New business officers were elected in May for the coming year—Gordon Wood as Business Manager, Daniel McKnight as Assistant Business Manager, and Ernst Blumenthal as Advertising Manager. It was decided at a staff meeting that in view of the past year’s financial situation a small amount of advertising would be necessary to maintain the NEW MEXICO ANTHROPOLOGIST. Such advertising will be held to a minimum and will not be obnoxious.

The NEW MEXICO ANTHROPOLOGIST wishes to extend its deep appreciation to Beta Chapter of Mu Alpha Nu and to Tiwa Club for financial aid which greatly facilitated the publication of this issue.

Address all requests for information concerning the NEW MEXICO ANTHROPOLOGIST to William G. McDonough, Managing Editor, and all subscriptions to Gordon Wood, Business Manager, Department of Anthropology, University of New Mexico, Albuquerque, New Mexico.
