Changes In Secondary Market Prices On Latin American Debt Paper

by Barbara Khol

Category/Department: General

Published: Tuesday, July 3, 1990

As of June 28, Chile and Colombia led in price quotations on foreign debt paper in secondary markets, at 64-65 cents, and 62-65 cents per dollar of face value, respectively. In May, Mexican debt paper traded for 45 cents (sale) and 46 cents (purchase). Quotations dropped slightly to 44-45 cents to the dollar in June. Prices on Venezuelan debt paper also dropped by a cent, to 46-47 cents on the dollar. Next, Brazilian debt paper quotations were 23-24 cents to the dollar, down three cents since May. Argentine debt paper was quoted at 12-13 cents, and Peru, 4-6 cents. (Basic data from Notimex, 06/28/90)
