

**Report to the Dean & Faculty Senate: Associate of Science, Nursing**

Matthew D. Mingus  
*Faculty Senate Curriculum Committee Chair*

The University of New Mexico – Gallup’s Associate of Science degree program in Nursing was recently reviewed at the 24 March 2017 meeting of the Faculty Senate Curriculum Committee. In a unanimous decision, and after carefully examining the material submitted by the Division of Arts & Sciences, **the Committee decided to accept the AS in Nursing program review in its entirety.**

The program review was well-written, included all required materials, and made exceptional use of data. The AS in Nursing is clearly one of our campus’s most successful programs, and the Committee hopes that they continue to improve on that success.

A handwritten signature in black ink, appearing to read 'Matthew D. Mingus', with a horizontal line extending to the right.

Matthew D. Mingus  
Assistant Professor of History  
Faculty Senate Curriculum Committee Chair
