## HONORS DIVIDED IN TENNIS EVENTS

**Hornbuckle Takes Men's Singles; Doubles to Albuquerque; Two to Belen.**

Honors were well distributed in the Interscholastic Tennis Tournaments, held on the University courts, May 13 and 14. The State Singles Championship for men went to Hornbuckle of Roswell, the doubles to Merritt and Marron of Albuquerque High, while Belen copped both the singles and doubles in the Women's division. The singles went to Miss Armstrong, and the doubles to Miss Armstrong and Miss Simmons.

Hornbuckle won the singles championship, only after a series of hard fought contests. He was forced to defeat two of the most formidable of the field in order to enter the finals. Winning from T. Bromer, 6-4, 7-5, he was forced to go three sets with Marron of Albuquerque, 6-4, 4-6, 6-2 in order to meet Merritt in the championship event. Merritt had defeated his two former opponents with ease.

The finals were filled with excitement. Fast playing and remarkable returns featured all three sets. Hornbuckle was at his best in playing the net, and this style of play seemed to confuse his opponent. The first set went to Hornbuckle, but Merritt rallied and took the second handily. The third went to the Roswell man 6-1.

In the Doubles, Albuquerque eliminated Roswell and Los Alamos, while Santa Fe defeated Belen, Albuquerque winning the finals from Santa Fe.

In both women's events, Belen competed with Santa Fe in the finals, the young ladies from Belen taking home the honors in both events. The playing of Miss Armstrong was fascinating if not brilliant. She covered all parts of the court, and kept the contest well in hand at all times. Next to Miss Armstrong, the playing of Miss Hughes was probably the most noteworthy.

It is said that Mr. R. H. Kirk and young son are busily employed during their spare moments in constructing a wireless radio receiving set. As yet, baling wire, oatmeal boxes, and good intentions comprise the bulk of the equipment, but, doubtless, our registrar will soon be among those select few who are really up on aerial news by "getting today's news yesterday."

## ALPHA DELTA PI ACTIVE SOCIALLY IN PAST WEEK

Spring fever seemed to have missed the A. D. P.'s recently, for theirs has been a full social program during the past week.

A number of Sorority members and pledges were entertained with their escorts last Friday, May 12, at the home of Miss Margaret Easterday, on North Fourth Street.

Miss Easterday also gave the activities and pledges of the Sorority a delightful buffet supper on the following Tuesday evening.

Miss Emma Tapp, national A. D. P. inspector, was the guest of the local chapter for a few days. Miss Tapp is from Kingston, North Carolina.

Activities and pledges of Alpha Delta Pi held their annual banquet at the Alvarado Hotel Monday evening, May 15. Miss Isobel Porter delivered a speech, and graduating members of the Senior Class were presented with rings mounted with the Sorority crest.

## ALBUQUERQUE HIGH SCHOOL DUPLICATES FEAT OF PREVIOUS YEARS, WINS MEET

**Bass, of Cimarron, High Point Man. Takes Three Firsts and One Second. Roybal, of Albuquerque, Runner-Up With Three Firsts. Albuquerque Becomes Permanent Possessor Of The University of New Mexico Cup.**

Albuquerque High School duplicated its feat of the last two years and took the Interscholastic Track and Field Meet by a comfortable margin of 20 1/2 points, over Roswell, their nearest rival.

Bass, the diminutive representative from Cimarron was the high point man of the meet, taking three firsts and one second. Last year Bass, who is now a sophomore in high school and scarcely fifteen years of age, won the high jump. It can be surmised what he will do next year. Two of his firsts were ties; the high jump with Zillmer, of Albuquerque, and the pole vault with Dimmitt, of Roswell.

Two state records were lowered at Saturday's meet. Scarborough of Santa Fe lowered his own record in the mile by 6 2-5 seconds, doing it in 5 minutes, 3 seconds. Scarborough is an exceptional athlete.

Artesia, winner of last year's relay, broke the record set by Roswell in 1919, by circling the track four times in 3 minutes, 49 1-5 seconds. The old record was 3 minutes, 53 1-5 seconds. Albuquerque took the lead and held it for two laps, but was unable to retain it. Nickey, Artesia's star quarter man, gained a comfortable lead over his man in the last lap of the relay.

Roybal, of Albuquerque, runner up to Bass, enjoyed the most perfect day of any contestant. He took first place in the three events he entered. Roybal is now a freshman in High School. In the preliminaries he equalled the state record in the 220 event, but failed to duplicate his feat in the finals.

Cups and medals were awarded the winners.

## SENIORS START MEMORIAL LOAN FUND FOR STUDENTS

**Money Intended to Aid Students Who Have Become Momentarily Embarrassed. Minimum Contribution Ten Dollars.**

At a recent meeting of the Senior Class it was unanimously decided to start a memorial loan fund for the benefit of those persons who arrive at the University without sufficient funds to provide for necessities for the first month. There have been many instances in the past where a student would arrive at the University ignorant of the amount needed to register and be installed in dormitory quarters. This fund will enable those people to be relieved of embarrassment until they have time to receive sufficient funds from home. The minimum amount being given is ten dollars, there is no maximum. It is hoped that the following Senior classes will continue this fund.

Miss Clarissa Parsons was visited by her father, of Fort Sumner over the last week-end. Mr. Parsons enjoyed himself by attending the State Track and Field Meet, playing tennis and entertaining his daughter and her friends.

## MATSON TROPHY GOES TO WINNER OF TOURNAMENT

**Men's Tennis Matches Start Saturday. Interest at High Tension.**

Arrangements have been made with O. A. Matson to award a handsome and durable tennis racket to the winner of the men's singles match, to be staged on the University courts, beginning Saturday, May 20.

Frank Reeve, President of the club will have charge of the tournament, and opponents for the contestants will be chosen through him.

The tournament last fall showed that there is considerable tennis talent in the school and competition should be close. The tournament is open to only those who belong to the tennis club and have paid up their back dues.

Wilfley, Reeve, Wagner, Miller and Dow are picked as possible winners. Wilfley having won the championship in the last two tournaments.

Members of the Senior Class met last Monday, May 16, and perfected plans for the luncheon given the class by the Kiwanis Club the following Wednesday.

## VARISITY TO TACKLE R-K COMBINATION

**Proceeds to Be Divided Between Boy Scouts and U. N. M. Athletic Fund.**

Next Wednesday afternoon at four o'clock, Coach Johnson's pickup squad of bush leaguers will undertake to trim the feathers off the squad representing the combined forces of the Rotary and Kiwanis Clubs. To this extent Johnson has had his troupe going through daily manoeuvres on the field, and will no doubt have the best possible lineup for the battle.

Little dope has been scattered as to the possible strength of the opposing nine, but it is rumored that such former Varsity stars as Doc Cornish, and Chas. Lembke will appear in costume and positively play. Henry Coors will probably hold down the keystone for the combination.

The University battery will probably be Cartwright and either Greenleaf or Popejoy. Dow, Jones, and Miller are all showing class in the infield, and Hopewell says he will be there to pick them out in the garden.

The proceeds of the game will be divided between the local company of Boy Scouts of America, and the Athletic Fund of the University of New Mexico. Ticket selling squads from the U. and the Scouts, will handle the seat sale.

## DOT. CAMERON INVITED TO ATTEND PARIS MEET

**Local Feminine Sprinter Makes Good Time in Dashes. Ruth Morgan Believed to Have Broken World's Record in 220-Yard Dash.**

Miss Dorothy Cameron, resident of Albuquerque, has been invited by the National Women's Track Committee to participate in the Olympic track meet to be held in Paris, August 20. Miss Cameron made exceptional time in the dashes in the meet held by the University Women's Athlete Association a few days ago. Her time in the hundred yard dash was 13 3-4 seconds.

Due to lack of details concerning the trip, Miss Cameron has not yet decided whether to accept the invitation or not. It is expected that she will. Should she decide to accept she will leave for New York early in August.

Miss Ruth Morgan, winner of the 220-yard dash, set a new world's record for that event, according to the result recorded by the stop watches. Her time was 30 2-5 seconds; the former record being 1-5 of a second longer. This record, however, cannot be insisted upon because all of the rules governing meets were not complied with. It is rumored that Miss Morgan will be given another chance under athletic rules to break the record. This event is not included in the Paris meet.

## KIWANIS ENTERTAINS SENIORS AT LUNCHEON

Members of the Senior class were entertained with a luncheon by the Kiwanis Club at the Y. M. C. A. last Wednesday, May 17. Ralph Hernandez, class president, and Irene Wickland made speeches, and Miss Maude Rirodan, Thomas Calkins, and Miss Dorothy Cameron featured the program with vocal and piano selections.

**JUST AROUND THE CORNER**

Just a few more days of class work remain before the final examinations. These few days will probably mean to a lot of us, the difference between earning or losing hours of credit. It's the final sprint to the finish that wins. The man with the strong sprint always carries away the laurels.

With the advent of warm weather, longer days, and moonlit nights it is hard to appreciate the indoor grind with the old text book, but this, the hardest time of the year to study, is the vital time to put in our most vigorous efforts. Final examinations are just around the corner. Now is the time to renew our stride and get going so we'll be there at the tape to get a full hour's credit for every hour of work taken.

**SENIOR-SOPH. DIVISION WINS PENTHALON 41-38**

Final scores show that the women of the Senior-Sophomore Classes defeated the Junior-Freshman women in the Penthalon conducted recently by a close margin of 41 to 38 points.

Miss Dorothy Stephenson scored highest, taking four first places, or 20 points; Miss Ruth Morgan was close second with three firsts, of 18 points; Miss Dorothy Cameron was third with 11 points, exclusive of additional points gained through her participation in the relay race.

The following records and time made in the various events, which also apply to the Women's Telegraphic Track and Field Trials, have been forwarded to the Committee in charge. However, the report of the Committee giving the records of other Universities and the final standing of each has not been received.

DAY AND NIGHT SERVICE

**Clifford Taxi****PITFALL AND GIN****THE NUTTAGE PARTY**  
From the Diary of Ophelia Ankel  
(No Apologies Intended)

Monday, May 15. The morning after. Got up as unusual yesterday morning—at 10 o'clock. It was Sunday. Untraveled a couple of reams of kid kurlers, scraped the plaster off my map, felt rejuvenated so undertook a couple of undecided eggs. Having thus properly restored my courage, I re-read my curious assortment of invitations from the personnel of the Nuttage.

Among the notables whose signatures appeared in the margin were, Herbie, Annie Eggplant, Hon. Est. Injun, Lucy Buttons, Carrie Paper, Luke A. Strike, and Camille. Unnerved by this imposing assortment of impressionistic titles, I soon assembled myself in my smock, and after smoking 1 of a package of 111, I felt more truly Bohemian.

Having more or less successfully maintained the atmosphere, at four of the P. M. I headed in the direction of the Nuttage, which, with the aid of one of Sir George's Non-Combustibles, and a snappy walk through the cabbage patch, I finally reached.

After meeting the gang, and getting kinda used to myself, I met one T. B. Crabb, one of the very foremost of the notables. I was surprised that he didn't feel very much at home in the Nuttage since I have read his column. However, he said he didn't, or implied the same. He was real nice anyhow, and referred to us as youngish folks, by which he earned my eternal gratitude anyhow.

I think he would have indulged in the high powered conversation too, if he had discovered the true Bohemian spirit which was sitting (for a while) in a corner in back of the Nuttage, and I sorta think, if he had got next, he would have stepped right out, and wouldn't have minded the raucousness of the condensed melodrama a bit.

There was tea, which served its purpose very well, and also the boys smoked, and if they didn't spit through their fingers, I saw one that could hit a postage stamp at six paces. I might add that a good time was had by all, to which Mr. Crabb might add, "most."

Our word is pledged, and we're all set

Sweet Margaret is a gracious theme,  
And she should have a gracious rhyme,  
Her face is fair, she is supreme—  
We wonder where she spends her time

And who holds hope to stay her flight;  
We lose ourselves in wondering  
If she deplores a moonlit night—

**AN APOLOGY**

Dear reader, you no doubt have noticed or have not noticed the disappearance or appearance, as the case may be—if you get what we mean—of the Weakly Love Story. Competition has forced it out, not that we have too much copy—oh, no, you get us wrong. The Love Story is no longer Weakly—see. With the advent of these warm, moonlit nights, and the consequent drowsiness of Herr Inspector Watchman alias Diogenes, business in the department of renewed affections, has picked up to such an alarming rate, that it is impossible to devote space to any one specific case, however, if anything notorious transpires, we'll sure let you in on the ground floor. Say, you just oughta ride around the campus on a Friday evening in a car equipped with a generous spot light.

**NOT ALL PLEASURE**

In 1862 an intimate friend of President Lincoln visited him in Washington, finding him rather depressed in spirits as the result of the reverses then repeatedly suffered by the Federal troops.

"This being President isn't all as it is supposed to be, is it, Mr. Lincoln?" said his visitor.

"No," Lincoln replied, his eye twinkling for a moment. "I feel sometimes like the Irishman who, after being ridden on a rail, said: 'If it wasn't for the honor av th' thing, I'd rather walk.'"

### HOW TO SELECT A WIFE AND WHAT TO BEWARE OF

In the first place, see the girl you intend to marry as early in the morning as possible.

Watch how she treats her pets—her dog, her canary, her little sisters. Discover what she eats and drinks—and how much of it.

Remember if she makes a habit of walking or riding.

Inform yourself whether she is an addict to Rudolph Valentino and Scott Fitzgerald or Rapheal Long-fellow.

Go to church with her and see if she cares more for the preacher than for the gospel.

Walk with her as fast as you can and pace an entire fox trot with her, and mark if she allows herself breathing room and wears tight slippers.

The editor gazed maliciously at the shabby poet then at the equally shabby poem.

"Man alive!" he demanded. "Do you call this poetry?"

"Her eyes were blue as skies."

"Her teeth just like the stars."

The poet was very humble, and he bowed before the storm.

"It is quite true, sir," he said.

"She has false teeth and, like the stars, they come out at night."

### BUDDING BOOKKEEPER

"My son," said the father who was somewhat addicted to moralizing, "this is the age of specialties and specialists. Is there anything you can do better than anyone else in the world?"

"Yeth, thir," lisped the small boy.

"I can read my own writing."

The University division of the Y. W. C. A. held their weekly meeting at five o'clock last Wednesday in Hokona parlors. Miss Hazel Morris was in charge.

Annual Honor Day Exercises were inaugurated during Commencement of 1921, and will be repeated at succeeding Commencements. Annually on the occasion of **HONOR DAY**, the President of the State University and the president of the Associated Students, in the presence of the students and friends, announce in Rodey Hall the names of those students who are entitled to certificates of excellence or prizes for achievement. The honors bestowed by the Faculty are awarded by the President of the University, and honors bestowed by the Student Body are announced by the President of the Associated Students. The occasion is one of interest to the students and their relatives and friends.

### University Honors and Prizes

#### The C. T. French Medal for Scholarship

A friend of the University, Mr. Chester T. French of Albuquerque, during the spring of 1921, notified President Hill of his willingness to establish a permanent fund, the proceeds of which might be used perpetually as a prize to stimulate scholarship. Mr. French accordingly gave \$500 in Liberty bonds for this purpose. The C. T. French Medal for Scholarship will be awarded annually by the President of the State University to the student who meets these conditions:

(1) He or she shall have obtained during the year the highest general average for scholarship in a regular course of not less than 15 hours, leading to the Bachelor's degree, during a residence of not less than one full academic year.

(2) Only Juniors and Seniors in residence will be eligible in competition for the C. T. French Medal, and the medal can be awarded to the same person but once.

#### Katherine Mather Simms Prize in English

Another friend of the University, Mr. Albert Simms, during the summer of 1921, gave \$250 in Liberty bonds, the interest of which will be paid in cash to that student who in the opinion of a Faculty Committee and the President of the University has excelled in English Composition. The prize is named for Mrs. Katherine Mather Simms, a great-granddaughter of an early president of Harvard.

#### George E. Breece Prize for Excellence in Engineering

Colonel George E. Breece of Al-

bquerque during 1921 established this prize-endowment by a gift of \$600, the proceeds of which are to be awarded on Honor Day. This prize is open only to Junior and Senior students of Engineering in residence and taking a full course. The award will be made upon the basis of excellence of scholastic record during two consecutive years and general fitness to be determined by a committee appointed by the President of the University.

#### The Cecil Rhodes Scholarship

In accordance with the provisions of the will of Cecil Rhodes, awarding two scholarships every three years to each State and Territory in the United States, tenable at Oxford, England, and of the annual value of \$1,750, New Mexico has the privilege of electing a scholar from the candidates who present themselves.

The election from the State, without the examinations formerly required, is made by a State Committee appointed by the American Society of the Rhodes Trustees. Recommendations of candidates from the University are made to the State Committee by the President of the University.

#### CLASS CERTIFICATES

The Faculty on Honor Day awards Special Certificates of Excellence, as follows:

**College of Arts and Sciences**  
BEST SCHOLARS, respectively, in the Freshman, Sophomore, Junior and Senior Classes.

**College of Engineering**
