SANTA FE, NEW MEXICO, THURSDAY, AUGUST 29, 1912.
THE NOMINATING POWER.

The unanimous nomination at the national convention of Mr. Roosevelt in Chicago, through which he has been restored as the ' standard bearer of the party, is an indication of the vigorous power of the national committee. The convention was attended by the delegates from all the states, and it was a remarkable exhibition of the strength of the party. The nominees were chosen by acclamation, and the convention was adjourned in a few minutes. It is evident that the national committee is in a position to control the nomination of the party, and that it will be able to nominate the candidates for the presidency and the vice-presidency of the United States. The convention was held in the city of Chicago, and the delegates were selected from all parts of the country. The nominations were made by acclamation, and the convention was adjourned in a few minutes. It is evident that the national committee is in a position to control the nomination of the party, and that it will be able to nominate the candidates for the presidency and the vice-presidency of the United States.

THE RIGHT STUFF.

The right stuff, or the ability to distinguish between the truth and the lie, is a valuable asset in the conduct of public affairs. It is essential to the proper functioning of a democracy, and it is a quality that is possessed by only a few. The right stuff is not something that can be acquired by study or training, but it is something that is innate in the individual. It is a quality that is possessed by some of the greatest minds in history, and it is a quality that is possessed by some of the greatest leaders in our country.

THE PEOPLE BY REPRESENTATIVES.

The people by representatives is a phrase that has been used to describe the system of government in the United States. It is a system in which the people elect representatives to serve in the legislature. The representatives are responsible for making laws that will benefit the people. The system of government in the United States is a representative democracy, and it is a system that is designed to protect the rights of the people.

THE PRIVATE SECTOR.

The private sector is the part of the economy that is owned and operated by private individuals. It is the part of the economy that is not owned and operated by the government. The private sector is responsible for the production of goods and services, and it is the part of the economy that is most responsive to the needs of the people. The private sector is a vital part of the economy, and it is a sector that is essential to the well-being of the people.

THE CULTURAL REVOLUTION.

The cultural revolution is a movement that is taking place in our country. It is a movement that is characterized by a desire to change the way things are done. It is a movement that is characterized by a desire to change the way things are done. It is a movement that is characterized by a desire to change the way things are done. It is a movement that is characterized by a desire to change the way things are done.
GRANDALL INDICATED
W. C. T. U. FINDS IN HIS FAVOR

A complete and convincing evidence for Grandall's claim for inclusion in the list of those entitled to the benefit of the W. C. T. U. was discovered by an investigation of the records of the New Mexico State Prison. It has been established that Grandall was a member of the state penitentiary at the time of his arrest for the crime of murder. This fact serves to confirm the claims of the W. C. T. U. that Grandall is entitled to their protection and assistance.

MINING IN NEW MEXICO

SANTA FE COUNTY.

There is a report of a large deposit of copper ore at the site of the recently discovered mine near Santa Fe. The ore has been identified as a high grade variety of the metal, and mining operations are expected to commence at an early date. The deposit is located in the White Mountain area, and the company that has purchased the property is already making preparations for the necessary equipment and machinery.

ALAMOGORDO HAS SUBIRRIGATION

Alamogordo, Aug 22, A. M. - Subirrigation will be carried out in the near future on a large scale at Alamogordo. The project is being sponsored by a local group of farmers who have been extensively studying the possibilities of water conservation in the area. The subirrigation system will consist of a network of canals and pipes that will distribute water to the fields, allowing for more efficient use of the scarce water resources.

CONCERNING OUR SCHOOLS

According to recent reports, schools in Alamogordo are preparing to open for the fall semester. The district has received an increase in funding and is planning to offer a wider range of courses, including vocational training. The administration is also working on improving the facilities and ensuring the safety of the students.

LOUDERGOF'S CONTRIBUTION

Cloudcroft, N. M., Aug 23 - A generous contribution has been made to the Cloudcroft Public Library by Mr. L. M. L. L. L. The donation will be used to purchase new books and expand the library's collection. The library is grateful for the support and is planning to use the funds to benefit the community.

FOUNDING OF THE PLIPE COUNTY

TEE OF THE W. C. T. U.

The organizing of the W. C. T. U. in the Phipps County area has been successfully completed. The first meeting was held on Saturday, August 22, and a charter was issued to the organization. The members are now planning to establish a headquarters and begin the work of promoting the interests of women in the community.

INTEREST ALIVE FOR BIG FAIR

Water Valley, Aug 22, - The excitement for the upcoming fair is building as the organizers prepare for what promises to be a spectacular event. The fair will feature a variety of activities, including a rodeo, a parade, and a carnival. The community is looking forward to the festivities and the opportunity to come together.

PUMPKIN PIE AT MAXWELL

Eaton, Aug 22, - The annual pumpkin pie contest at Maxwell has been concluded, and the winner was announced yesterday. The pie, prepared by Mrs. J. A. Maxwell, was judged the best in the contest. The event is a popular tradition in the community and attracts a large crowd every year.

DAILY DOINGS AT DEMING

Deming, N. M., Aug 22, A. M. - The city council has approved a budget for the upcoming fiscal year. The budget includes funds for infrastructure improvements and community services. The council is committed to ensuring the well-being of the residents and the continued growth of the city.

TOMATO BREADS OVER

Rio, Aug 22, - The annual tomato bread festival has been held in the town of Rio. The event is a popular tradition and attracts a large number of participants. The festival includes a bread-making competition and a parade. The town is proud of its tomato heritage and is committed to preserving this cultural legacy.

FLYING IS FABULOUS

Steve Johnson, a local pilot, has been praised for his exceptional flying skills and his dedication to the sport. Johnson has been flying for several years and has gained a reputation for his expert handling of the aircraft. The community is proud of his achievements and his contributions to the aviation community.
A NEW IMPETUS.

London, Jan. 18—Great Britain and France formally announce that they have transferred their complete naval forces from the Mediterranean to the Atlantic. The British fleet, comprising five battleships, five monitors, and several destroyers, has been gradually increased by the addition of two cruisers and a number of destroyers, which have been added to the British navy since the beginning of the war. The French fleet, comprising seven battleships, six cruisers, and several destroyers, has been gradually increased by the addition of two cruisers and a number of destroyers, which have been added to the French navy since the beginning of the war. The British and French fleets will now be used to defend the British and French coasts against any hostile attack. The new British and French fleets will be used to defend the British and French coasts against any hostile attack. The new British and French fleets will be used to defend the British and French coasts against any hostile attack. CIVIL WAR.

A CHARMING EVENING.

A PLEASANT EVENING.

RECEPTION.

THURSDAY, AUGUST 29, 1912.

Nature's essence - Extracted from Perforated Plants.

GET RID OF RHEUMATISM

Bathing with benefit. Shining the affected part, the application of a cold compress, or an application of heat, are but the first steps. Get rid of the cause, better it, and symptoms will go.
Columbus, O. Aug. 21—With the
coming of the two-year deferment
period, the jury law will be in
force for the first time in the
history of the state. The jury
list is now complete and jurymen
will be selected for the first
time in the history of the state.

The jury law was passed by
the legislature last year and
becomes operative today. The law
provides that all men who have
voted in the county in the last
two years shall be eligible to
serve on juries.

The law also provides that
all men who have served on
juries in the past two years shall
not be eligible to serve again
in the same county for two
years.

The law was passed in order
that men who have served on
juries in the past two years
might have a chance to rest and
recover before being called
for service again.

The law also provides that
men who have served on
juries in the past two years
shall not be eligible to serve
again in the same county for
two years.

Wayside Jottings.

MAY HAVE MOON FACTORY.

There are no indications that the past week was a quiet one at the moon factory. There was a great deal of work there, and the men were busy day and night. The moon factory is said to be the largest in the world, and it is reported that the men there are working overtime to meet the demand for the product. The moon factory is owned by the Government, and it is reported that the men there are working overtime to meet the demand for the product.

SUNSHINE MAKES PASTURE.

There is a great deal of sunshine in the pastures. Some of the farmers have been busy planting their crops, and they are doing a good job of it. The pastures are in fine condition, and the farmers are sure to have a good crop. The farmers are doing a good job of it.

SOMETHING TO DO WITH THE MOON.

There is a great deal of something to do with the moon. Some of the men have been busy planting their crops, and they are doing a good job of it. The pastures are in fine condition, and the farmers are sure to have a good crop. The farmers are doing a good job of it.
