R. O. P.'S VICTIMS OF VARSITY NINE

Seven Inning Game Played After 6 P. M. Results In Victory For U. 10-5.

About one hundred base ball fans watched with great enthusiasm the down fall of the R. O. P.'s to the university with a score of ten to five Tuesday evening in the first after supper base ball game played this season. The game began exactly at 6:27 on the university athletic field with the city league at the bat.

For the first two innings, the score stood 0-1 in favor of the railroad men but in the third inning the university came in strong making five points to their one point thus giving a score of 5-2 in favor of the varsity. In the fourth inning the varsity's on rush was checked by the substitution of Turnley for Trossello as pitcher and the score stood stable until in the last half of the fifth inning the university again broke loose and made four points, raising the score to 9-2 in favor of the university. When the R. O. P.'s came to bat in the sixth inning, they did their best work, making three points and changing the score from 9-2 to 9-5. The last half of the sixth and the first half of the seventh inning were very tame, the university making but one point and city men nothing.

GAME BY INNINGS.

First Inning.

First half: Trossello up. Struck foul and was caught out by catcher. Bass up and put on first. Turnley up and made first; Binkert up and made first. Turnley came home. Davies up. Binkert to second. Score 0-1.

Second half: Huffine up. Struck foul and was caught out by pitcher. Culpepper up and put on first. Burney up and put out by driving a foul ball to first baseman. Score 0-1.

Second Inning.

First half: Parenty up and fanned out. With up and caught out by third. Baker up and— Score 0-1.

Second half: Gentry up and caught out by center field. Thomas up and made a two beggar. Stead up and caught out by short stop. Thomas stole third. Mcore up and put out by first baseman. Score 0-1.

Third Inning.

First half: Trossello up and put out on first. Trossello up and walked. Bass up. Trossello stole second then third. Bassed walked to first. Turnley up. Bass to second. Turnley fanned. Binkert up. Bass to third. Binkert fanned. Score 0-2.

Second half: Olds up and made first. Moore, H. up and made two bases. Olds to third. Huffine up and made a home run. Olds and Moore came home. Culpepper up and made first. Turnley up and made first. Culpepper stole to third. Gentry up. Burney to second. Gentry

(Continued on page 3.)

FINAL GRADE AVERAGES.

After several checks and re-checks the registrar's office has announced the grades of the various sororities and fraternities for the last quarter. Several errors were made in the initial calculations, and since the first list was published the standing of the sororities has materially changed.

As it now stands, Phi Mu heads the list, with Kappa Delta Nu (local) 1.4 points behind. Kappa Delta Nu is only .1 point ahead of Kappa Kappa Gamma, which occupies third place. Alpha Chi Omega comes fourth with an average .8 point below Kappa Kappa Gamma. A decided drop between this and the first men's organization is noticeable. Alpha Delta (local) stands fifth on the list 6.4 points below Alpha Chi Omega. Pi Kappa Alpha is 1.5 points below this, while Sigma Chi is 3.8 points below Pi Kappa Alpha.

An interesting fact is disclosed in comparing the averages of the fraternities with those of the non-fraternity students. The fraternity average is 82.9 while the non-fraternity average is 76.5.

The complete list is:

Phi Mu	88.4
Kappa Delta Nu	87.0
Kappa Kappa Gamma	86.9
Alpha Chi Omega	86.1
Alpha Delta	79.7
Pi Kappa Alpha	78.2
Sigma Chi	74.4
Non-Fraternity	76.5

STUDENTS ADOPT NEW CONSTITUTION

Election of Officers For Next Year Will Be Held Tuesday, May 13th. May Queen Chosen.

The new constitution, as drafted by the Student Council, was accepted by a unanimous vote of the Student Body at an assembly held Tuesday morning. The constitution was read by the secretary and opportunity given for discussion on each clause, before the final vote was taken.

According to the provisions of the instrument an election for Student Body officers is to be called immediately after the adoption. The president of the Student Body set this election for Tuesday, May 13th, at which time the following officers will be elected. President, vice-president and secretary of the Student Body; editor, assistant editor, and manager of the Weekly; editor and manager of the Mirage.

Nominations for these offices must be posted on the bulletin board by Tuesday, May 6th, in accordance with the provisions of the constitution.

At this assembly an election was held for May Queen for the May fete to be held May 2, on the campus. The result of the vote will not be announced until Friday night. The girl chosen was from the Senior class.

SEVEN HIGH SCHOOLS MAKE APPLICATIONS

Likely That More Than This Number Will Be Represented At Annual Meet Held May 9 and 10th.

Roswell, Cimarron, Santa Rosa, Belen, Santa Fe, Springer, and Fort Sumner have already made application for entrance into the preliminaries of the Seventh Interscholastic Track and Field Meet to be held for all high schools in the state on the university athletic field, May 9.

The Schmelzer Trophy, presented for this meet by the Schmelzer Arms Company, dealers in athletic goods, Kansas City, Missouri, which will be awarded to the team winning the greatest number of points each year until some one of the teams has won the trophy the third time when it becomes a permanent possession of the school that is represented by the team, is now being engraved at Vann's jewelry store in the city and will be on exhibition in their show windows about the middle of this week. All other metals to be awarded for the different events will also be on display at that time.

In connection with the track events of both days the Albuquerque Indian band will play and after the events or in the morning preceding of the preliminaries the university will play two games of base ball with the Albuquerque Indian School and some other team from the city.

The second day, Saturday the 10th, will be the day of finals. At ten in the morning, the girls will have their declamatory contest, in oday hall. In the afternoon the final events of the track and field meet will be staged. And in the evening, the oratorical contest for the boys will be delivered in Rodey hall, after which the trophies won by the schools and the medals won by the individual contestants will be awarded.

GAME FOR WEDNESDAY.

At six o'clock Wednesday afternoon, the university base ball team will play with a team from the city known as the Happy Go Lucky team on the university athletic field.

Both teams have been doing some excellent work and a very good game is expected. Every one is being urged to see the game.

The lineup of the university men is: Stead, catcher; Burney, pitcher; H. Moore, 1st; C. Moore, 2nd; Huffine, 3rd; Gentry, short; Culpepper, r. f.; Morris, c. f.; Olds, l. f.

Coach Purdy expects to have at least one game at the last of the week and maybe two games. The R. O. P. team of the city may be able to play us on Friday evening and a team in the city composed of some old college men have asked that the university play them soon. So it may be possible that there will be a game with this team at three Saturday afternoon on the university athletic field.

R. O. T. C. CAVALRY UNIT IS PROPOSED

Students In Favor Of Its Installation. Regents and Faculty Have Not Taken Action As Yet.

A prospectus upon the establishment of cavalry branches of the R. O. T. C. has been sent out by the government to all schools having the R. O. T. C. in any form. Immediately upon its receipt by Captain Purviance, this information was given to the students here, and they were asked to express their choice, whether one should be established at the University of New Mexico. The vote stood 46 in favor of the cavalry unit; 10 opposed, 6 not voting.

This does not mean definitely that such a unit will be established here, however. The President of the institution has not expressed himself upon the subject yet, nor has the board of regents had the matter up for consideration.

Though still somewhat indefinite, the plan in part may be gained from the following extracts taken from the letter sent to Captain Purviance:

1. The establishment and maintenance of a cavalry unit R. O. T. C. is dependent upon following being fulfilled at all times by the institution.

a. No extra charge will be made by the institution for cavalry instruction.

b. Animals will not be used for instruction by members of the institution not enrolled as members of the cavalry R. O. T. C.

c. Equipment and animals must be maintained at all times up to the standard required cavalry organization of the army.

2. Ample stable facilities must be provided by the institution for the proper care of animals.

4. At institutions not classified as strictly military, desiring a division of the cadet body into members of the R. O. T. C. units and members of other R. O. T. C. units, cavalry units will be established upon a platoon basis, that is, one or more platoons. The smallest cavalry unit that will be established in an institution is one platoon and one first sergeant, one guidon sergeant and one bugler, total 37 members of cavalry R. O. T. C.

5. The U. S. government will furnish animals equipment and forage. Equipment will be furnished in platoons, approximately 37 animals and equipment per platoon.

6. The course of training is practically identical with that of infantry with the exception of the following equitation and horsemanship, cavalry drill, use of the pistol and saber, stable management, the care of animals and cavalry tactical instruction.

WEDNESDAY, APRIL 30, 1919.

COME TO THE DEBATE.

Next Thursday evening, May 8th, the people of Albuquerque will have an opportunity of listening to a debate of more than usual importance. In the first place the question, Government Ownership of Railroads, is perhaps the most difficult problem facing the country today. In the next place, the debate will be good. The two men representing the university have been tried out and have proved their ability. Their opponents can be counted on to make a good account of themselves, or the University of Texas would not send them out at all. The contest promises to be the most interesting and closest that has ever been held in Rodey hall.

This is one time, if ever, that the student body should come out in full force to back up their team. Empty seats are no inspiration; neither are students, conspicuous by their absence. The home team will need and deserves every bit of support that it can be given, and we must show the Texas men that the University of New Mexico is on the map strong.

Be loyal. Let's have Rodey hall packed. Let's have ninety per cent of the student body present—and enough pep let loose to carry the team over the top. Plan to be there Thursday, May 8th.

PARKING CARS.

Several people who drive cars to school do not park them at the place designated—across from the dining hall, but leave them standing at various places and angles around the Administration building. This is both unsightly and dangerous. The road is not wide enough, at any point for cars to be parked safely, and there is a real danger of backing around and running into somebody. It also makes a bad appearance for cars to be standing so near the building and lawns in no arrangement whatever.

It is very little father to park them in the proper place and in a uniform manner. If these drivers will exercise a little more care in this matter the danger of accidents will be lessened and the appearance of the campus will be greatly improved.

Freshman—"Are your laundry bills very high?"

Sophomore—"No, they charge by the piece but they lose so many that it keeps down the expenses pretty well."

INFORMATION WANTED.

The work of the R. O. T. C. has been going on now for more than a month, and yet no information has come out of the inner sanctums as to just who will be required to take it and who will not. Nobody seems to know. Most men have the idea that it is compulsory for everybody. Others say only for Freshmen and Sophomores. But no one knows anything.

If things keep going on like they have been, the R. O. T. C. enrollment will find itself going down materially. Almost everybody has a full course without it, arranged for before the unit was definitely established, and expect to do little in it this year without any equipment. They are simply taking it because the school had an opportunity to get the unit, and because they understood it was to be compulsory. They don't care for the credit they will get out of it for the small part of this year which remains. They are, however, willing to carry it on, provided no favorites are played in doing it.

If the R. O. T. C. is to be compulsory for one, as we have said before, it must be for all. If there are to be exceptions for one, they must be applicable to all. What is needed now is a rule to go by—and applied. The thing is not going to run smoothly and harmoniously very much longer under present conditions. If the intention is to let it die a gradual and natural death, the thing is on the right track. If it is to make the unit worth while and of real benefit, then something must be done pretty soon.

It would be regrettable to arouse animosity which would hinder or defeat the work after such a good start has been made.

Freshie (at a charity fair)—"Ain't that a nice little dawg!"

Duches of Ding-Dong (owner of the animal)—"It's a dog, son, not a 'dawg.'"

Freshie—"It's awful like a dawg, ain't it?"

organist received this reply:

A clergyman who advertised for an organist and music teacher, either lady or gentleman. Having been both for several years, I would like to apply for the position.

A bright Frosh in chemistry—Chlorine has a yellowish-green odor.—Bz.

PRESIDENT BOYD AWAY.

Dr. Boyd left last Saturday night for Norman, Oklahoma, where he has business matters demanding his attention. Before returning he will go to Oklahoma City to attend an educational conference, returning to Albuquerque the last of next week.

Henry the Varsity Baggage man.
Phone 939.

Captain Purviance and several students went out to the gun club range Sunday morning and practiced up on marksmanship. Excellent scores were made by the men, Short and Burney showing up best. The average scores were high, considering the fact that most of the men were new to that kind of shooting.

SOCIETY

On Saturday evening the Kappa girls entertained about twenty-five of their men friends and a few other guests with a house dance. The chapter's room was used for dancing and quantities of lilacs and fleur-de-lis were used in decoration. Punch was served all during the evening and special music by Estelle Harris and Mr. Doran was enjoyed by all those present. Dancing was on until twelve o'clock, and every body had a good time.

The Kappa's guests, were: Belle Barton, Irene Seward, Batrice Hill, Julia Doran, Ruth Kidd, Dorothy Cleve, Ernest Hammond, Charles Culpepper, James Wait, Burch Foracker, Victor Miller, William Sgan-zini, Don Richardson, Byrd Witten, Horace and Frank Steed, Grover Devine, Arthur Prager, Mickey Doran, Hiram Herkenoff, Fred White, Bob and Willard Hopewell, Harvey Kelley, Maurice Polk, Geo. Bryan, Dick and Allen Bruce, Perkins Patton, Buster Kellam, Chester Boldt, Stogie Cooper, Leonard Trenchard, Frank Hufflebarger, Dinty Moore and Clyde Morris.

HIGH SCHOOL DANCE.

The varsity was well represented at the high school dance Friday night. Among those present were: Maurice Reagan, Dorothy Ohmart, Trix Black, Dorothy Stevenson, Ruth Kidd, Frances Bear, Stella and Annette Jacobson, Margaret Lee, Joy Spruce, Katherine Angle, Marion Spicer, Dick Bruce, Jimmie Chess, Luther Thomas, Perkins Patton, Burch Foracker, Chet Boldt, Horace and Frank Steed, Charles Culpepper, Leonard Trenchard, Bill Bacon, Ralph Brooks.

Martha Borgerding left Friday night for her home in Melrose, Minn., where she was called on account of the death of her father.

Claire Bursum returned Sunday night from her home in Socorro where she was called because of the illness of her mother.

P. S.—She was greatly missed.

The Alpha Chi Omega Fraternity held open house at their lodge rooms on Central avenue, Sunday afternoon. Punch and cakes were served and a number of guests were entertained during the afternoon. Red carnations were used for decorating and Myron Doran gave a number of interesting musical numbers on the banjo accompanied by Miss Elizabeth O'Hara.

Alpha Chi Omega entertained with an informal dancing party at the lodge, Wednesday night at 8:30.

PHI KAPPA PHI

At a meeting of the honor society, Phi Kappa Phi, held last week, two members of the Senior class were elected to membership. They are Miss Vera Kiech and Miss Eleanor Anderman. A very high grade average must be maintained through the four years college course to make a Senior eligible for membership. The initiation of the members elect will be held near the close of the present quarter.

U. HAS OPPORTUNITY
TO SEND TEAM

The national rifle and pistol matches for 1919 will be held at the navy rifle range, Caldwell, New Jersey, during the month of August. The national matches consist of the national team match, the national individual match, and the national pistol match (individual.)

A "team" in the national team match consists of 12 principals or firers, two or more alternates, one coach, and a team captain. The rules will provide for teams from universities, colleges and schools. The college teams will be in a group by themselves and will contest against each other.

Members of the teams from universities must be matriculates of the institution which they represent. Expenses must be paid by the individuals or by the school sending them; subsistence will be furnished at actual cost.

It is not yet known whether New Mexico University will send a team or not, as the matter has not been brought to the attention of the proper authorities.

GOVERNMENT INSURANCE
POINTERS.

It seems that nobody knows just exactly what is to be done with his government insurance, when it can be converted into ordinary forms, or what the rates will be. The Treasury Department has recently sent out a booklet explaining the procedure of converting the policy, and giving the rates for different forms of policies. No definite date is set for doing this, the statement simply being, "The insurance may soon be converted."

The following letter sent out by Secretary Glass explains the difference between Insurance and Compensation:

Considerable confusion and much misunderstanding seems to prevail among the relatives and beneficiaries of men in the military and naval service as to their rights under the War Risk Insurance Act. Many mothers and fathers named as beneficiaries of the government insurance applied for by their sons have gained the impression that they must prove dependency in order to receive payments of insurance. This is an entirely erroneous impression probably due to a confusion of the insurance and compensation provisions of the Act of Congress of October 6, 1917, and to a mistaken assumption that the terms "Insurance" and "Compensation" are used interchangeably, whereas they represent two entirely separate and distinct benefits.

Insurance is payable regardless of any dependency and a beneficiary designated in an application for government insurance if within the permitted class of spouse, child, grandchild, parent, brother, or sister is entitled to receive the insurance in monthly installments without proving any dependency upon the insured.

"Compensation," however, which is separate and apart from insurance and takes the place of the pensions provided under the old pension system is payable only to a wife, child, dependent mother, or dependent father of a man who is disabled or dies as a result of injury suffered or disease contracted in the line of duty while employed in the active service. Compensation may be payable in addition to insurance, but a mother or father must prove actual dependency in order to receive monthly payments of compensation although they will receive the insurance in monthly installments if named as the beneficiary thereof whether they are dependent or not.

No dependency need be shown by any beneficiary in order to receive the government insurance, but a mother or father must prove actual dependency upon their deceased son for the necessities of life in order to receive the additional payment of compensation.

CARTER GLASS,
Secretary of the Treasury.

LOCALS.

Floyd Miller left last Wednesday for a four day trip to Los Angeles to receive optical treatment.

Do you know about the "whole-sale flunk."

The men's dormitory greatest indoor sport held sway to the wee small hours of the morning one night this past week. The bone of contention was whether, "zero divided by zero was one or zero." The side of the greatest lung power triumphed and a nickname was fastened upon one of the inmates of (Kwtaka.)

Betty Arnot substituted at the third ward school Monday.

Our girls are howling their patriotism by working on the Victory Loan drive. Those who have worked this past week are Katherine Angle, Eleanor Anderman, Betty Arnot, Joy Spruce, Evelyn Hunt, Frances Bear, Winnonea Dixon, Estelle Harris, Moraine Reagan, Alexandria Vaughn, Margaret Lee.

Mrs. Alice Parrish is the new matron for the girls' dorm. Mrs. Parrish is a trained nurse and comes highly recommended.

Harry Frank, a former varsity student was a visitor on the campus Wednesday.

James Chess left Sunday night for Chin Lee, Arizona, where he will enter the employment of the Bureau of Animal Industry.

Burch Foraker is on the hill again after several days illness

Mr. and Mrs. L. H. Purdy wish to thank the faculty and officials of the university for the courtesies extended to their twins.

Prof. Landers addressed the Kappa Delta Nu sorority Monday evening, on "Woman and Today."

LIBRARY RECEIVES NEW BOOKS

A shipment of books has been received at the library for Miss Hickey's English department. There are over one hundred and twenty-five volumes which feature the modern plays and novels. This addition to the library will start a collection of all modern and standard authors and offer to the student a field of fascinating reading. Among the most interesting of the books are "The Drama plays," books on the technic of the drama, translations from French, Russian and Spanish plays and the latest fiction.

DO YOU KNOW?

The sisterly man?
The girl who wears a new dress every day?
The desperate case which is slowly but surely developing?
The cutest man on the hill?
Who is May-queen?
How Ray Walker was like the trees, about a month ago?
The slushiest couple on the hill?
The fellow whose only shirt is dirty?
The girl with the baby stare?
Who is a devil with the men?
