## **El Salvador: Electricity Rationing Caused By Drought**

*by Deborah Tyroler*

*Category/Department: General*

*Published: Friday, March 6, 1992*

On Feb. 24, spokespersons for the Rio Lempa Hydroelectric Executive Commission (CEL) announced electricity rationing for two hours per day on a nation-wide basis, result of drought. Water levels at the nation's four hydroelectric plants have reached record lows. (Basic data from Agence France-Presse, 02/24/92)
