FAST INFO

Have a question? Ask it at http://fastinfo.unm.edu and we’ll try our best to answer it here.

Question: I want to enroll in a management class that’s closed, so can I yellow card in?

Answer: Anderson has a specific process for yellow cards:

1. Go to the Advisement Center, request a yellow card, fill in the appropriate information (name, ID number, course number, section, etc) and leave it at the front desk.
2. Within 24 hours, a BBA advisor will review the card to make sure you have completed the proper pre-requisites for the course. If you have, the card will be stamped on the back.
3. Come back to pick up the card and take it to the instructor of the closed class. He or she will check to make sure the back has been stamped and will sign it if there is room for you in the course.
4. Take the stamped, signed card to UNM Records and Registration at the Student Services Center and they will enroll you in the course.

Please be aware that Finance course instructors will not sign yellow cards, so the Advisement Center will not stamp yellow cards for enrollment in courses from this area, including MGMT 326. Yellow carding for other MGMT courses is at the discretion of the instructor.

Anderson’s marketing students take first place again

The undergraduate marketing students in John Benavidez’ class earned first place honors in the Subaru Collegiate Challenge this past December. The news came shortly after the students made their presentation to Subaru executives in New Jersey.

“This victory adds to the previous successes our MBA teams have had in the Cadillac challenges,” said Benavidez. “It also demonstrates that Anderson marketing students, both undergrad and grad, can design, execute, and present results to top marketing executives in a fashion that is superior to their competition, which includes some of the best schools in the nation.”

This is the fourth consecutive school year a team from UNM has advanced to the final round in this type of marketing competition.

The Anderson Bulletin is published on Mondays. Deadline for inclusion is Wednesday at noon; send complete information to news@mgt.unm.edu or submit online at http://www.mgt.unm.edu/bulletin/submitContent.asp.
