SOPHS VICTORIOUS IN BASKETBALL SERIES

Sophomores Capture Championship By Winning Tuesday Night; Freshmen Victorious In Only One Game.

The Freshman-Sophomore basketball series ended in a victory for the upperclassmen Tuesday, March 2nd, at the Y. M. C. A. gym.

The Freshmen were successful in a hard fought game Wednesday February 27th, winning by the close score of 21 to 20. Both of these final games were featured by spectacular playing, a great deal of spirit and excellent team work. In the fourth game of the series the Sophomores had victory almost cinched but a lucky shot by MacArthur won the game for the Freshmen. The guarding of John Sedillo for the Freshmen was spectacular and probably was the biggest factor in stopping the Sophomores forwards.

In the final game the Sophs were not sure of victory until the last half was nearly over. The game ending with the score standing 34 to 18. Every man on the Sophomore team deserves great credit for this victory. Without doubt it was their teamwork which enabled them to defeat the Frosh aggregation.

The lineup:

First game Sophs, 20; Frosh, 21.

Sophs—Witten, g; McClure, g; Wilfley, c; Greenleaf, f; Howden, f, captain.

Frosh—Rogers, f; Wilfley, f; captain; Gerpheide, c; Sedillo, g; Peirce, g; Boennamen, f; MacArthur, g.

Second game Sophs, 34; Frosh, 18.

Sophs—Wilfley, f; Greenleaf, f; Howden, f, captain; Foraker, c; McClure, g; Witten, g.

Frosh—Gerpheide, f, captain; Wilfley, f; Rogers, c; Sedillo, g; Peirce, g; MacArthur, g; Harris, c.

VOTE AT THE ASSEMBLY

In accordance with the present constitution of the Student Body, an election will be held at the close of the Student Assembly Friday, March 12th, for the purpose of electing the various Student Body officers for the coming year. A number of nominations were posted last Friday, and from those so posted the officers will be chosen. It has been found impossible to allow much time to be taken up by the election owing to the fact that two very distinguished speakers have been secured for the Assembly on Friday, but Dr. Hill has kindly consented to allow the last few minutes to be used for this purpose.

POPULARITY CONTEST ENDS SUCCESSFULLY

Dorothy Stevenson Voted To Be the Most Popular U. N. M. Girl and Joy Spruce the Prettiest.

After all votes were cast and counted, the returns for the Mirage Beauty and Popularity Contest gave the honor of being the most popular U. N. M. lady to Miss Dorothy Stevenson and an equal distinction—that of being the prettiest U.N.M. lady—to Miss Joy Spruce. The contest did not reach its highest pitch of enthusiasm until the last day when over fifty per cent of the total votes were cast. Both candidates won by a comfortable majority.

The contest was quite successful, in its original purpose, that of selling Mirages, as 218 of them were sold. Not quite all of the money has been turned in however and the manager would like very much to get the affair closed entirely.

The final count for the Popularity Contest gave Miss Stevenson first honors and Miss Bear and Miss Angle second and third respectively.

For the Beauty Contest Miss Spruce led followed by Miss Fallis, Miss McIlvain and Miss Miller respectively.

This Contest if carried on each year might be perfected and regulated so that it would be a big event.

BASKETBALL AND TRACK

March the seventeenth being St. Patrick's Day this year as usual, it has been decided to uphold the ancient and honored tradition of the University by holding contests between the Freshmen and Sophomores in the form of a Track Meet and Baseball game. This was Coach McGough's idea, but more people than the Coach are needed to make this a successful event, and everyone is urged to report to him or the managers of the two classes if they have any ability to run or perform prodigious feats of muscular activity.

The Sophomores have a nice representation out for the baseball team, but the Freshies are not far behind, and the game promises to be hard fought from beginning to finish. A number of men from both classes are training on the track, and if a few more students would show themselves to be really in earnest along such lines, most interesting contests could be held which would afford the best of entertainment to spectators, as well as develop material from which to select a track team to send to Tucson in the spring. Heretofore the University of New Mexico has not

MANY NOMINATIONS POSTED FOR ELECTION

Large Number of Students Out For Offices to be Filed at Election Friday Morning in Rodey Hall.

Friday, March 5, being the last day on which nominations might be posted for the Student Body election, was the scene of many aspirations and plans on the part of various students. The bulletin board began to look rather small for quite a while, but gradually the nominations ceased coming in, and at the end of the time allowed fourteen students had been nominated for the various positions.

For president of the Student Body, only one candidate will be voted on, J. M. Scruggs. Johnnie is well known among the students, and has received all his college education in the University, being Manager of the Weekly at present. He has always shown himself to be a hearty supporter behind every justifiable and worthy University cause, and is a hard worker in all lines.

For vice-president we find the two sexes competing for the coveted honor, in the forms of Margaret Lee and George Gentry. Both candidates are of the present Sophomore class, Miss Lee being well known in social and Y. M. C. A. circles, and Gentry occupying a prominent place in all athletic, and speaking contests.

Miss Mayme Hart is the only nominee for secretary-treasurer of the Student Body, and is a Junior in standing at present. Miss Hart has been foremost in all Student Body activities, and has shown herself very capable in all lines, being one of the two representatives to the Des Moines Convention in December.

Of the two candidates for Editor of the Weekly we can hardly afford to say much since one of them has a come back in these columns in the course of a short time. But in George Bryan and E. C. Robertson the University students will find plenty of school loyalty, and ability, and either would make a success of the paper. Bryan is at present on the Weekly staff, and has shown himself to be thoroughly reliable in all respects, while Robertson comes to us with a splendid reputation in other schools in the newspaper line.

Fred Gray is the only nominee for Manager of the Weekly, and will make a good man to handle the financial end of the matter, having managed it as Assistant Manager in the past and proved his ability.

Katherine Angle and Charlie Caldwell are slated to put out the next Mirage of the University, the former being the prospective Editor and the latter the Manager. Under their leadership the University may expect

DISTINGUISHED MEN TO BE SPEAKERS FRIDAY

Highly Interesting Student Body Meeting To Be Held; Dr. Douglass, and Dr. MacDougall To Be Principal Speakers.

Friday morning at eleven o'clock the students of the University of New Mexico will have the opportunity of hearing two men of the highest rank in educational work, and of national fame in their respective lines, when addresses will be given by Andrew E. Douglass, and David T. MacDougall. Dr. Douglass is the professor of Physics and Astronomy, and Dean of the College of Arts, and Sciences at the University of Arizona, while Dr. MacDougall is the Director of the Department of Botanical Research of the Carnegie Institute, of Washington, and Director of the Desert Laboratory of the Carnegie Institute.

The University is most fortunate in being able to secure men of such ability and renown as these two gentlemen, and every student should avail himself of the opportunity of hearing them. The assembly will begin promptly at eleven a. m. Friday, for every minute is needed for the addresses and the transaction of business by the Student Body. Friday evening at eight p. m. Dr. Douglass will give an illustrated lecture in Rodey Hall on "The Big Trees and Their Story of Climate" to which the public is cordially invited and urged to attend.

The Assembly Friday morning will also be held for the purpose of holding the annual election of Student Body officers, and probably no other assembly has ever surpassed it in the wealth of material open to the students and the occasion is one worthy of a record breaking crowd. When the University brings such men as these to speak to the students, it is for the benefit of students, not the institution, and the least they can do is to be present. So be in Rodey Hall promptly at eleven o'clock Friday morning, March 12th.

IRISH PLAYS TO BE PRESENTED

St. Patrick's Day will be observed at the University of New Mexico in many and varied ways, but there will probably be no form of entertainment better received and welcomed by the students and friends of the University than the Irish plays which will be presented by the Community Playhouse Association in Rodey Hall that evening.

The Playhouse Association has put on a number of very interesting

THE ELECTIONS.

The time for the annual election of the various officers of the Student Body is here again. A number of nominations have been posted according to the requirements laid down in the constitution, and it is now up to the students themselves to say who shall be their leaders during the coming year. This is a responsibility which rests directly on each member of the Student Body, and one which should not be shirked.

We all want the right man for the right place, and we want officers who will truly be leaders. Now is the time for each student here to consider carefully the different contestants as to natural ability, scholarship, and fitness for the special position; and then to cast his vote for the man or woman whom he considers best qualified to fill the office.

DO YOU KNOW HIM?

He is everywhere, not only in our University, but in all walks of life we encounter him. He looks like any other man so far as the human eye can detect, for his dress is like ours, and his language is like ours. Yet there is something about him which is continually cropping out—something which separates him from the rest of the people. Through all the walks of life we meet him, and we always know him.

He never varies. What the majority of the people want is the wrong thing to him, what he did not think of first is no good, and can never be of benefit to others. He appears to be satisfied with all the world when he is winning, or in the lime-light, but when his light fades the world which was once so good is all wrong. He advocates new reforms which he thinks the people ought to accept with shouts of exaltation, and if the motive of his reform is questioned, the world is all topsy-turvy. He raves at the people when they disagree with him, accusing them of being everything but what they should be, and the next day when he gets up on the other side of the bed, the faults of yesterday are superseded by the new ones he never fails to find today.

In the course of a few weeks he has proclaimed all society a fraud,

he has declared all political institutions to be forerunners of Bolshevism. He advocates new forms of society and a new form of government or a radical change in the present form, always so as to put him in the lead. Thus he is found throughout the world.

In our University, we find the same individual. He is a poor loser, he is always ready with destructive criticism, delighting in pointing out the mistakes of those who are in power, yet never ready with anything worth while to propose. Always ready with the "I told you so," but never willing to shoulder any of the blame himself; he is two faced, playing the good fellow when things go smoothly, and offering his good advice but on being asked to do something he never has the time, but hopes to have some next quarter. Next quarter, like the Mexican mañana, never comes. When things go wrong he again is very free with advice and criticism, telling what should have been done and what he will do when he has time.

He is one of the elements of society that make us laugh at times, and at others we are angry. Sometimes he is called a radical, a more polite name, though not so truthful, is a reformer. But the best word to express his actions is "the knocker."

MANY NOMINATIONS POSTED FOR ELECTION

to see edited and successfully carried through one of the biggest and best annuals ever published at this institution. Miss Angle is at present Society Editor of the Weekly and has shown much ability along that line of work, while Caldwell showed his financial ability in managing the last football season with no deficit.

Five names have been posted for the three offices on the Athletic Council, Miss Dorothy Stevenson, and Messrs. Chas. Culpepper, Burch Foraker, Louis Gerpheide, and Howden. All five have been very prominent in all athletic circles, and have had experience along those lines, and any three should successfully manage the athletic contests into which the University may wish to enter.

On the whole a very cosmopolitan and worthy list of nominees has been posted, and we feel sure that the University need fear nothing so long as such students are nominated for responsible positions.

PI KAPPA ALPHA BANQUET.

Beta Delta chapter of Pi Kappa Alpha held their annual banquet at the Alvarado, Monday evening, March 1st, in honor of their Founder Day, March 1st, 1868. The long tables of Taft Hall, were artistically decorated in ferns, and enchantress carnations, while on the walls hung fraternity shields and banners. The lights were covered with garnets and gold crepe paper, and each of the forty Pi Kappa Alphas was presented with a rose carnation as a symbol.

The toastmaster was Joe McCanna, already known for his wit. After the program, impromptu speeches were given by local alumni, Laurence Lee and Arthur Van Cleave, and by two visiting brothers, O. A. Owen from Kappa chapter of Transylvania University, and C. O. Van Devanter of Beta chapter, Dandson Colege, North Carolina. The speakers and subjects for the after dinner speeches were:

"The Spirit of the Fraternity," Leo Murphy.

"What I Am Oing To Do At the Convention," Ernest Hammond.

"The Alumni," Charles Lembke.

PHI MU ANNIVERSARY.

Phi Mu celebrated their sixty-eighth anniversary of their founding at the Phi Mu House on Gold Ave. Thursday evening, March 4th. Betty Arnot, assisted by the pledges served a most delicious course supper.

Phi Mu's flower, the enchantress carnation, was used for decorating, while everywhere rose candles cast their glowing beams upon the merry-makers. After supper, the Founders' Day Service was held, and dancing and singing followed. About thirty alumnae and actives were present.

ALPHA CHI OPEN HOUSE.

Alpha Chi Omega held open house at their Lodge on East Central Sunday afternoon from four to six, in honor of Mrs. R. B. Bennett, who has been inspecting the chapter which she installed here about two years ago.

Delicious wafers and punch were served and nearly one hundred callers came during the afternoon to meet this charming visitor from Los Angeles, California.

FORTNIGHTLY TEA.

Miss Ethel Hickey and Miss Pearl Stone were faculty hostesses Friday afternoon, to the girls of the University, in the Home Economics' rooms, at a delightful tea. They were assisted by Misses Wenonah Dixon, Florida Sain, and Fay Bran-

SIGMA CHI DANCE.

The Sigma Chi House on East Central Avenue was the scene of a "peppy" dance Friday night, March the fifth. The rooms were artistically decorated with trophies of "fun and mischief," not of war, and fraternity banners. Delicious punch was served, and Mrs. Soells furnished the best jazz music. Not least, Professor and Mrs. Weir were jolly chaperones.

What is the latest thing the Mirage is doing? Why putting on a Joke Contest! Do you remember that bright remark the Fresh Frosh (or was it a dignified Senior) made in class yesterday? Well, write it down and enter it in the Joke Contest. Perhaps it will win you the prize, an extra copy of the Mirage. It is safe to say that one funny thing is said in every class, every day. You can count up for yourself how many chances you have to win the contest. The following are the rules for the contest:

1. The contest shall open Monday, March 8, 1920, and close on March 27, 1920.
 2. Any student or member of the faculty may submit jokes.
 3. The joke must occur in the class room or on the campus.
 4. All jokes must be signed by person submitting them.
- Jokes shall be placed in the Mirage box or handed to Anne Cristy or Wenonah Dixon.

6. The jokes shall be judged by a committee of three, composed of one faculty member, one member of the Mirage staff, and one member to be appointed from the Student Body. Get busy and win a copy of the Mirage at the expense of your neighbor, and at the same time help the Mirage of this year contain the best display of jokes ever before presented.

BASEBALL AND TRACK.

(Continued from page 1)

been represented in the Intercollegiate track meet in Arizona in the spring, but it is the plan of the manager of the track team, and Coach McGough to participate in this event and bring home the trophies. A snappy, and well conducted field meet on St. Patrick's Day would do much toward developing interest in the spring sports, and it is hoped that more men will report not later than Wednesday for constant practice. No man can do himself or the school justice if he is not in the best physical trim, and prospective candidates should be training continuously from now on until the track meet. G. J. Kiss has been elected manager of the Track team by the Athletic Council, and the newly elected "boss" promises to make things hum.

George Gentry has been elected captain of the Baseball team of this year, and with Frank Greenleaf as Manager a very successful season is predicted for the University. The diamond needs smoothing down, and packing; and new material should be forthcoming at once. The main thing at present is to get more people interested in baseball and track, and not so many in campuistry. Two hours practice will make any one feel better during the spring season, and an increasing ability to settle down to real studying will be noticed by all who regularly and actively go out to practice. Get busy.

VOTE AT THE ASSEMBLY.

(Continued from page 1.)

pose, and efforts will be made to consume as little time as possible.

In order to carry out the election promptly and with as little confusion as possible, and yet with the dignity due such an event, ballots are being printed by the University, which will contain names of the candidates for each office and a place for the signature of the person voting. These ballots will be distributed at the close of the last speaker's talk Friday, and three minutes will be given for the proper marking of the candidates by the voter. A cross should be placed at the side of the name of the person whom you desire to fill the office for which he is a candidate, at the conclusion of which your name should be signed at the bottom of the ballot. (No ballot will be counted which is not so signed.) At the close of the Assembly, the ballots will be placed in a ballot box at the door of Rodey Hall. Only one ballot may be cast by one person, and the following people have been appointed to see that such a rule is adhered to, and count the votes immediately after all have placed their ballots in the box: Edwin Burt, Ralph Meyers, Thomas Calkins, and Charles Gerhardt, with Clyde Morris in charge as president of the Student Body.

A fitting ballot box will be constructed, to be used for such voting purposes in the future. Everyone is urged to be present at the Assembly Friday both on account of the speakers as well as the election. No person will have the opportunity of voting who is not so present, and it is hoped to have one hundred per cent of the Student Body at the meeting.

POPULARITY CONTEST ENDS SUCCESSFULLY

(Continued from page 1)

of the school in years to come. An Alumnus member on buying a Mirage during the Contest told of the time when a popularity contest was settled in quite a unique manner. On the day the contest was to be settled an active campaign was carried on for one queen and almost everyone voted for her and elected her, the "queen" in question being "Red" Balcomb's dog.

It looks as tho the Mirage this year is going to be by far the best ever issued and, each student will get full benefit of their \$3.00 for the Mirage.

The management wishes to thank all those who sold Mirages and helped in any way and all who bought their books and to extend congratulations to the winners.
