## COMMENCEMENT EXERCISES HELD

### *Fifth Interscholastic Track and Field Meet Big Success*

#### CLOSING EXERCISES HELD IN RODEY HALL

Baccalaureate Sermon Sunday, Concert Monday, Phi Kappa Phi Installation, and Awarding of Degrees Finishes Commencement Program; Examinations Held Wednesday, Thursday and Friday.

The commencement exercises started with a rush last Sunday afternoon when Rev. C. O. Beckman delivered one of the most interesting and truthful baccalaureate sermons ever heard by a graduating class at the University. The subject of the address was: "A Question and Its Answer." Rev. Beckman took the subject up from every angle, and decided that one should be natural, courageous, friendly, honorable, truthful and patriotic. A very excellent music program was rendered immediately following the sermon. The next number on the general program was the Phi Kappa Phi installation and address given by Mr. Paul A. Redington of the United States forest service. The following members were inducted into the Honor fraternity: Misses Ethel Kieke, Fern Reeves, Daphne Fortney, and Pryor B. Timmons.

Monday evening, under the supervision of Prof. Stanley E. Seder an exceptionally entertaining concert was given, the chief number on the program being a cantata, "The Rose Maiden," which was sung by the University Choral Club.

Tuesday afternoon at 3:30 p. m., the closing exercises were held, Dean C. E. Hodgkin, acting president in the absence of Dr. D. R. Boyd, awarding the degrees. The presentation of the class memorial by Joseph Rosenbach, representative of the Senior class and the acceptance of same by Dean Hodgkin, marked the closing of the commencement exercises. The memorial given by this class was a photograph of the president of the institution Dr. D. R. Boyd.

UNIVERSITY WILL BE OPEN NEXT FALL WITHOUT FAIL. THE FIRST SEMESTER WILL START AUGUST 20th.

#### UNIVERSITY WILL BE OPEN AUGUST 20TH

Rumor That College is Not to Resume Activities in Fall is Erroneous; Registrar Gives Official Notice.

There is a rumor down town that the University will be closed next year. This is not the case at all. A fair number of present students have registered for next semester and more will register after they know more about their plans. Besides, there are more graduates from the high school this year than ever before, many of whom expect to attend the University and many of whom will be too young to be affected by the provisions of the army bill. The attendance in some departments, such as engineering, etc., is likely to be diminished, but even in these departments the work will not be suspended. It is possible and even likely that the proportion of men and women next year will be reversed, but it is certain that every department will be in operation and that there will be students in fair numbers in the upper classes, while the lower classes are liable to equal, if not exceed, their present enrollment. In other states emphasis is laid upon the importance of keeping the state university open, and running at full efficiency. Members of the faculty here are carefully considering their highest duty and they realize that a goodly number of them should return to the University next year. Every student should help to kill the rumor that the University will be closed next year. It would be calamity for it to be closed. The students who would be here next year would go elsewhere and henceforth be lost to us and the University after the war—would have to make a fresh start and build itself up again from the very ground.

(Signed) L. B. MITCHELL,  
Registrar.

Dean C. Hodgkin will deliver the commencement address at the Gallup High School on Friday evening, May 11, his subject being: "Removing Limitations."

#### FIFTH ANNUAL INTERSCHOLASTIC TRACK MEET HELD LAST WEEK ON VARSITY FIELD

Interesting Track and Field Events Witnessed by an Enthusiastic Crowd; Albuquerque High School Proves Superiority; Roswell Put up Brave Fight; Relay Race Was Also Won by Local Team; Pleasant Hill High School Sent One Representative, and He Placed in 440-Yard Run; Basketball Game Won by High School Lads.

The Fifth Annual Interscholastic Track meet was held in Varsity field May 4th and 5th, and proved a most successful affair. The result was very much in favor of the Albuquerque high school, the final score being 63, to Roswell's 46, being the nearest to the final score. The Albuquerque high school also won the basketball game played Friday night at the Y. M. C. A., defeating Clovis high school, 61 to 28. The game the first half was an exceptionally good exhibition of basketball, the score being 23 to 21 in favor of the A. H. S. The Clovis men played fast and furious, but when the second half started the high school men were unable to hold the A. H. S. quintette and they piled up basket after basket. The game was rather rough, but no one seemed to be the worse off for that matter. The Clovis men had only lost two games out of thirteen played previous to their defeat at hands of A. H. S. The Albuquerque team has only lost one game this year, that being to the University aggregation.

The preliminaries for the track events were held Friday afternoon, and two or three records were broken as compared with last year and the previous years. In fact, better time was made in the preliminaries than in the final events on Saturday. Smaulding for the high school made

43 of the 64 points, taking 8 firsts and 1 second.

Roswell seemed to be the only opposition for the Albuquerque team, although Slaughter from Santa Fe, took first place in the half mile, and Snoderly from Pleasant Hill pushed Roswell out of second place in the 440-yard run. Boone of Roswell, showed up fairly well, winning the 220 and 440-yard runs. Hale and Basset, both of Roswell showed good material and next year will be hard men to contend with. Whatley, the little high jumper and pole vaulter held up his end of the game and place in both events, as well as in the broad jump, and low hurdles.

All the athletes showed exceptionally hard training and deserve considerable credit for their efforts. The following high schools entered for the meet: Albuquerque, Roswell, Clovis, Santa Fe, Tucumcari, and Pleasant Hill. The oratorical and declamatory contests also furnished considerable excitement, Mr. Gardner from Raton winning the oratorical contest.

The entire meet was a most successful one and all the athletes after enjoying a banquet in the dining hall and attending a dance at Rodey hall went away with a good taste in their mouth, and a soft spot in their heart for the cheery and silver institution.

#### OFFICERS ELECTED FOR 1917-18 PUBLICATIONS

Miss Fergusson, Lyle Vincent, Thoralf Sundt, and Earl Gerhardt Chosen for Editor of Mirage, and Weekly, and Managers of Same, Respectively.

At a meeting of the student body held last Wednesday morning, the following were elected:

Miss Lina Fergusson, editor of the Mirage; Thoralf Sundt, manager of the Mirage; Mr. Lyle Vincent, editor of the Weekly, and Earl Gerhardt, manager of the Weekly. All of these officers have been most active in student activities and the publications for next year will presumably be of high class material. Miss Fergusson, served as art editor of the Mirage this year, and with her ability and experience should undoubtedly put out a very magnificent book. Vincent has served as cub reporter on the Evening Herald and will be in good position to handle the editorship of the Weekly. In order to have the best results it will be necessary for every student to pitch in and do his share. A scheme is under way for the adoption of a new system in the newspaper work, and everyone will have an opportunity to do his little bit for the advancement of the publications and the University at large. The student body joins in extending hearty congratulations upon the election to such responsible offices and assures the newly elected that the entire support of that body will be afforded.

Professor Worcester left yesterday morning to deliver the graduating address to Clayton High School students. Prof. Worcester will be married within the next three weeks and intends to teach normal work this summer.

Prof. Wand leaves this morning for San Francisco where he will join the officers reserve camp, having been tendered a commission in the engineers corps.

On behalf of the manager of the University Weekly, as well as the student body and the University itself, we wish to take this opportunity to thank each firm or individual who has advertised at any time during the year in our college paper. It is indeed a pleasure to look back and see how willingly our merchants have contributed to the support of the University activities and publications. The Mirage, thanks to the same source, has been made a success of, and Manager Pryor B. Timmons also wishes to express his thanks and gratitude. Trusting that we may be of some beneficial service to each of you in the future and assuring you that our relations have been most pleasant in the past, we again express our thanks for your valuable service.

## HONOR SYSTEM.

The following idea obtained from letter written to Dr. C. T. Kirk by S. H. Goodnight, chairman of committee on student life and interest at the University of Wisconsin seems to be appropriate, and well worth the investigation of the student body so that the examination system will be in good shape for the first semester of next year. The honor system is not in existence at the University of Wisconsin, although they have organized a "Wisconsin Honor Committee."

The principal things to bring forth now are: First—Acquaint the student body with the situation. Second—Create sentiment against the existing state of affairs. Third—Put forth a definite "higher ideal." These three months may be accomplished, by investigation, personal work and publicity. For example, have some responsible person representing each organization in the University present the situation to his organization, recommending the desired changes, and proposing that the honor system be installed. If in the opinion of the committees appointed, the student body is not yet ready for such a system it would be well for the proposition to be postponed for a year, but with the present situation, with the size of the University, the character of the students attending, etc., there is no reason why it should be necessary to put this off any longer. The students are the ones to put this through, but the committee appointed by the faculty stand ready at any time to do their share toward making the proposition a success. Exert every effort during the summer months to devise some scheme for the examination system and when you return next fall express your ideas to the editor of the paper so he may put them in print and allow the rest of the student body to either accept or reject them.

## MRS. STROUP DELIVERED INTERESTING ADDRESS

Conservation of Food Has Attracted Many University Women, and Several Have Joined League For This Purpose.

On May 4th, Mrs. Stroup gave a most interesting and helpful talk to the University girls who have joined the "Conservation of Food" league. For so long the wish to help has been felt by the girls, but so far no one had given any definite plan whereby this wish might be put into reality. There has been an auxiliary woman's board created to co-operate with the state war board. Mrs. Stroup is chairman of this committee for Bernalillo county, so the statements that she made at this meeting concerning the present state of the food supply and the manner in which we might help, were absolutely the most reliable to have.

Miss Elizabeth Arnot was nominated to represent the University branch of this organization, to attend their councils and report the decisions made at such meetings to this branch.

The idea formulated at present is to preserve all the fruit and vegetables this summer that ordinarily go to waste. This was to be one important part of the work outlined for this summer. Any of the girls of the University branch, or women of the city organization would be called upon to do their share of the work they would be most efficient in; the names of all members to be indexed so that the ladies of the work would know who they could count on.

A man, expert in the canning business will be hired to superintend the work, so that it would be done in the best way.

This was a lecture that all the women of the University should have heard, but those who did not attend this meeting may yet do their share by joining the organization and show that they are willing to give up some of their time and energy at a time when it is so needed.

Report of committee to purchase gold footballs and basketballs.  
Collected from alumni: Rodey, \$1; Walker, \$1; Murphy, \$1; Lee, \$1; Boldt, \$1; Butts, \$1; Hubbel, \$1; Hall, \$1. Total, \$8.  
Collected from faculty: Boyd, \$5; Kirk, \$2; Lamphir, \$1; Daus, \$1; Edington, \$1; Clark, \$1; Breneman, \$50c. Total \$11.50.  
Received from F. Lee, dance proceeds, \$37.75.  
Received of Miss Hawthorn, dance proceeds, \$15.  
Jimmie Costin, \$1; Ed King, \$1; Prof. Bonnett, \$1; Prof. Hill, \$1; Prof. Worcester, \$1; Prof. Wand, \$1; Miss Hickey, \$1; Prof. Hodgkin, \$2; Prof. Seder, \$1; Prof. Weese, \$1; Prof. Mitchell, \$1; L. Vincent, \$1; Ed Rosa, \$1. Total, \$86.25.

The following people will receive basketballs and footballs, sometime within the next three weeks, if you leave your address with Ray McCanna: Thelma Fortney, Ethel Kleke, Shirley von Wachenhusen, Carolyn Beals, Alberta Hawthorne, and Thelma Louden. Footballs: Louis Nohl, Lyman Thackrey, Bob Wigley, Jack Lapraik, Red Balcomb, Lee Langston, John Erb, A. Feather, L. Feather, C. Aydelotte, R. J. Ray, C. Brorlen, C. Grebbs, Coach Hutchinson and Ray McCanna.

## FOR SEWING UPSTAIRS OR DOWN

A compact, electrically operated machine has been devised to make sewing easier and pleasanter for the home. This machine may be carried about as readily as a parlor lamp—or a vacuum cleaner. It weighs but a few pounds—may be placed on any table—and gives smooth, speedy, convenient service. It's the ideal way to sew—the electric way—no tired backs—no aching feet—Why not be modern? The new machines are sold on the easy-payment plan or for all cash. Come in and let us show you—or write for booklet.

## PHI KAPPA PHI HELD INSTALLATION MONDAY

Paul G. Reddington Delivered Interesting Speech Concerning Dress to Members of Honor Fraternity; Banquet Held in Honor of New Members.

On May 7 of commencement week, Phi Kappa Phi installation was held in Rodey hall; the members of this year's graduating class to be chosen for this high honor were Misses Ethel Kleke, Fern Reeves, Daphne Fortney and Mr. Pryor Timmons.

These Seniors were welcomed into the fraternity with a great deal of pomp and ceremony, after which the members of this chapter including the new initiates, adjourned to the Country Club for luncheon. A very gay and enjoyable luncheon is reported by the fortunate Phi Kappa Phi.

The University should certainly be proud of such a large number of new members to this honorary fraternity, for in addition to being a just acknowledgment of their efforts along the lines of all studies they have undertaken, it is a wonderful thing for the University to have such a representation in such a fraternity.

On Monday afternoon the members of the fraternity, as well as all the public who cared to attend, were addressed by P. G. Reddington.

We know that all these new members will be happy in this new fraternity and we hope that there will be as large a membership next year.

## CURRENT EVENTS.

April 30, 1917—Joffre wants to see American army fighting shoulder to shoulder in Europe with forces of French republic.

Eighteen bodies recovered from Hastings mine; hope abandoned.

May 1—Both houses of congress begin work on food control bills.

May 2—Ship yards are not keeping up with pace set by submarines. Despite orders to hold first line at all costs furious attack drives Germans from trenches.

May 3—National guards to mobilize at Albuquerque.

Unless checked, U-boats will soon sweep ocean clean of commerce, warned former Washington.

May 4—Furious attack carries British across famous Hindenburg line.

May 5—Smoulding scores 43 points in New Mexico high school meet.

May 6—Uncle Sam soon to have army of nearly million men in camp.

May 6—Cash continues to pour in for liberty loan to government.

May 7—All gains made by French troops Saturday held against Germans.

Insert Letter "E."  
"So you were invited to participate in a profit-sharing scheme?"

"Yes."  
"How did you come out?"  
"I discovered that the purpose of the scheme was not sharing but shearing."

Under the Century Plant.  
Sapleigh—Miss Eldridge tells me that her family tree is very old.  
Miss Knox—Yes; it certainly is an ancient chestnut.

Affluence.  
"They are rich, you say?"  
"Unquestionably. Three chauffeurs are included in their servant problem."

## COMPETITIVE EXAMS TO BE HELD MAY 25TH

Following Letter to Dean Hodgkin is Self-Explanatory; Anyone Desiring Information Should Take Matter up Immediately.

Dr. C. E. Hodgkin,  
University of New Mexico,  
Albuquerque, New Mexico.

Dear Dr. Hodgkin: This will acknowledge receipt of your favor of the 30th ult., and I am glad to learn that you will have charge of the examination for appointments to the naval academy on May 25.

Dr. Boyd is now in Washington, and I have today taken up fully with him the details of the examination. As he will be back in Albuquerque shortly after this is received by you I will let him explain the matter to you when he sees you.

Mr. McAllister has sent some matter to the Albuquerque Journal and other New Mexico papers which will give you a fair idea of the scope of the examination, but I will appreciate it if you will keep the matter alive in the way of publicity, so that it will not be allowed to suffer from being overlooked.

Thanking you for the interest that you are taking in the matter, and trusting that you will consider me at your service whenever there is anything that I can do for you, I remain  
Sincerely yours,  
W. B. WALTON.

## PI KAPPA ALPHA WILL GIVE FORMAL DANCE

Fraternity Men to Hold Farewell Party at Country Club; Last Social Event of College Year, Expected to be Enjoyable.

The Pi Kappa Alpha fraternity will give a farewell dance to the members of the active chapter and alumni Friday evening, May 11th, at the Country Club. This will probably be the last University function given this year, and the members of the fraternity are looking forward to an exceptionally good time.

The affair will be formal, and a showing or display of flashy new gowns will undoubtedly be exhibited. The music will be furnished by the Booster orchestra, and needless to say, this will add greatly to the enjoyment of the evening.

The Pi Kappa Alpha men have given a number of social entertainments, and have established a reputation for themselves, which will long be remembered in the social history of the University. All in all, with fair damsels, good eats, and fine music, the dance promises to be one of the most enjoyable of the college year.

Positive Signs.  
Out here in New Mexico even public signs come direct to the point. They do not waste any time wondering how the reader will feel about it.

In a garage in Albuquerque is posted this sign "Don't smoke 'round the tank! If your life isn't worth anything, gasoline is."

On the wall of a barber shop in Taos is prominently displayed the following, "If you can't raise two bits, raise whiskers."

## LEAVE YOUR ADDRESS.

Students who are to be graduated this year and all others who are leaving the University are requested to notify the Registrar of change of address and of every subsequent change of address. It often happens that alumni and ex-students can not be located. The University desires to keep track of all such so that it may be able to send them publications from time to time. It is also to the interest of the graduate and former student that the University know their whereabouts for inquiries at times come to University officials asking for recommendations for positions, not only in teaching, but in every field and activity. Outside of the personal advantage which may accrue to the former student from knowledge of his whereabouts, the student should also consider it a part of his duty to his alma mater that he should keep the University informed of his location and of his activities and that he send to the University library a copy of each book or pamphlet he may publish.

FRESHMEN ENTERTAINED  
AT RODEY HALL SATURDAY

Class of '20 Held Informal Dance in Honor of Visiting Athletes; Everyone Present Enjoyed a Good Time.

Rodey hall was the scene of the last student dance of the year last Saturday night, when the Freshmen upheld the honor of the University by entertaining in behalf of the high school track men.

The fact that the decorations had been admired for a week by all members of the student body, did not in any way mar the effect which they produced in the guests. To make a long story short, the hall was crowded with high schoolers, and everyone of them had the time of their young lives. The punch bowl was a never ending source of enjoyment to the youngsters who energetically saw to its distribution. Some of the varsity fellows claim to have had a most unusually funny time "kidding along" the high school lassies. The dance was well chaperoned by some fifteen University couples, who feeling their superior age and experience amused themselves in watching the way they used to do it when kids.

Alpha Gamma sorority will hold its annual banquet at the Alvarado hotel Friday evening, May 11, at 6 o'clock.

The Phi Mus will hold their annual banquet Saturday evening, May 12, at the Alvarado hotel.

Henry, the Varsity baggageman. Phone 939.

Jimmie Hoover has accepted a very responsible position with the Empire Oil & Fuel Co. in Oklahoma. Hoover will leave Sunday morning.

Bring at least one student back with you when you return next year. The institution will need as many as possible.
