#### Student Agreement:

I hereby certify that, if appropriate, I have obtained and attached hereto written permission statements from the owners of each third party copyrighted matter to be included in my thesis or dissertation, allowing distribution as specified below. I certify that the version I submitted is the same as that approved by my committee. Except for material for which a license has been obtained, I warrant that I am the sole owner of my contribution to the thesis or dissertation and have full power and authority to make the agreement; that the contribution does not infringe any copyright, violate any property rights, or contain any scandalous, libelous, or unlawful matter. I will defend, indemnify, and hold harmless the University of New Mexico and/or its licensees against all claims, costs, damages, and expenses that the University of New Mexico and/or its licensees may sustain by reason of any scandalous, libelous, or unlawful matter contained or alleged to be contained in the thesis or dissertation or any infringement or violation by the contribution of any copyright or property right. I hereby grant to the University of New Mexico and its agents the non-exclusive license to archive and make accessible, under the conditions specified below, my thesis or dissertation in whole or in part in all forms of media, now or hereafter known. I retain ownership rights to the copyright of the thesis or dissertation. I also retain the right to use in future works (such as articles or books) all or part of this thesis or dissertation.

In addition to the unrestricted display of the abstract and bibliographic information, I agree that the above mentioned document be placed in the University Libraries LoboVault-Office of Graduate Studies collections library archive with the following status (choose one):

1. Release the entire work immediately for access worldwide.
2. The no access/patent or proprietary hold secures the entire work until approval is given by the Science & Technology Corporation @ UNM or for a maximum of one year. In cases where confidentiality or property rights merit that the text of a thesis or dissertation be unavailable to the public, you may request this option. Upon notification by the Science & Technology Corporation @ UNM or after one year, the Office of Graduate Studies will release the work for access worldwide. This option requires the approval of the Office of Graduate Studies. Please contact the office for additional information.

The signature below indicates my agreement to abide by the statements above. If I choose any option other than worldwide release, I understand that it is my responsibility to submit the required forms and receive approval prior to the final submission of my ETD to the Office of Graduate Studies.

## OFFICE OF GRADUATE STUDIES

### CERTIFICATION OF FINAL FORM OF AN ~~ELECTRONIC~~ THESIS OR DISSERTATION (ETD)

Both the author and the committee chair or director, as well as all his/her designee/committee members of a dissertation or thesis, are expected to carefully proofread the final manuscript before it is submitted for the approval of the Dean of Graduate Studies.

The author and committee chair/or director each declare that the following conditions have been met:

1. All changes required by the dissertation or thesis committee have been incorporated into the electronic manuscript; the respective changes have been incorporated and submitted into the ETD- LoboVault Collection-Office of Graduate Studies archive in the University Libraries at the University of New Mexico.
2. The manuscript is essentially perfect with regard to its physical condition and form. (margins, paper size and quality, spacing, type fonts); the electronic LoboVault manuscript has been submitted in good form and appropriate format.
3. The electronic manuscript is complete and properly arranged. (all appropriate sections are included, and all pages are numbered and in proper order);
4. The electronic manuscript is without errors in the use of language. (grammar, spelling, punctuation);
5. The electronic manuscript is complete and has met the program degree requirements for the degree. The final electronic manuscript has been submitted to the ETD- LoboVault collection library archive. The electronic manuscript is complete for the Office of Graduate Studies final electronic review and approval.

The Dean of Graduate Studies will have final authority with regard to the standards of quality listed above. Failure to meet these standards will result in the return of the manuscript to the student, and could cause the student's graduation to be delayed.

We have carefully read the electronic manuscript in its final form, and affirm that it conforms to the standards listed above and is acceptable for ETD-LoboVault electronic approval for the final active submission to the ETD-LoboVault Collection-The Office of Graduate Studies.
