Category/Department: General

Published: Friday, March 20, 1992

On March 13, Gonzalo Cordoba, general manager of the Electrification and Hydraulic Resources Institute (IRHE), told reporters that drought conditions obligate nationwide electricity rationing, set to commence April 15. Power will be cut at different times of the day in the country's nine provinces. (Basic data from Agence France-Presse, 03/13/92)
