Nicaragua: Anti-poverty Campaign

by Deborah Tyroler

Category/Department: General

Published: Friday, March 6, 1992

On March 2, deputy presidency minister Alejandro Bolanos told reporters that the government is organizing an anti-poverty campaign aimed at agricultural workers, and former contras and soldiers. In the first phase, said Bolanos, "security and socio-economic commissions" will be established in order to identify and resolve problems in a cooperative fashion. Independent sources estimate unemployment at 58%. (Basic data from Agence France-Presse, 03/02/92)
