rare contralto voice of great power and sweetness."

ROSSELL REGISTRATION.
The superintendent of schools has appointed Friday, March 31, as Arbor day. Chaves county paid the largest per cent of taxes paid by any county in the territory.

Mr. Williams will soon erect a ten-room bath house and supply the same with water from his artesian well.

Before the taking effect of the new gambling law, a number of our sports took out a three months' license under the old statute.

Mrs. Frank Lea had lettuce and onions from her garden on her table Sunday, the 19th. These were raised in the open air without any protection except the unrivaled climate of this valley.

GRANT COUNTY NOTES.
W. A. Leonard left Thursday for his new home at Velasco, Texas. Grant county will miss him.

The location of the new normal school at Silver City will be decided upon at the meeting of the board of regents to be held within a short time.

Reports from neighboring mining districts indicate that there will be a revival in this important industry ere many months. The output from Cook's Peak alone is from 500 to 600 tons per month, or about forty car loads. The ore is of a superior grade.

News has reached here of a murder at Central City, this county, last week. Alencio Vasquez, a Mexican, struck Press Martin, a negro, over the head with a miner's axe during a quarrel, fracturing his skull. Martin was taken to the Silver City hospital, where he died last Saturday morning. Vasquez has been lodged in jail awaiting trial at the next term of court. The murderer was arrested a few weeks since on suspicion of being implicated in the killing of Ed. Harrison at

Silver City, but was discharged for want of proof.

SPRINGER STAYS.
Court will be in session next week. The Cimarron river is up and the people are happy.

The Springer cement works are in operation.

The revival meetings of Maxwell City, conducted by the Springer dominie, have closed rather suddenly on account of sickness there.

Rev. Mr. Hyde came down from Maxwell City, Sunday, between services, and united in marriage Miss Lottie Mills and Hugo Seaberg, M. W. Mills' chief clerk.

Drauduff is due to an enfeebled state of the skin. Hall's Hair Renewer quickens the nutritive functions of the skin, healing and preventing the formation of dandruff.

Railroad Changes.
The railroad changes so frequent of late are bringing things to a rather smooth basis for New Mexico. D. B. Robinson goes to Chicago as first vice president of the A. T. & S. F., and A. A. Robinson, having resigned as general manager, is succeeded by J. J. Frey. General Manager Frey was general superintendent of the M. K. & T. railroad until a month ago. He is a son of Dr. Frey, of Sedalia, Mo., and has a fine record as a railroad man.

Mr. A. A. Robinson, it is said, will probably take a high position with the Union Pacific company, and if he does, it is dollars to doughnuts that the Union Pacific's Central branch will be headed for central New Mexico before many months.

Went After Him.
"You played Hamlet last night. Did the audience call you out?"
"No, they were too impatient for that. They rushed behind the scenes to find me, but I got away."

Belief that you "can't be cured" is a symptom of dyspepsia. Take Simmons Liver Regulator.

Invincibility.
Jasper—Is intoxication always followed by a swelled head?
Jump—Yes, even when a man has been intoxicated by success.

One dollar a year will cover your doctor's bill if you take Simmons Liver Regulator.

Speaking Acquaintances.
Have you made any acquaintances since you came to Washington?" said one young man to another.
"Well, I have a speaking acquaintance with several young women in the telephone office."—Washington Star.

Three-fourths of your ailments arise from liver troubles which Simmons Liver Regulator cures.

Not Measuring.
Surgeon (about to operate on a patient).—Of course you don't object to pay in advance.
Patient—Pay in advance? Why should I?
Surgeon—In case the operation shouldn't turn out successful, you know, it might be difficult for me to collect my fee.—Boston Transcript.

Pleasant to the taste and readily taken is Simmons Liver Regulator. It cures heartburn.

Alas!
Mrs. T.—Am I to have an Easter bonnet?
Mr. T.—Why?
Mr. T. (wearily)—Ask those who have engineered the Reading deal, my love.—Life.

Best System of Fortification.
Is that adopted by people in precarious health who wisely fortify their systems against disease with that acceptable and effective barrier against its inroads—Hostetter's Stomach Bitters. Precautionary measures, when the health is but slightly impaired, as physicians well know, worth any amount of medication afterwards. A preliminary medicinal aid, a fit of indigestion, increasing irregularity of the bowels, a warning rheumatic twinge, inactivity of the kidneys, slight at first, bilious sallowiness accompanied with furred tongue—these are appetites and self-protection which no person of common judgment will disregard. Hostetter's Stomach Bitters preserves those who take it from malaria, dyspepsia, chronic constipation, rheumatism, kidney and bladder troubles and liver complaints. Nervous invalids, persons troubled with indigestion incident to advanced years, ladies in delicate health and convalescents derive infinite benefit from the Bitters.

A Difference.
Manager (to popular leading man).—What salary do you expect?
Leading man—I must have a contract for 700 a week.
Manager—That's understood; but how much actual cash do you want for your services?
Leading man—Thirty dollars a week.

Victory! The Greatest of the World Has Known.
To many a man, stricken on the field of battle, the cry of victory has fallen gratefully, but even more gratefully, to an individual in a real sense that by the use of Dr. Miles' Restorative Nervine he has achieved a victory over any nervous affliction, such as prostration, sick headache, poor memory, dizziness, sleeplessness, neuritis, hysteria, fits, dulness, sexual irritability, St. Vitus dance, etc. Testimonials of thousands of such cures are in possession of the Dr. Miles' Restorative Nervine Co., Elkhart, Ind. Restorative Nervine is sold by A. C. Ireland, Jr., the popular druggist, on a guarantee. Ask for a book, free.

No Remedy.
Chollie—What would you do if a brutal fellow were to kick you over the head?
Chollie—That fellow was a policeman.—Indianapolis Journal.

Sudden Death! That Startling News Heading.
The public is becoming accustomed to the above heading, but nevertheless it always conveys a shock. Sudden death in its vast majority of cases results from heart disease, manifested by any one or several of the following symptoms: Short breath, palpitation, irregular pulse, wind in stomach, pain in side, shoulder or arm, under left shoulder blade, between the shoulders or in bowels, irregular or intermittent pulse, oppressed feeling in chest, choking sensation, weak or haggard eyes, difficult breathing, swelling of feet or ankles, dropsy. Dr. Miles' Heart Cure cures all these. Sold by A. C. Ireland, Jr., on a guarantee, who will give you his elegant book, free.

Faith and Works.
"Does Ying Lee show any evidence of conversion?"
"Yes, he wants to marry his Sunday school teacher."—Philadelphia Record.

Ayer's Cherry Pectoral possesses powerful healing qualities, which manifest themselves whenever this remedy is employed in colds, coughs, throat or lung troubles. Its anodyne and expectorant effects are promptly realized. It is a chemical success and a medical triumph.

It's Business.
Father—Mary, I want you to be careful and see that that boy of ours doesn't read any of that dime novel trash with which the news-stands are filled. Stories of train robberies and so forth are demoralizing—this is good!
Mother—What is good?
F.—The paper says this morning that our syndicate has effected a corner in coal. That will send the price away up and—
M.—But won't that be hard on the poor?
F.—Poor! Stuff! It's business.

Miles' Nerve & Liver Pills.
Act on a new principle—regulating the liver, stomach and bowels through the nerves. A new discovery. Dr. Miles' pills speedily cure biliousness, bad taste, torpid liver, piles, constipation. Unequalled for men, women, children. Small, neat, mild, sweet, 80 doses per box. Sample Free, at A. C. Ireland, Jr.

Necessary Accessories.
How was it that he managed to pull the wool over your eyes?
Well, he had dressed several fellows before I met him.

Looking Better
feeling better—better in every way. There's more consolation in that than well people stop to ponder. To get back flesh and spirits is every thing.

Scott's Emulsion
of pure Cod Liver Oil with Hypophosphites is prescribed by leading physicians everywhere for ailments that are causing rapid loss of flesh and vital strength.

Scott's Emulsion will do more than to stop a lingering cough—it fortifies the system against coughs and colds.

His Excuse.
Judge—You are accused of stealing ten pounds of fish. Have you anything to say in your defense?
Prisoner—Sure, you wouldn't expect a man to be stealing meat in Lent?
—Indianapolis Journal.

Result of Merit.
When anything stands a test of fifty years among a discriminating people like the Americans, it is pretty good evidence that there is merit somewhere. The value of a medicine is best proved by the same persons and families, as well as by a steady increasing sale. Few, if any, medicines have met with such continued success and popularity as has marked the introduction and progress of BRANDRETH'S PILLS, which, after a trial of over fifty years, are conceded to be the safest and most effective purgative and blood purifier introduced to the public.

That this is the result of merit, and that Brandreth's Pills actually perform all that is claimed for them, is conclusively proved by the fact that those who regard them with the greatest favor are those who have used them the longest. Brandreth's Pills are sold in every drug and medicine store, either plain or sugar coated.

Altogether too Particular.
"Tom is so particular."
"In what way?"
"Why, when we became engaged he insisted upon my breaking off all my other engagements."—Chicago News Record.

Cholera in Pennsylvania.
Sewickley, Penn.: We had an epidemic of cholera, as our physicians called it, in this place lately and I made a great hit with Chamberlain's Colic, Cholera and Diarrhea Remedy. I sold four dozen bottles of it in one week and have since sold nearly a gross. This Remedy did the work and was a big advertisement for me. Several persons who had been troubled with diarrhea for two or three weeks were cured by a few doses of this medicine.

A Consoling Reflection.
He—Ah, you'd think a precious lot more of me, Matilda, if I was only six feet high!
She—Yes, dearest! But then you wouldn't think such a precious lot of me!
—Punch.

"What's in a name?" Well, that depends. For instance, the name of "Ayer" is sufficient guarantee that Ayer's Sarsaparilla is a genuine, scientific blood purifier, and not a sham, like so much that goes by the name of "Sarsaparilla." Ayer's Sarsaparilla is the standard.

Logic of the Situation.
"But why do you object to Henry, father?"
"Because he has no prospects," replied the millionaire, sternly.
"But you forget, father, what good prospects Henry would have if you didn't object."

Joseph V. Dory, of Warsaw, Ill., was troubled with rheumatism and tried a number of different remedies, but says none of them seemed to do him any good, but finally he got hold of one that speedily cured him. He was much pleased with it, and felt sure that others similarly afflicted would like to know what the remedy was that cured him. He writes for the benefit of the public that it is called Chamberlain's Pain Balm. For sale by A. C. Ireland, Jr.

Some of the Evidence
Undoubtedly one of the happiest men in the world today is Mr. L. W. Harlow of Highlands, Colo.

Miss Mary E. Harlow
Noticing the accounts of the cures made by Dr. Harlow in the daily papers, I concluded to take my little daughter to him, which I did. He informed me that the child could be cured by proper treatment. I placed my daughter in his care. The doctor gave me one of his London Steam Inhalant Atomizers, which I took home and put it on my little daughter three times a day, and all her bad symptoms have left her. She has gained rapidly in strength and looks better than she ever did, and is now entirely well. The treatment is painless, and the child would cry to see the doctor, and is now a confident that there are many parents neglecting their little ones by letting them suffer from such a little ailment. To all such I would advise you to save them all means when you have the opportunity.

Dr. Charles Harlow gives London Hospital treatment. His office is in the Peoples Bank Building, Room 212, Denver, Colo. Patients at a distance are treated as successfully as those who visit the office. A carefully prepared receipt blank is sent to all applicants.
