## U. N. M. WEEKLY

PUBLISHED BY THE STUDENTS OF THE UNIVERSITY OF NEW MEXICO

Vol. XXIV

ALBUQUERQUE, NEW MEXICO, FRIDAY, MAY 5, 1922

Number 29

**"KHATAHLE" SENIOR SOCIETY, ORGANIZED****Members Chosen by Committee to Elect Candidates from Class of '23.**

After much deliberation on the part of the Student Council, the draughting of a Constitution, and the selection of a faculty committee, a Men's Senior Honorary Society has been organized and is now in force. The committee selected from the faculty to choose from the men of the senior class, those deserving to be elected to the Honorary society, was composed of Dean Eyre, Dean Mitchell, Dean Clark, Professor Hodgins, and Coach Roy Johnson.

The names of those recommended by the committee were: Frank H. Neher, Thos. V. Calkins, Ralph O. Hernandez, Frank C. Ogg and George White. These men held their first meeting Tuesday noon in the administration building, adopted the constitution as set forth by the Student Council, determined on a name for the society and elected officers. G. White was elected president and T. V. Calkins secretary and treasurer. It was decided to call the society "Khatahle," which is Navajo for medicine man. A pin, in the shape of a medicine man's head will be worn by members in their scarfs.

Khatahle will hold another meeting soon for the purpose of electing members from the class of 1923, who will compose the membership of the club next year. Candidates are chosen on their character, interest in student activities, and work in the classroom.

**PARSONS IS WINNER OVER DOT CAMERON****Tennis Finals Fast and Evenly Matched. Mindlin Trophy Goes to Winner.**

Miss Clarissa Parsons of Fort Sumner, New Mexico won the University championship over Miss Dorothy Cameron of Albuquerque, in the finals of the girls' tennis tournament for the Mindlin trophy, 6-4, 4-6, 6-3.

The match was at times fast and showed some real class. Miss Parsons played consistent tennis and saved her strength for the decisive points. Miss Cameron played like a martyr. She ran several games up to forty love, only to be overcome by Miss Parsons' better timed playing.

This match marked the end of the tournament in which over sixty girls competed. Both Miss Parsons and Miss Cameron played several hard fought matches before their final one. They well deserve the honor done them.

The University of Arizona will send a tennis team here the 18th of May. Miss Parsons will meet an Arizona opponent in the singles, and Miss Cameron will be her partner in the doubles.

The umpire at the meet was Miss Peggy Hamilton. Linesmen, Misses Helen Nelson and Dorothy Stevenson.

**BY S. M.**

Miss Mary Wood was painfully but not seriously injured during a recent laboratory period in Chemistry 11. Concentrated sulfuric acid overflowed from a hydrogen chloride generator dropping onto the floor and spattering Miss Wood on both ankles, destroying the skin, in spots, over considerable area.

**U. N. M. DROPS MEET TO ARIZONA U. SQUAD****Dow Is High Point Man of the Meet. Hale Stars in Sprints. Jones Wins Three Thirds.**

Competing on a foreign track with a much larger school and after a fatiguing journey, the University of New Mexico's track squad lost to Arizona in a dual meet held at Tucson, 35 to 73.

Although losing the meet, the local squad produced the best all round athlete, Dow, who took five seconds. Hale, star sprinter of the southwest, was tied with Seamon, Arizona track captain, for runner-up to Dow. Hale took first in the 100-yard, and 220 yard dashes.

New Mexico started off with a flash, taking all three places in the 100-yd. dash, but lost the lead when Arizona took three places in the 880-yd. run. In this event Arizona claims to have set a new record, 2:05 4-5. The distances proved New Mexico's weak point. Arizona also won three places in the mile.

The Arizona track team was evenly balanced, the points were very evenly divided among them, while Hale and Dow of New Mexico made 26 of their 35 points. Greenleaf and Elder each won a second.

**Results of Meet**

The results of each event were as follows:

100-Yard Dash—Hale, U. N. M., first; Dow, U. N. M., second; Jones, U. N. M., third. Time, 10 1-5.

High Jump—Seamon, Arizona, first; Dow, U. N. M., second; McCauley, Arizona, third. Height, 5 feet, six inches.

880-Yard Run—Stone, Arizona, first; Stoltz, Arizona, second; Thomas, Arizona, third. Time 2:05 4-5.

220-Yard Dash—Hale, U. N. M., first; Dow, U. N. M., second; Taylor, Arizona, third. Time, 23 seconds.

Pole Vault—Seamon, Arizona, first; Elder, U. N. M., second; Bluet, Arizona, third. Height, 11 feet.

120-Yard High Hurdles—Converse, Arizona, first; Dow, U. N. M., second; Jones, U. N. M., third. Time, 16 2-5 seconds.

440-Yard Dash—Taylor, Arizona, first; Roberson, Arizona, second; Hale, U. N. M., third. Time, 53 3-5 seconds.

Running Broad Jump—Seibly, Arizona, first; Dow, U. N. M., second; Bethune, Arizona, third. Distance, 21 feet 8 1-4 inches.

220-Yard Low Hurdles—Converse, Arizona, first; Connell, Arizona, second; Jones, U. N. M., third. Time, 27 seconds.

Shot Put—Etz, Arizona, first; Greenleaf, U. N. M., second; Seamon, Arizona third. Distance, 38 4.

One-Mile Run—Core, Arizona, first; Calhoun, Arizona, second; Stone, Arizona, third. Time, 4:53.

Discus Throw—McCauley, Arizona, first; Etz, Arizona, second; Seibly, Arizona, third. Distance, 113.6.

One-Mile Relay—Won by Arizona team in 3:51 2-5.

Bledsoe was lead-off man for the Arizona relay team and obtained such a tremendous lead that his team mates had little difficulty in keeping it. Duff was second man to run, Allen third and Roberson fourth.

**JUDGE PEARCE RODEY OF CITY DELIVERS LECTURE**

At the weekly assembly Friday, May 5, Judge Pearce Rodeny delivered an interesting lecture on the Legal Status of the Pueblo Indian. Judge Rodeny's paper was prepared with minute attention to details, and is, according to several authorities, a creditable work on the Pueblo Indians of the southwest.

**WALT BOWMAN CHOSEN TO EDIT 1922 YEAR BOOK****Managership to Be in Hands of Roy Hickman, Elected by Council.**

Walter E. Bowman, Sophomore Pi Kappa Alpha, and president of the Pipe and Pen Club, was elected Editor-in-Chief of the Mirage for 1922-23. Miss Lorena Burton, ardent co-worker, was elected alternate.

Mr. Bowman comes from Vermont where he attended the State University there. He has gathered ideas concerning the manner of producing an Annual Publication of a collegiate nature, and these he will put into practice next year. His work on this year's Mirage proves his exceptional ability at securing and proportioning news.

Short-stories and articles bearing Mr. Bowman's name have appeared in Munsey's and other magazines.

Miss Burton, who will become Editor should Mr. Bowman fail to return, has turned in work, which, according to Miss Irene Wicklund, present editor of the Mirage, is second in quality and quantity only to that of the Editor-elect.

Managership of the year book for 1922-23 will be in the hands of Roy D. Hickman, who was nominated by Manager Frank Ogg. The nomination was later confirmed by the Student Council.

**CAMPUS ALL-STAR NINE DEFEATED BY INDIANS**

On Saturday, April 29, a group of ambitious baseball players of the campus matched a game with the Indian School team. At four o'clock Walter Berger had amassed his phenoms on the Indian's diamond and play commenced. It was play for the Indians, but anguish for the Campus All-Stars.

Igou, who played center field, was the first man to bat and bounced out a home run. The Indian pitcher was reached occasionally, but his tightness in pinches and the backing of the other players prevented all but two more scores for the All-Stars.

The University battery, Cartwright and Tom Popejoy, were sadly out of practice and the Indians had little difficulty in registering tallies. Popejoy was catching entirely without signals, a very difficult task, and Cartwright, whose arm stiffened, was replaced by Jones, stationed at first, at the end of the third inning. Jones also failed to stop the rampant red men and was replaced by Dow, who pitched ineffectively for the last of the seven inning merry-go-round. Miller, playing left field, and Igou misjudged several flies, which aided materially in their opponents' heavy scoring.

The final score was: Indians 15, All-Stars, 3. And a good time was had by all—the Indians.

**NEW OFFICERS INSTALLED; SOLOS GIVEN BY GARCIA**

Officers for the year 1922-23 were installed at the usual Friday assembly in Rodey Hall, April 28.

Frank Neher, the retiring president administered the oath of office to the new officers. Several little items of student interest were transacted, as this was the last assembly conducted entirely by the students.

Horgan, the new president took charge of the assembly. Nothing drastic occurred.

Miss Maud Riordan sang two entertaining solos. Mr. Garcia, the boy wonder musician rendered a wonderful solo and was encored twice.

**RECORDS TO CRUMBLE IN INTERSCHOLASTICS****Pick of High School Athletes to Compete Saturday Afternoon on University Field.**

Records will probably fall in the finals of the Annual, State Interscholastic Track and Field Meet to be held Saturday afternoon, May 13, on the University field. Some ten or more teams, representing as many high-schools of the State will be entered in competition for the Championship Cup, which must be won three times to become a permanent trophy. The cup is now in possession of Albuquerque High, which school has already won two legs on the trophy, and hopes to make it a permanent fixture by copping the lion's share of the honors in the present contest.

While little dope has been obtainable as to the probable winner, the greatest consensus of opinion has it, that the real contenders this year, will be as heretofore—Roswell, and Albuquerque. In last year's meet, the result was undecided between these two schools until the last event the Discus throw, which was won by Venable on his last throw.

Albuquerque High places her hopes for victory on such proven stars as Roybal, sprinter and broad jumper; Glassman, century speedster and Javelin thrower; Holcomb, hurdler; and Hammond, middle distance star. Roswell will bring some of last years winners and also some new stars. Webb, winner of last year's half mile event, will again be contending. Dimmit should be a winner in the pole vault. Clovis is sending one entry, Jones, who has for a time been the holder of the State Interscholastic record in that event, and who is still undefeated. Bass of Cimmaron, winner of the high jump in '21, will be the sole entry from his school. Santa Fe will enter four men, chief of whom will be Scarborough, record holder in the mile event.

**ANITA OSUNA RETURNS TO INSTRUCT IN U. N. M.**

During his recent visit to Stanford University, California, President Hill of the State University of New Mexico engaged Miss Anita Osuna of Albuquerque as Instructor in the Department of Romance Languages of the State University.

This appointment is of importance at the State University and will please the many friends of Miss Osuna who is a native of Albuquerque, and who graduated from the State University of New Mexico during June, 1921 with the degree of Bachelor of Arts following a four year course. Miss Osuna afterwards secured a teaching fellowship at Stanford University and expects to secure from Stanford the degree of Master of Arts during June, 1922. It was reported to President Hill at Stanford that Miss Osuna was among the most brilliant in her class. She was formerly a student assistant at the State University of New Mexico, to which she now returns as full-time Instructor in the Department of Romance Languages of which Helene M. Evers, Ph. D., is the head, and to teach the Spanish Language and Literature. The fact that Miss Osuna has won approval of the Graduate School of Stanford University and now with adequate preparation is returning to serve the University of her native State, will doubtless afford satisfaction to both students and citizens.

who desire to do anything along these lines should join the Society as soon as possible in order to begin work for the coming year. The meeting has been called by George Bryan, who was last year manager of debate.

Entered in the Post Office in Albuquerque, New Mexico, February 11, 1914, as second class matter.

FRIDAY, MAY 5, 1922

### HAVE WE SCHOOL SPIRIT

There is a growing tendency on the part of the student body, to stay away from University gatherings of a didactic nature. This statement was clearly demonstrated at the last three debates, and at the Senior tree planting ceremony. But gatherings of a social or recreative character never suffer from lack of attendance. We refer to dances, football, etc.

This is all very well, but is it fair to satisfy only our own selfish desires and not think of the other fellow? The men who go out for debates give all of their spare time to the preparation of their material, and when they go on the platform and deliver their debate they are giving what represents to them hours of hard work. That is as it should be; but they should not be forced to speak before an empty house. Nothing is more discouraging to a speaker than to think that his efforts are unappreciated.

The student attendance at the last three debates was almost insignificant. The house has never been more than half full at any debate this year. If the debaters are willing to give nearly all of their time in preparation of their debate, is it not worth an hour and a half of our time to go listen to them? Is it not our duty to listen to them?

At the Senior tree-planting ceremony last Saturday, the number of students present could have been counted on four hands. This shows a deplorable lack of interest in school activities. If we are not interested in our own affairs, how can we expect any one else to be?

The Weekly suggests that if you are not interested enough in debates to come voluntarily, then sacrifice an hour and a half of your time for the good of your Alma Mater and your own edification.

### THE INTERSCHOLASTICS

During the visit of the High School students from all parts of the state, to our school and campus for the track meet and Lyceum contests, it is our duty to be most congenial hosts, not only for the sake of doing the proper thing, but out of consideration of our Alma Mater.

Take the visiting students around the campus, show them points of interest, assist them to meet members of the faculty. The University of New Mexico is a school maintained by the State for men and women of

We have just received a new assortment of Pipes, including Dunhill, B.B.B., French Briars, Italian Briars, Congo, and many others.

the state, and it should be proven to every high school man or woman intending to go to college, that the only institution for them to attend is the State U. at Albuquerque. Let's all get out and give them the glad hand.

### CAMPUS PARTY VISITS ACOMA OVER WEEK-END

Laguna, the Acoma Indian pueblo, and points west were stamping grounds for a party of University people and their friends during the past week-end. The party, which was composed of Mr. and Mrs. Faw, Howell Faw, and Miss Alice Gould, Miss Lucy Clark, Dr. G. B. Hubbel, Vernon Wilfley, and Miss Blanche Guley, George Bryan, Professor and Mrs. Rockwood, Professor and Mrs. Charles Carey, and Professor Fred Feasel motored to Laguna last Saturday, from where they visited various places of interest, among which were the Enchanted Mesa, the Acoma Indian pueblo, and a free-for-all biale at Laguna Saturday night.

It is said that the dance lasted throughout the entire night, but that Professor Feasel was the only week-end participating at four A. M., when George Bryan wrenched himself away—and Professor Feasel, week-end as he was, was still going strong at that time.

As the excursion was purely one of pleasure and recreation, no facts resulting from scientific investigation have been reported—however, it is probable that Acoma and surrounding terrain will increase in popularity among University people concerned with science and general education.

### THE STORY IN BRIEF

That grasped this by the shoulders; Both these swayed to and fro—They lost all sense of time and place, And in the pool did go.

Now if, my gentle reader, You would profit by this tale—Just stay away from the swimming pool, And shun the grasping male.

—P. T. H.

### BALLAD OF BOOBS

By C. Drum with apologies to Don Marquis

Rave on, you boobs who fall  
For a feline's charms and wiles  
There's just one hell for him  
Who sees but her mask of smiles.

Rave on, sad saps, but come not.  
To me, with face disheartened\*  
I will but shoot a quote at you,  
"Fools and dinero too soon parted"\*\*\*

Rave to yourselves, not to me  
Of the glories of her tresses.  
Where does she while, while you  
partee?

The answer is but guesses.

\*Note:—A face can only be disheartened in poetry.  
\*\*Also Note:—Near rhymes are essential in real up to the minute stuff.

### A PROBLEM IN ECON. SOLVED BY THE COMMONS DEPARTMENT

#### LOVE DETERMINED FACTOR

By special correspondence to the Weekly. . . .

Taking advantage of the recent warm spell, and the consequent advent of the birds, the blossoms, and the accompanying rise in campusty stock, the Commons Department has proceeded to fulfill the old adage, "Two can live as cheaply as one." Love has proved itself, to the Commons at least, a first class enemy of appetite, and the Commissary Sarg. has regulated the ship's biscuits accordingly. The problem that has for so long baffled our most famous economists, and Prof. Feasel, is solved at last!

### DEEP STUFF

Perhaps the one reason for the strange action of an uncertain couple near—and in—the swimming pool recently is that opposites attract. For this is short and—er—pleasingly plump, and that is long and—ah—slim; they were very warm—the afternoon being exceedingly hot—and the water was quite cold. But at any rate, they seem to have lost their sense of physical, as well as mental balance, and into the pool they plunged. Now the reason stated above may be at fault, but who could fail to give them the benefit of all doubt by intimating this was pulsing that.

Your Messenger Phone is 360.

Bank of PERSONAL SERVICE

Ah, no, Phredwine! They were fully dressed. However, it is not known if that had on golf stockings for lounging purposes or not, but this was seen dressed in track togs shortly after the episode—dry track togs. Just so you get the idea that neither were dressed, or undressed, for swimming.

### HEELERS FOR 1922-23 SHOULD APPLY AT ONCE

Since the offices of the University publications have been put on a competitive basis, there is only one way to become eligible for those offices—that is by starting at the bottom and working up. Any one desiring to become Editor-in-Chief of the Weekly must first become a heeler. The editor-ship of the Weekly may be gained through one year of diligent labor, and again it may take three years.

The administration for 1922-23 is now calling for heelers. Applicants are not excepted on account of age, sex, or pulchritude. Ability and the expression of energy is all that counts in the sum total. Those wishing to heel the Weekly should see me at once. The administration-elect will not take chances until the beginning of next term, but it is necessary to get a staff picked, and in working order—now.

I would suggest that each Club fraternity and sorority send out one or more men or women to try for places on the staff. As the staff must necessarily be limited it is advisable to attend to this at once. (Signed) JOE BURSEY.

### VARSITY NET MEN SHOW CLASS IN TOURNAMENT

Varsity Men Take All Single Matches. Split in Doubles.

Playing in the first practice games of the season, the Varsity net men won all single contests from their opponents, the High School. Wagner won straight sets from Noble, 6-3, 6-4. Miller and Gilman were more evenly matched. Miller won 6-4, 4-6, 6-4. Long won from Marron, straight sets, 7-5, 10-8. The Merritt-Wifley match was the most exciting of the day. Their styles of playing are absolutely different. Both play consistent and safe tennis. Merritt won the first set 6-4. Wifley took the next two 6-4, 6-4.

The Varsity men did not show up so well in the doubles, due to lack of practice. Wagner and Miller won from Benjamin and Noble, 6-2, 6-3; but Horgan and Wifley lost to Merritt and Marron, 6-4, 6-3.

### JOE BURSEY WILL EDIT WEEKLY FOR 1922-23

At a meeting held by the staff of the U. N. M. Weekly on Friday, April 5, Joe Bursey, Alpha Delta, was unanimously elected Editor-in-Chief of the Weekly for the year 1922-1923 under the competitive system of selecting publication officials recently inaugurated. Bursey, having been actively engaged in Weekly work for the past two years, was the logical candidate for the position and is sure to conduct the paper in a manner that will leave nothing to be desired. Pat Pugh was elected alternate editor.

### W. MORGAN ENTERTAINS DEBATERS WITH DINNER

Willis Morgan recently entertained the members of the Varsity debate teams and a number of the faculty interested in forensic activities with a delightful dinner at his home in University Heights.

## PRES. HILL TOURS WEST TO ATTEND CONFERENCE

President David S. Hill returned on Friday from a journey through Arizona and California, during which as President of the University of New Mexico, he delivered one of the four addresses at the general Session of the Conference on Pan-American Relations in Eovard Auditorium, Los Angeles, on Thursday, April twenty-seventh. The other speakers upon this occasion were the Honorable Gumaro Villalobos, Consul General of Mexico, New York; Dr. Theodore C. Lyster of the Rockefeller Foundation; and the Honorable John Barrett, Counselor and Adviser in International Affairs and former Director of the Pan-American Union.

At noon on the same day President Hill addressed the Optimists Club of the City of Los Angeles after a dinner attended by two hundred-fifty business men of Los Angeles.

Upon the occasion of the Inauguration of President R. B. Von Klein-smid of the University of Southern California, President Hill also delivered an address at a banquet given at the City Club by the Trustees of the University of Southern California and attended by nearly three hundred guests.

He reports considerable interest among business and professional men on the coast concerning the present status of New Mexico and that no little attention is being obtained by the recent progress of the State University of New Mexico.

On Tuesday, April twenty-sixth, President Hill delivered three addresses at Flagstaff, Ariz., the first before the students and faculty of the State Normal School there located, the second before the Rotary Club of Flagstaff. During the return journey he also delivered an address

before the students and faculty of the State Normal School at San Jose, California, going from there to Stanford University and thence home.

The Inauguration of the new President of the University of Southern California was a brilliant occasion. The list of delegates representing American institutions as well as foreign countries included more than three hundred names. The inaugural ceremonies were enlivened by splendid music, one superb choral being rendered by a chorus of one hundred fifty trained voices. The Inaugural Procession composed of students, faculty members and a long line of delegates, clothed in brilliant academics, moving through the beautiful shaded campus made a vivid and memorable picture.

### BILLING AND COOING

He met a fair maiden and soon was a-wooing.

He told her he loved her, the words softly cooing.

He suggested they marry, she fell for the plan.

On the first of the month the billing began.

## HONOR DAY AND PRIZES

Annual Honor Day Exercises were inaugurated during Commencement of 1921, and will be repeated at succeeding Commencements. Annually on the occasion of HONOR DAY, the President of the State University and the president of the Associated Students, in the presence of the students and friends, announce in Rodey Hall the names of those students who are entitled to certificates of excellence or prizes for achievement. The honors bestowed by the Faculty are awarded by the President of the University, and honors bestowed by the Student Body are announced by the President of the Associated Students. The occasion is one of interest to the students and their relatives and friends.

### University Honors and Prizes

#### The C. T. French Medal for Scholarship

A friend of the University, Mr. Chester T. French of Albuquerque, during the spring of 1921, notified President Hill of his willingness to establish a permanent fund, the proceeds of which might be used perpetually as a prize to stimulate scholarship. Mr. French accordingly gave \$500 in Liberty bonds for this purpose. The C. T. French Medal for Scholarship will be awarded annually by the President of the State University to the student who meets these conditions:

(1) He or she shall have obtained during the year the highest general average for scholarship in a regular course of not less than 15 hours, leading to the Bachelor's degree, during a residence of not less than one full academic year.

(2) Only Juniors and Seniors in residence will be eligible in competition for the C. T. French Medal, and the medal can be awarded to the same person but once.

#### Katherine Mather Simms Prize in English

Another friend of the University, Mr. Albert Simms, during the summer of 1921, gave \$250 in Liberty bonds, the interest of which will be paid in cash to that student who in the opinion of a Faculty Committee and the President of the University has excelled in English Composition. The prize is named for Mrs. Katherine Mather Simms, a great-granddaughter of an early president of Harvard.

#### George E. Breece Prize for Excellence in Engineering

Colonel George E. Breece of Al-

buquerque during 1921 established this prize-endowment by a gift of \$600, the proceeds of which are to be awarded on Honor Day. This prize is open only to Junior and Senior students of Engineering in residence and taking a full course. The award will be made upon the basis of excellence of scholastic record during two consecutive years and general fitness to be determined by a committee appointed by the President of the University.

#### The Cecil Rhodes Scholarship

In accordance with the provisions of the will of Cecil Rhodes, awarding two scholarships every three years to each State and Territory in the United States, tenable at Oxford, England, and of the annual value of \$1,750, New Mexico has the privilege of electing a scholar from the candidates who present themselves.

The election from the State, without the examinations formerly required, is made by a State Committee appointed by the American Society of the Rhodes Trustees. Recommendations of candidates from the University are made to the State Committee by the President of the University.

#### CLASS CERTIFICATES

The Faculty on Honor Day awards Special Certificates of Excellence, as follows:

College of Arts and Sciences  
BEST SCHOLARS, respectively, in the Freshman, Sophomore, Junior and Senior Classes.

College of Engineering  
BEST SCHOLARS, respectively, in the Freshman, Sophomore, Junior and Senior Classes.
