Brazil To Invest \$1.2 Billion In 1991-1993 Toward Increasing Competitiveness Of Informatics Industry

by Barbara Khol

Category/Department: General

Published: Tuesday, July 17, 1990

On July 11, special informatics secretariat Jose Goldemberg told reporters that the government will spend \$1.2 billion between 1991 and 1993 to help the informatics industry become internationally competitive. He added that the planned investment is necessary for targets contained in the II PLANIN (National Informatics Plan), scheduled for debate in the National Congress in August.
