Number 28

## KIRCHER, FORESTER, DELIVERS LECTURE

According to Mr. Kircher, There Are Two Main Reasons for the Rapid Decrease in the Number of Trees: Fire and Unregulated Grazing.

Mr. Kircher, assistant U. S. Forester, gave an illustrated lecture before the student body, Friday morning in Rodey Hall. Mr. Kircher's lecture follows directly after Mr. F. C. Pooler's, who spoke two weeks ago on the Forests and their preservation.

Mr. Kircher said that uncontrolled grazing was one of the greatest factors to guard against in forestry. He produced slides to show the ill effects of too much grazing, and he showed others to illustrate the results from no grazing at all. Both of these conditions, he said, were detrimental to the forests. Too much grazing would tend to kill off the young trees, and no grazing at all would form a good growth for fires. Previous to the lecture, Mrs. Bailey, an ex-student of the University, sang two very well received selections.

## JUNIOR-SENIOR BANQUET SCORES GREAT SUCCESS

### Helen Scrugs Acts as Toast-Mistress.

A Junior-Senior banquet was held in Sara Reynolds hall last Saturday noon. The affair was exquisitely arranged. The banquet tables being arranged in the form of the figure T with the toast master and those giving toasts sitting along the bar of the T.

Miss Helen Jackson read a very clever prophesy on the future of the class.

A naive idea in souvenirs was introduced. At each plate a neatly tied paper was put, on which was written several recipes for dainty dishes. It is reported that not a Junior or Senior was absent. Mrs. Scruggs acted as Toast-Mistress.

## KITCHEN MECHANICS HAVE SUPPER IN NEAR-BY MTS.

### Couples Stray, but Fail to Get Lost.

Last Sunday witnessed several picnicking parties to Tijeras Canyon. The Kappa Mu's went in a body some thirty strong. It is reported that several couples were temporarily lost, but soon found themselves when night came. The eats was the big thing with this party.

## GIRLS TENNIS TOURNAMENT

Clarissa Parsons and Mary Hamilton are battling for places in the tennis finals. Both of these girls have shown something of the real stuff of which champions are made, in the last few games they have played. Dorothy Stevenson is also showing class in her playing.

## KOYOTE PACK RENDEZ-VOUS IN HILLS

The Koyote Klub, headed by ring-tailed Stinnett, also rejoined to the hills to seek consolation. They found it in large quantities at a Mexican dance somewhere in the canyon. The effects have now vanished, however.

## Varsity Wins Duke City Track Meet With 64 Points; H. S. Second, 21 1-2

Dow High Point Winner of Meet, Scoring Three Firsts and One Tie for First. Blanco's Absence Allows High School to Take First in Hurdles and Tie for First in the High Jump.

Battling against an unfavorable wind, the University easily took first in the Duke City track and field meet, held last Saturday on the local field. The University led with 64 points, High School second, 21 1/2 points, Indian School third, 17 1/2, and the Y. fourth with 5 points. Menaul failed to score.

Dow, of the University was high point man of the meet, taking first in the 100-yd. dash, 220-yd. dash, the broad jump, and tying for first place in the high jump with Zillmer of the High School. Hale, who was the favorite for the sprints failed to make usual time, due to illness.

Considering the adverse condition of the wind, the showings made in the meet were not discouraging.

In the half mile event, Waite of the University, surprised the onlookers, by taking second place, following Eiring of the Y. Clark had been picked for a winner in this distance.

Collins, who was the University's only hope in the mile, dropped out in the second lap. He had been suffering from a cold for several days. Greenleaf took first in both the shot-put and the discus. Jones, Elder, and Graham did all that was expected of them. Each securing one first. Jones took two thirds and one second. Elder got second in the broad jump.

The summary:  
100-yard dash—Dow, U., first;

Hale, U., second; Jones, U., third. Time, 10 2-5 seconds.

220-yard dash—Dow, U., first; Hale, U., second; Roybal, H. S., third. Time, 23 seconds.

440-yard dash—Graham, U., first; Begay, I., second; Glassman, H. S., third. Time, 57 2-5 seconds.

Half mile run—Eiring, Y., first; Wait, U., second; Concho, I., third. Time, 2 minutes, 16 seconds.

120-yard high hurdles—Holcomb, H. S., first; Harrington, U., second; J. Mestas, I., third. Time, 19 1-5 seconds.

220-yard low hurdles—Jones, U., first; E. Mestas, I., second; Renfro, H. S., third. Time 28 4-5 seconds.

Broad jump—Dow, U., first; Elder, U., second; Jones, U., third. Distance, 21 feet, 2 1/2 inches.

High jump—Dow, U., Zillmer, H. S., tie for first and second; Stortz, H. S., third. Height, 5 feet, 7 inches.

Pole vault—Elder, U., first; Jones, U., second; Renfro, H. S., Ahmie, I., tie for third. Height, 11 feet.

12-pound shot put—Greenleaf, U., first; Venable, H. S., second; Wilson, H. S., third. Distance, 41 feet, 5 inches.

Discus throw—Greenleaf, U., first; Venable, H. S., second; Siow, I., third. Distance, 104 feet.

Mile run—Mahoor, I., first; Pelescu, I., second; Armijo, H. S., third. Time, 5 minutes, 17 seconds.

## WOMEN'S TELEGRAPHIC TRACK MEET UNFINISHED

Absence of contestants, the flight of time, and the rush of school affairs prevented the completion of the Pentathlon held Monday, April 24, to determine the best all-round woman student in track and field events.

The finals and unfinished events, which include the javelin throw and 50 yard dash, was scheduled for four o'clock Friday afternoon. The 12 leading participants who were listed by Miss Katherine McCormick for the finals are as follows:

Name	Score
Louise Darrow	38 1/2
Clarissa Parsons	36
Marjorie Clive	36
Esther Morgan	35
Helen Stowell	31
Bernice Wilson	31
Freda Mitchell	30
Frances Andrews	26 1/2
Emma Gerhardt	24 1/2
Dorothy Stephenson	19
Ruth Morgan	18
Dorothy Cameron	13 1/2

## RECORDS MADE ON MONDAY, APRIL 24.

Base ball throw, 133 feet, 10 in., Dorothy Stephenson.

High Jump, 4 feet, 1 1/2 in., Ruth Morgan.

60 yard hurdles, (4 and 2 1/2 feet) 10 seconds, Dorothy Stephenson.

## MORTARBOARD JR. MEETS

By M. B.

Mortarboard Jr. met Saturday afternoon, April 15, at the home of Estelle Weisenbach. Plans were completed for Mortarboard Day and for the pledging of new members.

The society will have presently a superabundance of traditions to hand down to future generations of Mortarboard Jr.'s

## Y. W. HAD INSTALLATION SERVICES LAST TUESDAY

Members and officers of the Y. W. C. A. met last Tuesday in the parlors of Hokona for installation of officers elected for '22 and '23. The following officers were installed and will hold office until April, 1923:

Frances Rogers, President.  
Helen McArthur, Vice-President.  
Ruth Morgan, Treasurer.  
Freda Mitchell, Secretary.  
Elsie Ruth Dykes, Chairman of Publicity Committee.  
Nell Hess, Chairman of Finance Committee.  
Emma Gerhart, Undergraduate Representative.  
Leona Sherwood, Social Service.  
Illetta, Bible Study.  
Hazel Morris, Chairman of Meetings.

## CAMPUS IMPROVEMENTS STARTED BY MR. FRANK

Workmen are now busy, along the road that leads east from the Administration building, cutting away the steep ridge that bordered the lawn on this side. It is the plan, according to Mr. Frank, Campus Superintendent, to give this side of the lawn a gentle slope so the water will not run off so readily.

The work will be completed in a short time.

## SENIORS PLANT TREE

Under the direction of class president, Ralph Hernandez, the Senior class of 1922 recognized Arbor Day by planting a tree in front of the Administration building. The tree will remain as a memorial to the Senior class.

Dr. Hubbell, of the English Department, delivered an address appropriate to the occasion.

## U. OF N. M. LOSES TO LAS CRUCES, 3-0

Local Debaters Show Lack of Preparation. Small Attendance at Debates Is Discouraging.

Debating the affirmative side of the question that has been debated twice before, this year, Resolved, that industrial courts for the judicial settlement of labor disputes should be established by the several states, the University lost to their old rivals, the Aggies from Las Cruces. The decision was unanimous.

This is the third time the University debaters have lost on the same question. Once before they upheld the negative side of the question.

None of the contestants in the previous debates took part in the one last Thursday. The University was represented by Mr. Cullen Pierce, Mr. Fred Wagner, and Mr. Morgan.

Lack of sufficient preparation was plainly evident on the part of the local debaters, two of whom were participating in a college debate for the first time.

## HEALTH OFFICIALS MEET FOR STATE CONFERENCE

On Thursday, April 27, State Health Officials convened in Albuquerque under the auspices of the State Bureau of Health.

At ten-thirty Thursday morning, the city and county health officers met at the Chamber of Commerce, where a lecture was given by Dr. Schwartz of Santa Fe.

In the afternoon from two until five, the officials gathered in the University Chemistry Building where a lecture and laboratory demonstrations were given by Miss Greenleaf.

Dinner was given at six o'clock at the Alvarado Hotel, after which followed a session in Taft Hall.

## DR. CLARK TO ADDRESS WOMAN'S CLUB FRIDAY

On Friday, April 28, Dr. John D. Clark will deliver an address before the Woman's Club at their hall on West Gold Avenue. The title of the address is "Chemistry and the Service of Mankind."

## NEW MEXICO ACCREDITED IN NORTH CENTRAL ASS'N.

Some weeks ago the Commission on Institutions of Higher Education of the North Central Association sent to the University of New Mexico Professor Stouffer of the University of Kansas in order that he might make a thorough going inspection of the institution, its plant, its finances, its records, and academic standing. This was with a view to the accrediting of the institution by the Commission which is the same authority which accredits the great institutions of the Middle West, such as the Universities of Wisconsin, Illinois, Montana, Colorado, etc.

President Hill was pleased to receive the following message from the Chairman of the above Commission, dated April 11, 1922.

"Notice of the accrediting of the State University of New Mexico should have gone to you some time ago from the office of President H. M. Gage, Coe College, Cedar Rapids, Iowa, who is the Secretary of the North Central Association. The report of Professor Stouffer was convincing and the Commission did not spend much time discussing the matter, but approved the accrediting promptly."

who desire to do anything along these lines should join the Society as soon as possible in order to begin work for the coming year. The meeting has been called by George Bryan, who was last year manager of debate.

### UNJUSTIFIED

Merely because we hate to let a thing of this kind pass unnoticed, we reproduce in the following columns, an article published in the School of Mines "GOLD PAN," issued at Socorro. The "GOLD PAN" is an undergraduate publication, and we cannot assign to the authorities of the Mining Institution any participation in the out-spoken sentiments expressed.

Can there be any reason in the distribution of such material about the University? If it were possible for the mining students who are responsible for the outburst to observe personally the equipment of the Engineering College, the faculty personnel, and the character of the undergraduates engaged in the work, we feel sure that they would regret their ill-considered comments. It is sufficient to remark that the local chapter of the A. A. B. which leads a very active life on the campus, is a reliable enough index of the nation-wide scientific endeavor.

We could, if such action were desirable, compare the School of Mines with the University. We feel sure that N. M. U. would not suffer in comparison. We prefer to let the matter rest, but in closing, call to your attention the ever-present necessity for a loyal report of the University, and the constant vigilance for derogatory influences, to be nullified as often as possible.

"U? OF N. MEX. ENGINEERING SCHOOL NOW."

"As a famous humorist would have said, with ears in his kindly eyes, 'This is 2 mitch!' Miners, lend us your ears; That great institution of learning around which Albuquerque cowers, which is to say the University of New Mexico, recently celebrated an Engineer's Day, and the engineer's recently got out a special edition of the 'University Weekly'. It is not very clear just what kind of engineering they have undertaken up there on the wind-swept hill, except for one thing; we can state without risking accuracy, they have a dynamo up there that is used for electrical engineering purposes. We could even give some of the specifications of this machine, but why dim the glory of that great institution of science by quibbling with details? Furthermore, they have lots of geology around there, especially the imposing escarpments of the Sandia Range which towers above the campus, and altho we

We have just received a new assortment of Pipes, including Dunhill, B&B, French Briars, Italian Briars, Congo, and many others.

have only been in this state a few years, we hazard a guess that this range was designed and built by some of the past students of engineering, would rather pall on one for a steady diet. We once heard the expression "None but a mother could love that face." Some kindred spirit of love and devotion for the University must animate the hearts of the Engineering students at the University. We forgot to mention the department of wireless telegraphy. This was really an inexcusable omission. Altho we cannot confirm the report, we have reason to believe that a chapter of the boy scouts of America is soon to be installed at the University, that the wireless may not waste its sweetness on the desert air."

### PAID IN FULL

You say the world a living owes to you?

Well, possibly that's true, What's more she pays it in free light and air;

She gives you space to stand, and everywhere

She strews her gifts about you, gifts of food—

Meat, drink and things to wear, and all the good

Of fair companionships, and laughter say,

And love, and sleep when comes the end of day;

And not a human need on any side But with her lavish gifts is satisfied,

She only asks that you shall do your share

To gather in the bounty of her care,

And not sit down, and loaf till she shall heed you

And come herself to house, and Clothe, and feed you.

—John Kendrick Bangs.

## PITFALL AND GIN

### WANTED!

Five candidates to qualify for Presidency of the Lowell Literary Club. One for each of the remaining five weeks.

### NEEDED REFORMS!

Pitfall and Gin has received, by way of pink envelope, the suggestion that all athletes be compelled in the future to wear long trousers during meets.

### OUR WEAKLY LOVE STORY

'Twas moonlight! Soft music was wafted o'er dirty street sand darkened alleys, soul touching, purse ejecting. The dance was on. A couple sat together in a corner, their programs filled, their eyes filling. On their lips quivered softly the last of the evening's refreshments. The band and jazz horns sounded in rhapsody. Their engagement was announced in no paradoxical terms. The band sounded fiercely, plates clattered to the floor, as the now engaged couple arose and belied the statement. So it is the verdict of Pitfall and Gin, that if they themselves deny it, then they ain't.

### THREE FINGERS

It was early in the morning  
It was twelve o'clock at night  
The sun was shining brightly  
And it rained all day that night.

'Twas a winter day in summer  
And the rain was snowing fast  
When the barefoot boy with shoes on  
Sat standing on the grass.

While the organ peeled potatoes  
Lard was rendered by the choir  
While the sexton rang the dishrag  
Someone set the church on fire.

"Holy Smoke!" the preacher shouted.  
In the rush he lost his hair.  
Now his head resembles heaven  
For there is no parting there.  
P. T. H.

If old Noah Webster were to parade across the campus of the Northwestern University or attend a few varsity dances of that institution, he'd have plenty of material for a new unabridged, or unexpurgated—if he survived to publish another dictionary.

planting the English of Noah's time.

Flappers, plus jazz, plus prohibition, plus probation, minus English equals flapperango as far as Northwestern is concerned. Here are a few samples:

HOLYHOLY—A man who objects to necking.

HOLYHOLY—A girl who objects to necking.

NECKING—Cheek to cheek dancing.

MAD MONEY—Money that a girl carries in case she breaks with her sweetheart and has to go home alone.

SQUIRREL—To hide; for example a girl squirrels her mad money in her stocking.

DUMB DORA—A stupid girl.

RUG HOPPER—A parlor hound.

A young man who never takes a girl out.

PRINCESS MARY—Any girl about to be married.

GOOF—A fellow, a chump, a fish or guy.

GOOFY—To be in love with—

"I'm goofy about Bill."

WALLIE—A goof with patent leather hair.

DUMB BELL—(obsoleto)—A person with more looks than brains—

or vice versa.

JAMMED—(postprohibition)—

Pie-eyed, soused, stewed, potted.

THE CAT'S ANKLE—Anything that's all right.

PIG'S KNUCKLE—Same as cat's ankle.

—Central Press.

Mrs. Worth had just learned that her colored workwoman, Aunt Dinah, had at the age of seventy married for the fourth time. "Why, Aunt Dinah," she exclaimed, "you surely haven't married again!"

"Yassum, honey, I has," was Dinah's smiling reply. "Jes' as often as de Lawd takes 'em, so will I."

Ladies' Home Journal.

### THE SENIOR SOCIETY

Some time ago, when the "Weekly" first made its appeal for self-perpetuating publications boards through the workings of the competitive system, we suggested the formation of a Senior Honorary Society, in which membership would be granted as a reward for remarkable achievement in campus activities, thereby providing a stimulus for entering the various competitions. If the society is to become a reality this year, some action must be taken soon.

Following are some of the features of such an organization:

1.—Membership will be a tangible reward for undergraduates who have worked diligently for the University through the mediums of athletics, foreics, managerships, publications, etc.

2.—It will be an inducement for undergraduates to get into activities, with the aim of making the society.

3.—It will provide for a small, compact group of the campus leaders, working together with a common purpose for the advancement of undergraduates affairs. It will do away with conflicting interests which at present nullify the genius of such leaders in different organizations, by placing them in the same society.

4.—It will provide a body of responsible upper-classesmen to sponsor all-University movements, such as athletic rallies, inter-class fights, reception of visiting high-school students, and emergencies, such as the bleachers building.

5.—It will in now way interfere with the Student Council, or any such existing governing body, but will be able to carry out the policies of the student council effectively, by reason of the character of its personnel.

6.—The establishment of a Senior Society at New Mexico will be just another step towards making the University as genuine in college life as the famed old institutions. Who has not heard of "Bones" at Yale? It is the same organization that we propose for New Mexico.

We suggest that the charter members, men of the class of 1922, be chosen now by a committee from the faculty. This charter membership,

## WITH THE GREEKS AMONG THOSE PRESENT

### Alpha Delta.

Recuperating after the storm week. All present and accounted for.

### Alpha Delta Pi.

On Sunday evening the A. D. P.'s are entertaining at luncheon in Hokona in honor of Miss Isabel Porter, whose engagement to Mr. Walter Earl Bowman was announced at the Alpha Delta Pi's dance given at the Woman's Club Friday, April 21.

### Alpha Chi Omega.

Mrs. R. S. Rockwood entertained the house residents of Alpha Chi Omega at a pretty, informal afternoon tea on last Sunday, April 23.

### Sigma Chi.

Mr. Winger, a Sig attending the University of Chicago, visited the local chapter last Sunday afternoon, April 21.

Three new Sigma Chi badges have been in evidence during the past week. David Miller, Hi Waters and Tom Popejoy were formally initiated on Friday night, April 21.

### Y. W. C. A.

On last Monday afternoon the Cabinet of the University Y. W. C. A. organization convened in the parlors of Hokona and perfected plans for the installation services held the following day.

### Pi Kappa Alpha.

George Owen was initiated on last Monday evening, April 24.

### Junior Prom.

Everything is set and ready for the Junior Prom scheduled for Friday night. At present everyone is "on the marks" and in a state of readiness. No doubt we will hear the bang with which it goes off.

## STRATEGY

Three Scotchmen went to church, each clutching tightly the penny he intended to contribute when the plate was passed. Consternation reigned when the minister announced that this particular Sunday an effort was to be made to raise the mortgage and asked every member of the congregation to make a substantial offering.

During the prayer the Scots held a whispered consultation as to the solution of their dilemma and reached a satisfactory decision.

One fainted and the other two carried him out.

## LIFTING THE LID

At a dinner on one occasion a professor thought he would ask a colored cloak-room attendant a few questions about his memory.

As the attendant handed him his hat he said: "How do you know this one is mine?"

"I don't know that, suh," was the answer.

"Then why do you give it to me?" queried the professor.

" 'Cause you gave it to me, suh."

## HONOR DAY AND PRIZES

Annual Honor Day Exercises were inaugurated during Commencement of 1921, and will be repeated at succeeding Commencements. Annually on the occasion of HONOR DAY, the President of the State University and the president of the Associated Students, in the presence of the students and friends, announce in Rodey Hall the names of those students who are entitled to certificates of excellence or prizes for achievement. The honors bestowed by the Faculty are awarded by the President of the University, and honors bestowed by the Student Body are announced by the President of the Associated Students. The occasion is one of interest to the students and their relatives and friends.

### University Honors and Prizes

#### The C. T. French Medal for Scholarship

A friend of the University, Mr. Chester T. French of Albuquerque, during the spring of 1921, notified President Hill of his willingness to establish a permanent fund, the proceeds of which might be used perpetually as a prize to stimulate scholarship. Mr. French accordingly gave \$500 in Liberty bonds for this purpose. The C. T. French Medal for Scholarship will be awarded annually by the President of the State University to the student who meets these conditions:

(1) He or she shall have obtained during the year the highest general average for scholarship in a regular course of not less than 15 hours, leading to the Bachelor's degree, during a residence of not less than one full academic year.

(2) Only Juniors and Seniors in residence will be eligible in competition for the C. T. French Medal, and the medal can be awarded to the same person but once.

#### Katherine Mather Simms Prize in English

Another friend of the University, Mr. Albert Simms, during the summer of 1921, gave \$250 in Liberty bonds, the interest of which will be paid in cash to that student who in the opinion of a Faculty Committee and the President of the University has excelled in English Composition. The prize is named for Mrs. Katherine Mather Simms, a great-granddaughter of an early president of Harvard.

#### George E. Breece Prize for Excellence in Engineering

Colonel George E. Breece of Al-

buquerque during 1921 established this prize-endowment by a gift of \$600, the proceeds of which are to be awarded on Honor Day. This prize is open only to Junior and Senior students of Engineering in residence and taking a full course. The award will be made upon the basis of excellence of scholastic record during two consecutive years and general fitness to be determined by a committee appointed by the President of the University.

#### The Cecil Rhodes Scholarship

In accordance with the provisions of the will of Cecil Rhodes, awarding two scholarships every three years to each State and Territory in the United States, tenable at Oxford, England, and of the annual value of \$1,750, New Mexico has the privilege of electing a scholar from the candidates who present themselves.

The election from the State, without the examinations formerly required, is made by a State Committee appointed by the American Society of the Rhodes Trustees. Recommendations of candidates from the University are made to the State Committee by the President of the University.

#### CLASS CERTIFICATES

The Faculty on Honor Day awards Special Certificates of Excellence, as follows:

College of Arts and Sciences  
BEST SCHOLARS, respectively, in the Freshman, Sophomore, Junior and Senior Classes.

College of Engineering  
BEST SCHOLARS, respectively, in the Freshman, Sophomore, Junior and Senior Classes.
