This Introduction is brought to you for free and open access by the Law Journals at UNM Digital Repository. It has been accepted for inclusion in United States - Mexico Law Journal by an authorized editor of UNM Digital Repository. For more information, please contact disc@unm.edu.
From time to time, the *United States-Mexico Law Journal* receives excellent articles for publication on important legal issues in the United States and Mexico. Unfortunately, the Journal does not presently have the financial and other resources to publish more than one volume each year. The volume published is based exclusively on the presentations at the United States-Mexico Law Institute Annual Conference each fall. The presentations are edited by the staff of the *Journal* at the University of New Mexico School of Law. The opinions expressed in the articles and panels are those of the authors and do not reflect the views of the United States-Mexico Law Institute, Inc., its Directors or the Journal Editors. The Institute was organized in 1992 with the cooperation of the American Bar Association Section of International Law and Practice and the University of New Mexico School of Law.
