INDOOR WORK FEATURE OF TRACK PRACTICE DURING COLD SNAP

Close Competition Predicted for
Meet on April 16.

Indoor practice has been featured as the order of the days training for the men in whom the U. N. M. has placed its faith to win honors in track this spring. A few have ventured forth into the cold and blustery weather which has besieged us during the last few days, but the majority of the men have been taking their workouts in the gym. Rope jumping, throwing the medicine ball, and mat work are all on the program for the men who wish to remain in the condition perfected by early spring training while it remains too cold to appear in the scant attire necessary for track work. Coach Johnson has pinned his faith in the weather man who has predicted an early blessing of continued "clear and warm" to enable him to place his men into actual training again.

The dopesters have it that the only event which the University is not sure of winning is the low hurdles. Efforts are being made to find a man to fill this vacancy. In every other event there has been exceedingly good time made, when the fact that it is still early in the spring and that practice has been intermittent because of the stormy March days which we have experienced are taken into consideration. The wise ones are confidently predicting that such men as White, Hale, the two Gerphelides, and Brown will each take at least two first against Arizona in the dual meet to take place on the Varsity field in May.

We may be sure of some fast time and some strong competition in the Engineers-Arts and Science meet to be held April 16. Followers of Varsity sports may then have a chance to compare records made in actual competition by the promising array of track material carrying the Cherry and Silver this year. Although the dope shows that Dean Mitchell's proteges have a great advantage in the coming meet, Dean Eyre has promised that his boys will be out in force and are ready to put up a gallant battle.

UNIVERSITY COUPLE ELOPE TO BELEN TO BE MARRIED

Miss Belle Barton, '23, daughter of Mr. and Mrs. D. E. Barton, and George P. Sampson, Jr., '22, a nephew of Dr. P. G. Cornish, were married Monday afternoon, April 4, at Belen by the Rev. Thomas V. Calkins.

The wedding was a surprise to the friends of the young couple, only a few University intimates who formed the wedding party knowing of the plans. The couple attended classes at the University until noon Monday.

Shortly after noon an automobile party composed of the bride and groom, the young minister who is also a University student, Miss Floride Sain of Roswell, George White, Hiram Cudabac and George Skeel, drove to Los Lunas where the license was obtained. The party then proceeded to the church of Mr. Calkins at Belen where the ceremony was performed. Returning to Albuquerque for their baggage the young couple left for Winslow, Arizona, where they will make their home.

The romance is one that grew at the State University where both the bride and groom have been students for the past three years. Mrs. Sampson is a member of Kappa Kappa Gamma sorority and Mr. Sampson is a Sigma Nu. He will enter business in Winslow.

The Royal Order of Shifters which has caused so much comment on the campus is rapidly becoming one of the best known and popular organizations that the University has ever known. All who have joined express themselves as delighted with the honor.

NORFELDT SCORES HIT AS GRUMPY IN BEST AMATEUR SHOW OF YEAR

B. J. O. Nordfeldt playing the title role of Grumpy in the drama league of the Santa Fe Woman's Club production, scored a decided success at the presentation April 2nd before a large audience. The four-act comedy was based on the recovery of a diamond of fabulous value which was stolen by some unknown party in the country home of Andrew Bullivant, affectionately called "Grumpy." Of course the villain was caught and all ended happily, the South African nephew recovering the diamond and winning the girl all through the shrewdness of this old criminal lawyer with the temper of a lion and the kind heart of a mother. The moving picture serial plot can be forgiven in the light of the splendid acting and characterization of Grumpy.

The type of play made the role of Grumpy of the greatest importance, in fact all of the laughs of the comedy originating about the idiosyncrasies of this character which Mr. Nordfeldt filled to the complete satisfaction of the audience. Especially taking was the varying phases of Grumpy's moods from the militant grouch to the childishness of old age.

While every line in the play centered around Grumpy the supporting cast was excellently picked. The details of the play were worked out minutely and showed months of careful drill and preparation. The stage settings were as good as the meager equipment of the auditorium allowed.

Every member of the cast deserves praise for exceptional ability and good interpretation. Especially to be men-

tioned was the work of Ashley Pond as Buddock, Robert C. Brown as Ernest Heron, Hope Butler as Susan, and Rey Ewart as Virginia Bullivant.

Buddock took the audience with his solicitous care of Grumpy and his pert remarks. Robert O. Brown as Ernest was a handsome hero. Susan was well played by Hope Butler, taking quite an important part and carrying it perfectly. Rey Ewart as Virginia Bullivant, while not looking as unsophisticated as she would have her admirers to believe had a decided personality and good looks. Mr. Jarvis played by Clinton P. Anderson, received many hands from the audience, but we doubt if his cheery face could ever depict a criminal or even a suave Ruggies. Maurice Lesemann was versatile, playing two characters parts. The role of Isaac Wolfe was his best.

Others in the cast were Margaret Nordfeldt as Mrs. McClaren, Oscar Marinoff as Dr. McClaren, and Meridew the Butler and Dr. John R. Seckler as Kable, Mr. Jarvis' valet. Kable dropped his h's beautifully. Mrs. B. J. O. Nordfeldt was the director. The stage carpentry by the Indian school and the stage settings were by Mr. W. D. Ewart and Mr. Jas. Seligman.

The committee from the Associated Students of the State University which had charge of the arrangements for the play was: R. W. Hopewell, chairman; John Scruggs, Helen McArthur, Helen Nelson, Margaret Hardeman, Irene Wicklund, Mayme Hart, Burch Foracker, Wm. Sganzi, Frank Neher and Clarence Huffine.

INTERCLASS TENNIS WANES; INTER-FRAT NEXT

Miss Anita Hubbell Wins Women
Tournament.

Last week the call for entries in the Interclass Tennis Tournament was issued by Coach Johnson. It was then the intention to have five different teams. The Freshman Lits, the Freshman Engineers, Sophomores, Juniors and Seniors. The call for entries was posted early in the week, Monday or Tuesday, and the time limit was set for Friday noon, allowing at least four days for those who wished to enter the tournament to sign up. Either the tennis fans are a pretty lazy bunch, or else they are awfully busy, because by Friday noon there were not a dozen entries, and the Interclass Tournament was given up in disgust. This school may not be as large as some others, but there are many more than a dozen fellows in this University who play tennis and play well.

Since the Interclass Tournament fell through, Coach Johnson is next going to run-off the Inter-Fraternity Tournament, with entries from each of the three fraternities and the independents. In this case the team from each fraternity will consist of two men, one of them to play singles and both for doubles. Each fraternity will select its own team and if it enters no team of if they fail to be present to play they will lose by default.

After the Inter-Frat. Tournament, the Open Championship of the University, open to anybody, will take place. The winner or winners of this will be counted champions of the University in singles and doubles.

The Ladies' Tournament which recently took place at the Country Club, ended last week, when Miss Anita Hubbell defeated Miss Mary MacArthur in straight sets, 6-4, 6-1. In the semi-finals Mary MacArthur

THREE PROMINENT MEN TO ACT AS JUDGES IN CALIFORNIA DEBATE

Every Student Should Turn Out
Monday Night for the Debate.

Mr. Neil B. Field, Col. D. K. B. Sellers and Mr. Carl D. Magee have agreed to act as judges in the University of New Mexico vs. the University of Southern California debate which is scheduled for Monday evening, April 11, at Rodey hall at 8:00 o'clock. Mr. Field is an eminent attorney having a large and extended practice over New Mexico and Colorado. Col. Sellers, state senator from Bernalillo county, and proprietor of the well known real estate firm of D. K. B. Sellers & Son, consented to act as a judge. Mr. Magee, editor and publisher of the Albuquerque Morning Journal, has made considerable of the question to be debated and is well qualified to act in the capacity of judge.

The try-outs for places on the team was held in Rodey hall last Thursday afternoon and the team selected to compete against the University of Southern California consists of Chas. Caldwell and Cullen Pearce. Both these men are members of the Sigma Chi fraternity. The judges of the try-outs were Dr. L. B. Hessler, Dr. C. F. Coan and Professor Landers. These men have kindly consented to help the debaters to organize and develop their speeches, which will be done this week.

A slight variation in the plans of the debating organization was made in the selection of the team which is to meet the University of Arizona on the 28th of April at Tucson. It was originally planned to have one team to debate both the Universities of Southern California and Arizona with whom we have the same question but different sides. However, due to the convictions of the judges that Marvin Crawford, a member of the team that debated the State College at Las Cruces on March 4th, was so utterly convinced in the side of the question he defended, it was decided he would represent the University of New Mexico in the Arizona debate. The team to debate the University of Arizona consists of Chas. Caldwell and Marvin Crawford.

The question to be debated against both the University of Arizona and the University of Southern California is: Resolved, that the candidates for the presidency of the United States should be selected by a national system of direct primaries. Against the University of Southern California the U. N. M. debaters will defend the affirmative side of the question, and against the University of Arizona New Mexico upholds the negative side of the question. The question is of popular interest and of universal appeal and considering that the University of Southern California has a student body of some debating team in the field. We have 6,000 students ought to put a splendid debating team on the field. All you U. N. M. rooters come out and boost for the U. N. M. Remember Monday night, April 11, at 8:00 o'clock at Rodey hall.

Walter Berger, debate manager, has requested that all University organizations having meetings on Monday evening will postpone the meeting until Tuesday so that their members may be out to root for U. N. M.

SWIMMING POOL OPEN ONLY BRAVE DARE COLD

Another evidence of spring is the opening of the University open air swimming tank. Many have already taken a plunge in spite of the cold weather. The tank at first was not entirely full but it has since been filled to the brim but no avail for the cold blasts of a wintry wind have made the pool a far from popular place. The tank affords another source of amusement and exercise for the students which is healthful and invigorating.

Baca, Mitchell, M. Zillmer, N. Glassman. Time, 4 minutes 7 2-5 seconds.

SIGMA CHI TO ENTER UNIV. OF ARIZONA

Tau Delta Psi Local to be Absorbed.

The Arizona Wildcat carries a lengthy account of a charter of Sigma Chi to Tau Delta Psi Fraternity, a local which was organized in 1917 at the University of Arizona. According to a letter received by the petitioners the charter will be formally granted in about a month.

Sigma Chi fraternity, the nineteenth fraternity to enter the field, was founded on June 28, 1885, at Miami University, Oxford, Ohio. Since that time the fraternity has shown a consistent growth until at present it includes 72 active and 53 alumni chapters. In 1916 the total membership was 15,548.

This makes the fourth national men's fraternity to grant chapters to the organizations of the University of Arizona. Kappa Sigma granted a charter in 1915, Sigma Alpha Epsilon in 1917, and Sigma Nu in 1918.

Y. W. WEDNESDAY INSIGNIA OF A LADY

The Y. W. met at the usual time Wednesday noon in the parlors of Hokena. There was a large attendance and a very interesting program was given. Miss Catherine Dearing sang a solo, which was enjoyed very much.

Miss Josephine Parsons, treasurer of the University, then gave an address on "The Insignia of a Lady," which made every girl try to take her own measurements. She first gave the derivation of the word "lady" and from that gave some idea what a "lady" really is. She said a woman is a lady not necessarily by right of birth but from what she is. To be a real lady, she must have, first and foremost, a consideration of the feelings of others and not trample them underfoot. A true lady is clean in mind and body. Her thoughts are clean, she reads good books, she has clean personal habits and chooses the best for associates. People judge from the things which amuse a girl whether she is a lady or not, so she should have the right kind of amusements. She also said that a true lady never carries tales, does not indulge in rude behavior of familiarity at any time, is courteous at all times, inconspicuous, fair, and never mistreats her inferiors. To be a real lady a girl must be the same inside as on the outside, she never does anything to lose her self respect. She has a dignity which, like the head of a pin, never allows it to go too far. Summing it all up, Miss Parsons said: "A lady is one who is never 'too' anything."

YOU CAN ALWAYS.

You can always tell a Senior, he is so sedately dressed;
You can always tell a Junior by the way he swells his chest;
You can always tell a Freshman by his timid look and such;
You can always tell a Sophomore, but you can not tell him much.

SOCIETY

As the semester approaches its termination, social activities are assuming a more animated nature. Elaborate events are being planned by all of the University organizations; class and fraternity affairs. Perhaps the best of them all, in fact, "the affair" of the entire year, will be the Junior-Senior Prom, dated April 16th. The dance will be formal, with all that goes with the appellation—dress suits, new evening gowns not only appearing, but in reality having blouses longer than skirts, "a la mode," corsage bouquets and buttonholes.

ALPHA DELTA DANCE.

To exemplify this trend of added vigor was the Alpha Delta dance Friday night at the Masonic Temple. The affair was the climax of several given previously by the fraternity. The floor—we all know the Masonic furnishes the best to be had; and the music—you must add inspiration from the extraordinary fair congregation to each of the 8-piece orchestra and multiply the result by harmony to conceive of the effect. Refreshing puns in liberal quantities completed the perfection of the event. Much credit is due Thomas Bramlett, who had charge of the dance. The chaperones were Dr. and Mrs. J. D. Clark.

MISS MOSHER ENTERTAINS.

Dr. Edna Mosher will give an informal dance for the Kappa Kappa Gammas at the Phi Mu House Friday night. This will be another one of the series of delightful affairs given in honor of the different sororities represented on the Hill. The escorts will consist of Pi Kappa Alpha to offset the representation of Sigma Chis at the preceding dance.

BARTON-SAMPSON.
A pleasant surprise to their friends at the University, numbering the entire student body and faculty members, was the elopement of Miss Belle Barton, an Albuquerque "belle," and Mr. George Sampson, a general favorite, formerly of Winslow. The newly wedded couple have left for Winslow, where they will make their home.

THE FACULTY DISPORT.

Full of real old-fashioned pep was the indoor track meet engaged in by the faculty in the girls' gymnasium Friday night. While the first of its kind, it will hardly be the last, having proved such an unqualified success.

The participants were met at the door by Mrs. D. W. Faw and Mrs. Charles E. Carey, promoters of the meet. Colleges represented were the well known Lounge Lizards, the famous Rough Necks and the unsurpassed V-Ho-da-Thought-its. After a little preliminary practice the colleges retired to different corners from which issued the lusty though musical sounds of yells as "What's the matter with Lounge Lizards?" Unfortunately, a little bad feeling was engendered by several Rough Necks who insisted on "Boo-ing" the other colleges.

The meet was opened by Prof. Charles E. Carey, official announcer. The first event was the goober race, in which peanuts were rolled one by one down the track and deposited in cups. This was won by the Lounge Lizards in spite of the disqualifications because of too much advice from the sidelines.

The standing broad grin was closely contested by Professors Charles E. Hodgkin of the Rough Necks and Hanaball Ibarra y Rojas of the Lounge Lizards; but first place was finally given to Professor Hodgkin on the contention that Professor Ibarra "stretched."

Many events of skill and strength, such as the washday relay—placing the soap on a line, the feather put, the oratorical, artistic and poetry contest and the juggling act, were won by different schools.

Great excitement reigned when in the boarding house hurdle, three contestants vaulted lightly over chairs, tore down the track, clutched three small individual pies and began to eat desperately. They proved to be difficult to masticate, being filled with cotton.

Points were evenly divided among the colleges up to the last event. This was the acting contest, and was won by the Lounge Lizards in a clever charade representing the Volstead act, thus giving the meet to this college. The Rough Necks won second place.

Mrs. Faw and Mrs. Carey were assisted by Claud Phelan, referee, Miss Fay Roy, Miss Alice Gould and H. S. Faw, judges.

ALPHA DELTA PI.

Mothers and patronesses of Alpha Delta Pi were entertained on Saturday afternoon at the home of Miss Irene Wicklund at 212 South Avenue from 2:30 until 5:00 o'clock. The hostesses were Misses Katherine Shotwell, Helen Darrow, Hazel Morris, Mary Wood, Louise Darrow, Dorothy Allard, Violet Jahn, Irene Wicklund and Mrs. Jack Lapraik.

STUDENT COUNCIL LUNCHEON.
A luncheon was given for the members of the student council Tuesday noon at Reynolds Hall by the class in serving of meals. Snappy impromptu talks were given by John Scruggs, Charles Caldwell,

The national president of the Phi Mu society is now visiting the U. N. M. chapter. Activities, pledges and alumni gathered to greet her Monday night at a buffet supper.

The Alumnae Association of Phi Mu gave a luncheon in honor of the visiting grand president Tuesday noon in Taft Hall at the Alvarado. The active chapter and pledges were also guests.

A tea was given in honor of the grand president Wednesday afternoon from 3 to 6 at the Chapter House. The guests were patronesses, mothers and representatives from other fraternities on the Hill. The chapter rooms were decorated with cut flowers for the occasion.

The girls of the dormitory held an open house for the student body and faculty Sunday afternoon from 4 to 6. Tea and "home-made" cakes were served to the many callers.

KAPPA KAPPA GAMMA.

The annual installation banquet of the Gamma Beta chapter of Kappa Kappa Gamma was held on Tuesday night, April 5, at Taft Hall of the Alvarado. Miss Anita Hubbell, an alumna of the University, was toastmistress. Several delightful toasts befitting the occasion were given. The table was beautifully decorated with pink sweet-peas. In the center of the table was a huge bunch of the sweet-peas and streamers of smilax. The place cards were unique, having the fleur de lis. Altogether the banquet was beautiful and impressive.

PRES. HILL INVITED TO CELEBRATIONS

During the past week President Hill has been invited to attend two important occasions at Universities. The first occasion is the inaugural exercises for the installation of President Lotus D. Coffman of the University of Minnesota on May 12, 13, 14, 1921. President Coffman is well known here as he addressed the State Teachers Association at its annual gathering on two occasions.

The second invitation is to attend the centennial celebration in commemoration of the one hundredth anniversary of the founding of the University of Virginia. The centennial celebration in Charlottesville, Virginia, will be attended by President Lowell of Harvard, and by his excellency Jules Jusserand, French ambassador to the United States, and by his excellency Sir Auckland Geddes, British ambassador to the United States.

Flatbush—"You say your wife went to college before you married her?"

Bensonhurst—"Yes, she did."

Flatbush—"And she thought of taking up law, you say?"

Bensonhurst—"Yes; but now she's satisfied to lay it down."—Yonkers Statesman.

Freshman—"Where do jailbirds come from?"

Soph—"They are raised from larks, bats and swallows."—The Drexlerd.

We all know what is best for our neighbors; and if they aren't watching, we'll make a law prescribing it for them.—St. Louis Globe-Democrat.

An Irish drill sergeant was instructing some recruits in the mysteries of marching movements, and found great difficulty in getting a countryman of his to halt when the command was given. After explaining and illustrating several times, he approached the recruit, sized him up silently for a couple of minutes, and then demanded his name.

"Casey, sir," was the reply.

"Well, Casey, did ye iver drive a mule?"

"Yis, sor."

"What did ye say when you wanted him to stop?"

"Whoa."

The sergeant turned away and immediately put his squad in motion. After they had advanced a dozen yards or so he bawled out at the top of his lungs, "Squad, halt! Whoa, Casey!"—The Argonaut (San Francisco).

"James, do you see that policeman making signs to you?" asked the lady in the back seat of the car.

"Yes, ma'am," replied the chauffeur.

"Probably wants us to stop."

"Don't know, ma'am. I don't understand his signs. You see, we don't belong to the same lodge."—Yonkers Statesman.

BRUNO DIECKMAN FORMALLY APPROVED ATHLETIC TREASURER

Mr. Bruno Dieckman has recently been appointed graduate treasurer of University Athletic Association. Mr. Dieckman's appointment has been confirmed by the board of regents and by President Hill. He will handle all the finances connected with the athletic association and will serve without pay. His appointment was brought about through the efforts of George S. Bryan, manager season of 1920, and Coach Johnson, both realizing that the managership is becoming too much of a burden for one student manager alone.

BATTLE OF DECEMBER 4.

By G. B. Martin.

The battles fought since Caesar's time

Have numbered quite a few;

They like to battle now and then

For something else to do.

Now here's a yarn about the worst

Pulled off since Waterloo.

The day was bright, the sky was blue,

A faint breeze stirred the air,

As Sophs and Frosh trooped on the field

To mess each other's hair.

And though they scoffed at cowardice,

They wished they were elsewhere.

The warriors lined up face to face,

A hard-boiled crew they were;

They clenched their fists and braced themselves

For what was to occur;

And each picked out an easy man

To make him prisoner.

The coach's voice boomed o'er the field

(Gosh! how that man can roar!)

"Pick out your man and hit him hard,

Don't love him, make him sore!"

Ah, me! it was a bloody fight

(Although there was no gore).

A cross between a football game,

A dirty wrestling bout,

The battle of the Bel'au wood,

A beating with a knout;

That's what it all amounted to

As the two gangs fought it out.

They fought with fists, and feet,

And ropes,

Until their breath was spent,

And when the coach's whistle blew

The air with yells was rent;

The Sophomore lads had won the fight

And wore grins of content.

THAT NIGHT.

The sky was full of azure,

The field was full of s'osh,

The Sophs were full of battle,

And the mud was full of Frosh.
