INTER-FRAT BASKETBALL SEASON OPENS AT Y. M. C. A.

P. K. A. and Sigma Chi Battle in Hard Fought Game. Independents Lost to Alpha Deltas.

The inter-fraternity basketball league of the University opened the season Wednesday afternoon at the Y. M. C. A. with a double header. Because of the lack of inter-collegiate basketball Coach Johnson has conceived the idea of playing inter-fraternity games. He has also offered a silver cup to the winner of a series of athletic contests between the fraternities, the first of which is basketball. Contests are to be held in all of the spring and winter sports, and the fraternity which wins the highest per cent of these contests is to be awarded the cup.

The first of these two games which were played Wednesday afternoon was between the Alpha Delta fraternity and the Independents. The shooting of Frank Greenleaf soon placed the game in the zone of safety for the Alpha Deltas. The guarding of Pearce for the Independents and of Bryan of the Alpha Deltas was also a feature of the game. Throughout the contest the game was extremely rough and pointed to the lack of practice. There was evidence of good material on both sides and with constant practice will undoubtedly develop some stellar players.

The second game between the Sigma Chi and Pi Kappa Alpha fraternities was not as one sided as might be expected from the score. The P. K. A.'s had many opportunities to score but again the lack of practice was manifest and they were unable to hit the old ring for points. Their only score from the field came during the first few minutes of play when White shot a pretty goal from the center of the floor.

The Sigma Chis started scoring early in the game and at the end of the second half had a safe lead. It is difficult to pick the stellar players from among the Sigma Chis. At guards Witten and McClure held the fast Pi Kappa Alpha forwards scoreless while the two Gerpheide brothers did most of the scoring for the Sigma Chis. Bevans and Booker interchanged at the other forward, showing Bevans to be far superior in the game. White, Wilfey and Sganzipl showed flashes of speed at times. Dow proved himself to be a very fast and efficient guard.

As a result of today's games the standing of the four teams in the league is as follows:

| | |
|----------------|------|
| Sigma Chi | 1000 |
| Alpha Delta | 1000 |
| Pi Kappa Alpha | 000 |

SPANISH CLUB MET THURSDAY

The Spanish Club met yesterday afternoon at four and put on one of the best programs of the year. All these present enjoyed the talk given by Mr. Cosulich and wondered at the marvelous powers of the palmist.

Everyone entered into the spirit of the games and forgot that they were not back in their childhood in "Sunny Spain?" The pinata, a typical Spanish Christmas game, was the feature of the program.

Last, but not least, came the refreshments and none who partook seemed very bashful.

BEAUTY CONTEST CREATES INTENSE RIVALRY.

Miss Guley and Miss Travis Take the Lead in the Initial Round of Exciting Competition. Heated Activity Shown in Securing Votes.

The annual beauty and popularity contest, which takes the pictures of the winners, in various charming poses, in the Mirage, has gotten away to a fast start. The opening of the battle was characterized by an outburst of keen rivalry among the Hill factions, resulting in some unique bursts of oratory, and some remarkable feats of salesmanship. Even Clarence Grunsfeld, Jew Brooks and Rabbi Sganzipl were persuaded to invest in a copy of the year-book.

As seems to be generally the case a dark horse jumped off to the lead (no offence intended), when Miss Ada Belle Travis, a rather retiring but nevertheless a retiring young woman, topped the fields of pulchritude in the curtain raising event. Among the other lovely women who bid fair to win the golden apple are the two golden haired fairies, Miss Barton and Miss MacIvaine, and that choice little package of bon bons, Miss Betty Morrisette. Sweet Papa! Some crew of Pippins!

In the popularity contest Miss Guley copped the lead by making a couple of dates with Kid Overstreet and Missouri Pete. Tubby put in a few thousand for Mary Mize, and says he can't do any more until he gets his month's allowance. Jack Hill landed five thousand votes in one lump. That ought to be enough to start a lot of gossip. Jack seems to be a lulu in these kinds of contests, as she topped all the yearlings last year, and was framed in everlasting glory in the U. of Missouri year book. Well, may the best man win, as the saying goes.

Well, anyway, they are off in a flock, and no doubt many a fine plumage will get mussed before they call it off. We hope there will be no fatalities, and that nothing will be damaged but feelings. None but the brave deserve the fair, and our slogan is, "Convert your courage into cash, cough up, and cast your votes."

PI K. A. ENTERS COLO. COLLEGE, SAYS 'TIGER'

The Colorado College Tiger of January 7, 1921, carries an article telling of the installation of a new chapter of Pi Kappa Alpha there. Part of the article is quoted below:

"Sigma Alpha Epsilon local fraternity of Colorado College became Beta Rho Chapter of Pi Kappa Alpha national fraternity, Wednesday, December 22, when sixteen men were initiated as charter members at installation ceremonies held here by national officers of the fraternity. The chapter just installed here is the fifty-third chapter of the national fraternity and the only chapter in the state.

"Epsilon Sigma Alpha local sprang from the Engineer's Club founded in 1907, which changed its name to that of the local in 1917. At the time of the war the local organization was left almost without active members, most of its men having gone into service. Early this fall it petitioned the national and were definitely accepted just before Christmas holidays started."

BUILD THE HOTEL

The T. B.'s have their hospitals, and we, of the Varsity, have our shacks—but the New Mexico Man, visiting Albuquerque, has not where to lay his head. Alas! Alack! . . . so Albuquerque can not grow—

This is bad for business and bad for the Varsity! If Albuquerque grows, so, automatically, does the Varsity. If business is good, why anything can happen—some one may even donate another \$5,000 or so for the upbuild of the U. N. M. The least that can happen is that we'll have more adds for the Weekly! More fellows will be able to get good jobs and . . . but why enumerate further?

LET'S BUILD THE HOTEL.

The Kiwanis Club is setting the pace and wants the hearty co-operation of everyone—especially Varsity men.

Our President is a prominent member of the Kiwanis Club, as are several of our faculty. If we can't buy stock for the hotel—SELL IT.

Put some "pep" in the thing and show the business men that we take an active interest in public affairs—and, then, they'll take an interest in us.

The plan is this—If we raise five or more teams of four men each before Monday, the Kiwanis Club will arrange to give them a brief instruction lecture in the Chamber of Commerce building concerning the methods of selling stock, etc.

The teams are to work Tuesday and Thursday.

A prize of \$25 is offered for the winning team.

Only private homes and residences are to be canvassed.

Let's show them what we can do.

WASHINGTON'S BIRTHDAY FETE

Long ago it was the custom of the Varsity to have a big fete on Washington's birthday.

Why not revive this ancient custom?

The Weekly believes it can be done.

The Weekly advocates that it be done in somewhat the following manner:

Let the Student Council appoint a committee of enthusiastic students to attend to the details.

Let this committee make arrangements for the use of the Armory for the fete.

Let the fete be given in the form of a carnival and each and every organization on the Hill put on a show for which admission will be charged.

Let these shows continue into the evening and during that time have dancing.

Let the girls sell candy, etc.

Let the money raised during this fete be used to buy the football men sweaters.

The Weekly believes it can be done.

GIRLS' SERIES TO BE PLAYED OFF SOON

Hard Practice Develops Stellar Players. Many Girls Show Much Class.

The woman's gymnasium is a busy place these days in the rush to practice basketball. There will be a series of games this year. The girls are divided into five teams—the Phi Mu, captain, Susan Tully; the Alpha Delta Pi, captain, Hazel Morris; the Kappa Kappa Gamma, captain, Helen Stowell; the Alpha Chi Omega, captain, Mary Mize; and the Dormitory, captain, Leona Sherwood. There will be six games, each team playing every other team and the teams having the highest score playing each other for the championship, and consequently winning the trophy. The girls have been working three times a week and the playing is exceptionally fast. The passing is beginning to show accuracy. Team work is improving and the basket throwing is hitting the rims with persistency despite a vigorous defense. Leona Sherwood, our dependable guard, is playing up to her form of last year.

Blanche Guley, our gritty center, is still with us and doing as good work as last year.

We also have Helen Nelson, who is a strong forward; Gwendolyn Grisby and Dorothy Stevenson, both strong players from previous seasons.

Among our new girls there is much promising material. Susan Tully is a guard of exceptional ability, also a center with fast heady team work; Clarissa Parsons, is a player of much experience, Mary Wood is a strong guard and quick in getting the ball. Everybody knows there's two more points when Gail Beckman has the ball near the basket. Mary Lou McGuire has a remarkable conception of the game; Lorraine Cleveland, whose splendid work makes her such an efficient player, contributes to the good

Men Already Take Daily Work-outs. Good Material Shows Up.

The prospects for a track team this year is something more than a prospect. With all of last year's point winners out again, and the addition of a number of other first class athletes, who have entered school this year, we may consider our chances for a clean up this spring a good deal better than even.

Arizona will probably be our first victim. She handed us a very healthy trimming the last time we met, but her chances of duplicating the performance this spring are as slim as a macaroni with tuberculosis. We are confident we will have her number this time, same being an underscored 23.

NOTICE WANTED: HEELERS FOR THE WEEKLY

All those who are interested in reporting for the Weekly during the coming year will please meet in room 26, Administration Building, Friday afternoon, Sept. 22. This will be the first real meeting of the year, and in addition to making assignments for the coming week to various members, all questions regarding the paper will be discussed. If for any reason, you are unable to attend let me know beforehand so that everyone may be included.

WAGNER, Editor.

PATRONIZE Our PATRONIZERS

It is not always that we fully realize the extent of what we owe our advertisers. They are the ones who really make this Weekly possible—and make as it is maligned the students seem to read it. So remember, when you go down town to buy something to go to the merchant who carries an ad with us—and let him know who you are. Our columns are the best possible to a new student who is seeking the best stores in town. Trade with our advertisers.

LETTER RECEIVED FROM T. U. PAPER

The Editor of the Weekly received a letter last week from the Daily at Texas University saying that he had placed the U. N. M. Weekly on their exchange list and requesting that we reciprocate.

to the University.

During the past year the following were noted:

The gift of \$1,500 by citizens for the grandstand, \$600 of which was given by Colonel George E. Breese.

The gift of a library of rare books dating from the sixteenth century by a donor who withholds his name.

Gifts for scholarship prizes by Arthur Prager and Albert Simms.

Gift of the "U" sign by Arthur Prager and Otto Wylder.

Gifts to loan funds by members of the Senior Class and an anonymous donor.

In welcoming the new students President Hill said that the University offers during a time of economic stress rich opportunities for preparation for useful service in business, industry, the professions, and in public life. President Hill emphasized the necessity of making a de-

This issue in charge of Mr. Harold H. Booker.

During the past years the spirit and congeniality of the great West has been shown in more than one way by the students of the University. Never has there been a serious split in the student body. Never has the great spirit of democracy been spoiled by the snobbery of a clique. Never has one student shown his feeling of superiority of another student by action or deed. The Weekly commends this attitude.

Perhaps the greatest impetus that can be given the continuance of this most desirable feature of our student body is the hearty exchange of greetings of one student to another as they pass on the campus. The students are all up here for one purpose, theirs is a common ground for association. They are here for an education which will prepare them for the life's work. At present they are free from care. And so the students speak on the campus. There have been a few who have failed. Let these few get the feeling of congeniality and cooperation and learn to speak to everyone they meet. If it is pardonable the Weekly desires to extend the above admonition to a very important part of the student body. Our faculty has been brought together with the purpose of making it the best in the West. Without doubt it has neared that ideal. But if it is to be the best in the West the faculty must do as the West does. It must exchange hearty greetings with the people they meet in their daily work. An instance in the case: The other night two students who had been at the University for the past three years hopped off the car at First and Central. One of our most efficient instructors entered the car. But he did not speak. There can be no excuse.

The Weekly believes that such an occurrence should be forgotten. Let the students and the faculty learn the lesson in democracy it points out, and speak to everyone you believe to be connected with the University whether you know them or not.

What say you all!

Buy a Mirage.

The management of the Weekly finds it necessary to reduce the size of the paper to the former four column paper. The business houses in the city as a general rule reduce their advertising after the holidays and we find that to keep the Weekly solvent it is better to reduce our size. We are sorry to do this but as soon as possible will return to the five column paper.

Turn your snapshots in.

In a few days the state legislature of New Mexico will meet. They will find for their consideration many things of great importance to the future well-

fare of the people whom they have been chosen to represent. Among the most important of these things will be the bill for appropriations. One of the items of this bill will be the money asked for by our own State University.

We all know the needs of our school. We all know the reasons why these needs are just. Why not do something to see that they are properly taken care of? Suppose each student wrote the senator and representative from their district explaining the University's needs. The appropriations asked for are not impossible. If the student will get behind it we may have a bigger and better University. Are you interested in your school? Do you want to see us advance? Then get busy. What say you all!

Boost the fete.

Not many more days remain until the instructors in this Varsity of ours will call for a final accounting of the work done during this semester. We can indeed be proud of our accomplishments in the activities outside of the class room. Are we to feel as proud of the records that go home to the old folks as we are of the records we have made in other activities?

There is every reason in the world for persistent study during the final few weeks of school. Show yourself, show your father and mother, show the world that you are not a dunce, that you can pass your course if you want to.

COUNCIL RECOMMENDS A GRADUATE MANAGER OF ATHLETICS — DIECKMAN VOLUNTEERS FOR JOB.

One of the most important recommendations ever made to the president and board of regents of the State University of New Mexico was passed last Tuesday by the Athletic Council. At its regular weekly meeting the proposition of having a graduate manager of athletics for the Varsity was discussed. The upshot of this discussion led to the formulating and adoption of the following motion: "That the Athletic Council of the State University of New Mexico recommend to the president and to the board of regents that the treasurer of the Athletic Association be transferred from the secretary of the University to a graduate manager of athletics who shall serve subordinate to the rulings of the Athletic Council, and that if this recommendation be accepted Mr. B. E. Dieckman be invited by the Athletic Council to act as graduate manager."

The need for some such action has been manifested many times. Miss Parsons, who now handles the books of the Athletic Association, has rendered efficient service but her many duties make it impossible to continue to put the proper time on the financial matters that face the Council. The solution of the problem seemed to be in securing some one actively interested in athletics at the University to attend to all financial matters of the Association. Such a person was found in "Bruno" Dieckman. Mr. Dieckman has kindly volunteered to act in the capacity of graduate manager without any recompense save the promotion of intercollegiate athletics at the University.

ENROLLMENT.

Prof. Barnhardt, chairman of the committee on "Curriculum," announced that finals would begin on Tuesday, Jan. 25, and would end on Saturday, Jan. 29. The next edition of the Weekly will contain a program of examinations. There will be no classes Monday and registration and enrollment will begin Tuesday morning of the new semester.

(Continued from page 1)
Negotiations are now underway to enter the Varsity in the Colorado Conference meet. Nothing definite has been ascertained concerning our entrance, but it is probable we will be represented when the big event is pulled off.

Louis Gerphelde is captain of the team, and will represent the U in the broad jump, high jump and quarter mile events. Scotty MacArthur, last year's point winner, will be hitting his old stride in the quarter and the sprints. We must look to Brown to duplicate his performance of last year, and sweep the field in the distance events. Pat Greenleaf in the weights, and John Pope Hayes in the pole vault and broad jump, will be certain point winners. Boldt and White, from teams of former years, are both in the game again.

From the Freshmen we expect great things. Hale, Walt, Gerphelde, Hernandez and Dow have proven them-

selves real athletes in high school circles, and will no doubt come through with the goods in college competition. We are out for a clean season. Watch our dust!

Building to be in Use Soon.

An order for a set of furniture for the Home Economics building from Strong's furniture store was recently placed by the U. N. M. authorities. The set chosen is indeed very beautiful and harmonizes well with the interior plan of the building. White topped tables for the kitchen laboratory have also been ordered.

This additional equipment is made possible by careful, efficient use of the funds available and much credit is due the management of the University. Much to the delight of all, it was announced that the building will be ready for occupancy in the near future.

SOCIETY

ENGINEERS TO GIVE BANQUET.

The big blowout of the Varsity chapter of A. A. E. comes tonight. The banquet is to be held at the Country Club, starting at seven, and followed by smokes.

Among the guests will be the engineering faculty and many officers and members of the Albuquerque chapter of A. A. E. Harold Booker is to be toastmaster and it is rumored that his program will add as much enjoyment to the evening as the eats themselves.

This banquet will be remembered as the first thing put on by the A. A. E. at the Varsity and its success will be followed by many undertakings of the society as it grows here.

ALPHA DELTA PLEDGE DANCE.

The pledges of Alpha Delta are entertaining with a dance, Saturday evening, at the Woman's Club. The hall will be decorated with the fraternity colors, blue and gold. Mr. and Mrs. L. B. Hessler will act as chaperones. Edward Morgan is in charge. The guests will be: Misses Helen MacArthur, Laura Crawford, Blanche Gouley, Pepita Espinosa, Juliet Fleisher, Mary Mullin, Helen Nelson, Dorothy Stephenson, Dorothy Allard, Elsie Ruth Dypes, Katherine McDowell, Mariam Sheibe, Jessie Harrington, Helen Dardow, Dorothy Cameron, Daphne Cobb, Ruth Heflin, Atha Hamm, Julia Masten, Evangeline Smith, Mary Lou McGuire, Susan Tully, Edna Hillyer, Madge Gibbs, Edyth Maharam, Lorena Burton, Helen Jackson, Clyda Wilson, Betty Morrisette, Mary O'Loughlin, Ina Claire.

ALPHA DELTA SMOKERS.

The members of the Alpha Delta fraternity have been giving a series of smokes for the men of the University. The first one was given on the afternoon of Sunday, December 19, at the fraternity house. It was for the members of Beta Delta of Pi Kappa Alpha.

The smokers have been continued following the holidays with one on Sunday, January 9, for the actives and pledges of the local Sigma Chi fraternity.

These have proven very enjoyable and successful, and will be continued following the final examinations. They will be for the non-fraternity men and for the men of the faculty.

PHI MU PLEDGE DANCE.

The pledges of Xi of Phi Mu staged one of the happiest little parties of the season last Saturday evening at the Woman's Club. Pink and white, the chapter colors were artistically worked into the scheme of decorations.

LOCALS

Mr. and Mrs. Eldodt of Glorietta, N. M., visited their son Joe Eldodt the early part of the week.

Miss Esther Abrams underwent an operation for appendicitis and is recovering at her home, 424 W. Central.

Grant Mann injured his shoulder while playing basketball in the boys' gym last Tuesday afternoon.

A San Francisco paper carries an article telling how G. Skiles Hoffman, former U. N. M. man, who took track honors here, gave his blood so as to save the life of Charles O'Brian, an ex-service man and member of the same American Legion as Dogie Hoffman. Hoffman is a track star and a member of the legion football team in San Francisco.

An unusually good program has been planned for the Spanish Club meeting to be held Wednesday, January 12.

Miss Mayme Hart is back on the hill. She has been in the East taking care of her father, who is ill.
