The Spring 1998 issue of the United States-Mexico Law Journal included an article entitled "Foreign Investment in the Financial Sector of Mexico" that was attributed to Mr. Mike Lubrano, Securities Markets Specialist, Central Capital Markets, International Finance Corporation, Washington, D.C. The article was in fact prepared by a student editor of the Journal from material drawn from several sources, including an oral presentation by Mr. Lubrano at the 1997 Annual Conference of the United States - Mexico Law Institute. The article was not, however, authorized by Mr. Lubrano nor was it reviewed by him prior to its publication. Accordingly, the statements and opinions expressed in the article should not be attributed to Mr. Lubrano.

The publication of the article attributed to Mr. Lubrano was a serious breach of the responsibilities of the editors for which we apologize to Mr. Lubrano and our readers. Arrangements have been made to assure that this does not happen again.
