Panama: Dredging & Expansion At Four Port Facilities

by Deborah Tyroler

Category/Department: General

Published: Friday, August 30, 1991

At an Aug. 17 press conference, Jerry Zalazar, director of the state-run port authority, said the nation's four most important ports will be dredged and expanded to improve efficiency. The Balboa and Vacamonte ports are located on the Pacific, and Cristobal and Coco Solo on the Atlantic coast. The Cristobal and Balboa ports are used in Canal operations.
