Admission Procedures

Prior to registration, all students must be admitted to the University or be eligible to register as a returning student from enrollment in any of the previous three semesters. Application deadlines are listed in the semester calendar in this edition of the Schedule of Classes. Once the student has been admitted and receives registration information, the student may proceed with registration at the appropriate time. For Summer, new and readmitted students may begin registering May 1, 2006. Returning students who have attended another institution during any of the last three semesters must submit a transcript to the Office of Admissions. For additional information on admission or readmission, please contact the Office of Admissions located in the Student Services Center or call (505) 277-2447.

Academic Advisement

All freshmen, undergraduate transfers (with 26 or less transferable hours), College of Education and School of Engineering students are required to receive academic advisement each semester. All students in the College of Arts & Sciences who have 80 or more earned hours must see their advisor in Ortega 251 before they will be cleared for registration. Students must contact their College Advisement Center listed on page 27 of this publication. **All students who are admitted or transferred into University Studies (BUS Program) are required to receive academic advisement before they can enroll in their first semester.**

Student who have not yet decided upon a major, may receive academic advisement from the University College Advisement Center (see page 27).

NOTE

Advisement holds **must** be cleared before you can register via LOBOPhone/LOBOWeb.

LOBOrientation: Freshman Orientation, Advising and Registration

All beginning freshman and freshman transfer students (26 or less transferable hours) are required to attend an orientation session during which they will register for classes. Special programs are available to meet the diverse needs of our new students, including non-traditional student populations. At a comprehensive orientation session, students will have academic advisement, interact with UNM students, staff and faculty, and will learn about important UNM services and life as a UNM student. See page 14 for additional information about LOBORientation.

Registration

Registration information for **new** and **readmit** students will be mailed from the Admissions Office.

RETURNING students can access the schedule of classes at my.unm.edu; student life; class schedule.

Between April 17 and April 28, 2006, pre-registration by appointment for Fall Semester is available to undergraduate, graduate or non-degree students enrolled for any of the three previous semesters. See page 1 for appointment days.

NOTE

During appointment registration, students are allowed to register for a **maximum** of 18 credit hours. Students may register for more than 18 hours beginning August 1, 2006. Students must be cleared for the overload by the Academic Advisement Center of their intended major.

Registration Exceptions

The only registration transactions that will be processed in the Records and Registration Office, SSC Room 250, are the following:

Closed Classes: An Enrollment Authorization Form (yellow card) with instructor's signature is required. The instructor for the course can also enter an override for registering for a closed class. The student must still register for the course, after the instructor has provided the override.

Audit Classes: An Enrollment Authorization Form (yellow card) with instructor's signature is required.

Introductory Studies: Any student required to take Introductory Studies (English, Math or Reading) should contact the University College Advisement Office prior to registration.

Undergraduates in Graduate Courses: Any undergraduate student who wishes to enroll in any course numbered 500 or above must provide proper documentation, Graduate Credit Authorization (Green Card). Please see page 10 for details.

Disabled Students: Students requiring special assistance.

Management Students: Students wishing to enroll in a restricted Management class, and who are not admitted to ASM, must see the ASM Academic Advisement Center.

Non-Degree Credit Students

To apply, complete and return a non-degree admission application and a \$10.00 fee to: The University of New Mexico, Admissions Office, Student Services Center, MSC06 3720, Albuquerque, New Mexico, 87131. Students may call (505) 277-2447, or toll free at 1-800-225-5866, to request an application. The Non-Degree application may also be downloaded from The University of New Mexico web site at <http://apply.unm.edu>.

Non-degree students can seek advisement at the University College Advisement Center located in the Student Services Center, Room 114. Office hours are Monday through Friday 8:15 a.m. to 4:15 p.m. Extended hours may be available. For additional information, please call (505) 277-2631 or email ucac@unm.edu.

To register for classes use LOBOPhone/LOBOWeb. Non-degree students are limited to registering for a maximum of 9 semester hours per semester. Permission and clearance for more than 9 hours must be obtained through the appropriate advisement office.

LOBOPhone/LOBOWeb Registration

All registration is conducted by LOBOPhone/LOBOWeb. Complete the worksheet provided on page 4 before using LOBOPhone/LOBOWeb. See registration exceptions on page 2.

LOBOPhone voice response/**LOBOWeb** web application system will guide you through the registration process. To use

LOBOPhone please use a touch-tone telephone and deactivate call-waiting. Failure to do so may disrupt the process. (See White Pages or contact your phone company representative for instructions).

Accessing Your Account

To access via the Web you will need your Net ID and password. This is the same as you access your UNM email account.

If you don't have a UNM Net ID, please go to countdown.unm.edu to establish your Net ID and password.

To access LOBOPhone, you will need to have your UNM ID number (this is not your social security number). Your UNM ID number is the 9 digit number assigned to you by the university) and six digit numeric PIN. Please call 505-338-7900 and follow the instructions.

If you have used the system before, the PIN to use is the one you *established* upon your first call to **LOBOPhone/LOBOWeb**.

If you have forgotten your PIN or have entered it incorrectly three times, you must contact the Records and Registration Office, SSC Room 250, or (505) 277-2916 for instructions to reset your PIN. You will be prompted to establish a new PIN on your next call. At the prompts, enter your UNM ID and PIN. Select the menu option you want to access and follow the directions provided by the system. To reset your Net ID password go to my.unm.edu and click on reset password.

Special LOBOPhone/LOBOWeb Notes

PREREQUISITES/COREQUISITES CHECKS

Beginning with the Fall semester of 2006 the university will check prerequisites for all 100 and 200 level courses. Corequisite checking will occur for all 100-499 courses. Prerequisite/corequisite checking for Chemistry 301 and 302 and for Psychology 332 and Mgt 480 will also be done. Students will be expected to familiarize themselves with the requirements for the courses in order to plan their course scheduling accordingly.

CLOSED CLASSES: TWO OPTIONS

The instructor of record for the course may do one of the following to allow you into a closed course.

1. If the class is closed, they can place a capacity registration override on your student registration. You will need to provide the instructor with your name, (first and last), and the CRN for the course and specific section number. When the instructor

places the override clearance on your student account for registration, **you** must register yourself for the course. The instructor does not register you for the course, they are granting **you** permission to register yourself via LOBOPhone/LOBOWeb.

2. If a class is closed, an Enrollment Authorization Form (yellow card) with appropriate signatures must be brought to the Records and Registration Office, SSC Room 250, to process enrollment in the closed class, prior to the published deadline.

RESTRICTED CLASSES

If a course section is restricted you must see the instructor of record for permission to register for the course. If the instructor of record grants you the override approval, they will put it in via computer. The instructor of record will need your first and last name and the course you are requesting the restriction override for. When the instructor places the override clearance on your student account for registration, **you** must register yourself for the course. The instructor does not register you for the course, they are granting **you** permission to register yourself via LOBOPhone/LOBOWeb.

SPECIAL APPROVAL CLASSES

If a course section requires special approval, you must see the individual or office that is listed or spoken when trying to register for the course or referred to in the online class schedule. Once special approval permission is granted, the student **will be required** to register for the course. The special approver **will not** register the student for the course.

CANCELLED AND RESCHEDULED CLASSES

If a student has registered for a course that is subsequently cancelled, or cancelled and rescheduled, a notification will be sent to the student's UNM email account. If the course is rescheduled, a student *will not* automatically be registered for rescheduled sections.

SCHEDULE CONFIRMATIONS

A student may obtain a copy of their schedule by printing the screen from the web site, or at the Records and Registration Office, SSC 250.

NOTES

1. LOBOPhone/LOBOWeb **does** check for time conflicts and will not allow students to register for more than one course during one time period.
2. A maximum of 4 credit hours per semester are allowed with the Pass/Fail (CR/NC) option.

Tuition and Fees: Fall 2006

(Subject to change without notice.)

PLEASE NOTE: Students for whom charges are not paid by 5:00 p.m. on August 11, 2006, will be disenrolled from all classes.

Students may not drop a course by simply not attending. Students are responsible for officially dropping or withdrawing from the University through LOBOPhone/LOBOWeb. Students are responsible for dropping courses by deadlines (see semester calendar for dates) to insure proper credit of tuition.

A student's readmission, registration, library or parking privileges, release of official records and other requests may be restricted or denied unless satisfactory financial arrangements have been made for all past due charges. Students registering for classes after August 11, 2006, will not be disenrolled. Late fee of \$30.00 is nonrefundable for students registering on or after August 21, 2006.

The UNM Bursar's Office is converting to a new system July 1, 2006. Summer and prior semester account activity will be brought forward on that date. Please call the Bursar's Office for information about prior balances at (505) 277-5363. As a result of this conversion, fall semester account balance information will not be available using LOBOWeb or LOBOPhone until July 5, 2006. Tuition and fees will not be available prior to this date. Please use the tuition and fee schedule at the Bursar's website to estimate your fall charges.

At this time, tuition and fees
for 2006-2007 had not yet been set.

Please check
www.unm.edu/~bursar/student.html
for updated tuition and fee information.

All Graduate, Law, Pharm D, Dissertation and Medical students pay a \$20.00 GPSA fee per semester (\$40.00 per year).

SENIOR CITIZENS

You qualify for a reduced tuition rate, \$5.00/credit hour, if you are:

- Age 65 or older as of 21st day from the start of the semester;
- A New Mexico resident as defined by the New Mexico Commission on Higher Education (guidelines available in the Office of the Registrar, Student Services Center, Room 261);
- Registering for no more than 6 credit hours; and
- Registering on or after August 21, 2006, for the Fall Semester.

MEDICAL STUDENTS

	Resident	Non-Resident
Tuition and Fee Charge Per Year*	TUITION NOT YET SET	
Curriculum Fee	2,700.00	2,700.00

*Includes \$40.00 GPSA fee **per year**.

Mandatory Medical Student Disability insurance for 2006–2007: \$ 49.00
Mandatory Needlestick insurance fee for 2006–2007: \$ 60.00
Mandatory Microscope fee (1st year) 2006–2007 \$ 100.00

PHYSICAL THERAPY STUDENTS: Physical Therapy students will be charged a curriculum fee of \$275.00 per year, plus an additional curricular fee averaging \$80.00 per semester (\$135.00 maximum per semester).

OCCUPATIONAL THERAPY STUDENTS: Occupational Therapy students will be charged a special program fee of \$275.00 per year.

Tuition and Special Course Fee Payment Deadlines

Students permitted to register for the Fall Semester must pay tuition, fees and all outstanding charges by the following deadlines:

Mail-in Payment Deadline:

must be received by **August 11, 2006**

In Person Payment Deadline:

August 11, 2006 by 5:00 p.m.

MasterCard or Visa Credit Card payments:

Due August 11, 2006 by 5:00 p.m.

LOBOPhone 505-338-7900 (July 5 – August 20, 2006).

Beginning August 21,

Dial 505-246-2020 or

LOBOWeb <https://my.unm.edu> beginning July 5, 2006

Students With Financial Aid: See "Payment by Financial Aid" and "Crediting Financial Assistance to a Student's Account" sections.

NOTICE: Financial Disenrollment

A student's current account balance, including but not limited to tuition, special course fees (regardless of course start date), GPSA fee, parking fines, library lost book, housing, child care, student health, pharmacy, late fees and all outstanding charges, **is due by 5:00 p.m. on August 11, 2006**. Students who fail to pay their current account balance or make adequate financial arrangements with the Bursar's Office on or before **August 11, 2006, at 5:00 p.m. will have their registration cancelled and be disenrolled from all classes**.

Please remember:

- Students registering after July 14, 2006, will not receive a Statement of Account prior to the payment deadline.
- Failure to receive a Statement of Account does not relieve students of responsibility for payment.
- Payment plans for the Fall Semester may be completed online at LOBOWeb beginning July 5th, 2006.
- Financial Responsibility: Students registering on or after August 12, 2006, who do not drop within the posted refund deadlines will be responsible for payment of all tuition and fees.

A student who has been disenrolled may choose to re-register in one of two ways:

1. The student may wait until school starts to re-register on LOBOPhone/LOBOWeb. A \$30.00 nonrefundable late registration fee will be added to the student's account at the time of re-registration.
2. During the week before school starts, the student may choose to pre-pay all tuition and fee charges, and all other charges, including the \$30.00 nonrefundable late registration fee to Cashiers. The Bursar's Office will then process this payment, and open the student's account for re-registration on LOBOPhone/LOBOWeb. Pre-payment of the account allows the student to attempt to register before school starts.

In either case, re-registration into classes is the responsibility of the student. If the student attempts to re-register for a class and that class is closed, the student must follow the procedures outlined earlier in this Schedule of Classes in order to re-register in that class.

Students must officially drop classes by the refund deadline in order to receive a tuition refund. Students withdrawing within the 100% refund period are still responsible for late fees or service charges.

Courses beginning on dates other than those listed above, as posted in the *Schedule of Classes*, are fully refundable if dropped before 20% of the course has been completed. Do not include partial days when calculating 20% of completion. For example, 20% of an eight day course equals 1.6 days. Refund is calculated only if dropped on or before the first day.

Courses five days or less in duration must be dropped on or before the first day of the course to receive a full refund.

Tuition and fees for courses dropped after the above deadlines will not be refunded.

Students who drop classes after above refund deadlines are still responsible for payment of tuition and special course fees.

Refunds for Paid Charges

All tuition and special course fee charge adjustments are based on date of official drop, withdrawal or disenrollment. To receive consideration for a refund of tuition and fees, students must complete LOBOPhone/LOBOWeb drop procedures for their classes.

Immediate cash refunds are not given for withdrawal from the University, or for reduction in paid credit hours. If a refund is due and payment was made by check, there may be a 21-day hold period from the payment receipt date before refund is processed. If paid by credit card, refunds will be credited to the original charge card.

If not paid by credit card, a refund check should be requested by calling the Cashier Department. A refund check will be mailed to the student's current system mailing address. Please

confirm your mailing address using LOBOWeb and clicking on the Demographic Self Service (DSS) link.

Methods of Payment

Payment by Mail:

You may mail your check or money order payable to UNM. If you are using the U.S. postal system to mail us your payment, please address it to:

UNM Bursar's Office
MSC06 3660
1 University of New Mexico
Albuquerque, New Mexico 87131-0001

If you are using a private company, such as United Parcel Service (UPS) or Federal Express, to send us your payment, please address it to:

The University of New Mexico
Bursar's Office
Student Services Center, Room 170
Albuquerque, New Mexico 87131-3036

Payment must be received by August 11, 2006.

Express or Overnight Mail: Must be received in the Bursar's Office by the close of business **August 11, 2006, 5:00 p.m.** to ensure credit by deadline.

Drop Box: Students may use drop box located in the wall directly to the right of the Cashiers Office windows (next to pay phones). *No Cash Please.* **Deadline is August 11, 2006, 5:00 p.m.**

Payments received by mail or drop box will first be applied to any and all previous semester balances. No receipts will be mailed unless a stamped self-addressed envelope is provided with the payment envelope.

NSF or returned checks will result in disenrollment from classes.

Payment by Telephone: Mastercard and Visa (505) 277-4748

Credit card payments may be made during Cashier department hours of operation. **On Friday, August 11, 2006, payments can only be made until 5:00 p.m.**

NOTE

Mastercard and Visa are the only credit cards accepted for payment of tuition and fees at the University.

Payment in Person:

Pay tuition and fees in person at the Cashiers Office (Student Services Center) from 8:00 a.m. to 5:00 p.m., Monday through Friday. **In-person payment deadline is August 11, 2006.**

Payment by Financial Aid:

Financial Aid disbursement starts with first day of classes.

- Student charges for any services, sales or fines will be collected from the first source of financial aid (grants, scholarships or loans) even if due date is later than aid release date.
- **Students registering after July 14, 2006, at 5:00 p.m. will not receive a statement of account or notification of required payment.**

- Students registering after July 14, 2006, can check LOBOPhone/LOBOWeb to obtain information as to required payment and anticipated financial aid.
- It is the student's responsibility to visit the Student Financial Aid Office, if a delay in completion of your financial aid application delays any awards. If your awards are not sufficient to cover your current due, will need to set-up a payment plan in the Bursar's Office in order to avoid disenrollment, or pay the balance of your current due by the disenrollment deadline.
- College Work Study awards will not be considered in arranging for payment.
- Paperwork for Graduate Assistants, Teaching Assistants, Research Assistants, and any Student Payment forms must be received in the Financial Aid Office by **August 11, 2006**, to avoid disenrollment. Late registrants must pay a \$30.00 nonrefundable late registration fee.

If you have been exempted from disenrollment based on financial aid and you decide not to attend UNM, you must officially withdraw through LOBOPhone/LOBOWeb prior to September 8, 2006. First 8-week courses must be dropped by September 2, 2006.

Crediting Financial Assistance to a Student's Account

Students who receive financial assistance through the programs detailed below will have their awards automatically credited to their accounts beginning on the Friday before classes, if 1) they register and, 2) financial aid has been approved and awarded. These programs include:

1. Federal PELL Grant
2. Federal Supplemental Educational Opportunity Grant (FSEOG)
3. State Student Incentive Grant (SSIG)
4. Federal Perkins Loan
5. UNM 3% Grant
6. Medical Grants and Scholarships
7. Other Grants and Scholarships
8. FFELP Loans
9. LINK Loans

Financial assistance awards will not credit to a student's account until the student registers for the required number of hours, and has met all respective financial assistance program requirements. Students receive refund checks representing any remaining balance after deduction of current and past due charges.

After Financial Aid processes external scholarships, or loans, students must visit the Cashiers Office to endorse the checks. Any refund check, and/or replacement check, will be available in Bursar's Office following completion of your transactions in Cashiers Office. If you do not pick up your refund or replacement check, it will be mailed to the address currently in the student directory system.

Direct Deposit of Financial Aid Refunds

Federal regulations require that all credit balances be disbursed to students in a timely manner. Beginning with the Fall 2006 semester, if you have financial aid that results in a net refund after institutional charges have been paid, refunds will be

directed deposited or a refund check will be mailed. **Students are encouraged to sign up for direct deposit through LOBOWeb beginning July 5, 2006.** Students that have not signed up for direct deposit will have their refund checks sent to the address designated as their mailing address. Please make sure this address is current using the Demographic Self Service link on LOBOWeb.

Restriction of Services and Sanctions

Financial Holds

No transcripts or other information relating to any student records at the University shall be released or delivered to the student or on behalf of the student until all debts to the University and all of its affiliates, including but not limited to New Mexico Student Loans or ICR, have been paid.

Students have the right to inspect and review educational records to the extent that such right is granted by applicable laws and regulations.

Registration Sanction

No student shall register at the University until she/he has paid **all** past due charges. Financial arrangements may be completed on past due charges with the Bursar's Office.

Service Charge on Delinquent Accounts

A service charge will be assessed on a student's past due account balance. An account is considered past due if the **billed** amount is not paid by the next billing date. Pending financial aid exempts students from disenrollment, but does not defer any service charges on student accounts.

Collection Agencies

Monthly statements of account will be made available through LOBOWeb beginning in July, 2006. **Failure to receive a Statement of Account does not relieve student of the responsibility for payment.** If payments or arrangements are not made on a timely basis, the account may be placed with a collection agency. This will result in a collection fee that will be added to the account. Should it be necessary for an outside agency to effect a collection, reasonable collection costs of at least 30% of delinquent amount will be added to the amount due and shall be paid by debtor. If UNM obtains judgement from a court of competent jurisdiction, the debtor shall be liable for the collection agency fee as well as reasonable court costs and attorney's fees.

Withholding Services

Students who have delinquent accounts will be denied privileges and services available to students enrolled in the University and in good financial standing. Students with delinquent accounts will be subject to sanctions that withhold:

1. Future registrations
2. Readmission
3. Transcripts
4. Installment payment participation
5. Future parking and library privileges

Third Party Sponsored Students

If your tuition is being paid by a third party, the Bursar's Office must receive your authorization letter prior to the disenrollment date. For the Fall semester the financial disenrollment will occur on **August 11, 2006.**

Please note the following:

- All charges from prior semesters must be paid.
- You must be enrolled in classes (including second eight-week courses) prior to the financial disenrollment.
- Failure to provide the necessary authorization will result in your disenrollment.
- Sponsored students registering on or after the first day of classes will be responsible for a nonrefundable late registration fee.

Tuition Remission Procedures

Tuition Remission forms and instructions are available from the Human Resources Department or in the Policy and Procedures Manual.

- The Tuition Remission form must be completed and approved each semester and mailed or hand carried to the Bursar's Office, Student Services Center, Room 170, by **August 11, 2006.**
- All prior semester balances or charges must be paid in full.
- You must pay any fees not covered by the Tuition Remission.
- To avoid late fees, the Tuition Remission must be applied and your account paid in full by 5:00 p.m. on **August 11, 2006.**
- You must be registered for approved course by September 1, 2006.
- Employees registering for Fall semester on or after **August 21, 2006,** are subject to the **\$30.00 nonrefundable late registration fee.**

NOTE

Course fees and late fees are not covered by the Tuition Remission and must be paid in full.

Enrollment Requirements for Financial Aid

To receive financial aid, students must generally be enrolled *at least* half-time as a *regular* student in an *eligible* program. Scholarships generally require full-time enrollment. Classes taken as audit are not included toward financial aid enrollment requirements. Award amounts are generally prorated according to enrollment status.

If you have any questions, please contact the Financial Aid Office.

Enrollment Requirements

Undergraduate Students	Full-time 12 hours
	Half-time 6 hours
Graduate Students	Full-time 9 hours
	Half-time 5 hours

Withdrawing from UNM and Returning Financial Aid

If students begin classes at UNM, receive (or were eligible to receive) federal financial aid and then officially withdraw from all of their classes, their aid is adjusted according to federal regulations. Federal regulations state that students earn their financial aid based on the period of time they were enrolled:

Enrolled days divided by total number of days in the term = % of aid earned.

The earned amount is subtracted from the awarded amount and the difference represents the unearned amount that must be returned to the federal financial aid programs.

Amount of aid minus earned amount = financial aid to be returned.

Federal regulations require the repayment of all unearned financial aid, including funds for books and living expenses. Until students repay the required funds, they are ineligible to receive additional financial aid.

Repayment to grant programs is reduced by one-half and funds are returned in the following order:

1. FFELP Unsubsidized Stafford Loan
2. FFELP Subsidized Stafford Loan
3. Federal Perkins Loan
4. Federal PLUS (Parent) Loan
5. Federal Pell Grant
6. Federal SEOG (Grant)
7. Other Financial Aid or Loans

Students who withdraw after attending 60% of the term are not required to return funds.

Students who "unofficially withdraw" from UNM (quit attending classes but do not follow official withdrawal procedures) may have to return all of their financial aid received for the semester. Students are **strongly** encouraged to follow proper official withdrawal procedures to limit their liabilities.

The Financial Aid Office sends letters to students who failed to earn any credits for the semester. These students are required to contact their professors and request that specific information be sent to the Financial Aid Office. There are strict deadlines. Students **must** meet the deadlines. **Aid is cancelled for students who fail to respond to the letters and/or miss the deadlines.** These students must **repay** all of the aid they received. There are no exceptions.

Repayment of aid must be made prior to subsequent disbursement of any type of financial assistance.

Donors determine refund and repayment of institutional, private and third party scholarships.

Employee Dependent Education Program

Students are awarded resident tuition cost only. Fees are not covered under program. Students must pay the balance of fees and register by August 21, 2006. Students on Dependent Education Program registering on or after August 11, 2006, will be assessed the nonrefundable late registration fee.

Students must maintain eligibility in order to continue to receive credit for next semester. Verification of eligibility will be completed by the Human Resources Department. Branch campus rates are available at each individual branch.

For additional information contact the Human Resources Department.

Nonresident Students

The student is responsible for obtaining the correct residency classification determination prior to **September 1, 2006**. A student not classified as a New Mexico resident will be charged as a nonresident. Please refer to Residency Regulations in the *University Catalog* or online at www.unm.edu/~unmreg/. LOBOPhone/LOBOWeb registration informs students as to this classification.

Tuition Payment Plan

Payment of tuition and fees may be deferred under the University's Payment Plan. All deferred charges must be paid in full before a subsequent deferment will be granted. Students receiving any financial assistance will have funds applied to balance of account. Student is required to be registered before setting up a tuition payment plan. Please visit LOBOWeb for additional details.

Registration Changes

All registration changes must be completed using LOBOPhone/LOBOWeb.

Cancellation of Enrollment

To cancel enrollment, all classes must be dropped prior to the first day of class using LOBOPhone/LOBOWeb.

Adding and Dropping Classes

The student is responsible for adding and dropping classes. **Do not expect the instructor to drop a student if the student stops attending class.** See semester calendar for deadline dates.

Dropping Classes after the Sixth Week

Students dropping classes after the sixth week of the semester will receive grades of W/P, W/F or W/NC. Students must drop classes between the sixth and 12th week of classes by LOBOPhone/LOBOWeb. Classes dropped after the 12th week must first be approved (using an Enrollment Authorization Card, "yellow card") by the dean of the college in which the student is admitted and then submitted to the Records and Registration Office, SSC Room 250, for processing. Classes cannot be dropped after the 12th week on LOBOPhone/LOBOWeb. Students dropping all their classes should see "Withdrawal from the University" below.

See the semester calendar for non-16-week course drop dates. **No refunds after 3rd week of classes.**

Withdrawal from the University

A withdrawal is a temporary separation from the University for the current semester only.

Students must withdraw from all classes using LOBOPhone/LOBOWeb and selecting the drop classes on or after the first

day of the semester through the last day of classes. Students may contact the Dean of Students Office, (505) 277-3361 for advisement on withdrawing from all classes.

Students are responsible for all outstanding university financial obligations when withdrawing. See the "Tuition and Special Course Fee Deadlines" and "Withdrawing from UNM and Returning Financial Aid" sections for information.

Students are eligible to register for the following semester if they withdraw. Students who withdraw during the first six weeks of classes will not receive a course or grade notation on their academic record.

Withdrawals initiated after the sixth week of classes (for 16-week courses) will be subject to grades of W/P, W/F or W/NC. The grade of W/F will be calculated as a failing grade in the student's grade point average. All withdrawal grades will be assigned by the professor upon completion of the University withdrawal process. The notation on a student's record will be "withdrew" and the date.

When students leave the University during the semester and do not complete the withdrawal process, they become subject to grades of "F" in their courses, even though they may have been passing at the time they left the University.

No refunds after 3rd week of classes.

Academic Regulations

Academic Renewal Policy

Please refer to the *University Catalog* for this policy.

Course Load Guidelines: Fall and Spring

Undergraduate Students

- Full-time: 12 hours per semester (or more)
- Half-time: 6 to 11 hours per semester

Graduate Students

Full-time status:

1. Full-time graduate students are those carrying 9 hours per semester, or
2. Graduate students who have an assistantship and are carrying a minimum of 6 hours of graduate work, or
3. A graduate student enrolled for 9–12 hours of 699 (Dissertation).

A graduate student has the option of enrolling in one 100- or 200-level class on a Pass/Fail (CR/NC) basis. In no case will such an enrollment count toward graduate degree requirements or be computed in the graduate grade point average (GPA).

If a graduate student with undergraduate deficiencies is required by the major department to take a lower-division class, the Pass/Fail (CR/NC) option is not available.

Half-time status:

A half-time graduate student is one who is carrying at least 5 hours of graduate work.

Course Load Guidelines: Summer

Undergraduates/Non-Degree Students

- a. Full-time: 6 or more credit hours.
- b. Half-time: 3-5 credit hours.
- c. Less than half-time: 1 or 2 credit hours.

Graduate Students

- a. Full-time: 6 or more credit hours.
3 credit hours and an assistantship.
- b. Half-time: 3-5 credit hours.
- c. Less than half-time: 1 or 2 credit hours.

Enrollment Limitations

Students may not enroll for more than 18 hours during a regular semester without Dean's approval. From April 17, 2006, to July 31, 2006, students may not register for more than 18 hours. Beginning August 1, 2006, students may register for more than 18 hours with approval of overload by the Academic Advisement Center of their intended major. Once the semester has officially started, tuition for credit hours over 18 is nonrefundable, and the student will be responsible for the full tuition for the excess hours.

Grading Options

AUDIT

A student may register for a class as an auditor, without credit, provided permission of the instructor is obtained. The student and instructor must sign the Enrollment Authorization form (yellow card) provided by the Records and Registration Office.

After obtaining the instructor's signature, the student must bring the card to Records and Registration, SSC Room 250, for processing. A student has the first four weeks of the semester to change a full-term course to audit status.

Courses taken as audit are charged the same tuition rate as credit courses.

NO CHANGES IN AUDIT OR THE GRADE OPTION STATUS MAY BE MADE AFTER THE FOURTH WEEK OF CLASSES FOR 16-WEEK COURSES. See semester calendar in this *Schedule of Classes* for deadline dates.

GRADUATE CREDIT

With the exceptions noted below, graduate credit may be earned only by a student who is admitted to the University for graduate study and properly registered in classes that have been approved for graduate credit.

Graduate credit cannot be earned by examination, as in the College Level Examination Program (CLEP).

Upper-Division Courses

Graduate students who enroll in upper division classes (300 or 400 level) will receive graduate credit provided:

1. The class is approved for graduate credit and listed in the *University Catalog*.
2. The student is formally enrolled in graduate status.
3. Additional work requirements for graduate students are met.
4. If the class is only available for graduate credit, for graduate students outside the major, the student must file a Graduate Credit Authorization (GCA) card (green card).

Graduate Credit Option for Undergraduate and Non-degree Students

Non-degree students holding an undergraduate degree and advanced undergraduate students may take graduate courses for graduate credit provided they meet requirements and follow procedures listed below:

Non-degree Students

No special action needs to be taken by non-degree (with undergraduate degree) students who wish to enroll in 500-level classes. These classes automatically carry graduate credit.

To receive graduate credit for a 300- or 400-level class, the class **must** carry graduate credit. The student should obtain a GCA card from the Non-Degree Student Services Office. The student must obtain the instructor's signature in the appropriate place on the card. After obtaining the instructor's signature, the student must bring the card to the Non-Degree Student Services Office. The Non-Degree Student Services Office will verify that the class is available for graduate credit and that the student is in non-degree status. The student will submit the GCA, complete with all appropriate signatures, to the Records and Registration Office for proper notation on the student's permanent record. The student must comply with the deadlines for changing grading options. See page 2 for non-degree enrollment limitations.

Undergraduate Students

An undergraduate student who wishes to enroll in a graduate class for graduate credit must first meet the following requirements:

1. Must be within 10 hours of the baccalaureate degree.
2. Must have an overall GPA of 3.0.
3. Seeks no more than 9 hours of graduate credit during that semester.

If these requirements are met, the student should obtain a GCA card from OGS and obtain the instructor's signature in the appropriate place on the card. The student must then obtain a signature from the **advisement office of their undergraduate college** certifying that they meet the above requirements. The student must then bring the card to OGS who will verify that the course is available for graduate credit and that the student is in undergraduate status. OGS will sign the card, and the student must bring the green card to the Records and Registration Office for processing. The class(es) taken will apply toward an advanced degree after completion of the baccalaureate degree. **The same class cannot count for both graduate and undergraduate credit.** Both non-degree and undergraduate students must comply with the deadlines for changing grading options. No changes will be permitted after these deadlines.

Undergraduate Credit in 500-Level Classes

Although classes numbered above 500 are normally open only to graduate students, **senior students with GPAs of 3.0 or higher** may receive undergraduate credit. They must obtain approval in advance from the instructor concerned, the chair of the department and the dean of their undergraduate college. **If taken for undergraduate credit, such courses cannot later be applied to a graduate degree. Undergraduates may not enroll in graduate problems for undergraduate credit.**

GRADE REPLACEMENT POLICY

Undergraduate classes taken in Spring 1991 and thereafter may be repeated to improve a student's GPA. See the *University Catalog* for additional information.

INCOMPLETES

Students **should not** re-enroll or re-register (for credit) in a course in which an incomplete has been received in order to resolve the "I" (incomplete) grade. If an instructor requires the student to repeat the class in order to resolve the Incomplete, the student must register for the course on an **audit** basis.

Incomplete grades received Summer 2005 and after must be resolved no later than one year (twelve months) from the published end day of the semester in which the grade was assigned. Incomplete grades not resolved within the time frame stated in this policy will be converted automatically to a F (failure) grade.

Incomplete grades received prior to Summer 2005, must be resolved by the published ending date of the next semester in attendance, or within the next four semesters, if the student does not re-enroll in residence. An Incomplete may be resolved even though a student is not enrolled in residence. Incomplete grades not resolved within the time frames stated in this policy will be converted automatically to F (failure).

PASS/FAIL (CREDIT/NO CREDIT)

1. This grading option is open only to undergraduate and non-degree students enrolling in non-major classes.
2. Students enrolled under this grade option will receive a grade of "CR" upon successful completion of the class or a grade of "NC" if the class is not successfully completed.
3. A maximum of 4 credit hours per semester are allowed with a Pass/Fail (CR/NC) option.
4. The deadlines for changing the Pass/Fail (CR/NC) grading option are listed in the semester calendar.

Introductory Studies Courses (IS)

Required enrollment in IS Courses is based on minimum standards of performance on individual tests of the ACT or SAT.

Class	ACT Score	SAT Score
ISE 100	≤ 18 in English	≤ 440 Verbal
ISM 100	11-18 in Math	220-440 Quantitative
ISR 100	≤ 17 in Reading or ≤ 18 in Science Reasoning	≤ 900 Combined

A grade of "CR" is required for satisfactory completion of these classes. Students must complete these classes before proceeding to higher level classes or enter a degree granting college. Consult your academic advisor for guidance.

Special Information for Students Address Changes

Students are required to keep the University informed of their current address. Students needing to change their address must update it online at <http://my.unm.edu>.

Campus Security YOU MAKE THE DIFFERENCE

Your safety and security are of prime concern at the University of New Mexico, and we at the UNM Police Department are working hard to ensure the campus is a safe place to live, learn,

work and play. UNM is not, however, exempt from crime. We are doing our part to prevent crimes, but to be safe and secure, YOU must take common sense precautions, be alert and look out for others. Maintaining an effective police department is a community effort and together we can ensure UNM remains safe.

UNM: PART OF A LARGER COMMUNITY

The University of New Mexico Main Campus located in Albuquerque, New Mexico is a community of approximately 24,000 students and 13,000 permanent faculty and staff. Visitors come to our campus to attend lectures, symposia, concerts, plays, sporting activities and other events. Our 769-acre campus is surrounded by the City of Albuquerque, a metropolitan area with approximately 640,000 residents. Even with our large and constantly changing population, we have maintained an extremely low crime rate.

HOW UNM PROTECTS YOU

The UNM Police Department is here to protect you and offers numerous services to ensure your safety.

The UNM Police Department is open 24 hours a day, 365 days a year to respond to your needs. All UNM police officers are required to meet state certification standards mandated by the New Mexico Department of Public Safety. UNM Police officers are commissioned by the University of New Mexico Board of Regents [Section 29-5-2 NMSA 1978 (1997 Repl.)]. They have full power of peace officers on campus, including the authority to enforce all applicable laws, ordinances and campus traffic regulations and the authority to arrest. Officers are also commissioned through the Bernalillo County Sheriff's Department.

The UNM Police Department investigates complaints of on-campus criminal activity, working closely with the District Attorney's Office to ensure effective prosecution. Through an agreement with the Albuquerque Police Department, UNM Police enforce Federal and State laws and regulations in the fraternity/sorority and student family housing areas.

UNM Police encourage students, faculty, staff and visitors to promptly report all crimes. Crimes occurring on campus should be reported to UNM Police at (505) 277-2241. Crimes committed off the UNM Campus should be reported to the appropriate police agency (Albuquerque Police Department, Bernalillo County Sheriff's Office, etc.).

In an emergency you may dial 911. The 911 system automatically traces the location of all calls, which enables officers to respond even when a caller cannot provide the location. When you are on campus and dial 911, your call will be received by the UNM Police Department, and if you are off-campus, the

UNIVERSITY OF NEW MEXICO CAMPUS POLICE

Dial 911:

For on-campus emergencies, UNM police will respond.

505-277-2241

To report non-emergencies or other security issues.

call will be received by the Albuquerque Police Department. Outside of the Albuquerque Metro area, you will reach the appropriate law enforcement agency where the 911 System is utilized.

Special telephones providing emergency services for the deaf are placed at various locations on the UNM campus. The University Police Department is equipped with a Telephone Device for the Deaf (TDD), (505) 277-0888 for 24-hour service.

Emergency telephones which are direct lines to the Police Communications Office are located throughout the UNM campus. You may use the emergency telephone by opening the telephone box and pressing the button. The Police Dispatcher will answer the phone promptly, and you will be able to relate the nature of the emergency. Also, a blue light over the telephone will flash for the duration of the call to assist emergency personnel in locating the caller. We ask that you call (505) 277-2241 to report non-emergencies. Emergency telephones will not enable you to make calls other than directly to the Police Dispatcher as an **EMERGENCY**.

CRIME PREVENTION PROGRAMS

We also offer several crime prevention programs designed to keep you safe. Services are available free of charge.

- **ALARM SYSTEM.** We operate a computerized intrusion and fire alarm system to monitor facilities throughout campus to enhance personal and building security.
- **BICYCLE REGISTRATION.** The Police Department strongly recommends that everyone operating a bicycle at UNM have it registered. Registration is free and valid for four years. Bicycle registration is available at the Police Department.
- **CRIME PREVENTION MATERIALS.** Free brochures and other documents regarding crime prevention are available at the Police Department and other campus locations.
- **CRIME PREVENTION PRESENTATIONS.** We conduct crime prevention presentations at new student orientations and other events.
- **CRIME STOPPERS.** Anyone who has witnessed or has information about a crime should call UNM Crime Stoppers at (505) 277-STOP (505-277-7867).
- **ESCORT SERVICES.** We provide 24-hour escort service from the University, either on foot or in a vehicle, within a one-mile radius of the University campus. Assistance is also available for stalled vehicles or keys locked in vehicles. For escort service call (505) 277-2241.
- **LOST AND FOUND.** The Police Department operates the main lost and found service for the University.
- **OPERATION IDENTIFICATION.** We participate in the Operation Identification Program. For assistance, phone (505) 277-2241.
- **VICTIM/WITNESS ASSISTANCE PROGRAM.** Contact (505) 841-7020.

CRIME REPORTING

The UNM Police Department encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under State law, the UNM Police Department cannot hold reports of crime in confidence. Confidential reports for purposes of inclusion in the annual disclosure of crime statistics can

generally be made to other UNM campus security authorities. Confidential reports of crime may also be made to UNM Crime Stoppers at (505) 277-STOP (505-277-7867).

CAMPUS SAFETY COMMITTEE

A Campus Safety Committee has the responsibility to study and make recommendations on improving campus safety. Safety suggestions should be submitted in writing and turned in to the Dean of Students Office, Room 280 at the Student Services Center, or call (505) 277-3361.

ACCESS TO CAMPUS FACILITIES

We strive to make our campus safe by limiting access to buildings after hours. Buildings on campus are generally open during regular business hours, when class is in session and for special events. Persons authorized to remain in a building after closing time are required to have proper identification at all times. Police and security personnel conduct frequent internal and external checks of buildings on campus.

Entry to Student Family Housing is controlled by code access through an electronic gate. Security guards are on duty during the evening hours to ensure the safety and security of the complex and residents.

UNM maintains nine residence hall complexes on campus. Residence Hall perimeter doors are secured each evening, and entry is controlled by key access. Each complex has evening on-duty staff to respond to resident needs and the student Residence Center Desk is open 24 hours, seven days a week and serves as a service and emergency contact point for residents.

Resident advisors are available around the clock in each unit to assist students. New residents are briefed on UNM and residence hall policies and on crime prevention techniques at orientation/floor meeting held for residents at the start of the semester. Further information can be obtained from the Residence Hall Handbook.

DRUG AND ALCOHOL POLICY

The University of New Mexico's policy on illegal drugs and alcohol clearly states the standard for a Drug Free, Alcohol-Free campus. The unlawful manufacture, distribution, dispensing, possession or use of controlled substances or alcohol on UNM property as part of any activity by any member of the University community—faculty, staff or student—is strictly prohibited. Federal and State laws relating to controlled substances and alcohol are enforced by the UNM Police Department. The University enforces the State of New Mexico underage drinking laws and therefore does not permit the possession or consumption of alcoholic beverages by people under the age of 21.

As a condition of employment or enrollment, all UNM employees and students are required to abide by the terms of the policy. Violation of the policy will result in disciplinary action up to and including employee dismissal or student expulsion and/or participation in an approved substance abuse treatment or rehabilitation program.

Recognizing the dangers of substance abuse in the work place, UNM uses alcohol and drug-free awareness programs to inform the community of the issues and risks of substance abuse.

WEAPONS POLICY

With very few exceptions, employees, students and visitors are not permitted to use or possess weapons on any part of campus. A weapon includes, but is not limited to, firearms; ammunition or other dangerous weapons, substances or materials; and bombs, explosives or incendiary devices.

Persons who have such weapons in their possession must deposit them with the Police Department for the duration of their stay at UNM. Any person failing to comply will become subject to appropriate disciplinary and/or criminal action. The UNM Weapons Policy is printed in its entirety in the *UNM Pathfinder* which is available in the Dean of Students Office (Student Services Center). The *Pathfinder* is also available online at <http://www.unm.edu/~sac/pathfind.html>.

SAFETY TIPS

We have instituted many programs at UNM to ensure your safety while on campus, but safety really begins with you. The following are some tips to help protect yourself from crime:

- If you go out for a late night snack or study break, go with a friend, not alone.
- Walk purposefully. Look confident. Watch where you are going. Be alert to your surroundings.
- Use well-lighted, well-traveled routes. Avoid shortcuts through isolated areas.
- Lock all doors and close all windows when leaving your car, whether it's for a few minutes or for several hours.
- Have keys ready when you approach your car. Check the car for intruders before entering and lock your door immediately after getting into your car.
- Always lock your bike or motorcycle when leaving it unattended, even if it's only for a few minutes. Use the U-shaped high security lock whenever possible.
- If you witness a crime call UNM Police immediately.
- List only first initials and last name in telephone directories.
- Hang up immediately on obscene phone calls.
- Don't keep large sums of money in your office, dorm room or apartment.
- Lock doors and windows, even if you're just going out for a minute.

If you are a victim of or witness to a crime, or are aware of any suspicious circumstances, call the campus police immediately.

Emergency Message Service

The Student Activities Center will try to locate students in their classes to deliver an emergency message. The service is available during office hours from 8:00 a.m. to 5:00 p.m. Monday through Friday. Please call (505) 277-7872. Information about a student's class schedule cannot be released.

Grievance Procedure

The UNM Student Grievance Procedure is intended to provide procedures for the resolution of disputes between students and faculty or staff of the University, as well as procedures for handling student disciplinary matters. Any questions about these procedures should be directed to the Office of the Dean of Students. The complete procedure is published in the *UNM Pathfinder*.

Lobo Card and LOBOCASH

The Lobo Card is the official UNM identification card issued to each student. The Lobo Card is issued once and is valid for the duration of a student's college career. It activates and deactivates according to enrollment status. The Lobo Card has no expiration date. A Lobo Card is required for access to library materials, recreational services at Johnson Center, the Student Health Center, meal plans, discounted tickets and admittance to certain facilities on campus.

Students and employees can also use their Lobo Card to access their LOBOCASH declining balance accounts to make purchases at vending machines, the UNM bookstores, SUB restaurants, convenience stores and other campus venues.

Lobo Cards are issued at the Lobo Card Office located in Suite 1077 of the Student Union Building. Non-waiverable and non-refundable replacement fees are in effect for damaged and lost cards. The office can be reached by calling (505) 277-9970. For further information please visit their website: <http://lobo-card.unm.edu>.

LOBORIENTATION:

Fall 2006 Freshman Orientation, Advisement and Registration

All incoming Freshmen and Transfer Freshmen (0–26 credit hours completed) are required to attend one LOBORIENTATION session, except those students who attend a College Enrichment Program (CEP) Orientation. Freshmen will receive a University catalog, academic advisement and will register for classes at LOBORIENTATION. A fee of \$125.00 is charged for LOBORIENTATION and will be added to the student's bill for tuition and other fees. Incoming Freshmen may not register for classes before attending LOBORIENTATION. Freshmen who are beginning classes in a Summer term, should contact the LOBORIENTATION office at (505) 277-3361 to arrange to register for Summer before they attend LOBORIENTATION.

All sessions require advance reservation (see Fall 2006 LOBORIENTATION Calendar). Reservations are accepted on a first-come, first serve basis. Do not make travel plans until your reservation is confirmed. Admitted Freshmen will receive an invitation in the mail after March 27, 2006. Most of the information you will need is in that invitation booklet, including a reservation form. Phone (505) 277-3361, visit www.unm.edu/~nso for online information or e-mail nso@unm.edu for information or for an admitted Freshman who has not received an invitation by April 5, 2006.

Tuition and fees are due Friday, August 11, 2006, except for Freshmen who register at LOBORIENTATION after that deadline. Payment will be explained at orientation.

First day of classes is Monday, August 21, 2006. LOBORIENTATION information and calendar subject to change without notice.

Parking and Transportation Services

UNM Parking and Transportation Services provides parking permits, shuttle transportation and other services to keep UNM moving.

Parking on the UNM campus is by paid parking permit, paid parking meter or paid hourly parking at the Cornell Parking Structure. Permits may be obtained online at www.unm.edu/parking.

Parking Services provides parking regulation enforcement from 7:00 a.m. to 8:00 p.m. Monday through Thursday and from 7:00 a.m. to 6:00 p.m. on Fridays, summer session and academic breaks. This means that valid permit display and meter payment are required during these hours. Parking services does enforce during academic breaks but does not enforce on university holidays.

Our Courtesy Shuttles for the G, T and South parking lots operate from 6:30 a.m. to 10:00 p.m. Monday through Thursday and from 6:30 a.m. to 7:00 p.m. on Fridays, summer session and academic breaks. The Redondo Shuttle operates Monday through Friday from 6:30 a.m. to 7:00 p.m.

For more information on parking and transportation services, visit our website: www.unm.edu/parking.

Retention of Student Transaction Records

Every registration and drop/add transaction that a student completes is either an LOBOPhone/LOBOWeb transaction or an enrollment authorization card. These records are maintained by the University for one year. For example, if a student registers, drops or adds during the Spring semester 2005, these

records are retained until the end of the Spring semester 2006. After this end of semester date, all official UNM statistics are either maintained on the student's academic transcript or on the University's student information system (SIS). No other data recording student's transactions with the University are maintained after the one year time period. If there are questions concerning a student's registration, drop or add transactions after the one year period, only data from SIS or the student's academic record is provided to the student or parties other than the student. The student must authorize the release of such information to any third party (see FERPA regulations).

STUDENT RECORDS POLICY

Approved by the President 4/93 Amended 3/20/96

1. Introduction

Under the Family Educational Rights and Privacy Act of 1974 (FERPA), students have the right to inspect and review most education records maintained about them by the University of New Mexico, and, in many cases, decide if a third person can obtain information from them. Nine categories of information, however, are public (or directory information) unless a student asks that some or all of that information be withheld. It is the policy of the University to comply fully and fairly with the provisions of the Act, Federal Regulations and this policy.

2. Limitations on Access to Student Records

No one inside or outside the University shall have access to, nor will the contents of students' education records be disclosed without the written consent of the students except as provided by the Act and Regulations. Exceptions in the Act and Regulations include but are not limited to the following: personnel within the institution determined by the institution to have a legitimate educational interest, officials of other institutions in which students seek to enroll or are enrolled, persons or organizations providing student financial aid, accrediting agencies carrying out their accreditation function, persons in compliance with judicial orders and persons in an emergency when necessary to protect the health or safety of students or other persons.

3. Students' Right of Access to Review Their Records

A student has the right to inspect and review all education records about him or her except: (1) personal notes (available only to writer or substitute) of University staff and faculty, (2) certain student employment records, (3) counseling records used solely for treatment, (4) certain records of the University Police, (5) parents' financial records, (6) confidential letters and statements of recommendation placed in the records before January 1, 1975, and (7) confidential letters and statements of recommendation for admission, employment, or honorary recognition placed in the records after January 1, 1975, which students have waived the right to inspect and review.

4. Informing Students of Their Rights

This policy will be published in the *UNM Pathfinder* or its successor.

5. Location of Student Records

Student records are not maintained in a central location. Instead, these records are maintained by each office with which a student has contact while enrolled at the University. A

partial list of places where educational records are maintained by various University offices is listed below.

Admissions Office, Director of Admissions, Student Services Center

Career Counseling & Placement, Director, Career Counseling & Placement, Student Services Center

Cashiers & Student Accounting, Bursar, Student Services Center College and Department Offices, Academic Dean, See individual college listing in the course schedule

Dean of Students Office, Dean of Students, Student Services Center

Graduate Studies, Dean, Graduate Studies, Humanities Building

Records Office, Registrar, Student Services Center

Student Financial Aid, Director, Student Financial Aid, Mesa Vista Hall

6. Records Excluded from the Definition "Education" or "Student" Records

The following categories of records are not included in the term "education records" or "student records" under the Act:

- 6.1. Records of instructional, supervisory, administrative and certain educational personnel which are in the sole possession of the maker and are not revealed to any other individual (except a substitute who performs on a temporary basis the duties of the person who made the record).
- 6.2. Records of the University Police. These records are maintained and created by the University Police Department for the purpose of law enforcement. Their disclosure is subject to rules and regulations of the University Police, consistent with applicable law.
- 6.3. Records relating to individuals who are employed by the University which are made and maintained in the normal course of business, relate exclusively to individuals in their capacity as employees and are not available for use for any other purpose. However, it should be noted that records of individuals in attendance at the University who are employed as a result of their status as students are education records and as such may be inspected by the student.
- 6.4. Records which contain only information about a person after that person is no longer a student at the institution, e.g., information gathered on the accomplishments of alumni.

7. Review Policies and Procedures

Requests to inspect and review records must be made, in writing, to the office that keeps the records. Although it is the University's policy that requests to inspect records be honored as promptly as possible, the offices have up to 45 days to honor such requests.

It is the policy of the University to provide the student upon request with photocopies of her or his records where that will help the student in inspection and review of the records unless: (1) the record to be copied is an examination, in which case permission of the faculty member is necessary, or (2) where a student's record is being withheld because of an outstanding financial obligation to the University.

Fees for photocopies of materials in the records are the same as University offices charge for photocopies of other materials.

At its option, an office may furnish copies at no charge, or take the materials to a copy/duplicating center on campus, where the current rate for cash work will be charged.

8. Release Policies and Procedures, University Employees and Agents

The University will not disclose personally identifiable information from a student's education record without the student's written consent, except when it is permitted by the Act and Regulations. As permitted by the Act and Regulations, information will be disclosed without the student's consent to University officials with a legitimate educational interest. These officials or their agents, and their interests, include:

- 8.1. Any University employee who needs the information to fulfill job responsibilities.
- 8.2. University collection agents only for the purposes of collecting debts owed to the University.
- 8.3. Legal counsel advising or representing the University.
- 8.4. National Collegiate Athletic Association and the Mountain West Athletic Conference only for the purposes of conforming to eligibility rules for athletic competition.
- 8.5. Contractors, such as data processing, only for the purposes of performing work under contract for the University.
- 8.6. Honorary societies, and other chartered student organizations, only for determining membership eligibility/requirements, when the societies and/or organizations do not unlawfully discriminate on the basis of race, color, religion, national origin, physical or mental disability, age, sex, sexual preference, ancestry, or medical condition.
- 8.7. University researchers, including students doing research under supervision of a faculty member, if there are safeguards to protect the security of personally identifiable data and if it will not be possible to ascertain the identity of any student in any dissemination of the data or research results.
- 8.8. Officials of cooperating universities in which the student is enrolled.

9. Release to Alleged Victims of Crimes of Violence

The results of any disciplinary proceeding conducted by the University in response to allegations of a crime of violence allegedly committed by a student, shall be disclosed upon request to the alleged victim(s) of such crime of violence.

10. Directory or Public Information Categories

The University, in accord with the Act, has designated categories of information about students as "directory information" which is public unless a student asks to have any or all of it withheld. These categories are:

- Name
- Address (school and permanent)
- Telephone listing
- Electronic Mail Address
- Date of birth
- Major field of study (including current classification, year, credit load and number of academic credits earned toward degree)
- Dates of attendance (matriculation and withdrawal dates)
- Degrees and awards received (type of degree and date granted)

Most recent previous educational agency or institution attended Participation in officially recognized activities and sports, and weight and height of members of athletic teams.

A student wishing to keep confidential the "directory information" listed above must file a written request with the Office of the Registrar. This request may be submitted in person, by mail or fax. Once a confidential privacy flag has been placed on a student's record the directory/public information will not be released to individuals, companies or third party entities outside The University of New Mexico. The confidential privacy flag will not automatically be removed upon graduation from The University of New Mexico. If you have requested a confidential privacy flag, your name will not appear in The University of New Mexico Commencement Program.

The removal of the confidential privacy flag may be requested in person, or in writing by fax or mail. The address is Records & Registration, MSC 06 3650, 1 University of New Mexico, Albuquerque, NM 87131-0001. The fax number is (505) 277-6809. The following information is needed to process the request by fax or mail: student name, social security number and signature.

11. Requests for Disclosure

University offices will maintain a record of disclosures and requests for disclosure of personally identifiable information from a student's record except when the request for disclosure is directory information, pursuant to the student's consent, or is to a school official described in this policy. It is the policy of the University to permit the student to inspect this record of disclosures and requests for disclosure pertaining to his or her records. All disclosures (except for disclosures to the student or disclosures of directory information) shall be made on the condition that the information shall not be further disclosed without the student's consent.

12. Right to Challenge Information in Student Records

It is the policy of the University that a student may challenge any information in his or her education records which he or she believes to be inaccurate, misleading or in violation of privacy. This right does not extend to reviewing grades unless the grade assigned by a professor was inaccurately recorded in the records. A student may also insert a statement in the records explaining any such material from his or her point of view. If a student wishes to challenge information in the file, he or she must make a written request for a hearing to the dean, director, or chairperson of the office which maintains the record. In most cases, the decision of the dean, director or chairperson will be final. However, a student may appeal in writing to the Associate Provost or the Vice President for Health Sciences or their designee, as the case may be, who will review the decision only if a significant question of policy or compliance with the law appears to be raised by the case.

13. Waiver of Rights Not Required

It is the policy of the University that students not be required to waive their rights under the Act before receiving University services or benefits.

14. Assistance with Problems or Questions about Compliance

If a student has questions about the provisions of the Act, he or she may contact the Office of the Registrar.

If a student believes that the University has not complied with the Act, he or she should direct comments concerning this to the Office of the Registrar.

If a student believes that the University has not complied with the Act, written complaints may be filed with the Family Educational Rights and Privacy Act Office (FERPA), U.S. Department of Education, 400 Maryland Avenue, SW., Washington, D.C. 20202-4605, telephone (202) 732-1807.

The Registrar shall either resolve the issue, or shall refer it to the appropriate University body for resolution.

Copies of and information about the Rights and Privacy Act are available in the Records and Registration Office, SSC Room 250.

DISCLOSURE OF INSTITUTIONAL (GENERAL STUDENT BODY) GRADUATION/COMPLETION AND TRANSFER-OUT RATES

The University of New Mexico provides the following information regarding our institution's graduation/completion rates. The information is provided in compliance with the Higher Education Act of 1965, as amended. The rates reflect the graduation/completion status of students who enrolled during the 1998-99 school year and for whom 150% of the normal time-to-completion has elapsed.

During the Fall Semester of 1998, 2,617 first-time, full-time, certificate or degree-seeking undergraduates entered UNM. After 6 years (as of August 31, 2004), 40% of these students had graduated from our institution or completed their programs.

Questions related to this report should be directed to the Office of the Registrar Statistical Reporting, Student Services Building, Room 261, (505) 277-6419.

While reviewing this information, please bear in mind:

- The graduation/completion rate is based on 6 years of attendance that equates to 150% of our longest program.
- We have elected not to report our transfer-out rate because our university's mission does not include providing substantial preparation for students to enroll in other institutions.

Sexual Assault Policy

The University of New Mexico's Student Code of Conduct and Visitors Code of Conduct, which apply to the main campus and all branch campuses and educational center, prohibit "any form of sexual assault including rape." The University has in place a detailed Sexual Assault Policy that defines sexual offenses, enumerates procedures to be followed, lists campus resources, etc. The Sexual Assault Policy is published in the *UNM Pathfinder*.

Sexual Harassment

The University is committed to creating and maintaining a community in which students, faculty, administrative and academic staff can learn and work together in an atmosphere free from all forms of disrespectful conduct, harassment, exploitation or intimidation. The purpose of this policy is to foster a dialogue on positive and effective intergender communication.

tion and interaction and take whatever action may be needed to prevent, correct and, when necessary, to discipline behavior which violates this policy.

In fulfilling its dual tasks of educating and providing public service, the University can, and shall, demonstrate leadership in sensitizing and educating all members of its community to what is appropriate behavior between the genders. Sexual harassment is reprehensible in that it subverts the mission of the University and threatens the careers of students, faculty and staff. It is a violation of Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972 and will not be tolerated at the University of New Mexico.

If you have questions about UNM's Sexual Harassment Policy or believe that you may have experienced sexual harassment, contact UNM's Office of Equal Opportunity at (505) 277-5251.

Student Code of Conduct

It is important for all students to be aware of conduct that will lead to disciplinary action by the University. The Board of Regents has adopted a Code of Conduct for students, which is published in the *UNM Pathfinder*. Types of conduct which shall be considered for disciplinary action are behaviors that:

- are considered to adversely affect the University's educational function;
- interfere with the right of others to the pursuit of their education, to conduct their university duties and responsibilities or to participate in university activities.

Copies of the *Code of Conduct* are available in the Dean of Students Office or can be found on the Dean of Students' web site: <http://www.unm.edu/~doso/>.

Student Health Service

The Student Health Center (SHC) is a one-stop health service available to all currently-enrolled UNM students. This service is funded in part by student fees. The SHC is located on the main campus just north of Johnson Center and across the mall from the Student Union Building. Services include primary medical care, walk-in clinic, pharmacy, women's and men's health, allergy and immunization, medical specialty clinics, physical therapy, lab and x-ray, travel health clinic, Counseling and Therapy Services (CATS), health education and prevention and a student health advisory committee.

Students are not required to have health insurance to be seen at the Student Health Center. Fees charged at the SHC are much lower than community rates. Students enrolled for less than 6 credit hours will pay a higher visit fee. Eligibility guidelines change in the summer; call for clarification.

The SHC is an approved provider for Lovelace Sandia, Presbyterian, and United Healthcare (UNM plan only). Students enrolled in HMO plans should check with the SHC Insurance Specialist about choosing the SHC as their primary care provider. For students who do not have health insurance, the University provides a supplemental health and accident insurance policy. (For more information, see Student Health and Accident Insurance below.)

Students are encouraged to arrange appointments in advance. Please arrive 15 minutes early for medical appointments to complete the necessary paperwork and to check-in at the

reception area. Medical and Counseling and Therapy appointments and services are available Monday–Friday, 8:00 a.m. to 5:00 p.m. On Tuesdays, the SHC is closed from 8:00 to 9:00 a.m. The Center is closed on all official university holidays.

To schedule a medical appointment, call (505) 277-3136; for counseling and therapy appointments, call (505) 277-4537. Students may also be seen on a non-appointment basis for urgent care.

For more information call (505) 277-3136 or visit the SHC web site at: www.unm.edu/~shc1/.

Student Health and Accident Insurance

Students are not required to have health insurance to be seen at the Student Health Center. However, the SHC recommends that all students have insurance to help defray the costs of health care. The University provides a student-chosen health and accident insurance policy for students enrolled for 6 or more hours per semester. The plan provides for hospital, surgical and outpatient medical care beyond that provided by the UNM Student Health Center. The policy is geared to the needs of UNM students and provides coverage for a semester or a 12-month period regardless of geographic location. Dependent and spouse coverage is also available. The Student Insurance Plan also offers optional dental coverage. An Insurance Specialist, located at the Student Health Center, is available to assist students with insurance claims and other insurance issues.

The University requires all international students and their dependents to have health insurance coverage while enrolled. The UNM student health and accident insurance policy will meet this requirement.

Veterans Administration Education Programs

The University of New Mexico is approved for certification of students eligible to receive educational assistance through the Veterans Administration. To make application for VA benefits or to initiate benefit payments, eligible students must contact the UNM Veterans Office **each term of enrollment**. The Veterans Office is located in the Student Services Center, Room 257. For additional information call (505) 277-3514. Advisement counseling is available to assist students in selection and development of a program of study.

Special Student Programs International Student Exchange

UNM students may study at designated foreign universities while remaining enrolled at UNM and paying UNM tuition. Students eligible for financial aid may apply funds towards these programs. Participants receive direct or transfer credit for the academic work completed abroad. Students on exchange programs **may not** use time spent on the program to fulfill their 12-month durational requirement for in-state residency purposes.

The University Office of International Programs and Services (OIPS) administers student exchanges with these universities:

Students from UNM exchange places with students from selected universities for one semester or one academic year. Advisement is available for students planning to directly enroll in a foreign university as well. Our office is located at 2111 Mesa Vista Hall, telephone (505) 277-4032.

Students are encouraged to contact their respective colleges and departments to research additional study abroad possibilities that may be offered.

Information meetings are held in the Fall and Spring Semesters for interested students planning on participating the following academic year.

A number of UNM departments also offer short-term international trips, summer programs, and volunteer and service learning opportunities. Information is available on the web site at www.unm.edu/~studyabd.

LATIN AMERICAN AND IBERIAN INSTITUTE STUDY ABROAD OPPORTUNITIES

The Latin American and Iberian Institute announces various options for studying in Mexico, Central America, South America (including Brazil), and Spain. Students may attend either a One-on-One Exchange and pay UNM tuition before they go (scholarships apply), or may attend Short-Term programs lasting between 2-6 weeks and pay tuition directly to the program (cannot use scholarships). Financial Aid is available for most programs. Students are responsible for all travel, housing (approximately \$500 per month, including meals, with a family), medical insurance, books, and incident-

tal expenses. Tuition fellowships are available for Short-Term Summer sessions. Spanish (or Portuguese in Brazil) fluency required for One-on-One Exchange programs unless noted. One-on-One exchange students must have a GPA of 3.0 and have completed 50-60 credit hours. Credits will be transferred to UNM upon receipt of host university transcript and after students secure equivalencies from departmental advisors. Application deadlines are February 15 for the Fall Semester or October 1 for the Spring Semester.

National Student Exchange

The National Student Exchange (NSE) offers UNM students an opportunity for educational travel and study at approximately 180 participating colleges and universities across the United States and Puerto Rico. NSE permits students to broaden their academic, social and cultural awareness by temporarily leaving the familiar atmosphere of home town and home campus.

Participants must be full-time students with a minimum cumulative grade point average of a 2.50 who have completed two semesters prior to exchange. There is a one time application

fee of \$150. Additionally, the student must be in good discipline and financial standing with the University.

NSE students pay full-time tuition to the University of New Mexico (Plan B) before leaving for their host school. Most UNM financial aid/scholarships will apply for tuition. Expenses for room and board, transportation to and from the host campus and incidentals are the responsibility of the exchange student.

NSE students receive specific information as to the transferability of courses from their Host Colleges before leaving UNM. Telephone registration allows exchange students to preregister for classes from their Host Colleges prior to their return to UNM. Students on exchange programs **may not** use time spent on the program to fulfill their 12-month durational requirement for in-state residency purposes.

Further information may be obtained from the NSE Office, Student Services Center, Room 280, telephone (505) 277-3361 or email unmnse@unm.edu. Application deadline: February 9, 2007. National Student Exchange is online at www.unm.edu/~unmnse.

Recreational Services

The mission of the Recreational Services Department of the University of New Mexico is to provide a wide variety of opportunities to enhance the recreational and cultural experiences for a diverse university community. The department is committed to excellence by offering services which stimulate a social, ethical, healthy and safe environment.

Open Recreation and Facility. Facilities managed by Recreational Services during Open Recreation hours include three large gymnasiums, two weight rooms, handball, racquetball and squash courts, swimming pools, wrestling and dance rooms, tennis courts and playing fields. There is also an additional small weight room in the plaza level of the Student Union Building.

For facility hours call (505) 277-4347 or check out our web site at: www.unm.edu/~recsvcs

Getaway Adventures. The Getaway program offers instructional, educational and recreational excursions and clinics such as cross country skiing, hiking, rock climbing, camping and whitewater rafting. Other trips include ancient cliff dwelling exploration, art gallery tours and Zozobra.

Intramural Sports. Team sport activities offered are flag football, soccer, slow pitch softball, swimming and volleyball. Individual and dual sports include badminton, tennis, billiards, bowling, golf and table tennis. Co-recreational offerings include indoor soccer and basketball.

Fitness Program. The Fitness Program offers two exciting work-out opportunities called "X-treme Fitness" and "The Works." The "X-treme Fitness" program is designed to create unique physical fitness alternatives, such as beginning belly dancing, Tae Kwon Do and Tai Chi Chih. "The Works" program includes about 40 hours of a variety of classes each week. These offerings include salsa and hip hop aerobics to yoga, boxing, Pilates and LOBO cycling. LOBO cycling studio is also available for rent to groups who are interested. "The Works"

pass is offered at a packaged discount price so that you can enjoy a variety of different workout styles seven days a week!

Outdoor and Bicycle Shop. The Outdoor Shop rents camping and recreational equipment to students, faculty and staff for a nominal fee. Athletic accessories such as tennis and racquetballs, swim goggles and racquetball rackets may be purchased at the Outdoor Shop. The Bicycle Shop is a complete bicycle repair facility, servicing all makes of bicycles and non-motorized wheel-chairs. Hours for both shops are: M–F, 8:00 a.m.–8:00 p.m. Call (505) 277-8182 for rental reservations.

Recreational Services Challenge and Ropes Course Program. The Challenge Course Program is to provide team-building activities by offering unique challenges through the use of the low ropes course, climbing wall, cooperative games and outdoor experiences. The focus for the program is to provide unique team building experiences for UNM student groups and UNM departments.

The Excel: Adaptive Fitness Program. The Recreational Services EXCEL Program, formerly known as Special Populations, provides recreational opportunities for individuals with disabilities such as those who are post-rehabilitation clients or those who suffer from joint afflictions, arthritis, cerebral palsy, MD, MS, etc. This program includes includes classes in adaptive strength training and low impact yoga.

Sport Clubs. If you are interested in becoming a member of a sport club or starting your own club, we will point you in the right direction. Just a few of the clubs that are currently offered include: Karate, Rodeo, Ultimate Frisbee, Gymnastics and Rugby.

Employment. We employ more than 150 students in the Recreational Program. If you are interested in any of our programs, please stop by our office and fill out an application. Both work-study and nonwork-study students are encouraged to apply.

Please note that all times listed are estimated and subject to change without notice. For updated information, current schedules are available in Johnson Center, Room 1102, (505) 277-4347 or check out Recreational Services online at: <http://www.unm.edu/~recsvcs>.

Special Programs Office

1921 Las Lomas NE, Albuquerque, NM 87131
(505) 277-3096, FAX (505) 277-3165
programs@unm.edu; www.specialprograms.unm.edu

The Special Programs Office provides support for students that have faced barriers to pursuing higher education. Through various programs, the office staff offers services such as skill building workshops, tutoring, assistance securing funding for school, a computer lab, academic advising and other student support. Some of the programs offered through the Special Programs Office include:

The Ronald E. McNair Post-Baccalaureate Achievement Program is federally funded through the U.S. Department of Education TRIO programs. This program is for undergraduate students and is designed to increase the number of first generation, low-income and/or under-represented individuals in doctoral study. During the academic year, McNair Scholars

participate in a variety of activities and workshops that support and encourage excellence in educational achievement. In addition, the program offers the colloquia series sessions “How to Succeed in Graduate School” as well as other cultural and educational activities. Specific workshops and activities are presented during the academic year designed to prepare the scholars for the summer research component of the program. McNair Scholars are selected for this program based on their outstanding academic background and their potential and desire to pursue a Ph.D. As participants of the UNM Ronald E. McNair Post-Baccalaureate Achievement Program, scholars are entering a distinguished “family” of scholars representing 179 colleges and universities across the nation.

The Research Opportunity Program (ROP) at the University of New Mexico was established to promote access to graduate education among under-represented minority undergraduates. This graduate school preparation program offers workshops, mentorship, internships, campus travel and conference opportunities for juniors and seniors. The goal of the ROP program is to increase the level of diversity among students who enter Ph.D. programs to pursue careers in university teaching and research by providing research opportunities to undergraduate students that have been under-served.

The ROP affords students an opportunity to conduct selected research under the direction and guidance of a UNM faculty member. The faculty mentor selects all research projects and students are provided supplemental activities to enhance the research experience.

The College Assistance Migrant Program (CAMP) is federally funded through the U.S. Department of Education, Office of Migrant Education. The residential CAMP program was established to identify, recruit, admit and enroll migrant and seasonal farm worker students and provide them academic, social and financial support to enable them to complete their first year of college. The migrant/seasonal student support services include: counseling, meaningful social experiences, cultural enrichment activities, leadership skills and life-long focus of personal growth necessary to complete the freshman year and contribute to the students’ successful completion of an undergraduate degree.

Student Support Services (SSS) is federally funded through a grant from the U.S. Department of Education to provide students opportunities for academic development and to assist students with basic college requirements. This program serves low-income, first generation and disabled UNM freshmen and sophomores. The goal of SSS is to retain and graduate all participants and to assist students in their pursuit of graduate or professional school. SSS offers participants: academic advisement, peer mentoring and tutoring, workshops, social/cultural activities, plus the opportunity to participate as members of learning communities. Eligible SSS participants may receive additional federal supplemental grant aid contingent upon available funds.

College Enrichment Program (CEP) is a student retention program that is committed to creating opportunities for student success. Our staff provides guidance and support to students in all areas relevant to their success on campus. We assist students in several areas including their overall adjustment to college, academic advising, career selection

and financial aid advisement. Additionally, we coordinate the more comprehensive of the two "new student orientation" programs on this campus. Particular emphasis is given to assisting first year students from backgrounds which are currently underrepresented at the University. To qualify for the CEP program students must be one of the following; a first generation student, a member of an underrepresented group, a TRIO participant, low income, a family member of a prior CEP participant, a special admission student, and /or have an ACT score (or SAT equivalent) of 16 or below.

Instructional Television

Instructional Television (ITV) courses offer distance students the opportunity to participate in selected main campus courses. ITV courses are broadcast live and can be viewed at all Extended University Field Centers as well as at several other sites throughout New Mexico. Course materials, student assignments, technical assistance and exam proctoring are conducted by site facilitators at the distance locations in conjunction with a distance education coordinator on the UNM main campus. For additional information about courses offered through ITV, please call (505) 277-8821 or 1-800-289-4617. ITV is a department of Media Technology Services which is located in the lower level of Woodward Hall.

UNM EXTENDED UNIVERSITY-

Online Courses

Online courses are completed electronically from a computer with World Wide Web access. All online courses are created and taught by regular UNM faculty on a standard semester schedule. Students are assured an interactive relationship with the instructor throughout the semester. Any student, whether on main campus or at a remote site, working around the limitations of schedule or location, is encouraged to examine online offerings as a way to advance his or her education. For more information about online courses at UNM, call (505) 277-8128 or visit the Extended University web site at <http://eu.unm.edu>.

UNM EXTENDED UNIVERSITY

Independent Study

Independent Study through Correspondence Courses offers students a flexible, convenient way to earn college credit at home. It is an ideal alternative for learners who cannot attend regular class offerings and, further, provides an opportunity for main and branch campus students to add to their classroom hours. A wealth of both lower- and upper-division courses is available, spanning a wide range of disciplines. Many degrees allow, with some restrictions, for up to 30 credit hours to be earned towards graduation through Independent Study. Students can register for correspondence courses at any time. Homework is exchanged between student and the instructor via the U.S. Postal Service, and exams are proctored by staff at local libraries or at Extended University field centers. For the Correspondence Course listing or additional information, call (505) 277-1604 or visit the Extended University web site at <http://eu.unm.edu>.

Drug-Free Campus

- I. Policy
- II. Legal Sanctions for Violations
- III. Health Risks of Alcohol and Drug Abuse
- IV. Campus Resources for Substance Abuse Problems

The University of New Mexico Policy on Illegal Drugs and Alcohol Originally Adopted September 11, 1992

This Policy on Illegal Drugs and Alcohol is adopted pursuant to federal laws and because of the commitment of the University of New Mexico to an environment for the pursuit of its educational mission free of drugs and the illegal use of alcohol. Drug and alcohol abuse on campus poses a serious threat to the health and welfare of faculty, staff and students; impairs work and academic performance; jeopardizes the safety and well-being of other employees, students and members of the general public; and conflicts with the responsibility of the University of New Mexico to foster a healthy atmosphere for the pursuit of education, research and service.

This policy covers all property owned, used, leased or controlled by the University of New Mexico, or any other site where official University business is being conducted. "Controlled substances" means those substances in Schedules I through V of section 202 of the Controlled Substances Act, 21 U.S.C. 812, and implementing regulations, 21 CFR 1308.11-1308.15. Controlled substances include, but are not limited to, marijuana, cocaine (including "crack"), amphetamines, heroin, PCP, hallucinogens and certain prescription drugs. Illegal uses of alcohol include, but are not limited to, serving, buying or drinking alcohol by a minor; assisting a minor or an intoxicated person to get alcohol; selling alcohol without a license and driving while under the influence. This policy is not intended to supersede or negate any existing policies on substance abuse, student or employee discipline, or any additional requirements imposed on the University of New Mexico or its students, faculty or staff by federal or state law.

I. Policy Statement

The unlawful manufacture, distribution, dispensing, possession or use of controlled substances or alcohol on UNM property or as part of any of its activities by any member of the University of New Mexico community—faculty, staff or student—is strictly prohibited.

As a condition of employment, all employees—faculty and staff—of the University of New Mexico shall abide by the terms of this policy. Violation of this policy shall result in disciplinary action, up to and including dismissal. For more detailed information, faculty should refer to the Faculty Handbook and/or contact the Faculty Grants and Contracts Office. Staff may refer to the University Business Policies and Procedures Manual and/or contact the Human Resources Department.

As a condition of continued registration and enrollment, any student of the University of New Mexico shall abide by this policy.

Violation of this policy shall result in disciplinary action, up to and including expulsion. For more detailed information, students should refer to the Student Code of Conduct and related policies printed in *The UNM Pathfinder* and/or contact the Dean of Students Office.

UNM's response to any violation of this policy may include, as a total or partial alternative to disciplinary action, a requirement that the employee or student participate satisfactorily in an approved substance abuse treatment or rehabilitation program as a condition of continued employment or registration/enrollment. Any employee engaged in the performance of work under a federal contract or grant is required, as a condition of employment, to notify his/her supervisor if he or she is convicted of a criminal drug statute violation occurring in the workplace within five days of such conviction. The supervisor shall notify the University Counsel's Office. Failure of the employee to notify the supervisor shall be grounds for disciplinary action.

In recognition of the dangers of substance abuse in the workplace, the University of New Mexico shall maintain alcohol and drug-free awareness programs to inform members of the University community about the issues and risks of substance abuse, counseling and treatment resources.

The University shall assign responsibility for such awareness programs to specific administrative entities, which shall be provided sufficient resources to develop and maintain the programs. As a matter of policy, any referral, treatment, awareness or primary prevention programs established by the University of New Mexico shall play no role in enforcing or instituting possible disciplinary action.

II. Legal Sanctions For the Unlawful Possession or Distribution of Illicit Drugs and Alcohol

The penalties for even the most minor of violations of the Liquor Control Act can include fines of up to \$300, confiscation of property and imprisonment for up to seven months. More serious violations carry greater penalties, with larger fines and longer imprisonment.

Driving or using machinery after drinking or using drugs creates the risk that the user may injure or kill someone. This can result in homicide charges. License revocation and

vehicle impoundment are also possible results of driving while under the influence of liquor or drugs. The minimum blood alcohol levels at which drivers' licenses are revoked in New Mexico are: .02% for those under 21 and .08% for those 21 and over. All drivers in New Mexico are presumed to be intoxicated at the .08% level. In drug-related cases a court can permanently suspend eligibility for federal benefits, including financial aid. A criminal record can seriously hurt educational and career opportunities.

Penalties for illegal drug use can include significant fines and imprisonment. Penalties for the illegal sale of drugs are greater, and may include property confiscation. Alternative penalties for illegal drug or alcohol use may also include mandatory community service. Violation of laws by a foreign national may result in deportation.

As required by federal regulations, charts accompanying this policy statement in the current *UNM Pathfinder* detail federal and state sanctions for the unlawful possession or distribution of illicit drugs.

III. Health Risks Associated with Use of Illicit Drugs and the Abuse of Alcohol

Excessive alcohol consumption and abuse of illicit drugs can lead to certain types of cancer, pathological changes in the liver, brain, heart and muscle which can lead to disability and death, addiction, birth defects, shortened life span, stomach ulcers, phlebitis, varicose veins and other health problems. Alcohol and drugs are also a major factor in homicides, assaults, rapes, suicide, family and date violence.

Alcohol is significantly involved in all types of accidents—motor vehicle, home, industrial and recreational. Unintended pregnancies and sexually transmitted diseases are often associated with alcohol or other drug abuse, as well as relationship, academic or work problems.

For more information about the possible effects and health risks associated with the use of illicit drugs and alcohol, contact the UNM Campus Office of Substance Abuse Prevention (505/277-2795). A chart accompanying this policy statement in the current *UNM Pathfinder* lists possible effects and health risks associated with the use of illicit drugs and controlled substances.

About Online and Hybrid Courses at UNM:

- **Online courses** are taken on a computer with Internet access. Students are assured an interactive relationship with the instructor throughout the semester.
- **Hybrid courses** at UNM are a blend of face-to-face instruction with online learning. Hybrid courses reduce the amount of time spend physically in the classroom. Hybrid courses move about half the content of the course learning online. For example, on a regular three-credit course, students will meet once a week in the classroom. Students receive the remaining instruction online. It is important for students to go to the classroom lecture and to login to their course every week. Both online and hybrid courses utilize UNM's official course management system, WebCT.
- Online courses and Hybrid courses follow the same semester schedule. **All UNM admissions and registration deadlines, policies, and procedures apply to students who participate in online and hybrid courses.**

Information for Students:

- Access to your course is available the first day of classes. Students should access their course during the first week of classes. Failing to login may result in an instructor dropping the student from the class.
- Students need a NetID to access their course.
- To get a NetID go to <http://netid.unm.edu>
- Your NetID also sets up your UNM email account.
- **Check your UNM email.** One week prior to the start of classes you will receive important information about your online course.
- Check the course descriptions at <http://online.unm.edu>. You will find additional information specific to each online course. Some courses have special hardware or software requirements, scheduled chats, meetings or proctored exams.

Login to your course:

Login to online or hybrid courses is easy!

Just go to <http://my.unm.edu> the official portal for UNM.

Enter your NetID and Password.

All your WebCT courses will show under the "My Courses" Tab.

Fall 2006 INDEPENDENT STUDY through CORRESPONDENCE PROGRAM

General Info

The Division offers academic credit courses through correspondence in many areas. Independent Study offers a flexible, convenient opportunity to earn college credit at home. It is an ideal alternative for distant learners who cannot attend regular class offerings. The Program also provides an opportunity for main/branch campus students to add to classroom hours. The total number of hours allowed by correspondence toward graduation is thirty. A student may register at any time. Please call for further information or visit our web site.

Admissions

Formal admittance to The University of New Mexico is not required prior to registering for a Correspondence course. An enrollment in Independent Study through Correspondence courses does not constitute acceptance for resident study at The University of New Mexico.

Students may register for a course while in regular attendance at an institution of higher learning with the knowledge and consent of the authorities from that institution. Students at UNM must secure written approval from their college academic advisor. The signature is required on the registration form for correspondence courses.

Registration

Students may enroll in a Correspondence course at any time. Your start date is the date that you register and pay full tuition for the course(s). Students may enroll for two courses at one time. Registration is conducted directly through The Independent Study Office. You may register in person, through the mail, or by fax.

Financial disenrollment deadlines do not apply towards the registration of a Correspondence course.

Location

UNM Extended University, Woodward Hall, Room 115,
Albuquerque, NM 87131

Tuition & Fees

Tuition for Independent Study is \$171.20 per credit hour. A \$20.00 application fee is required (non-refundable). Visit <http://eu.unm.edu> for application forms.

Senior Citizen rates do not apply.

Please make checks and money orders payable to the University of New Mexico.

Two credit hours

$\$342.40 + \$20.00 = \$362.40$

Three credit hours

$\$513.60 + \$20.00 = \$533.60$

Four credit hours

$\$684.80 + \$20.00 = \$704.80$

Refund Policy

Refunds will be made in accordance with the following regulations:

1. The written request for a refund must be requested within sixty days of purchase
2. No refunds will be made after a lesson has been submitted.
3. A full refund will be issued, minus a \$10.00 clerical fee per course.
4. No refunds will be made on the application fee.

Transfer Policy

Transfer from one course to another is permissible within one month of purchase, and no lessons have been submitted. A \$20.00 transfer fee is required.

Textbooks

Textbooks for Independent Study courses may differ from those required in the classroom setting. Payment for textbooks is made directly to the **UNM Bookstore**. You may also call to order your books at 1-800-981-2665 or at (505) 277-5451.

Dropping Courses

You may withdraw from a Correspondence course at any time. If a correspondence course is not completed within the year allowed, registration lapses, and the student is dropped from the course. If the student desires to re-enroll in a course from which he has been dropped, it is necessary to pay the full fee for the reenrollment and start the course from the beginning. When a student is dropped or withdraws from a course, no grade or incomplete are reported to the Registrars office.

FREQUENTLY ASKED QUESTIONS:

How long does it take to complete a course through Independent Study?

The maximum time allowed for completing an Independent Study Course is one year. The minimum time allowed is two months. Generally it will take three-four months to complete each course.

What are the course requirements?

Independent Study courses are organized to parallel as closely as possible the courses offered in residence at the University. An Independent Study course is presented in a number of assignments and examinations, depending upon the nature and content of the course. Each syllabus contains full directions for study, including references to the texts, necessary suggestions or assistance, and assignments to be completed by the students.

Do Independent Study Courses count towards my semester hours?

Independent Study Courses are not calculated into your semester hours. Independent Study hours are considered separate and additional to your semester hours. That is, you cannot use Independent Study Courses towards part-time or full-time status.

Do I have frequent contact with the Professor?

The program manager of Independent Study is the principle point of contact for every student enrolled in a course. When you have questions or concerns, the Program Manager will

guide you. The manager serves as your guide, course advisor, and liaison between you and the professor. When appropriate, you can access professors through the Program Manager.

How do I submit lesson assignments?

You must always submit lesson assignments to the Independent Study office. Lessons may be submitted by email, fax, walk-in, or by mail.

When do I submit lesson assignments?

Unlike traditional classes, you have the flexibility to design your own schedule and deadlines for completion of a course. We suggest that you design a calendar that outlines both your lesson plan and your submission dates.

IMPORTANT: You may submit a maximum of six lessons at one time, once every ten working days. Promptness and punctuality on the part of both the instructor and the student are vital to the successful completion of a course through Independent Study.

How do I complete my exams?

When you are ready to take an examination, it is your responsibility to schedule an appointment through the Independent Study Office if you live in the Albuquerque area. You must always schedule your appointment at least one week in advance to secure the time and date that you prefer. If you live outside of Albuquerque, please complete the Examination Request Form located in the back of your course syllabus.

Where do I take my exams?

If you live in the Albuquerque area, you must take your exams at the Albuquerque office. If you live outside of Albuquerque, a county or city school official, a college official, or a certified public librarian must administer your exams.

Will financial aid cover the cost of a Correspondence Course?

If you are eligible for financial aid, the Financial Aid Office usually covers the cost of Independent Study Courses. You are required to pay for your course when you register, and will be reimbursed upon completion of a correspondence course by the Financial Aid Office.

How do I get reimbursed from Financial Aid?

To obtain a reimbursement, you must schedule a meeting with your financial aid officer to determine your eligibility. If approval is secured, the financial aid officer will provide you with a Correspondence Verification Form. To complete the form, signatures are required from your academic advisor and from the Division Registrar of Independent Study. **IMPORTANT:** Students must complete their course within the semester in which they have applied for aid to receive a reimbursement.

Will my lottery scholarship cover the cost of Independent Study courses?

The lottery scholarship does not cover the cost of courses offered through the Independent Study Program.

Spanish Placement Evaluations

FALL 2006

Required Course Placement

All UNM students who choose Spanish to fulfill their language requirement(s) must take a Spanish Placement Evaluation, for placement at the appropriate level. This evaluation is free of charge and is administered in the Language Learning Center located in room 124 of Ortega Hall.

- Students must meet this requirement BEFORE enrolling in a Spanish class.
- Students who do not have an orange placement verification card when the semester begins will be dropped from the course.
- Placement evaluation scores are valid for one year only. If a student has not taken the course they placed into within a year's time, the student will have to retake the placement evaluation.
- It is recommended for students who are fulfilling Arts and Sciences language requirements, that these classes be taken in successive semesters. **If a period of one year or more has passed between Spanish courses, you will be required to take the placement evaluation again.**

If a student places into a higher-level Spanish course, the student can not only advance faster, but also has the option to challenge the lower-level Spanish course(s) for credit. By earning a grade of B or better in Spanish courses numbered 102 - 302, credit hours for the preceding 100 or 200 level courses may be obtained. A Course Challenge form must be processed and UNM tuition paid. It is also possible to test out of a Spanish course and earn credit by taking the Spanish language CLEP test. For more information on CLEP testing visit the website <http://www.unm.edu/~testctr/clep.htm>.

Spanish Language Instruction Programs

Language instruction courses develop cultural knowledge, grammar, vocabulary, and the four language skills –listening, speaking, reading and writing. The Department of Spanish and Portuguese has two Spanish language programs that address the needs of our diverse language learners, Spanish as a Heritage Language and Spanish as a Second Language.

SPANISH AS A HERITAGE LANGUAGE (SHL) PROGRAM

Spanish courses numbered 111, 112, 211, and 212 with sections numbered in the 150s are designated for students who grew up in a Spanish-speaking environment (Spanish was spoken in the home and community by parents or grandparents, family friends, or neighbors. The student might understand Spanish but may not speak it themselves). The objective of these classes is to build upon the language base which students already possess.

SPANISH AS A SECOND LANGUAGE (SSL) PROGRAM

This program is designed for students of Spanish whose native home language is not Spanish.

Spanish Placement Evaluations will be administered - Monday through Friday - in the mornings at 10:00 and 11:00 a.m., and in the afternoons at 1:00 and 2:00 p.m., throughout the following dates:

Tuesday, May 30 through Friday, July 28 and

Wednesday, August 9 through Friday, August 18.

The university will be closed on Tuesday, July 4.

Mathematics and Statistics

It is **extremely important** that you consult with your academic advisor to be certain that you enroll in the math sequence appropriate for your major.

*Students wanting to enroll in MATH 162 must provide the Department of Mathematics and Statistics with competency scores in trigonometry either by taking the Trigonometry Competency Exam at the UNM Testing Center or enrolling in MATH 123. This requirement includes advanced placement students and students with ACT scores of 28 or higher or SAT scores of 630 or higher. Students with an ACT of 32 or SAT of 700 may take MATH 162 without testing for Trigonometry.

If you have not taken the ACT or SAT or cannot obtain such test scores at this time, alternative testing is available to you through the UNM Testing Division, University College at (505) 277-5345.

Freshman English Placement

THE WRITING PROFICIENCY REQUIREMENT

All UNM undergraduates are required to meet the University's Writing Proficiency Requirement before graduation. Most students need to meet this requirement before they can be admitted to a degree-granting college. There are five ways to satisfy the Writing Proficiency Requirement:

- Presenting an entrance examination score (ACT or SAT) at the levels listed below for placing out of 102;
- Earning a grade of "C" or better in English 102;
- Earning credit by examination through the Advanced Placement Examination;
- Transferring credit for a course equivalent to 102 from another institution; or
- Submitting an acceptable Writing Proficiency Portfolio.

ENTRANCE EXAMINATION SCORES AND PLACEMENT IN FRESHMAN ENGLISH

	ACT (took test before 10/89)	Enhanced ACT (took test after 10/89)	SAT (took test before 4/95)	SAT (took test after 4/95)
To place <i>into</i> ENGL 100	16 or lower.....	18 or lower.....	360 or lower.....	440 or lower
To place <i>into</i> ENGL 101	17–24.....	19–28	370–560.....	450–640
To place <i>out of</i> both 101 and 102.....	25 or higher.....	29 or higher	570 or higher.....	650 or higher

NOTE: The test score level that permits students to register in English 102 also satisfies the University Writing Proficiency Requirement. So students who score this high are exempt from English 102 unless their particular degree program requires it. Each student should read the *University of New Mexico Catalog* and consult an Advisor to learn what his or her program requires.

WRITING PROFICIENCY PORTFOLIO

Students who elect this program do not take English 102; instead, they submit a portfolio of their writing for evaluation by the English Department's Writing Proficiency Board. For full information, students should visit the English department web page at www.unm.edu/~english or contact the Rhetoric and Writing Office, Humanities 217 (505-277-6340).

French Placement Evaluations: Fall 2006

All UNM students entering French 101 or French 275 are required to take the French placement exam for placement at the appropriate level. This exam is administered in the Language Learning Center located in Ortega 124 (277-3106). Prior to the Fall 2006 semester, exams will be given on the hour at 10 and 11 a.m., 1 and 2 p.m. on the following dates: May 30 - July 28 (except July 4), August 9-18. Your exam results must be turned in to your instructor during the first week of class.

Students entering French language classes beyond 101 may take the exam for placement advisement. If you would like assistance in interpreting the results, please call the lower-division language coordinator at 277-0525.

German Placement Evaluations: Fall 2006

All students enrolling in German 101, 102, 275, 201, 202 and 276 who have not already taken German courses at UNM are required to take an online placement test. The exam results must be turned in to your instructor during the first week of class.

Students must see Gabi Niegelhell in Ortega 347A (277-7367) M-F 8:30 – 12:30 as of August 7 to receive an anonymous log-in ID and password for the placement test. The student can use any computer that has headphones (or speakers, for your home computer) and QuickTime or Real Audio plug-ins. Log on to: <http://placement-test.mmlc.northwestern.edu/external/unm/> The portal contains links to 3 resources: Accent sheets (for typing accented characters), Take A Placement Test (start taking the test here), and Placement Results (test result).

- Click on "Take a Placement Test".
- Click on the link <Log-in to the Tests>. This will open a new browser window without navigation buttons. (Using browser navigation buttons at any time during the test will cause your answers to be saved incorrectly!)
- Log in with your anonymous log-in ID and password.
- Click the radio button next to "UNM German Test" and then click the button "Start test".
- Make sure you understand the user agreement, then click the button "I accept".
- Read the "instructions" page carefully, then begin the test.
- When you have completed all sections (1-8), be sure to click the button "Commit Answers/Finish Test" to have your answers evaluated.
- Log back in to <http://placement-test.mmlc.northwestern.edu/external/unm/> with your log-in ID and password.
- Click on the button "Placement Results". You will see the percentage you scored. Print out this page. Write your name in the top right-hand corner.
- During the first or second class meeting, give the print-out to your instructor so he or she can see whether you are enrolled in the appropriate class level.

Maintaining UNM Scholarships

Scholarships are an integral part of students at the University of New Mexico. These include the UNM Scholars, Lottery Success, Amigo, Amigo-Transfer, UNM Transfer, Zia-Transfer, New Mexico Legislative Endowed and The New Mexico Scholars Program Scholarships. This information sheet is designed to acquaint you with policies that affect you and to answer many questions commonly asked about scholarships. Scholarship offers made by the University of New Mexico are intended for Main Campus and cannot be used at Branch Campus sites (with the exception of the Lottery Success Scholarship). Scholarship recipients must be enrolled full-time (minimum 12 hours) each semester to receive funding.

ELIGIBILITY REQUIREMENTS

To maintain eligibility for the UNM Scholarships, the following criteria apply:

UNM Scholars and Amigo

1. Freshman Scholars must have:
 - a) At least a 2.5 GPA at the end of the **first** semester. b) 24 credit hours with a cumulative GPA of a 3.0 at the end of the academic year.
2. Sophomore and Above:
 - a) Must have a 3.0 G.P.A. and 15 credit hours **each** semester for a total of 30 credit hours for the academic year (fall and spring semesters).

New Mexico Scholars

1. Freshman Scholars must have:
 - a) A 2.5 GPA at the end of the **first** semester. b) 24 credit hours with a cumulative GPA of a 3.0 at the end of the academic year.
2. Sophomore and Above:
 - a) Must have a 3.0 GPA and 12 credit hours **each** semester for a total of 24 credit hours for the academic year (fall and spring semesters).

Amigo Scholarship for International Students

1. Undergraduate Scholars:

ACADEMIC POLICIES

1. Credit/No Credit Option: Students may take one credit option class per semester.
2. Technical, vocational, or special courses do not count toward hours or G.P.A. unless the student is enrolled in a technical or vocational program.
3. Audit courses do not count toward hours or G.P.A.
4. Credit hours received through CLEP, ACT, SAT, advanced placement or concurrent enrollment may apply to specific degree programs, but they do not count toward the credit hour requirement for your scholarship.
5. Credit hours earned through the "Examination to establish Credit" Program may be counted toward hours and G.P.A.
6. Health, Physical Education and Recreation courses: Students may receive credit for only one hour of non-professional activity P.E. per semester (except with the NM Lottery Success Scholarship).
7. Correspondence courses: Students may not receive credit hours for scholarship purposes by participating in any correspondence courses.
8. A student receiving a grade of "F" will not receive credit hours toward hours for scholarship purposes.
9. 100 level courses will not appear on your grade reports; however, these courses do count toward scholarship hour requirements.
10. **Repeat courses (hours) do not count toward scholarship hour requirements.**

If you remain uncertain about a specific policy or you have further questions, please contact the Scholarship Office at 277-6090.

The Omega Scholarship

The University of New Mexico has established the "Omega Scholarship" to assist and recognize students nearing completion of an undergraduate degree. It is a non-renewable award. Student must meet the following criteria:

- 1) Have not earned an undergraduate degree;
- 2) Have accumulated 120 or more undergraduate credit hours;
- 3) Have a 3.0 or higher grade point average;
- 4) Have completed 9 or fewer credit hours the two most preceding semesters;
- 5) Have financial need; and
- 6) Provide a statement indicating those factors which have prevented full-time enrollment.

Priority consideration will be given to those students who submit application to the Scholarship Office located in Mesa Vista Hall, Third Floor, Room 3019, by **May 15, 2006**. **Note: Information is subject to change.**

Evening & Weekend Degree Programs
Available 2006

The following tables include all of the required courses promised to complete **40** full degree programs from Bachelors to Doctorates and **32** minors/concentrations and certificate programs from Fall 2006 through Summer 2009. **These are the courses around which you must plan your chosen Evening Degree Program.**

Each table lists the College and Department offering the program, the particular degrees and concentrations offered and telephone numbers / hours for the college advisor. **In addition to these courses many other electives will be offered each semester**, but they are not guaranteed in advance. You should plan the electives semester-to-semester **after** you have targeted the required courses that provide the backbone for your program.

Enroll and register early each semester since many of the required courses will fill up many weeks before each academic term begins. With judicious planning, you should have no problem completing your degree program in an orderly manner. **Please** take your required courses in the proper sequence. Check with the appropriate advisor for advice.

A few of these courses may be provided at 4:00 p.m. (particularly College of Education). The rest will be offered after 5:00 p.m. or on Saturdays. You must check the hour and section your required course is offered each semester since class time, section number and classrooms are assigned one semester at a time.

For general questions about evening programs or requests, call the office of the Evening and Weekend Degree Programs at 277-0896 from 10:00 a.m. to 7:00 p.m., Monday-Friday.

Final Examination Schedule, December 9-16, 2006

Please use the listing below to determine the final examination time for your class. In a combined lecture-laboratory course, class time listed is the first lecture section. Examination in the laboratory portion of the course may be given during the last week of class preceding the examination week or during examination week at the time period listed on this schedule for your class.

Students having conflicts with this examination schedule must notify the appropriate instructor before Friday, November 10, 2006. Any student having more than three examinations scheduled in any one day may notify the instructor of the last examination listed. If notified before November 10 2006, the instructor shall make arrangements to give a special examination. Conflicts arising as a result of scheduling out of normal hours-pattern or day sequences must be resolved by the instructor of the off-pattern courses. Changes in this examination schedule are not permitted except by formal approval of the instructor's College Dean.

NOTES:

- Special Exams are shown scheduled for all sections of the course at the time and date listed below.
- Exams are scheduled in the regular meeting room unless specified by the instructor.
- Short/non-traditional courses must meet in one of the exam time periods below that are not in use (see Friday afternoon).

Let us know—email us at unmreg@unm.edu—and thanks for your input!

EQUAL EDUCATIONAL OPPORTUNITY POLICY

The University of New Mexico is committed to providing equal educational opportunity and forbids unlawful discrimination on the basis of race, color, religion, national origin, physical or mental disability, age, sex, sexual preference, ancestry or medical condition. Equal educational opportunity includes: admission, recruitment, extracurricular programs and activities, housing, health and insurance services and athletics. In keeping with this policy of equal educational opportunity, the University is committed to creating and maintaining an atmosphere free from all forms of harassment.

AFFIRMATIVE ACTION POLICY

The University of New Mexico commits itself to a program of affirmative action to increase access by, and participation of, traditionally under-represented groups in the University's education programs and work force. It is the policy of the University in the case where a vacant position falls within a job group which is determined to have underutilization, that the hiring official give preference for selection to a finalist who is a member of the underutilized group, provided his/her qualifications and past performance are substantially equal to other finalists.

ADA COMPLIANCE

To comply with the ADA and the Rehabilitation Act of 1973, UNM provides the information in this publication in alternative formats. If you have a special need and require an auxiliary aide and/or service please contact the Office of the Registrar, Scheduling Office, SSC Room 263 (505) 277-4336.
