NEW COURSES FOR SPRING QUARTER

Program Committee Makes Announcement of Courses Which Will Be Started New Next Quarter. A Large List is Given.

In addition to certain courses offered for next quarter, which are continued from preceding quarters, there are several courses offered in various departments, as follows:

Biology 11. Three lectures a week on the scope of biology with emphasis on evolution, animal behavior, plant succession, etc. This course is open to all students but does not count towards group requirements.

Biology 85. Ecology, 5 hours to be arranged.

Botany 91. Bacteriology, 5 hours.

Chemistry. In this department, courses starting next quarter are: Qualitative analysis, quantitative analysis, and metallurgy.

Economics and Sociology. All courses offered in this department are new:

Sociology 52 and 53 or 56, and Economics 117.

Education. Courses 58 and 65 are offered for the last time. No. 18 will also be given.

E. E. Electrical measurements or Electro-Chemistry, 4 hours, will be given.

English Language. No. 1 will be given again. The new courses are 61 and one out of the group of 99, 101, 137.

English Literature 76, modern prose, 82, 141, 144, and Greek 93, all new courses.

Geology. Courses 2 and 103 are new.

Home Economics, 73-74, 132 are new. Attention is directed to a lecture course, three times a week, on foods which is given in response to a request from the food administration. The government asks that all women in the University consider it their patriotic duty to take this course. Men are also permitted to enroll.

History, 42 (offered by Dean Mitchell), emphasis on constitutional development and the debt of the modern peoples to the Romans; 83: Spain and Latin-America; 57, Europe since 1878, emphasizing situations leading up to the present war.

Latin. No. 7, Caesar, 72 will be offered if Hist. 42 is not called for.

Greek 93. The development of comedy to modern times; readings from Greek and Roman comedies in translation.

Mathematics. C: Solid Geometry; 12: Analytics; 16: Descriptive Geometry.

Music. No. 41, Public School Music.

Psychology. 56, Educational Psychology and one advanced course.

credit.

FACULTY POSTS EXAM SCHEDULE

Program, Which Will Be Followed Next Week, Has Been Arranged and Posted on the Bulletin Board. Several Changes.

The examination schedule has been announced by the faculty. There has been a radical change in length of time allotted to five hour courses and three hour courses. Five hour courses now have a two hour exam., and three hour courses have a one hour exam. The schedule follows:

Examination Schedule.

5 and 6 hour courses at 8:00, 8:00-10:00, Wednesday, March 27.

5 and 6 hour courses at 10:00, 10:00-12:00, Wednesday, March 27.

5 and 6 hour courses at 1:00, 1:00-3:00, Wednesday, March 27.

5 and 6 hour courses at 3:00, 3:00-5:00, Wednesday, March 27.

5 and 6 hour courses at 9:00, 8:00-10:00, Thursday, March 28.

5 and 6 hour courses at 11:00, 10:00-12:00, Thursday, March 28.

5 and 6 hour courses at 2:00, 1:00-3:00, Thursday, March 28.

5 and 6 hour courses at 4:00, 3:00-5:00, Thursday, March 28.

Monday, Wednesday and Friday classes—the first half of period assigned.

Tuesday, Thursday and Saturday classes—second half of period assigned.

Classes meeting at different hours in the week will divide the examinations: e. g. In H. E. 56, lectures at 8:00 Tuesday and Thursday and Lab. 2:00-4:00, Monday, Wednesday and Friday. The finals will be given 9:00-10:00 on Wednesday and 1:00-2:00 on Thursday.

EXTENSIVE CAMPUS IMPROVEMENTS.

Work on the remodelling of the campus has been pushed rapidly for the past two or three weeks. The roads which have been graded and filled in are rapidly becoming serviceable once more. Grass is beginning to come up wherever it has been planted, and the whole campus is assuming a park-like appearance. The little park fixed around the sun dial is a decided improvement, and the double drinking fountain at the north end will prove serviceable as well as beautiful.

Work on the tennis courts is proceeding slowly, but those in charge expect to have them ready for play in the very near future.

The grounds will certainly be one of the beauty spots around Albuquerque when the final results are obtained.

Gene Morgan, who attended the University last year, is in the city for a short visit.

FIRST ACT OF PLAY WELL UNDER WAY

Many Original and Striking Costumes Will Be Seen. Leads and Choruses Are Working Overtime to Learn Parts.

Those in charge of the musical comedy to be given by the University Dramatic Club say that practices are moving rapidly, and that the first act is well under way. Work will probably be begun on the second act next week.

A dressmaker has been busily engaged for the past two weeks in the manufacture of costumes, ably assisted by the girls who are to wear them. It is said that the color scheme is well worked and that some startling effects will be secured from the time that the Tinijas make their appearance until the purple—of the hay fever chorus are seen. The costumes follow the lines laid down by Vance Thompson in his book entitled "Women."

It is the aim of the authors and manager to have everything possible done by the students of the University, so that the production may in truth be called a University one. In accordance with this plan, some of the scenery will be made in the shop and painted by some of our artists. There will be new and novel scenery, never before seen anywhere.

Another feature of the play will be some real ballet dancing, by one or two of the choruses. Joe Scotti gladly came back to coach the University play because, as he says, it gives him a chance to work out some of his own ideas. He certainly has some clever ideas, and the fancy steps and other new features will be due to Scotti's ideas and efforts.

The songs, in both the words and music, are catchy. Miss Florence Seder has written the words to a couple of the songs, and Miss Hickey the rest. Lloyd Kellam has written the music for two songs of the first act, and it is possible that he will write another song or so. The remainder of the music will be Professor Seder's.

In attempting to describe the play, Miss Hickey said: "It is an absurd blend of up-to-date—well, the whole thing is absurd." We have often heard of classical music in three movements, but Miss Hickey assures us that this is the only musical comedy in existence which proceeds in three movements, and they are, provincialism, commercialism, and patriotism.

The name of the play will probably be announced next week.

Frances Bear has been enjoying a visit from her mother, Mrs. Bear, of Roswell, N. M. Mrs. Bear expects to return to Roswell Wednesday or Thursday.

SIoux CITY MAN IS PHYSICAL DIRECTOR

Mr. J. W. Stewart, Experienced Coach, Has Been Secured by University; Assumes Charge at Beginning of Spring Quarter.

J. W. Stewart, who is now in charge of athletics in the schools of Sioux City, Iowa, has been secured by the University of New Mexico to take entire charge of the athletics of the college. He will act as physical director for the freshman gymnasium classes, and as coach for the various athletic organizations of the college. Dr. Boyd, president of the University, has been negotiating with Mr. Stewart for some time past in an endeavor to obtain his services, and has just recently been able to close a contract with Mr. Stewart. Mr. Stewart is expected to be in the city about the middle of April and to take full charge of all athletics at that time.

Mr. Stewart is a graduate of the high school at New Concord, Ohio, and of Geneva college at Beaver Falls, Pa. He has also attended the school of coaches at the University of Illinois for two sessions and is thoroughly prepared for his work as coach here.

Mr. Stewart comes highly recommended from those who know him. He is especially well recommended as an all-round coach, and is very strongly in favor of affording to all students who care to take advantage of the opportunity a chance for full and complete physical development. This attitude is entirely in accord with the idea which the University has been trying to develop of making it possible not only for the athletic organizations alone, but for the entire student body to gain benefit from supervised athletic instruction.

Coach Zupphe, football coach at the University of Illinois, says of Mr. Stewart: "You will find him thoroughly competent to fill the position. He is an experienced man with plenty of training and is an able coach. He is a clean, upright man, who ought to make good."

Mr. Stewart has been unusually successful in training winning teams in the different schools and colleges with which he has been connected, and it is expected that with his coming to the University of New Mexico, athletics in the University will make a pronounced stride towards success.

Charles R. Clarke, who attended the University for two years, is in the city for a short visit. Charlie is now in the naval band, stationed at San Diego, Calif. He reports that the life is great, and that he has gained twenty pounds since enlistment. Just before coming to Albuquerque, Charlie saw "Blanco," Les Boldt, Don Wilson, Bowers, all old University men.

WEDNESDAY, MARCH 20.

WHY NOT?

There have been rumors this year, just as last, that the annual play would make several trips out of town, especially to Santa Fe and to Roswell. Last year "Go Ask Willie" was presented in Santa Fe, during the session of the legislature. No one can deny that it accomplished good. It let Santa Fe and the law-makers know that we had a State University, capable of doing things, for the play from start to finish was a University product, a product of both faculty and students. The same holds true of the play to be given this year, and from all accounts this year's play will be better than "Go Ask Willie."

To give the play in Roswell, and on the way to Roswell, in Clovis, would be the greatest inducement possible toward securing new students. We are not doing anything in athletics this year, and have plenty of money in the athletic fund. Why could not this be used to back the play, if necessary? People from Roswell and Clovis say that a full house can be secured in each place. They also state that it would be the means of securing a number of students from Clovis and the Pecos valley. The cost would be large, but the results would be great. Why not?

NEW CATALOGUE PRINTED.

The new University catalogue is complete and off the press ready for distribution to the various high schools of the state and to prospective students. The catalogue which has just been received from the printers, is based on the new four-quarter system which the University has put into practice for the first time this year. This system involves the commencement of courses at the beginning of the different quarters, thus enabling a student to enter the University at the beginning of any quarter, and still be able to start with the different classes at the beginning of the work. Accordingly the catalogue contains an explanation of the new credit hours, and also a very complete description of the different courses of study offered under the new system with their dates of beginning. Anyone may obtain a copy of the catalogue by applying by mail to the registrar, care of the University.

DO YOU KNOW.

That people in glass houses shouldn't throw stones?
That the unsuspected yellow streak in some people on this campus has recently cropped out?

Henry, the Varsity Baggage Man.
Phone 939.

FIVE DEAD MEN.

First Soul:
I was a peasant of the Polish plain;
I left my plow because the message ran:
Russia, in danger, needed every man
To save her from the Teuton; and
was slain.
I gave my life for freedom—this I know:
For those who bade me fight had told me so.

Second Soul:
I was a Tyrolean, a mountaineer;
I gladly left my mountain home to fight
Against the brutal, treacherous Muscovite;
And died in Poland on a Cossack spear.
I gave my life for freedom—this I know:
For those who bade me fight had told me so.

Third Soul:
I worked in Lyons at my weaver's loom,
When suddenly the Prussian despot hurled
His felon blow at France and at the world:
Then I went forth to Belgium and my doom.
I gave my life for freedom—this I know:
For those who bade me fight had told me so.

Fourth Soul:
I owned a vineyard by the wooded Main,
Until the Fatherland, begirt by foes
Lusting her downfall, called me, and I rose
Swift to the call—and died in fair Lorraine.
I gave my life for freedom—this I know:
For those who bade me fight had told me so.

Fifth Soul:
I worked in a great shipyard by the Clyde,
There came a sudden word of wars declared,
Of Belgium, peaceful, helpless, unprepared,
Asking our aid; I joined the ranks and died.
I gave my life for freedom—this I know:
For those who bade me fight had told me so.
—W. N. Ewer in the London Nation.

DO YOU KNOW?

The happiest girl on the hill these last few days?
The girl who will take the hat if she can't get the man?
That you shouldn't believe anything that you hear and only half of what you see?
That the good-looking gray car from Roswell is here again?
That there is a new banjo-ukelele in the dormitory—when it isn't outside?

The girl who carries each letter next to her heart?
The girl who did not accept the stunning diamond which was offered her?
The boys who took the Bears to see the bears?
The girl whose heart is divided?
The boy whose heart is in the

FOOD CONSERVATION COURSE IS ORDERED

Miss Lathrop, of the Domestic Science Department, Makes Announcement Concerning Course Given Under Direction of Government.

A number of questions have been asked in regard to the government course to be given during the spring quarter.

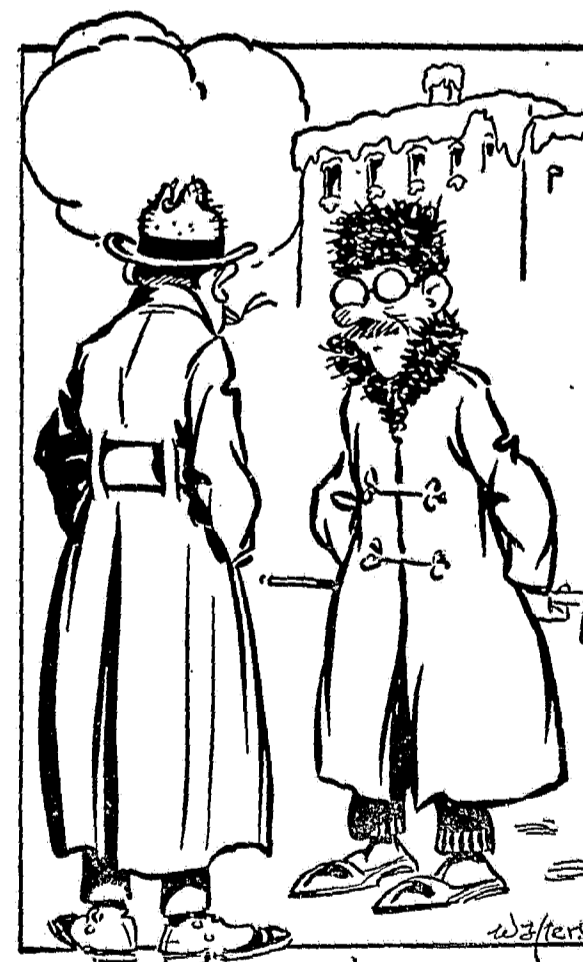

The course is the Food Conservation Course for Colleges.

The outlines are sent out by the government, and the lectures will be based on these outlines.

It is very desirous that all the young ladies take the course, as no prerequisites are offered. One credit will be given for attending the lectures and three may be earned by doing required reading and passing an examination on the course. This course is very important at this time, especially for those who intend to do any government work, but it is very important that all young women should be informed on food conservation. There will be at least two lectures a week and possibly three. The time will be arranged to suit the largest number. All students are eligible to the course. Please inform me as soon as possible in regard to registering for the course, so that a suitable hour may be arranged.

MISS LATHROP.

KILLING TWO BIRDS

"I was beginning to think there was no originality in New Year cards, but I was mistaken," remarked Joblots. "You received a novelty?" "Yes. My tailor sent me a card bearing the usual greetings, but added this line: 'How about that little bill?'"

MUSICAL CONCERT SATURDAY NIGHT

Saturday evening at 8 o'clock, the College of Fine Arts will present a musical program at Rodey hall, under the direction of Prof. Stanley Seder. The first part of the program will be miscellaneous songs and piano pieces. In the second part numbers from the grand operas will be presented by members of the Opera Chorus, with explanatory remarks by Prof. Seder. All are invited to attend. Following is the program:

PART I.

A Birthday Woodman
Miss Estelle Harris.
Prelude in G Chopin
Valse in G flat Chopin
Miss Nola Keen.
The Bandolero Leslie
James L. Wait.
Minuet in G Paderewski
Miss Julie Hubbell.
(a) A Memory Park
(b) A Song of Joy Cadman
Miss Helen Vincent.
Mazurka in B flat Godard
Miss Anita Osuna.
Chanson Provencale dell'Acqua
Miss Grace Stortz.
The Butterfly Lavalley
Miss Anne Harris.
(a) Allah Chadwick
(b) Irish Love Song Lang
Miss Estelle Harris.
Silver Stars Bohm
Jos. T. Miller.

PART II.

Grand Opera Selections.
Trio from "Attila" Verdi
Miss Hortense Switzer, Robert T. Sewell, Mr. Seder.
My Heart at Thy Sweet Voice ("Samson and Delilah") Saint-Saens
Miss Alberta Hawthorne.
Ave Maria ("Otello") Verdi
Miss Grace Stortz.
Rigoletto Paraphrase... Verdi-Liszt
Harold Parth.
Barcarolle ("Tales of Hoffman") Offenbach
Miss Hortense Switzer, Miss Alberta Hawthorne.
Micaela's Prayer ("Carmen")... Bizet
Miss Estelle Harris.
Finale Trio ("Faust") Gounod
Miss Grace Stortz, James L. Wait, Mr. Seder.

On Friday evening at the Congregational church, an illustrated lecture on the Panama Canal and California will be given by Dr. Lynd, the acting pastor, who was formerly official lecturer for the San Francisco Exposition. At 8 o'clock a half-hour prelude of music will be given under Prof. Seder's direction, the lecture following immediately. An admission of 25 cents will be charged.

SOCIETY

ALPHA DELTA ANNUAL DINNER.

The annual dinner of the Alpha Delta fraternity will be held at the Y. M. C. A. Friday night at 6:30 o'clock. The banquet, usually held, was dispensed with this year, in accordance with the country's aims for food conservation. Toasts will be made by John Scruggs, Joseph Eldott and Ernest W. Hall. Harold Keinath will act as toastmaster. Mr. Eldott is in charge of arrangements.

K. D. N. TO K. K. G.

The Kappa Delta Nus have changed the date of their dance, given in honor of the Gamma Beta chapter of Kappa Kappa Gamma, from April 5 to April 19. The pledged Kappa Kappa Gammas are to be installed on April 5.

ALPHA GAMMA TEA.

Miss Irene Boldt entertained the Alpha Gamma girls at a reception and tea Sunday afternoon, in honor of Miss Myra Martin, of Roswell, who is her house guest this week. Some twenty girls called between 2 and 5, to meet Miss Martin. Delightful refreshments were served during the afternoon.

K. K. G. BANQUET.

The night after their installation, which takes place April 5, the Kappa Kappa Gammas will celebrate with a banquet at the Alvarado. Miss Lois Davis is in charge of arrangements.

SIGMA CHI.

The visit to the local chapter of Sigma Chi of W. C. Henning, one of the grand officers of the fraternity, was the occasion of several social events. Mr. Henning was accompanied by his wife. The first of these entertainments was on Friday evening, when the Sigma Chi fraternity of the University held an informal gathering of members of the fraternity and their ladies in the fraternity house, honoring Mr. and Mrs. W. C. Henning, of St. Louis. There were some twenty couples present. Mr. Henning is the highest officer in the national fraternity, and he has been visiting all the chapters of the fraternity west of the Mississippi river. Mr. Henning came to Albuquerque after having visited Oregon, Washington, Montana, Idaho and California.

On last Saturday evening, all the Sigma Chis in the city, with their ladies, gathered in the Taft room of the Alvarado hotel around a banquet board in honor of Mr. W. C. Henning. Decorations were in the fraternity flower, the white rose. All of the ladies present wore white roses, while at each place around the banquet board a white rosebud was laid. In the center of the table stood a large centerpiece of white roses, which was presented to Mrs. Henning from the local chapter as a mark of their esteem. Pearce Rodey was toastmaster, and toasts were responded to by Allen Bruce, James Phillips, Will Keleher, Dr. D. R. Boyd and W. C. Henning. Fraternity songs were sung by all present. Miss Grace Stortz rendered a very beautiful song number, playing her own violin obligato. Miss Harris, Miss Switzer, Mr. Sewell and the University opera cho-

Eat at the New Republic Cafe.

LOCALS

Lee Langston, a former U. N. M. man and football enthusiast, sends his address at Post Field, Twenty-fifth Balloon company, Fort Sill, Okla. He says that he likes the service very much.

A letter from Al S. Hunt, who was connected with the University for about nine years, states that he has reached home at Wiggins, Miss., and entered upon a farm and stock raising career.

Extensive vegetable gardens are being planted on the north side of the University campus, in charge of Frank Anderson. Hot beds have been constructed for growing various kinds of plants, and arrangements are made for ample irrigation.

Paul P. Mozley, who held position of student assistant in chemistry in the University last quarter, was recently called into the government service as a chemist. Mr. Mozley is in Washington, D. C., at present.

Prof. A. O. Weese, of the biological department, has written papers recently of more than local interest. One paper is now in the press of the American Naturalist, and another will be printed which Prof. Weese read at the meeting of the Ecological society of America. Still another paper on a biological subject has been printed by the Journal of Ecology in England.

Mr. Sachs, one of this year's seniors, left last week for Denver, Colorado, where he will probably spend the summer.

Miss Daugherty, formerly of Socorro, N. M., now of California, visited Claire Bursum last week for several days.

Miss Myra Martin, of Roswell, N. M., is the guest of Miss Irene Boldt. Miss Martin came overland in the same party with Mrs. Bear.

His Influence.

"I thought Jiggs was going to use his influence to get you elected to membership in the club." "He did." "What happened?" "He's been asked to resign."

Changes His Mind.

A man always imagines he has good sense until he comes across an old love letter he wrote to his wife during courtship.

Camphor Plant Wild.

The plant from which camphor is obtained in China has been discovered growing wild in the Philippines.

Important Point.

Concentration is a great distinguishing faculty.—Greenville Kleiser.

rus gave excellent music during the course of the banquet.

After the banquet the dining room of the hotel was cleared of tables and the merry company danced until 12 o'clock.
