AREA OF NONCOMPLIANCE	PLAN OF ACTION TO BE TAKEN	TIME LINE FOR ACTION	DOCUMENTATION TO BE SUBMITTED (Projected Submission Date)
#1: Documentation must be provided that memorandums of understanding are current for all fieldwork sites. (2006 OT Master's Level Standard B.10.9)	The program is in the process of developing a computerized system that automatically reminds us 3 months in advance of when memorandums of understanding need to be updated for sites.	To be completed by May 2012	Description of our revised system that triggers 5 year reviews for all contracts that need updates.
#2: Documentation must be provided that memorandums of understanding are reviewed at least every five years by both parties. (2006 OT Master's Level Standard B.10.10)	The same system identified in #1 will also automatically trigger a review of memorandums of understanding every five years. This will apply to all memorandums of understanding, even if the agreement is technically evergreen.	To be completed by May 2012	Description of revised system as described for #1.
