Rebels Claim Salvadoran Air Force Using Honduran Territory To Launch Bomb Attacks

by Deborah Tyroler

Category/Department: General

Published: Friday, November 8, 1991

In a Nov. 1 broadcast, Radio Venceremos asserted that the Salvadoran air force was using Honduran territory for aircraft take-off and landing in bombing missions against rebels in northern and northeastern El Salvador. According to the report, the move is part of Salvadoran air force efforts to avoid rebel surface-to-air missiles. (Basic data from Agence France-Presse, 11/01/91)
