Panamanian Government Requests Return Of Weapons Confiscated During U.S. Invasion

by Deborah Tyroler

Category/Department: General

Published: Friday, September 6, 1991

On Aug. 28, Foreign Minister Julio Linares told reporters that the government had requested that the US government return 80,000 weapons confiscated from former Panamanian Defense Forces during the December 1989 US invasion. Linares said the weapons, including guns, grenades, and missiles, will be used by the public police force to combat crime. (Basic data from Xinhua, 08/28/91)
