According to a study by specialists at Florida International University, Latin American exports entering the US via Florida ports in the first quarter of 1991 totaled $3.68 billion, compared to $3.83 billion during the last quarter of 1990. In contrast, exports to Latin America departing from Florida in January-March 1991 came to about $4.2 billion. Florida trade with Latin America in first quarter 1990 registered a $137 million deficit. For the first quarter this year, the state's realized a $551 million trade surplus.
