It has been accepted for inclusion in Biomedical Informatics by an authorized administrator of UNM Digital Repository. For more information, please contact amywinter@unm.edu.
The Health Sciences Library and Informatics Center

Announces

The UNM Medical Informatics Seminar Series

Date: 2nd and 4th Thursdays of each month
      (Beginning Thursday, September 23rd)

Time: 10-11 AM

Location: 228 Conference Room
          (Health Sciences Library and Informatics Center)

Target Audience: All Physicians, Residents, Fellows, Students, and HSC Faculty members interested in learning more about Medical Informatics

Schedule of Topics: http://hsc.unm.edu/library/kmit/informatics/

Series Learning Objectives:

- Provide a broad overview of salient topics in the field of Medical Informatics
- Provide a forum that fosters interdisciplinary cross-collaboration for research into areas related to Medical Informatics
- Provide a forum for Medical Informatics fellows (and HSC faculty doing research or with a serious interest in Medical Informatics) for presentation of Medical Informatics-related research results

Each session will consist of a didactic presentation and discussion, the amount of each will vary depending on the topic and the speaker.

The University of New Mexico School of Medicine Office of Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The UNM Office of CME designates this educational activity for a maximum of 15.0 category 1 credits (1.0 credit per session) toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.
