Dr. Asa B. Stone is a faculty member of the School of Communication, Humanities, and Social Sciences at Central New Mexico Community College. They are also an affiliate faculty of the UNM Resilience Institute.

BUILDING COMMUNITY RESILIENCE

FROM AN ENVIRONMENTAL JUSTICE LENS

What could learning look like when we center learning on community resilience and wellbeing? Grounded on principles of social ecological resilience and community engaged research, environmental justice scholar, Asa B. Stone, explores the role of education as a restorative practice through an ongoing community-driven project with the Native American Community Academy and the UNM Resilience Institute.
